

ROLE

The role of CASB is to carry out selection and enrolment through 14 Airmen Selection Centes, spread all over India. These centres are under the direct functional control of CASB with Admin control and support by respective Air Commands.

GEOGRAPHICAL LOCATION

ADDRESS AND CONTACT DETAILS

Address, Contact number and E-mail of Central Airmen Selection Board is as follows:

CENTRAL AIRMEN SELECTION BOARD
AIR FORCE STATION NARAINA,
BRAR SQUARE, DELHI CANTT
NEW DELHI -110010
TELE - 011- 25694209
E - mail - casb@iaf.nic.in

There are 14 Airmen Selection centres located all over the country. On enrolment at the ASCs , the candidates are routed to Basic Training Institute (BTI), Belgaum (Karnataka) to undergo Joint Basic Phase Training (JBPT) for a period of 12 weeks. On successful completion of JBPT, candidates will be allocated trades and sent for trade training of specified duration. After successful completion of trade training, the airmen will be deployed on ground based jobs as per their allotted trades.

SELECTION PROCEDURE

The selection as an Airman in the IAF is conducted through All India Selection Tests and Recruitment Rallies. All India Selection Tests are conducted at the Airmen Selection Centres (ASCs) located all over India as per schedule, whereas the Recruitment Rallies are conducted from time to time in selected areas/regions of particular States/Union Territories of the country.

(a) **All India Selection Tests (STs) :** Advertisements are published in Employment News/Rozgar Samachar inviting the applications for All India Selection Tests (STs). In response to the advertisement, eligible male Indian Citizens (including the citizens of Nepal) are to forward application to the President, Central Airmen Selection Board, Post Box No. 11807, New Delhi ♦ 110 010. The Board sends admit cards to eligible and short-listed candidates to appear in the Selection Tests.

(b) Recruitment Rallies : Advertisements for Rallies are published with the details of eligibility conditions, selection programme and rally venue in popular local/regional newspapers circulated in the region/area of the rally. For rally recruitment, eligible candidates are to report to the rally venue with the requisite documents. These documents will be scrutinized and verified by the Testing Team..

SEQUENCE OF EXAMINATION

Written Test

(a) **Group 'X' (Technical) Trades** Candidates are tested in English, Physics and Mathematics. Duration of written test will be 60 minutes.

(b) **Group 'X' (Education Instructor) Trades** There will be two papers ♦ an Objective type and a Descriptive type. The Objective type of paper would cover General English, General Awareness and Current Affairs. The Descriptive type of paper would aim to test the language comprehension and power of expression. Both of the question papers will be administered in one go with duration of 40 and 35 minutes for Objective and Descriptive papers respectively.

(c) **Group 'Y' (Non-Technical) Trades** Candidates are tested in English and Reasoning & General Awareness (RAGA). Duration of written test will be 45 minutes.

(d) **Group 'Y' (Musician) Trades** Candidates are tested in English dictation and proficiency to play the musical instrument applied for.

Written Test will be objective type and question paper will be bilingual (English & Hindi), except for English paper. Written test will be based on CBSE up to class XII syllabus. Candidates are to qualify in each paper/test separately. Result of written test is declared on the same day.

Physical Fitness Test (PFT): Candidates passing the written test are to undergo Physical Fitness Test (PFT). Passing the PFT is mandatory. The PFT for all trades [except IAF (Security)] consists of a 1.6 Km run to be completed within 8 minutes. The PFT for IAF (Security) trade includes a 2.4 Km run & 5 Km run to be completed in 15 minutes & 30 minutes respectively. Candidates above 27 years of age will be given relaxation in PFT timing as per existing norms (Applicable to serving NC (E) s only). Candidates completing PFT faster are awarded additional marks on a sliding scale.

Interview: Candidates passing PFT will be interviewed by a team of Officers & Warrant ranks. Interview is normally conducted in English. Working knowledge of English is thus essential.

Trade Allocation Test (TAT) : Candidates of Group 'X' (Technical) trades who qualify in interview are to undergo Trade Allocation Test for bifurcation into Mechanical and Electronics stream. Specific trade allotment within these streams will be carried out at Basic Training Institute (BTI), Air Force (Belgaum).

Medical : Candidates who have been recommended in the interview will be medically examined by the Recruitment Medical Team as per Indian Air Force Medical Standards.

All India Select List (AISL) : Candidates who pass the Written Test, complete PFT within the given time, clear the interview and have undergone Medical Examination are arranged in the All India Select List (AISL). The inclusion of names of the candidates in the AISL depends upon the performance of the candidates in the Selection Test and number of vacancies to be filled. The candidates are enrolled in the Indian Air Force as per the existing vacancies.

