14.6 Marking the Responses

- (i) Use Blue/Black Ball Point Pen only (which will be provided by the centre) to darken the appropriate circle.
Answers marked with pencil would not be evaluated.
- (ii) Mark should be dark and should completely fill the circle.
- (iii) Darken only one circle for each entry as the Answer once marked is not liable to be changed.
- (iv) A lightly or faintly darkened circle will be treated as a wrong method of marking and will be rejected by the Optical Scanner.
- (v) Make the marks only in the space provided.
- (vi) There will be four alternatives for each of the question numbering 001 to 180 in **AIPMT** Examination. The candidate will indicate response to the question by darkening the appropriate circle completely with Ball Point Pen. For example, Question No. 027 in the Test Booklet reads as follows:

Question No. 027 : Taj Mahal is situated in

- (1) Agra
- (2) Mumbai
- (3) Delhi
- (4) Bangaluru

The correct response to this question is (1) Agra. The candidate will locate question No. 027 in the Answer Sheet and darken the circle

027

If the candidate does not want to attempt any question, he/she should not darken the circle given against that question. Please do not fold the Answer Sheet and do not make any stray mark on it.

14.7 Changing an Answer is not allowed

The candidates must fully satisfy themselves about the accuracy of the answer before darkening the appropriate circle as no change in answer once marked is allowed. Use of eraser or white fluid on the Answer Sheet is not permissible as the Answer Sheets are machine gradable and it may lead to wrong evaluation.

SOME EXAMPLES OF WRONG/CORRECT WAYS OF MARKING ARE AS FOLLOWS:

If more than one circle is darkened or if the response is marked in any manner as shown above (or in any other similar manner) heading indicating wrong method shall be treated as wrong way of marking.

14.8 Scoring and Marking

(a) **Each item carries 4 marks. For each correct response the candidate will get 4 marks. For each incorrect response one mark will be deducted from the total score.** No deduction from the total score will, however, be made if no response is indicated for an item in the answer sheet. The candidates are advised not to attempt such item in answer sheet, if they are not sure of the correct response. **More than one answer indicated a question will be deemed as incorrect response and will be negatively marked.**
