Application

I applied through college or university. The process took 3 days. I interviewed at Anglo-Eastern Ship Management in October 2015.

Interview

Interview was pure technical and was a kind of rapid fire round. Questions were thrown at me one after the other. mainly all the questions were from Internal Combustion Engine and Turbines & Pumps. Overall, the interview was good!

Application

I applied through college or university. The process took 1 day. I interviewed at Anglo-Eastern Ship Management.

Interview

First they give a presentation about their company and the job in question. This is succeeded by a technical test which consists of core electrical engineering or core mechanical engineering questions, whichever applicable. Then they take a personality test. Results of both the tests are declared within three days and the shortlisted candidates are then called for the interview round at their office.
