## MENTAL ABILITY TEST - 2012

**TIME: 90 MINUTES**

**MAX MARKS: 90**

### **Instruction of the Candidates**

Read the following instructions carefully before you answer the questions.

1. Answers are to be given on a SEPARATE ANSWER SHEET
2. Please write your twelve digits Roll Number very clearly on the Test booklet and Answer Sheet as given in your admission card.
3. Please note and follow the instructions, given on the answer sheet for writing the answers.
4. Darken the circle with pen for answering the question in the appropriate space against the number corresponding to the questions you are answering.
5. There are 90 questions in this test.
6. Since all questions are compulsory, do not try to read the whole question paper before beginning to answer it.
7. If you do not know the answer to any question, do not spend much time on it and pass on to the next one. If time permits, you can come back to the questions, which you have left in the first instance and try them again.
8. Since the time allotted for this question paper is very limited you should make the best use of it by not spending too much time on any one question.
9. Rough work can be done anywhere in the Test booklet but not on the Answer sheet/loose paper.
10. Every correct answer will be awarded one mark.
