2015

ALL INDIA COMMON ENTRANCE TEST – 2015

(FOR DENTAL, MEDICAL, BPT, B.Sc.
NURSING AND OTHER ALLIED
PARAMEDICAL COURSES IN PRIVATE
COLLEGES OF M.P.)

In pursuance of judgment dated 12/02/2015 of the Hon'ble Supreme Court of India in I.A. No. I.A. No. **77-78 and 79/2015** in Civil Appeal No. **4060/2009**. Association of Private Dental and Medical Colleges of Madhya Pradesh will be conducting an Entrance Test which is fair, transparent and non-exploitative. Thus under the supervision of Admission and Fee Regulatory Committee DMAT- Examination 2015 is being conducted for admission.

1. PREAMBLE

- ◆ The “Association of Private Dental and Medical Colleges of Madhya Pradesh” (APDMC), hereinafter referred to as the 'Association' was established and registered under the Societies Regulation Act 1973 at Indore vide Regn. No. IND/7448 dated 23/02/2005. The Association is the Representative Body of 20 Private Unaided Dental and Medical Colleges of Madhya Pradesh.
- ◆ In compliance of the directions of Hon'ble Apex Court, the Association has taken a decision to hold a Common Entrance Test DMAT- 2015, which will be conducted by the Association for admissions in Private Dental and Medical Colleges of Madhya Pradesh.
- ◆ Association will also conduct Entrance Test for admission to BPT, B.Sc. Nursing and other Allied Paramedical Courses.
- ◆ The Brochure for DMAT 2015 contains Application Form for the Common Entrance Test DMAT – 2015. It also contains Rules for admission and information about courses and colleges. These Rules are applicable only for the Academic Year 2015-16.

2. ADMISSION COMMITTEE

- ◆ The Admission Committee will consist of 5 Members nominated by the Association. The Committee will supervise the conduct of DMAT-2015 Entrance Examination, the preparation and declaration of the results, conduct of counselling and allotment of courses and colleges.
- ◆ The Admission Committee will issue necessary instructions for implementation of these rules and provide informations to be published and communicated.
- ◆ The results of DMAT-2015 will be declared

only after due approval of Admission Committee.

- ◆ The Admission Committee shall decide on all representations, queries, complaints etc. of the candidates and the decision of the Committee shall be final and binding.
- ◆ DMAT – 2015 shall be conducted under the guidance and supervision of Admission and Fee Regulatory Committee for Professional Institutions.

3. CONDUCT OF COMMON ENTRANCE TEST DMAT - 2015

Candidates should go through the contents of this brochure carefully and for any clarification and genuine doubts / difficulties, approach to the Admission Committee. Further information if any required about the entrance test, will be uploaded and available regularly on the websites of Association.

7. ELIGIBILITY

(A). MINIMUM EDUCATIONAL QUALIFICATION

For admission to MBBS/BDS Courses, those candidates who have passed the qualifying examination of 10+2 from Board of Secondary Education M.P. or CBSE having passed in Physics, Chemistry and Biology subjects individually and have secured at least minimum 50% marks in Physics, Chemistry and Biology combined together and must have passed in English also.

OR

Those who have passed any equivalent or higher examination with the aforesaid subjects from any other recognized Board, University with the percentage of marks as mentioned above.

OR

Any other qualification recognized by Govt. of India/Medical Council of India/Dental Council of India as recognized qualification for admission to MBBS/BDS Courses.

(B). MINIMUM EDUCATIONAL QUALIFICATION FOR : (BPT/B.SC. NURSING/OTHER ALLIED PARA MEDICAL COURSES)

For admission to BPT, B.Sc. Nursing, and other Allied Paramedical Courses those candidates who have passed the qualifying Examination of 10+2 from Board of Secondary Education M.P. or C.B.S.E. having passed in Physics, Chemistry and Biology subject individually are eligible for admission. For admission to B.Sc. Nursing Courses candidate must have passed in English also.

OR

Those who have passed any equivalent or higher examination with above said subjects from any other recognized Board/ University.

OR

Any other qualification recognized by relevant Council of India as recognized qualification for admission to above Courses.

- ◆ No rounding off of the marks secured by the candidates in 10+2 or equivalent Examination will be done in individual subjects of final total, while converting marks of the individual subjects out of 100 or total marks out of 200. For example, If the total of the marks in four subjects comes to 99 out of 200 percentage comes to 49.50 that will not qualify the candidate.
- ◆ The candidates who are appearing for the qualifying examination i.e. 10+2 or equivalent in March/April 2015 are also eligible to appear for DMAT- 2015 provided they must fulfill the eligibility conditions.
- ◆ If the marks of a candidate at XII or 10+2 (or equivalent) examination have been revised after revaluation, the eligibility of the candidate may be altered. The candidate will be permitted to avail the benefit of revised marks subject to his/her representation to the Admission Committee and production of necessary proof to the satisfaction of the Admission Committee. The candidates must note that the Admission Committee will not be responsible for late declaration of result of such re-evaluation or late submissions of proof due to any reasons whatsoever and request to consider/reconsider the claim of the candidate arising out of such re-evaluation shall not be entertained. Candidates have to furnish all proofs before the publication of merit list.
- ◆ Candidates who have failed in subject and got supplementary is also eligible provided he/she submit the result of passing on or before Counselling 30/09/2015.

Note: No Domicile is required. Any Indian Citizen can apply.

8. SCHEDULE OF DMAT - 2015

| | |
|----------------------|--------------------------------------|
| Date of Examination: | 21st June, 2015 (Sunday) |
| Time: | 09:00 am to 12:00 noon |
| Subjects: | Physics, Chemistry, Botany & Zoology |

9. MARKING THE ANSWER SHEET

The DMAT-2015 will consist of one common question paper of 3 hours duration in the subjects of Physics, Chemistry, Biology (Botany and Zoology) consisting of 200 multiple choice questions where subject wise distribution will be as under:

| | |
|-----------|--------------|
| Physics | 50 Questions |
| Chemistry | 50 Questions |
| Botany | 50 Questions |
| Zoology | 50 Questions |

All questions are compulsory hence the candidate is expected to attempt all the questions. Out of four bubbles provided against each question on the answer sheet; the candidates will have to darken only one bubble by using **Black Ball Point Pen**. For each correct answer one mark will be awarded.

There shall be **no negative marking** for wrong answers, scratching, overwriting, tick marks, erasers, whiteners and multiple answers and use of any pencil, pen other than **Black Ball Point Pen** will be awarded no marks.

The candidate should use BLACK BALL POINT PEN only to fill the OMR Answer Sheet.