Watch out for our Advertisement for Selection Tests in the Employment News/Rozgar Samachar and curtain raisers as well as Advertisements for Recruitment Rallies in National & Regional News Papers from time to time. For more career details log on to Indian Air Force website: www.indianairforce.nic.in or E-mail your queries to: casb@iaf.nic.in.

ELIGIBILITY CRITERIA:AIRMEN

AGE LIMIT AND EDUCATIONAL QUALIFICATION (With Effect From 01 Apr 13)

<u>GROUP</u>	<u>AGE</u> (As on date of Enrolment)	<u>EDUCATIONAL QUALIFICATION</u>
GROUP 'X' trades (Except Education Instructor)	17 - 21 Years	Passed Intermediate / 10+2 / equivalent examination with Mathematics, Physics and English , with minimum 50% marks in aggregate and 50% marks in English OR Three years Diploma course in Engineering (Mechanical / Electrical / Electronics / Automobile / Computer Science / Instrumentation Technology / Information Technology) from a Government recognised Polytechnic Institute with minimum 50% marks in overall aggregate , and 50% marks in English in Diploma or in Intermediate / Matriculation if English is not a subject in Diploma
	20-25 Years	Graduate in Arts, Commerce or Science with B. Ed degree or two years teaching experience in a Government recognised School/College, with minimum 50% marks in aggregate in Graduation as well as B. Ed OR
Group 'X' : Education Instructor Trade	20-28 Years	Passed MA English / M Sc in Mathematics, Physics, Computer Science / MCA with B Ed degree or 2 Years teaching experience in a Government recognised School / College
	17-21 Years	Passed Intermediate / 10+2 / equivalent examination in any stream / subject approved by Central / State Education Boards with minimum 50% marks in aggregate and 50% marks in English OR Passed two years vocational course affiliated / recognised by CBSE / State Education Boards / Councils duly recognised at par with 10+2 by AIU with minimum 50 % marks in aggregate , and 50% marks in English in Vocational Course or in Intermediate / Matriculation if English is not a subject in Vocational Course
Group 'Y' Trades (Except Med Asst and Musician)	17-21 Years	Passed 10+2 / Intermediate / equivalent exam with Physics, Chemistry, Biology and English with a minimum of 50% marks in aggregate and 50% marks in English
Group 'Y' : Med Asst Trade	17-25 Years	Passed Matriculation / 10th class or equivalent with minimum pass marks from any Government recognised School/Boards and proficient in playing at least one of the following musical instruments: Trumpet / Bass / Violin / Saxophone / Clarinet / Euphonium / Jazz-Drum / Piccolo / Bass Trombone / Key Board / Guitar / Sarod / Viola / Cello / Contra Bass (String Bass).

	Musician

CAREER PROGRESSION

The initial period of engagement in the IAF is 20 years, which can be extended up to the age of 57 years. Promotion prospects up to the rank of Master Warrant Officer exist to the deserving airmen. Opportunities to become a Commissioned Officer also exist for those airmen who qualify the prescribed examination, later in their service career.

(a) **Service Entry Commission.** Airmen of the rank of Sergeant & above with 10 years of minimum service and within the age limit of 34 to 42 years get the opportunity to become a Commissioned Officer in the IAF.

(b) **Honorary Commission** Selected MWOs/WOs are granted Honorary Commission in the last year of their service before superannuating on Republic Day and Independence Day each year. On grant of Honorary Commission, they are eligible for higher scales of pay and allowances.

PERSONALITY DEVELOPMENT

Well stocked libraries, a variety of sports facilities as well as adventure and cultural activities available at all the Air Force Establishments provide an opportunity for all round personality development.

POST RETIREMENT BENEFITS

Post-Retirement benefits include pension, Ex-Servicemen Contributory Health Scheme (ECHS), gratuity and canteen facilities. Specialised pre-release courses (PRC) are also arranged to enable airmen to take up post retirement careers. In addition, airmen get relaxation in age and reservation in Government services as ex-servicemen.

JOB CONTENTS: TRADE WISE

On the basis of the performance in the Joint Basic Phase Training (JBPT) at Basic Training Institute, Belgaum specific trades are allotted to the successful candidates. Basic combatant training is imparted to all the recruits, which includes basic discipline and manners, educational training, weapon training etc. After successful completion of basic training, you will be trained in specific trades. PT, Parade and games are integral part of the training and service life. Succeeding paragraphs give an idea of the nature of job an airman is expected to perform in different trades. However, depending on service requirement, an airman may be assigned other jobs as required by his superior authorities and exigencies of service.

