is no education at
all.”—Aristotle*

On behalf of the Governing Body of Maharaja Agrasen College I am very happy to extend a hearty welcome to all the new students to college. I must also congratulate you for the excellent choice that you have made; you are now a part of an institution that strives for excellence in all areas of teaching and learning; an institution that is at the forefront of academic and extra curricular activities in the University of Delhi. You have now become a part of us.

Our college maintains a climate where every student is encouraged to reach his or her full potential. As Oscar Wilde said, ‘Success is a science. If you have the conditions you get the result.’ Maharaja Agrasen College has created the conditions and it is up to the students to do the rest. The staff of Maharaja Agrasen College is most competent and willing to work together with administration to provide best facilities to the students for a better campus life.

Life at Maharaja Agrasen College is much more than the regular academic activities. There is a whole new world waiting to be explored through diverse activities available to students in the college. A word of caution though, it is left to you as to how you organize your time here, by maintaining the right balance between academic and social life. I advise everyone here to keep that in mind.

I conclude my brief message with a wish that all students should succeed in making the best of their time at Maharaja Agrasen College. I am looking forward to seeing you all in other Freshers’ orientation programs. All the best!

College Profile

Maharaja Agrasen College is one of the youngest and holistically evolving colleges of the University of Delhi. It is a matter of great pride for us that Maharaja Agrasen College has consistently found a place in the ranks of the best colleges in the country in the prestigious India's Best Colleges Surveys conducted by India Today and Nielsen Company for the past three years. According to their latest survey, India's Best Colleges Survey 2015, the college has moved up to rank 35 which is 4 points above its previous year's rank of 39. At the annual cultural festival of University of Delhi, 'Antardhvani', held in February 2014, it was awarded the second prize in the competitive category of 'College with Good Practices'. The college has indeed come a long way in a short period of time after having been established in 1994 by the Govt. of NCT of Delhi in Mayur Vihar Phase 1. It is now housed in a modern, newly constructed and spacious building complex sprawling over ten acres in the Vasundhara Enclave area.

The college has invaluable infrastructural assets like a state-of-the-art auditorium, conference hall, a computer centre, computerized library, well equipped laboratories, etc. The new college campus also boasts of facilities like Information and Technology Centre, Media centre, Centre for Civic Education, Museum of Hindi Language and Literature, Centre for Performing Arts and Cultural Studies besides also being a centre for Indira Gandhi National Open University (IGNOU) and Non-Collegiate Women's Education Board (NCWEB).

Maharaja Agrasen College has the latest infrastructure in place in terms of both facilities and furnishings. The classrooms are well-lit, ventilated, spacious and fitted with modern desk units, with white boards and projectors to expedite the teaching and learning processes. Maharaja Agrasen College is a teaching-learning community with a competent and dedicated team of faculty members and administrative staff. The institution believes that the path to individual and collective growth lies in its capability to adapt and accept changes as opportunities. Maharaja Agrasen College inculcates the values of hard work and diligence amongst its students and staff, empowering them to turn challenges into opportunities for a brilliant future. The institution aims at nothing less than being the best and shall continue in its endeavour to scale greater heights.

FACILITIES AND INFRASTRUCTURE

College at a Glance

From the Orientation Programme at the beginning of the first year to the Farewell at the end of your college journey and thereafter, MAC offers continuous support and guidance to its students via some of the salient Committees such as the Students Council and the Cultural Council along with infrastructural support such as state of the art laboratories, and user friendly air conditioned and well-lit library.

Students' Council

The Students' Council is the apex academic student representative body of the college formed to work for the welfare of students by actively organizing academic events and coordinating at the University level. The Students' Council of Maharaja Agrasen College, unlike other student unions, is elected on the basis of academic merit, good attendance, and other extraordinary qualities present in students. An initiative of the Students Council is the MAC-Grievance Redress Cell which helps the students deal with their problems, academic or administrative. For this purpose complaints can be filed in a Voice Box installed near the canteen. All the queries are first scanned by the GRC team, reported to the Principal, and thereafter referred to the concerned department /office for corrective action and timely redress.

Cultural Council

The Cultural Council is a body of students and teacher members which plans and implements the college cultural calendar every year. The Orientation and Fresher's Welcome marks every student's foray into his/her college life. During the Orientation the first year students are extended a warm welcome and apprised of the significant changes that come with being a part of a college. Every year the College holds its Annual Festival 'YUVAAN' where for three days students engage on a variety of platforms.

At Maharaja Agrasen College a plethora of societies under the Cultural Council provide ample platform for students to explore, develop and display their talents.

These are:

- 'Nataraj' the dance society
- 'Tarang' the music society
- 'Srijan' the arts and craft society
- 'Chakra-view' the debating society
- 'Paridhan' the fashion society
- 'Abhinay' the street play society
- SPIC MACAY

BACHELOR OF BUSINESS ECONOMICS

DEPARTMENT OF BUSINESS ECONOMICS

In this world of globalization students need to develop with effective human, technical and conceptual skills along with comprehensive knowledge to beat the cut throat competition.