10. DURATION AND MEDIUM OF EXAMINATION

Duration of examination will be of 3 hours. The medium of the test shall be English and Hindi only.

11. AWARD OF MARKS IN LIEU OF CANCELLED/DEFECTIVE QUESTIONS:

After the completion of test, the Admission Committee will get each question on the question paper examined by "subject-experts" alongwith the answers suggested by the paper-setter and moderator. If any question is found to be defective by these experts, then it will be cancelled.

Question can be cancelled due to following reasons;

- Wrong structuring of the question.
- More than one option being correct.
- None of the option being correct.
- Any printing error leading to a situation where more than one answer may be correct or none of the answers may be correct.

In lieu of such cancelled questions, every candidate will be awarded extra marks in proportion to the marks obtained by him/her, irrespective of the fact whether the candidate had attempted such cancelled questions or not.

The answers prepared by the "subject experts" shall be final and binding.

12. ADMIT CARD

- Admit Card of candidates shall be uploaded on our website one week before the Examination.
- No candidate will be allowed to appear for DMAT-2015 unless he/she holds valid admit card issued by the Controller of Examination, DMAT-2015.
- The candidate is required to preserve the Admit Card for all future reference and correspondence.

13. AGE LIMIT

No candidate shall be admitted to a Medical/Dental College / BPT/ B.Sc. Nursing and other Allied Para Medical Courses until he/she has completed or will complete the age of 17 years on or before 31st December 2014.

14. EXPLANATION

- ** Seats shall be filled up from minority communities as per directions of State Minority Commission if all seats are not filled up from Minority Community remaining vacant seats shall be filled up from DMAT merit 2015/ equivalent qualifying examination.

18. MODE OF SELECTION

On the basis of the marks obtained by candidates in the DMAT-2015 merit list will be prepared depending upon number of (APDMC Quota) sanctioned seats. Remaining candidates up to a fixed number will be kept in the waiting list.

Merit criteria in case of candidates with equal marks

Merit order of candidates having secured equal total marks will be decided on the basis of marks obtained in individual subjects arranged in order of their importance as follows :

1st—Zoology 2nd—Botany
3rd—Chemistry 4th—Physics

There after the person elder in age will be preferred.

19. OPEN COUNSELLING FOR ALLOTMENT OF SEATS

- The allotment of seats shall be made to the candidates through open counselling on the basis of personal appearances. The counselling Committee will consist of:-
 - (i) All Members of Admission Committee or any one as per the decision of Admission Committee.
 - (ii) Nominee of AFRC.
 - (iii) All the Deans / Director of Medical/Dental Colleges and nominated members of APDMC.
 - (iv) Controller of DMAT Examinations.
- Candidates who have been allotted a seat in first counselling on merit basis, because of any reason could not join the allotted institution are also eligible to participate in second open counselling.
- The programme for counselling shall be advertised in the leading Newspapers of the State. Counselling programme shall also be available on website of the Association. Separate call letters will not be sent.
- Candidates shall have to travel for the counselling at their own cost.
- Candidates shall not be allowed to enter the area specified for counselling without showing the DMAT-2015 Examination RANK CARD.

- The candidate without original documents as mentioned in Para— 20 (A) shall not be eligible for admission.
- The candidate shall wait for their turn in the order of merit. Candidates shall be called in small group of 10-20 for scrutiny i.e. verification of required original documents and if found eligible, shall further be permitted for the counselling where they shall exercise their option for allotment of any one of the available seats which shall be final and the same shall be allotted to them on the spot and the allotment letter shall be issued.
- If a Candidate due to any unavoidable circumstances does not remain present on the date and time fixed for him/her for scrutiny of the documents and counselling then such candidate, if he/she comes afterwards, shall be considered only at the stage, where the counselling is in progress irrespective of his merit. He shall be considered only if the counselling is going on, and allotment done before to other candidates on the basis of their merit shall remain unchanged.

Such candidates those who are absent or those who could not participate in the counselling due to incomplete documents shall be called in the next counseling, if seats still remain vacant.

- All original documents will be verified by the concerned college at the time of admission.
- Canvassing directly or indirectly for the allotment of seat would disqualify the candidate for admission. Influencing the staff by unfair means will lead to cancellation of allotted seat and such candidate will also face disqualification for appearance in the subsequent DMAT - 2015.
- Candidates selected for admission shall be subject to disciplinary rules of University/ Institution/ Government and Management.
- A Candidate selected for any MBBS/BDS/ BPT /B.Sc. Nursing and Other Allied Paramedical Courses as per

merit will not be allowed for change of college on mutual basis.

- The selection made by the Admission Committee as per procedure is final and will be binding on the candidate.
- Admission to the candidate will be given only after the candidate will deposit his/her all-relevant original certificates, documents alongwith the balance course fee through bank draft in favour of allotted college. Original certificates will be returned only after completion of internship.

20. Documents to be produced at time of counselling

1. Demand Draft of Rs. 2,50,000/- (MBBS) Rs. 1,25,000/- (BDS) , Rs. 10,000/- for BPT/ B.Sc. Nursing and other Courses in favour of APDMC payable at Bhopal as (Tuition fee).
2. Rank Card of DMAT—2015.
3. Photocopy of filled Application Form.
4. Proof of Identification.

9. Passing Certificate of High School or equivalent examination (proof of age).
10. GAP Certificate if any (affidavit).
11. Medical Fitness certificate.
12. Declaration form.
13. Remaining tuition fee, caution money and other college fees.
14. Bond/Bank guarantee if required by concerned college.

21. DISQUALIFICATION FOR ADMISSION

- Any candidate himself or his/her authorized proxy if found obstructing the admission process or creating nuisance, the candidate shall be liable for disqualification from the admission process. The decision taken by the College Authority shall be final and binding.
- Not-with-standing anything stated in the Rules here-in-above, a candidate who was allotted a seat in previous year(s) and who vacate/abandon it after availing the said seat, has completed such a period of course which would result into lapse of the said seat, will not be eligible for admission unless he produces a No Objection Certificate from the college whose seat has been lapsed due to the candidate concerned.

22. FEE FOR COURSES

Fee Structure:

In accordance with the directions of Hon'ble Supreme Court of India the fees of Private Dental and Medical Colleges shall be charged as decided by the Admission and Fee Regulatory Committee. The fees to be charged by the Private Dental & Medical Colleges is as given in the table.

