

**DEPARTMENT OF ELECTRONICS AND COMPUTER ENGINEERING
INDIAN INSTITUTE OF TECHNOLOGY ROORKEE**

Summer Internship - 2012

Applications are invited from students of Government/Government-funded institutes (other than IIT) for 6 – 8 week summer internship, beginning June 1, 2012. There are two categories of internships:

- A.** Internships offered under the internship programme of IIT Roorkee. It is open to the students of B.Tech. programmes in Electronics and Communication and Computer Science and Engineering. The total number of available seats in this category is 3. No stipend is awarded to the students in this category.
- B.** Internships funded by Microsoft Research Labs., India (Rx Lab Program). These are open to the students of B.Tech. in Computer Science and Engineering. The maximum number of available seats is 3 under this category. The selected students are given a consolidated stipend of ` 10000/- after the completion of the internship.

The eligibility, selection procedure, and other conditions are as follows:

1. Only the students studying in Government/ Government-funded institutes are eligible.
2. Students who have completed 4 semesters or 6 semesters at the starting date of internship may apply. However, preference will be given to the students who have completed 6 semesters.
3. Only the students having CGPA of 7.5 (on 10 point scale) and above will be considered.
4. Selection will be based upon a merit list that will be prepared on the basis of CGPA and the project proposal submitted by the candidate.
5. Offer of internship will be subject to the condition that a faculty member agrees to supervise the candidate in the proposed project.
6. All selected students will be required to deposit a bench fee of Rs. 5000/- per month in the Institute.
7. All expenses, including travel, boarding, and lodging will be borne by the selected candidates. Accommodation, if available, will be provided on the campus on payment basis.
8. Applications should be duly forwarded by the institute authorities and should include the applicant's CV with photograph, attested copies of grade sheets, and a project proposal for the work that the candidate wishes to pursue.
9. Last date for receiving applications is **March 23, 2012**. Late applications will not be considered.
10. Announcements of offers will be made by April 15, 2012.
11. Only hard copies of applications will be considered. These should be sent in an envelope marked "Internship" and addressed to:
