ADMISSION NOTICE

GRADUATE ENGINEERS COURSE (THERMAL) (2011-12)

Fulfilling the mandatory requirements of Indian Electricity Rules, 1956, amended in 1981

WHY YOU SHOULD JOIN? The main aim of the course is to develop a pool of technically trained manpower readily available for recruitment to the Indian Power Sector, besides, the course shall improve and enhance the knowledge and skill of the Engineers sponsored by the State Electricity Boards, Power Utilities (Independent, Captive Power Plants), etc.

ABOUT THE COURSE: This is a modular type course of One year duration. On-job training is conducted at the nearby Thermal Power Stations and the training on high tech simulator at NPTI, Delhi/Nagpur. The course profile covers the mandatory requirements under Indian Electricity Amendment Rules 1981, which stipulates "No person shall be authorized to operate or undertake maintenance of any part or whole of generating station capacity of 100 MW and above together with the associated sub-station unless he/she is adequately qualified and has undergone the specialized training at a recognized Institute". The participants who have successfully completed this course at this Institute are entitled to obtain the Power Generating Station O&M Competency Certificate from State Electrical Licensing Boards.

ELIGIBILITY: B.E. or equivalent in Mechanical/ Electrical & Electronics/Instrumentation Engineering from a recognised Institution/ University with minimum of 60% marks with I Class/I Grade

SELECTION CRITERIA FOR ADMISSION: Based on Merit (% of Marks)

AGE LIMIT: For Non-sponsored candidates, the age limit is 30 years as on 31.12.2010. No age limit for the sponsored candidates.

TOTAL SEATS: 77(seventy seven seats). 25% seats are reserved for candidates sponsored from Power utilities having more than one year experience and more than 65% marks in Graduation with I Class/Grade. However, if any of the seats fall vacant in any of the category that shall be allocated to eligible candidates of other category. Reservation of seats for SC/ST/OBC/Physically Handicapped candidates shall be as per Govt. of India norms. NPTI reserves the right to increase or decrease the total seats.

PLACEMENT: To provide career opportunities in the Indian Power Sector, NPTI shall maintain close linkages with Power Utilities and reputed companies for employment of these trained Engineers.

Most of the students of previous batches were placed decently in reputed Power sector companies. NPTI will not make any efforts for placement of SPONSORED Candidates.

HOW TO APPLY: Applications on plan paper along with the demand draft of `800/- in favour of NPTI payable at Neyveli should reach Principal Director, National Power Training Institute (SR), Neyveli 607803 (address given above) with two Stamp size photographs in the prescribed format as follows: 1. Name 2. Father's Name 3. Date of birth & age as on 31.12.2010 4. Sex 5. Marital Status 6. Nationality 7. Whether SC/ST/OBC/PH? 8. Postal Address 9. Educational qualification starting from B.E. onwards stating subjects, college/Institution, % of marks(Grading viz. CPI,DGPA,CGPA,OGPA, etc. are to be converted into equivalent percentage which should be supported by certificate issued by the concerned University, **otherwise the application will be rejected**), year of passing 10. Experience 11. Sponsored/Non-sponsored (If sponsored attach certificate from employer) 12. E-Mail ID, 13. Signature. Attach attested copies of proof of item No.3, 7, 9 & 10.

FEES: For Non-sponsored candidates `1,50,000/- (in two installments). For candidates sponsored by Organization `2,00,000/- payable in lump sum at the time of admission. There is no fee concession for any category of candidates. An Affidavit to be submitted by Sponsored candidates.