MEDICAL COLLEGES

| S No. | Name of the Institution | Course | Tuition Fees for 2015-16 |
|-------|---|--------|--------------------------|
| 1. | R.D. Gardi Medical College, Ujjain | MBBS | 4,00,000/- |
| 2. | Sri Aurobindo Institute of Medical Sciences, Indore | MBBS | 3,75,000/- |
| 3. | People's College of Medical Sciences & RC, Bhopal | MBBS | 4,72,500/- |
| 4. | Index Medical College Hospital & RC, Indore* | MBBS | 3,45,000/- |
| 5. | L. N. Medical College Hospital & RC, Bhopal | MBBS | 4,00,000/- |
| 6. | Chirayu Medical College and Hospital, Bhopal | MBBS | 3,75,000/- |
| 7. | R.K.D.F Medical College, Bhopal* | MBBS | 4,00,000/- |

DENTAL COLLEGES

| S No. | Name of the Institution | Course | Tuition Fees for 2015-16 |
|-------|--|--------|--------------------------|
| 1. | Modern Dental College & Research Centre, Indore | BDS | 1,85,000/- |
| 2. | College of Dental Science & Hospital, Rau, Indore | BDS | 1,98,000/- |
| 3. | RKDF Dental College & RC, Bhopal | BDS | 1,85,000/- |
| 4. | People's College of Dental Sciences & RC, Bhopal | BDS | 2,25,750/- |
| 5. | Maharana Pratap College of Dentistry & RC, Gwalior | BDS | 1,45,000/- |
| 6. | Hitkarini Dental College & Hospital, Jabalpur | BDS | 1,58,000/- |
| 7. | People's Dental Academy, Bhopal | BDS | 2,25,750/- |
| 8. | Sri Aurobindo College of Dentistry, Indore | BDS | 1,56,000/- |
| 9. | Rishiraj College of Dental Sciences & RC, Bhopal | BDS | 1,57,000/- |
| 10. | Guru Gobind Singh College of Dental Sciences & RC, Burhanpur | BDS | 1,57,000/- |
| 11. | Institute of Dental Education and Advance Studies (IDEAS), Gwalior | BDS | 1,70,000/- |
| 12. | Mansarovar Dental College, Bhopal | BDS | 1,67,200/- |
| 13. | Bhabha College of Dental Sciences, Bhopal | BDS | 1,85,000/- |
| 14. | Index Dental College, Indore | BDS | 1,35,000/- |

Note :- Certain institutions have preferred to appeal in front of Appellate Authority and in that case the fee structure may vary

- The fee amount given above shall be charged by the respective colleges for the Academic session 2015-16. However, the fee if revised by the Admission and Fee Regulatory Committee constituted by the Government of Madhya Pradesh or Madhya Pradesh private universities regularity commission shall be binding and accordingly payable/adjustable by the candidate(s)/ college(s).
- The Committee may fix the different fees for different institution as per the guide lines of Hon'ble Supreme Court.
- Payment of Fee: The candidate shall be admitted on payment of one year fee at the time of admission at respective college. Out of which amount of Rs. 2.50, 1.25 lakh and Rs. 10,000/- for MBBS, BDS and for other Courses respectively will be deposited during counselling. If the Institution/college feels that any particular student(s) may leave in midstream then the college may require the candidate either to pay fee for full course and or submit Bond/Bank guarantee of the fee for whole course in evidence to the law laid by the Hon'ble Apex Court in case of Islamic Academy of Education.

23. RANK CARD

- The candidate will receive the Rank Card by post after declaration of result.
- The Rank Card will contain marks obtained by the candidate and his /her merit ranking.

- Duplicate Rank Card: In case of loss of Original DMAT 2015 Rank Card, a duplicate Rank Card can be obtained on making an application on plain paper to the Controller, APDMC, alongwith a Demand Draft of Rs. 1000/- in favour of APDMC payable at Bhopal or in cash.

24. ADMISSION

Consequent upon a candidate allotment for a course and college he / she is required to report on the notified date and time to the Dean / Principal of the college concerned.

25. CONDUCT AND DISCIPLINE

The student while studying in the MBBS/BDS and other courses, if found indulging in anti national activities, unlawful activities or ragging in any form, contrary to the provisions of Act and Law and Law enforced by Government, will be liable to be expelled from the college by the Dean/Principal of the College.

- Failure of the candidate in taking full and correct statements in the application form and/ or suppression of any information is liable for disqualification of the candidate, even at later date. Such a candidate will be debarred from the entire selection process and pursuing the course of studies.
- It is the responsibility of every candidate to submit proper documents. Any attempt to submit documents which are not genuine, will lead to cancellation of the admission of the candidate, forfeiture of the fees, deposits and expulsion of the candidate from the college by the Admission Committee or his authorized official. The name of such candidate/s shall be deleted from the Merit List.
- Pursuant to the orders in W.P. (Civil) No. 615 of 1999, Hon'ble Supreme Court of India has directed the Department of Human Resources and Development, Govt. of India, to take all necessary steps to curb the menace of ragging and take severe action against the

students involved in such activities. Students to take serious note of it.

- As per the provisions in "Madhya Pradesh Prohibition Ragging Act of 1999", students indulging in ragging can be punished under the Act resulting in suspension, expulsion from the college and imprisonment.
- Student failing to clear MBBS/BDS and other courses in the stipulated time fixed by MCI/DCI/ relevant Council and continuing thereafter shall be asked to pay proportionate fee for the remaining period of the course.
- Any issue not dealt herein above will be dealt with, when arising fully and finally by the Admission Committee.

26. JURISDICTION

In case of any legal dispute, the jurisdiction shall be limited to High Court of Madhya Pradesh only.

27. IMPORTANT INSTRUCTIONS

1. The candidates are advised before filling up the form, to ensure that they fulfill all the eligibility and qualifying conditions with respect to age, qualification etc. for admission to the course applied for.
2. The candidates are not required to attach/enclose any documents with the application form. They shall be required to produce the same at the time of counselling/Admission.
3. Please ensure that the Application Form is neither folded nor torn or mutilated.
4. Application Form can also be downloaded from the Association website. In case the application form has been downloaded from website should be submitted along with a Demand Draft of Rs. 1500/- drawn in favour of APDMC, payable at Bhopal.

5. Photograph for Application Form must be - White Background, Full face both the ears and shoulders should be visible in the photograph, photograph should be in MATT finish.
6. The Association shall not be responsible for the application forms lost in transit; received after due date and no correspondence in this respect shall be entertained.
7. Canvassing directly or indirectly for the allotment of seat would disqualify the candidates for admission. Influencing the staff by unfair means will lead to cancellation" of allotted seat and such candidate will also face disqualification for appearance in the subsequent DMAT Examination.
8. Candidates should use only **Blue/Black Ball Point Pen** to fill the Application Form.
9. **ONLY BLACK BALL POINT PEN SHOULD BE USED IN OMR ANSWER SHEET.**
10. Incomplete Application Form will be rejected.
11. Left Thumb impression using **BLUE/RED STAMP PAD INK** entirely inside the box provided in Application Form.