GROUP 'X' (TECHNICAL) TRADES

GROUP 'X' (TECHNICAL) TRADES

In this trade you are responsible for maintenance and repair of all types of light and heavy duty mechanical vehicles, cranes and loading equipment etc.

Electronics Fitter

As an Electronics Fitter you operate and maintain Radar, Voice and Data transmission and reception equipment mounted on latest airborne weapon delivery systems and ground based air defence systems. You will get trained in Digital Electronics, measuring instruments, radar technology, latest electronic devices and related trade fundamentals.

Electrical Fitter

You will maintain power supply system of latest types of aircraft, airborne missiles and associated ground systems. You will also maintain photo equipment mounted on air borne weapon systems and operate ground based photo systems. You will get trained in electrical trade, operation and maintenance of digital devices, electronics devices etc.

Mechanical System Fitter

You will repair and maintain mechanical, hydraulic and pneumatic systems of airborne missiles, engines, automobiles and aircraft fuelling equipment. Complete aircraft ground support equipment will also be repaired and maintained by you. You will be trained in handling and preparation of bombs and explosives and in electrical system, workshop and mechanical trades as well as automobile mechanics.

Structures Fitter

As Structure Fitter, you are responsible for the maintenance and servicing of airframes and their accessories, components and controls of aircraft. Regular checks for the entire hydraulic and pneumatic system to ensure proper functioning against leaks are also part of your duties. You will also be assigned the responsibility of marshalling, parking, picketing and ground handling of aircraft.

Propulsion Fitter

In this trade you will repair, maintain and prepare for use the propulsion system of aircraft and other airborne weapon delivery system.

Workshop Fitter (Smith)

You will undertake major structural repairs of all aircraft at central repair facilities. You will also be trained in workshop trade for material treatment, welding, heat treatment, smithy and basic machine tools etc.

Workshop Fitter (Mechanical)

You will undertake repair and maintenance work of mechanical nature. You will be trained in workshop trade and practices.

Weapon Fitter

In this trade, you will prepare, maintain and service armaments, ammunition and safety equipment of aircraft, missiles and other weapon delivery systems. You will also operate and maintain small arms and bomb destruction equipment. You will be trained to handle bombs, explosives, arms and their installation on weapon delivery platforms.

GROUP 'X' (NON-TECHNICAL) TRADES

Education Instructor

As an Education Instructor you will run training programme at instructional schools and improve education level of Air Force Personnel.

GROUP 'Y' (NON-TECHNICAL) TRADES

Adm Assistant

As an Admin Assistant you will maintain and analyse records, files and information of personnel. You will also manage ration supplies, cook houses and messes.

Accts Assistant

As an Accounts Assistant you will record and manage accounting of pay and allowances, equipment, logistics transactions, public fund and cash flow etc.

Medical Assistant

You are made familiar with nursing and first-aid. You are also involved in management of medical stores, dispensaries and ward supervision.

Logistics Assistant

As a Logistics Assistant, you are involved in the procurement, storage and handling inventory control as well as accounting of military stores.

Environment Support Services Assistant (ESSA)

This job involves maintenance of the firefighting section. It also requires that you ensure the upkeep of hygiene of Air Force Campus.

Ops Assistant

As an Ops Assistant you will operate various systems of Air Traffic Control Centre, Air Field and Air Defence System. You will be trained in operation of Radars, Display Units, reporting and tracking procedures of airborne weapon systems etc.

Meteorological Assistant

If you are a Meteorological Assistant, you are trained to undertake weather observation and to maintain meteorological instruments. You are also responsible for plotting of charts, taking balloon observations and compilation of weather summaries.

Ground Training Instructor

As a Ground Training Instructor, you will train personnel on drill, parade, handling of arms and physical exercise. You are also responsible for organizing and conducting all games and sports activities.

Indian Air Force (Police)

In the position of Indian Air Force (Police) your responsibilities involve assuming police duties and investigation of offences. You are also in-charge of maintenance of security.

Indian Air Force (Security)

As an Indian Air Force (Security) tradesman, you are to undertake special operations and carry out high level security operations.

Musician

As a Musician you will become a part of the Air Force Band. You will be trained to play different musical instruments.

GROUP 'Y' (TECHNICAL) TRADES**Communication Technician**

As a Communication Technician you will operate, service and maintain all types of state of the art communication devices, telephone exchange and radio equipment.

Automobile Technician

As an Automobile Technician you will drive all types of light, medium and heavy automobiles, load carriers and specialist vehicles like cranes, towing tractors, fork lifters etc. subject to service exigencies. As a technician you will also carry out minor repairs, day to day maintenance and basic level servicing of the common user vehicles and specialist vehicles in the Indian Air Force inventory.
