WASE - Wipro Academy of Software Excellence

Wipro Technologies India's leading IT company initiated the WASE Programme - Wipro Academy of Software Excellence in 1995. It is the oldest and the most successful Earn while you Learn Programme in the country. Pioneered with a vision to create employment opportunities in Information Technology for non engineering graduates, the programme has so far trained over 6000 graduates many of whom have risen to the ranks of senior managers. WASE provides best in class IT training to young graduates like yourselves equipping you with the knowledge to cope with the ever-changing face of the Information Technology revolution. It is a 4 year MS Programme in Software Engineering, received from BITS, Pilani.

Why should you choose WASE?

- An opportunity to work in the field of IT with a reputed company
- On the job training to work on complex projects and the best mentors
- Gain experience while earning, a chance to become financially independent
- A Masters degree from an institution which is respected the world over

WASE provides you an opportunity to pursue an 8-semester (four years) off-campus collaborative MS Programme with Birla Institute of Technology & Science (BITS), Pilani (Rajasthan, India). Along with offering you the best IT platform, soft skills and providing live project exposure.

WASE is globally ranked 2nd among the most mature Corporate Universities