CHECK LIST

| | |
|----|--|
| 1. | A correct Application Form has been used and the form has been filled up correctly and signed at desired places. |
| 2 | Demand Draft of Rs. 1,500/- (Cost of Application Form + Exam Fee) has been enclosed if Application Form has been download from website. |
| 3 | Demand Draft of Rs. 750/- as examination fee has been enclosed. |
| 4 | Correct left thumb impression with red stamp pad ink has been taken, |
| 5 | No certificate has been submitted alongwith Application Form. |
| 6 | Proper coloured photograph has been pasted as per instructions. |
| 7 | Photocopy of the Application Form (both sides) has been taken and kept for future reference. |
| 8 | Phone number has been filled up properly with STD code. |
| 9 | Date of birth of candidate has been correctly filled up. |
| 10 | Declaration column has been properly signed. |

INSTRUCTIONS TO BE FOLLOWED IN THE EXAMINATION HALL

GENERAL INSTRUCTIONS:

- (i). The Examination Hall will be opened 30 minutes before the commencement of the test. Candidates are expected to take their seats immediately after the opening of the Examination Hall. If the candidates do not report in time, they are likely to miss some of the general instructions to be announced in the Examination Hall.
- (ii). The candidate must show, the Admit Card for admission at the Entrance of Examination Hall. A candidate who does not possess the Admit Card issued by the DMAT shall not be admitted to the Examination Hall under any circumstances.
- (iii). During the examination time, the invigilator will check Admit Card of the candidates to satisfy himself/ herself about the identity of each candidate. The invigilator will also put his/her signature in the place provided on the Answer Sheet.
- (iv). A seat with a Roll Number will be allotted to each candidate. Candidate must find out and occupy his allotted seat. If a candidate is found appearing in the test, from a seat or room other than the one allotted to him/her, his/ her candidature shall be cancelled.
- (v). A candidate who comes after the commencement of the examination shall not be permitted to sit in the examination.
- (vi). Candidates are not allowed to carry any textual material, printed or written, bits of papers, envelope or any other material except the Admit Card inside the Examination Hall.
- (vii). Calculators, Slide Rules, Log Tables, Geometry Box, Electronic Digital Watches with facilities of calculators, cellular phones, pagers or any other electronic gadget are not allowed inside the Examination Hall.
- (viii). No candidate, will leave his/her seat of the Examination Room until the Examinations finished. Candidate should not leave the Hall without handing over their Answer Sheets Question Booklets to the Invigilator on duty.
- (ix). Candidates are advised to bring with them a card board or a clip board so that they have no difficulty in writing responses in the Answer Sheet even if the tables provided in the Examination Hall do not have smooth surface. They will also bring their own Ball Point Pens of good quality. These will not be supplied by the DMAT.
- (x). Smoking in the Examination premises is strictly prohibited.
- (xi). Tea, coffee, cold drinks or snacks are not allowed to be taken by the candidates into the Examination Halls.
- (xii). The Test will start exactly at the time mentioned in the Admit Card and an announcement to this effect will be made by the Invigilator.
- (xiii). The candidate must sign on the Attendance Sheet at the appropriate place. The candidates are also required to put their left hand thumb impression in the space provided on the Attendance Sheet.
- (xiv). For those who are unable to appear on the scheduled date of examination for any reason, re-examination shall not be held by the DMAT under any circumstances.

(xv). **UNFAIRMEANS:**

a) If during the course of examination, a candidate is found indulging in any of the following, he/she shall be deemed to have used unfair means at the examination and as such his/her result shall not be declared but shall be marked as UNFAIRMEANS (U.F.M) and debarred from examination permanently in future:

- having in possession papers, books, notes, electronic devices or any other material or information relevant to the examination in the paper concerned;
- giving or receiving assistance directly or indirectly of any kind or attempting to do so;
- writing questions or answers on any material other than the answer book given by the Center Superintendent for writing answers;
- tearing of any page of the question paper, answer sheet etc.;

- contacting or communicating or trying to do so with any person, other than the Examination Staff, during the examination time in the Examination Center.
- taking away the answer sheet/question book out of the examination hall/room;
- smuggling out Question Paper or its part or smuggling out question books/answer sheet or part thereof;
- threatening any of the officials connected with the conduct of the examinations or threatening any of the candidates.

b) Candidates should ensure before leaving the Examination Hall that they have handed over the answer sheet/question book to the invigilator on duty. In case, the candidate does not hand over the Answer Sheet/ Answer Book and takes away the same with him/her, this shall amount to use of unfair means practices and accordingly his/her case shall be dealt with.

Annexure – B

DMAT - 2015

SYLLABUS

SUBJECT: PHYSICS

- Units and dimensions, Dimensional analysis, S. I. Units, motion in two dimensions Cases of uniform velocity and uniform acceleration, General relation among position and velocity. Uniform circular motion. Force and inertia. Newton's Laws of motions. Conservation of momentum and energy. Static and kinetic friction. Work energy and power, Elastic collisions, Potential energy, gravitational potential energy and its angular conversion to kinetic energy. Potential energy of a spring Rigid body rotation and conservation of its moment. Moment of inertia, theorems of parallel and perpendicular axis. (Moment of inertia of uniform ring, disc thin rod and cylinder only).
- Acceleration due to gravity and its variation, Universal law of gravitation, geostationary satellites, escape velocity.
- Hooke's law, Young's modulus, shear and bulk modulus, surface energy and surface tension, kinetic theory of gases, gas laws, kinetic energy and temperature.
- Specific heats at constant volume and constant pressure.

Mechanical equivalent of heat, isothermal and adiabatic processes.

- Heat conduction in one dimension, convection and radiation. Stefan's law and Newton's law of cooling periodic motion, Simple harmonic motion, Oscillations due to spring wave motion principle of superposition, Progressive and stationary waves, beats and Doppler effect.
- Wave nature of light, Interference, Young's double slit experiment, Velocity of light and Doppler's effect in light.
- Reflection, refraction, total internal reflection, curved mirror, Lenses, mirror and lens formulae.
- Dispersion in prism, absorption and emission spectra.
- The human eye defects of vision, magnification and resolving power of telescope and microscope.
- 'e' and 'e/m' for an electron, Einstein's photoelectric equation, photocells.
- Bohr model of the atom. Hydrogen spectrum, Composition of nucleus, atomic masses and isotopes radioactivity, laws of radio active decay, decay constant, half life and mean life, Mass-energy relation fission. X-Ray: properties and uses.
- Elementary ideas of conductor, semi-conductor and insulator, intrinsic and extrinsic semiconductors, pn junction as a rectifier.
- Bar magnet lines of force, torque on a bar magnet due to magnetic field earth's magnetic field, tangent galvanometer, vibration magnetometer.
- Coulomb's law of electrostatics, dielectric constant, electric field and potential due to a point charge, dipole, dipole field, Gauss's law in simple geometries.

