(1) The number of total offered seats may increase or decrease at the time of counseling.

(2) The fee to be charged may change and the selected candidates will have to deposit the fee as intimated by the institute at the time of admission.

11. DETAILS OF OFFERED SEATS

Wherever applicable Branch-wise, Category-wise and State-wise breakup of offered seats of each participating institution is given in tabular form in this section as provided by the Participating Institutions. The branch codes and category codes used are given in Table 11 and 12.

SEATS FOR NON-NIT STATES:

As per the direction of the MHRD 50% of the seats in NITs will be filled from AIEEE eligible candidates of States where NITs are located and rest 50% will be filled on All India Merit basis. MHRD will make efforts to establish NITs for those States/UTs which do not have NITs as of now. In case, the new NITs are not established before the start of admission based on AIEEE-2009, seats will be made available for the eligible students of such States/UTs which do not have any NIT, so as to keep the number of seats for such States/UTs at the level of 2007, after making due adjustment for the number of seats filled by eligible candidates of these States/UTs.
