WASE

WASE (Wipro Academy of Software Excellence) is a unique programme launched by Wipro in 1995. It offers BCA & M.Sc. students a chance to pursue higher education on MS / M.Tech in Software Engineering in collaboration with Birla Institute of Technology & Science (BITS), Pilani (Rajasthan, India).

WiSTA

The WiSTA (Wipro Software Technology Academy) is a programme launched by Wipro in 2011 in partnership with the prestigious VIT University, Vellore. The “Earn While You Learn” programme offers the B.Sc. & M.Sc. students to attain an MS / M.Tech degree in Information Technology from the University.

With these programmes, students gain industry exposure and real-time practical knowledge on live projects during the weekdays, thereby developing their technical skills in the ever-evolving IT world. Both WASE & WiSTA impart the best training for soft skills and provides project experience along with a monthly stipend, which increases every year.