- Electrostatic potential, capacitance, parallel plate and spherical capacitors, capacitors in series and parallel, energy of a capacitor.
- Electric current, Ohm's law, Kirchoff's laws, resistances in series and parallel temperature dependence of resistance. Wheatstone bridge, potentiometer.
- Measurement of voltages as currents.
- Electric power, heating effects of currents, chemical effects and law of electrolysis thermoelectricity. Biot Savart law Magnetic fields due to a straight wire, circular loop and solenoid.
- Force on a moving charge in a magnetic field (Lorentz force), magnetic moment of a current loop, effect of a uniform magnetic field of a current loop, forces between two currents, moving galvanometer, ammeter and voltmeter.
- Electromagnetic induction induced emf, Faraday's law, Lenz's law, self and mutual inductance Alternating currents impedance and reactance, growth and decay of current in L-R circuit, elementary idea of dynamo and transformer.

SUBJECT: CHEMISTRY

GENERAL AND PHYSICAL CHEMISTRY

- Structure of Atom: Constitution of nucleus: Bohr's atom model: quantum numbers aufbau principle, electronic configuration of elements (upto-Kr): de-Broglie relation, shapes of orbitals.
- Chemical bond: Electrovalent covalent and coordinate bonds, hybridization (sp) : hydrogen bond : shapes of molecules (VSEPR theory) : bond polarity resonance, Elements of VBT a MOT.
- Solutions: Modes of expressing concentrations of solutions: Types of solutions, Raoult's law of colligative

properties, non-ideal solution, abnormal molecular weights.

- Solid State: Crystal lattices, unit cells, Structure of ionic compounds: close packed structure, Ionic radii, imperfections (point defects): Properties of solids.
- Nuclear chemistry: Radio active radiations: Half-life, radioactive decay, group displacement law. Structure and properties of nucleus: Nuclear reactions, disintegration series, artificial transmutation: isotopes and their uses: Radiocarbon dating.
- Chemical equilibrium: Chemical equilibrium, Law of mass action : K_p and K_c : Le Chatelier principle and its applications.
- Ionic Equilibria in solutions, Solubility product, common ion effect, theories of acids and base hydrolysis of salts: pH buffers.
- Thermo chemistry and Thermodynamics: Energy changes during a chemical reaction: intrinsic energy. Enthalpy; First law of thermodynamics: Hess's law Heats of reactions: Second law of thermodynamics: entropy: free energy; spontaneity of a chemical reaction; free energy change and chemical equilibrium; free energy change and chemical equilibrium; free energy as energy available for useful work.
- Chemical Kinetic: Rate of a reaction, factors affecting the rate, rate constant, rate expression, order of reaction, first order rate constant expression and characteristics, Arrhenous equation.
- Electrochemistry: Oxidation, Oxidation number and ion-electron methods. Electrolytic conduction. Faraday's laws: voltaic cell, electrode potentials, electromotive force, Gibbs's energy and cell potentials, Nor nest equation, commercial cells, fuel cell, electrochemical theory of corrosion.

- Surface chemistry. Colloids and Catalysis; Absorption, Colloids (types preparation and properties). Emulsions. Micelles, Catalysis: Types and characteristics.

INOGRANIC CHEMISTRY

- Principles of metallurgical operations: Furnaces, ore concentration, extraction, purification metallurgies of Na, Al, Fe, Cu, Ag, Zn and Pb and their properties.
- Chemical periodicity: S.p.d. and f- block elements, periodic table: periodicity: atomic and ionic radii valance, ionization energy, electron affinity, electro negativity, metallic character.
- Comparative study of elements: Comparative study of the following families of elements: (i) Alkali metals (ii) Alkaline earth metals (iii) Nitrogen family (iv) Oxygen family (v) Halogens (vi) Noble gases.
- Transition metals: Electronic configurations of 3d-metal ions, oxidation states, other general characteristic properties, potassium permanganate, and potassium dichromate.
- Co-ordination compounds: Simple nomenclature, bounding and stability classification and bonding in organometailics.
- Chemical analysis: Chemistry involved is simple inorganic qualitative analysis: calculations based on acid-base titrimetry.

ORGANIC CHEMISTRY

Calculation of empirical and molecular formula of organic compounds.

Nomenclature of organic compounds, common functional groups isomerism, structure and shapes of alkanes, alkanes and benzene.

Preparation properties and uses of alkynes, alkynes and alkynes,

benzene petroleum, cracking octane number, gasoline additives.

Nomenclature, Physical Chemical properties, correlation of physical properties with structure properties and uses of haloalkanes. halobenzenes, alcohols and phenols: General ideas of some polyhalogen compounds viz. dichloroethanes, dichloroethers, chloroform, carbon tetrachloride, D.D.T. benzene hexachloride.

Nomenclature methods of preparation, Chemical properties correlations of physical properties with structures and uses of ethers, aldehydes, ketones carboxylic acids and their derivatives, Brief account of the chemistry of Cyanides, isocyanides, amines and nitro compounds.

Polymers: Classification: Preparation, and uses of common natural and synthetic polymers.

Biomolecules: Classification, Structures and biological importance of carbohydrates, amino acids, peptides, proteins and enzymes, nucleic acids and lipids.

SUBJECT: BOTANY

Structural organization of cell, cell theory: Light and Electron Microscopic view of cell: Structure and functions of cell Organelles: - Nucleus Mitochondria, Chloroplast, Endoplasmic reticulum, Golgi complex, lysosome. Micro bodies, microfilaments, Ribosomes. Centrioles and Plasmids, Eukaryotic chromosome (Morphology) cell and plasma membrane. Difference between plant and animal cell Division, cell cycle. Significance of mitosis and meiosis.

Mendel's Laws of inheritance, Monohybrid and dihybrid cross; Linkage and crossing over of genetic material DNA replication, genetic code transcription translation and gene regulation.

Difference between prokaryote and Eukaryotes: Structure reproduction and economic importance of viruses Mycoplasma, Bacteriophage, Cyanobacteria (Nostoc) and Bacteria.

