Q4. The question is followed by two arguments numbered I and II. You have to decide which of the arguments is a strong argument and which is a weak argument.

Statement:

Should a total ban be put on trapping wild animals?

Arguments:

I. Yes, Trappers are making a lot of money.

II. No, bans on hunting and trapping are not effective.

- Only argument I is strong.
- Only argument II is strong.
- Either I or II is strong.
- Neither I nor II is strong.
- Both I and II are strong

**Q5.** In the question a statement is followed by some courses of action. A course of action is a step or administrative decisions to be taken for improvement, follow-up, or further action in regard to the problem, policy, etc. You have to assume everything in the statement to be true and then decide which of the given suggested course(s) of action logically follows for pursuing.

Statement:

'The World Bank has approved a \$ 300 million loan to finance a project to construct coal ports by Madras Port Trusts.

Courses of Action:

I. India should take financial help from other international financial institutions to develop such ports in other places.

II. India should not seek any help from the international financial institutions.

- Only I follows
- Only II follows
- Either I or II follows
- Neither I nor II follows
- Both I and II follow.
