CAT2014 ELIGIBILITY

A candidate must hold a bachelor's degree, with at least 50% marks or equivalent CGPA [45% in case of the candidates belonging to Scheduled Caste (SC), Scheduled Tribe (ST) and Differently Aabled (DA) (It may also be referred to as Persons With Disability (PWD) categories), awarded by any of the universities incorporated by an act of the central or state legislature in India or other educational institutions established by an act of Parliament or declared to be deemed as a university under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of Human Resource Development, Government of India. The percentage of marks obtained by a candidate in the bachelor's degree would be calculated based on the practice followed by the university/institution from where the candidate has obtained the degree. In case a candidate is awarded grades/CGPA instead of marks, the conversion of grades/CGPA to percentage of marks would be based on the procedure certified by the university/ institution from where he/she has obtained the bachelor's degree. In case the university/ institution does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA and multiplying the result with 100. Candidates appearing for the final year of bachelor's degree/equivalent qualification examination and those who have completed degree requirements and are awaiting results can also apply. If selected, such candidates will be allowed to join the programme provisionally, only if he/she submits a certificate latest by June 30, 2015 from the Principal/Registrar of his/her College/Institute (issued on or before June 30, 2015) stating that the candidate has completed all the requirements for obtaining the bachelor's degree/equivalent qualification on the date of the issue of the certificate. IIMs may verify eligibility at various stages of the selection process, the details of which are provided at the website www.iimcat.ac.in. Applicants should note that the mere fulfillment of minimum eligibility criteria will not ensure consideration for shortlisting by IIMs.

Prospective candidates must maintain a valid and unique email account and a phone number throughout the selection process.