Five kingdom classification Binomial nomenclature: External morphology and life cycle of Spirogyra Mucor, Funaria

Selaginella and Pinus.

Elementary knowledge of microsporogenesis megasporogenesis, Fertilisation, endosperm and embryo development in Angiosperms.

Tissues and tissue systems, meristematic and permanent tissue. Mineral nutrition-essential elements and their functions: uptake of minerals transport of water and solutes, Transpiration photosynthesis and Respiration importance, mechanism and factors affecting these processes: photorespiration.

Enzymes and growth hormones with reference to their classification. Chemical nature, mode of action importance. Elementary idea of photoperiodism and phytochrome.

Ecosystem - Structures and function, Major ecosystems i.e, Lake and Forest; Food chain, Food web' and Energy 'flow. Ecological crises-Role of man in polluting Environment-Air, Water and soil.

Role of plants in human welfare: A general knowledge of plant products of economic value -Drugs, Fibers cereals.

(Wheat and Rice) Pulse (gram) Oil seeds (ground nut). Sugarcane, Coal and petroleum.

Food preservation-Methods and importance.

Principle of plant breeding and its role in improvement of crops.

Biotechnology: scope and importance in Agriculture and industries manufacture of cheese, Yoghurt Alcohol antibiotics.

SUBJECT: ZOOLOGY

MULTICELLULARITY- STRUCTURE AND FUNCTIONS OF ANIMAL LIFE:

Structure and function of Animal tissues Epithelial, Connective Muscular, Skeletal and Nerve.

Histology of Mammalian organs - Stomach, Intestine, Liver

Kidney, Lung, Testis and Ovary.

Structure and Physiology of different organ systems of Human body - Skin, Digestive System Respiratory System. Circulatory system, excretory system, Nervous system, Reproductive system.

Skeleton, joints, Muscles on the basis of movement Receptors.

Endocrine system with special reference to various Endocrine glands of man and hormonal co-ordination.

Vitamins & minerals (source and disorders due to deficiencies)

DEVELOPMENTAL BIOLOGY AND GENETICS:

Female reproductive cycles in mammals. Gametogenesis along with structure of sperm and ovum.

Types of eggs, Fertilization, cleavage types of cleavage and blastula.

Development of mammals upto three germinal layers. Foetal membrane structure and functions.

Growth, repair and ageing, amniocentesis.

Chromosomes, Types of chromosome, Human karyotype and chromosomal abnormalities and syndromes. Hormonal, Chromosomal and Genic balance theory of sex determination. Sex. Linkage and sex linked inheritance in Man. Blood Groups and their significance, Blood Bank.

Tissue culture Genetic Engineering (Brief idea). Mutation gene mutation.

Human population natality Mortality, Sex ratio, Population explosion, dynamics of human life with respect to food supply, housing health and standard of living impact of population problems and their control.

TAXONOMY EVOLUTION ECONOMIC ZOOLOGY:

Classification-Binomial and trinomial nomenclature Basic features of classification, Classification of different animal phyla

up to classes with characters and suitable examples.

Origin of life, Theories of Organic evolution-Darwin, Lamarck, Synthetic Evidence of organic evolution Human Evolution.

Economic Zoology /Sericulture, Apiculture, Lac culture, Poultry, Fishery and pearl industry.

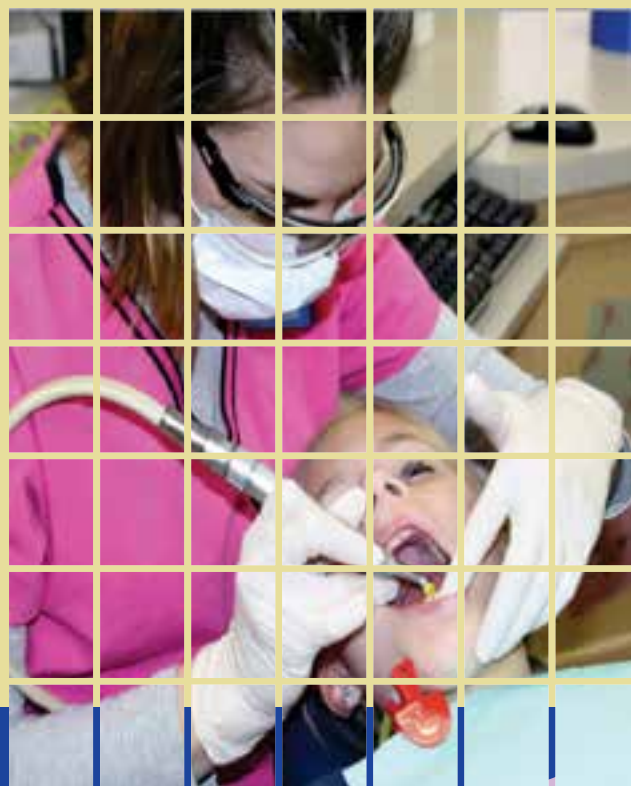

Protozoan disease in relation to man. Insect carrying diseases in relation to man.

Cancer-types of cancer and cancer cell. Communicable diseases (Hepatitis. AIDS) STD, Immune Response, Vaccines and antisera Allergies.

Smoking, alcoholism and drug addiction symptoms and control.

Wild conservation.

Pesticides - Uses, advantages and hazards.

चेतावनी

एसोसियेशन ऑफ प्राइवेट डेंटल एवं मेडीकल कॉलेज मध्यप्रदेश की सम्पूर्ण भारतवर्ष में अन्य कोई ब्रांच नहीं है संस्था का कोई भी अधिकारी / कर्मचारी कार्यालय के बाहर जाकर काम नहीं कर सकता और ना ही नियमविरुद्ध प्रवेश दिलाने का अधिकार रखता हैं । ऐसे में अगर कोई व्यक्ति / एजेंसी / संस्था हमारी संस्था का प्रतिनिधि होने का दावा कर एसोसियेशन ऑफ प्राइवेट डेंटल एवं मेडीकल कॉलेज के पक्ष में प्रवेश के नाम पर किसी छात्र / छात्राओं / अभिभावको से आवेदन पत्र प्राप्त करें अथवा छात्र / छात्राओं / अभिभावको को डेंटल / मेडीकल कॉलेज में प्रवेश देने का आश्वासन दे, ऐसे व्यक्ति / एजेंसी / संस्था अवैध गतिविधियों द्वारा छात्र / छात्राओं / अभिभावको को गुमराह कर जालसाजी कर सकते है ऐसी अवैध गतिविधियों के लिए एसोसियेशन ऑफ प्राइवेट डेंटल एवं मेडीकल कॉलेज किसी भी प्रकार से उत्तरदायी नहीं होगा ।

प्रदेश के निजी चिकित्सा / दंत महाविद्यालयो में डीमेट कोटे की सीटों पर प्रवेश एसोसियेशन ऑफ प्राइवेट डेंटल एवं मेडीकल कॉलेज मध्यप्रदेश द्वारा आयोजित डीमेट परीक्षा में प्राप्त मेरिट के आधार पर सैन्ट्रलाइज कॉउंसिलिंग के माध्यम के द्वारा ही होंगे । मेडीकल / डेंटल कॉलेजो में प्रवेश हेतु इच्छुक छात्र / छात्राओं / अभिभावको को चेतावनी दी जाती है कि वे किसी अवैध गतिविधियों में न पडे एवं जालसाजो से बचे अन्यथा वे स्वयं उत्तरदायी होंगे ।

Important Caution

Association of Private Dental and Medical Collage (APDMC), Madhya Pradesh do not have any other Branch Office all over India. The employees of APDMC are not allowed to work outside the office nor they have any right to secure admission against the rules. Any person / agency / institution claiming to be representative of the Association of Private Dental and Medical Collage and assuring to secure admissions in Private Medical and Dental College either through influence or by use of unfair and unethical means could be touts / agents / racketeers trying to deceive by false promises to secure admissions. The APDMC is not responsible for any such illegal activity.

Admissions to DMAT Quota in Private Medical / Dental Colleges of the State through DMAT Examination conducted by the APDMC is through centralized Counseling based purely on merit. Candidates aspiring for admissions in Private Medical / Dental College are advised to beware of unscrupulous elements and do not fall in their trap or else they will be solely responsible.

APDMC

OVER VIEW

Sarvajani Jankalyan Parmarthik Nyas, Bhopal was registered on 17th April 2000 under the MP public trust act, 1951. The spirit of altruism that permeates the Indian psyche, led to founding of the Sarvajani Jankalyan Parmarthik Nyas, with the mission to set up hospitals, educational institutes, shelters for the poor and underprivileged, and undertaking other philanthropic projects for the welfare of the public. The Nyas is also extending financial assistance and scholarship to the poor and meritorious students. Under the aegis of people's group, the Nyas has already established several health related institution such as medical college, dental colleges, hospitals, nursing, paramedic, physiotherapy and pharmacy colleges and other educational institutes, right from a public school to centers of higher professional studies. The magnificence of these institutions bears testimony to the shining vision and sincerity of purpose, which are the hallmarks of the Nyas.

PEOPLE'S COLLEGE OF MEDICAL SCIENCES AND RESEARCH CENTRE

Peoples College of medical science and research centre was established in the year 2005. It was the culmination of determined efforts of honorable Shri Suresh Vijaywargia. The idea behind this college was to provide medical education, promote health care research activities & to develop a health care hub which will cater the genuine needs of the community. Provision of critical & ambulatory care to the poorest of poor was the humble goal. The determination to remain as a centre of excellence in health care sector is reflected in every aspect of this institution. People's College of Medical Sciences & Research Centre is now a Constituent Unit of People's University, Bhopal which has been established on 4th May 2011 by an Act of State Legislature which is reaching to optimum goals of Higher Education and Research Environment.

- MBBS degree recognized & Approved by Govt. of India & Medical Council of India.
- MD/MS/PG courses in 20 Departments with 49 seats sanctioned & permitted by M.C.I.

COLLEGE OF DENTAL SCIENCE AND HOSPITAL-RAU FOCUS ON YOUR DREAM

MESSAGE FROM THE CHAIRMAN

Dear Students,

You are the Nation builders, you are the movers of technology, you are the catalysts for change. We create not the future, instead we craft you for the future. There are strong challenges to great efforts but, always remember great efforts bears the sweet fruit of success. We give the students support and encouragement they need to reach their full potential. Today, in the era of liberalization, privatization and globalization, we try to groom, nourish and nurture our students in such a way that they are fully trained to solve real problems in a creative and most economical manner. We invite you to explore a bright career in dentistry, a challenging and one of the most respected professions in India and Abroad. We look forward to having you as a student on our Campus.

- Best Wishes

AJIT JHAVER

CHAIRMAN

**JOIN US ON OUR EXPEDITION
TO A BETTER FUTURE !!**

ABOUT : College of Dental Science and Hospital, Rau, Indore, was established in 1999 with a foremost sight of an efficacious education in dental sciences. The College is a unit of Vajdi Educational Society. The Dental College focuses on developing a better generation of dentists by providing quality education to them.

LOCATION : Our College acquires more than 1,35,000 sq. ft. constructed area, on a hill-top behind Hotel Marshal, Rau, Indore in a campus spread over on more than 7.6 acres of lush green land around it.

FACULTIES : Our college has been honoured to have the most experienced dental experts in their own specialities. The faculties of this institution are the

stalwarts of dental field and are well-known entities in their specialities. We strive to provide the students, the best of us and prepare them for a better doctor-patient relationship.

AFFILIATION : The College is permanently affiliated to **Devi Ahilya Vishwa Vidhyalaya, Indore** and recognized by Govt. of India, Ministry of Health and Family Welfare, Dept. of Health vide letter no. V/12017/22/98/PMS, Nirman Bhawan, New Delhi dated 18th August, 2004.

FACILITIES

TRANSPORTATION FACILITY: Transportation facilities are arranged for students through buses and separate vans to keep them on schedule.

HOSTEL FACILITIES: Contemplating our student's security, the college has developed separate hostels for boys and girls with all essential amenities including Dining Hall, Canteen, round the clock Coffee/Tea facility, Indoor/Outdoor games etc. Currently, 150 students have been living in the campus hostel.

E-LIBRARY: Along with the traditional library for an educational research, our institution has come up with E-library fully-equipped with numerous books including 35 international medical journals in print subscription and more than 250 journals in online subscription.

WI-FI ZONE: College of Dental Science and Hospital has Wi-Fi zone all over its campus to ease student's access to the internet.

COURSES

> B.D.S. (BACHELOR OF DENTAL SURGERY) :
5 Year degree course including Internship Period

> M.D.S. (MASTER OF DENTAL SURGERY) :
3 Year Post Graduation courses in various Specialities

ANTI-RAGGING ZONE : College of Dental Science and Hospital, has strict rules prohibiting ragging and ensures zero tolerance towards students found involved in such activities.

ASSOCIATION WITH : In addition, our institution, for better, has an attachment with Choithram Hospital and Research Centre, Indore which helps students in both ways: be it Medical Theory or Practical Classes, which is a multi-disciplinary hospital providing firm and trustworthy health facilities in the city.

ANNUAL FUNCTIONS: Every year, College organizes annual functions in which the winners of competitions throughout the year are awarded and also different co-curricular activities are held.

RISHIRAJ COLLEGE OF DENTAL SCIENCES & RESEARCH CENTRE, BHOPAL

(A PG Dental College Recognized by DCI & Govt. of India)

Welcome to the Rishiraj College of Dental Sciences and Research Centre. The Dental College and Hospital has been set up with the mission to become one of the foremost leaders in dental education. At the core of our philosophy of a broad-based dental education is the concept of integrating cutting-edge, evidence-based dental science and the relationship centered art of clinical practice.

It is anticipated that the Dental Surgeon of the future must be able to deliver a wider range of services to a more diverse population. With this vision in mind, The College offers students an excellent education for a career in dentistry. (According to a U N statistics released a couple of years ago India has, on an average, only one dental surgeon for a population of 35000. But as per the UN norms in the developed countries the ratio is one dentist for 7500 population.) The curriculum is forward looking and innovative. Students will have the opportunity to learn on the latest laboratory and hospital equipment under the tutelage of highly trained and productive in acquiring technical skills and developing clinical judgement. The college has the benefit of a daily OPD that attracts a large number of patients seeking dental care. For this reason, the curriculum includes clinical experience with a variety of patient : groups, especially, rural areas of Bhopal and near by where there is lacking of Dental Health.

The College is committed to an excellence in education, patient care, research, and community service. With each incoming class we dedicate ourselves to the achievement of these goals.

Once again, welcome to Rishiraj College of Dental Sciences and Research Centre, Bhopal

Jai Narayan Choudhary
Chairman

The Institute

The College is situated in a picturesque location near the airport along the Bhopal-Jaipur national highway 12. Bhopal also known as city of lakes is well connected by all means of transportation to almost all the important cities of India. The college is situated just 2km away from the Raja Bhoj International Airport and 11 km away from the Bhopal railway station.

The institute is affiliated to prestigious Barkatullah Vohra Vaidya Bhawan Bhopal, and is now running in its 7th academic year. The institute outpatient department was established in the year 2004-05 and there has been a continuous effort to modernize the facilities for improved dental treatment deliverance. Today eight specialized clinics having over 200 dental chairs and units are functionally catering for various specialized facilities and approximately 250 patients are attending its OPD everyday. The college has adopted several nearby villages and it is routinely busy in carrying out dental camps, inspections and treatment for its inhabitants. The college is also running two satellite clinics of the weaker section of the society in ONG Gandhinagar.

The faculty of the institute an intrinsic part of the college are highly qualified and experienced in the field of both dentistry and medicine, with many comprising of more than 25 to 30 years of experience in training dental students. MANSAROVAR DENTAL COLLEGE HOSPITAL & RESEARCH CENTRE

Affiliated to MP Medical Science University, Jabalpur
Recognised by Dental Council of India

Bachelor of Dental Surgery (BDS)
Master of Dental Surgery (MDS)

MANASAROVAR DENTAL COLLEGE

Mansarovar Dental College Hospital and Research Centre – under the aegis of Sri Sai Gramoththan Samiti, was established way back in 2007 situated at Kolar Road, Bhopal. With the due permission from Ministry of Health & Family Welfare Government of India and the Dental Council of India. The college is affiliated to MP Medical Science University, Jabalpur, M.P.

The institute has exceedingly well equipped spacious lecture halls replete with audio-visual aids to enhance the learning process. The seminar and demonstration hall are absolutely perfect and fully equipped with state-of-the-art facilities.

Bachelor of Dental Surgery (BDS) Master of Dental Surgery (MDS)

The institution has mega infrastructure with well equipped laboratories in both medical and dental sciences. Institution has well equipped lecture theatre complex. Apart from conventional way of teaching and learning we at Mansarovar Dental college use different modes of teaching and learning activities like problem based learning, fixed learning modules, integrated way of teaching, case based studies. We have also introduced mentor-mentee programmes. By virtue of this a small group of students will be in direct contact with the faculty members so that students will receive the individual attention.

We have more than 250 dental chairs which are attached with all necessary accessories, our institution provides different types of advanced treatment available in the field of dentistry through the following departments to the needy people:

Department of Orthodontics and Dentofacial Orthopedics

Department of orthodontics deals with correction of crowding, irregular, protruding teeth and various other developmental deformities of teeth and jaws utilizing orthodontic appliances commonly known as brackets or braces using different treatment approach such as removable, fixed, habit breaking appliances. The treatment consist of follow up at different points in time and requires precision, patience and expertise to fetch optimum results. This department teaches Orthodontics at under-graduate level from 1 year onwards with theory lectures commencing from 1st year. We teach them to master the art of wire bending and moulding them in different appliances to treat various (malformations) dentofacial deformities. We create beautiful smiles which not only make the person esthetically pleasing but also enhances his confidence.

Department of Periodontics

Periodontics is one of the oldest specialties in dentistry and can be broadly defined as the Guardians of Dentition. We believe "Prevention is better than cure" hence we not only treat what is diseased but also restore it to sound state of health.

Department of Conservative Dentistry and Endodontics

Conservative Dentistry is a branch of dentistry which is concerned with the preservation of teeth in mouth. It is broadly categorized as conservative dentistry and endodontics. Main goal is to conserve and preserve every bit of tooth to natural esthetic and functional form.

The Department has a huge phantom head laboratory with simulators and complete assembly for appropriate training concerned with different treatment modality. The treatment modalities rendered in the department include restorative procedures for carious teeth and other defects of the teeth like fractures, erosion, abrasion etc. Various esthetic treatment like diastema closures, veneers, tooth whitening etc are rendered to the patient at nominal charges using latest advanced technology and equipments.

Department of Prosthodontics and Crown & Bridge

Prosthodontics is a branch of dentistry which deals with replacement of missing teeth and other supporting structures (tissues) by an artificial substitute (prosthetics) restoring function and appearance (esthetics) of the patient. The Department of Prosthodontics offers comprehensive training for undergraduate students from year to internship. During internship, students are encouraged to make self decision in treating the patient under the supervision of staff which helps in developing the self confidence.

Library

The Institute has a large and comprehensive library consisting of a massive collection of latest and standard dental educational books. The library also subscribes to various journals and publications from across the globe to keep students abreast on the latest developments in their field of interest as well as on general topics.

Security Arrangements

Security is available round the clock for continuous monitoring. CCTVs have been installed in different locations in the campus.