Sonia Sachdeva
Teacher In-charge

In the era of rapidly changing global business environment it is essential to develop competent managerial talent for making resources productive and achieving high levels of competitiveness in organizations. The BBE Programme aims at inculcating the students with effective human, technical and conceptual skills. Knowledge of economics as well as the core functional areas of business management like marketing, finance, operations research etc, is imparted through its comprehensive course structure.

This Programme also helps to train students into becoming committed, responsible, dynamic, ethical and active managers. We encourage regular student-industry interface. For this the Department has started a student-industry interface where on regular basis valuable guidance and practical application of managerial skills are given by successful people from the corporate world.

The Department organizes its two-day event ENTREUZEST, where these brightest budding business minds compete at inter college level with events like CRISIS Management, B-Plan etc. The Department also comes up with its annual magazine BEAM, which gives the students an opportunity to publish and showcase their views and throw light on current business developments. The selection process for this prestigious course is through the "JAT" (Joint Admission Test) and centralized counseling.

B.A. (HONS.) ENGLISH

DEPARTMENT OF ENGLISH

With interactive and interdisciplinary approaches of critical readings of literature, we strive to offer you through teaching-learning processes, the skills and visions that can contribute in building human resources for thinking critically, creatively and productively.

Sangeeta Mittal
Teacher In-charge

The B.A. (Hons.) English course aims to provide an exposure to a spectrum of global literatures and students are trained in various methods of literary analysis. In an endeavour to further explore the potential of literature and its immense complexities, the Department of English at Maharaja Agrasen College holds a series of academic-oriented activities throughout the year. The departmental society ACTIVE organizes several literary activities. Under the Lecture Series, the Department invites stalwarts like Prof. Harish Trivedi, renowned academic, formerly Professor and Head, Department of English, University of Delhi to help inculcate amongst the students, an aptitude towards critical interpretation of several literary concepts and ideas. Similarly, several workshops on poetry-writings, translation proficiency and on the technical aspects of writing academic papers are held by experts from time-to-time. The Department also organizes several screenings throughout the year. The ACTIVE society also organizes events like 'Meet the Author' to give the students a chance to interact with some of the greatest names in literature. The departmental literary festival LITERATI invited artistic talent from various Art disciplines to perform and share the elements constructing different apparatus of literature, encompassing events from all sections such as poetry, creative writing and enacting literature, where students unveil their responses and demonstrate their ways of seeing and accepting literature.

Apart from such academic activities, the Department also organizes educational trips to places like Jaipur Literary Festival, Surajkund Fair and many other places to give the students an exposure to the various aspects of art, literature and culture. The Department works in close association with the Centre for Performing Arts and Cultural Studies (CPACS) to promote concepts of cultural studies amongst the young minds.

Desirous candidates may contact the teachers of the Department to seek further clarity about the course and other relevant matters.

creativity.*

Dr. A.K. Thakur
Teacher In-charge

The field of journalism is full of dynamism and the Department strives to incorporate professional values within its students which can help them survive the highly competitive media industry. Consequently the students of the Department have achieved astounding success in academics, extracurricular and professional endeavors.

Realizing the importance of hands on learning for the professional arena of Journalism & Mass Communication, the Department has initiated a quarterly newsletter “Macroscopic” which is conceptualized, edited and designed by the students themselves. A well-equipped Media Center is another place where students can acquire technical skills related to electronic/ broadcast media. The Department has also been organizing interactive sessions and symposiums. Many senior journalists from print as well as television have participated in the same.

National and International conferences, seminars and other co-curricular activities are regular features of the Department, where students get an opportunity to understand the contemporary issues and challenges related to the curriculum and media industry. The students and faculty members of the Department carry out research projects under aegis of the College and the University of Delhi. Industry Interface, Field Visits, Community Interface and Live Projects are other endeavours of the Department also enable a student to understand the practical aspects of Journalism & Mass Communication.

B.A. (HONS.) POLITICAL SCIENCES

Politics being an integral part of our lives, we offer a course through which we try to widen the students' horizon in political, social, economic, national as well as international issues

Ritu Kohli
Teacher In-charge

Department of Political Science

Politics is something you may hate, admire, practice or try to avoid, but you cannot escape it. Since politics is an integral part of our lives, we offer a course through which we try to widen the students' horizon in political, social, economic, national as well as international issues. This can be substantiated by the standard of various papers taught in B.A. (Hons.) Political Science in the Delhi University.

The focus of the Political Science Department is to make students responsible citizens who are capable of providing good governance & development to the society. We aim to enhance students' knowledge in various areas like Indian Government and Politics, Gandhian Philosophy, Indian and Western Political Thought and Comparative Analysis, International Relations and India's Foreign Policy etc.

For the development and welfare of the students and to give them exposure to the outside world, the Department of Political Science at Maharaja Agrasen College organizes various academic & cultural programmes through its Chanakya Society, run solely by the students with guidance by the teachers.

The Chanakya Society organizes a two-day fest every year in which students' show their talents through various activities like mock-election, debates, cartoon-making, extempore, poster-making, paper presentations extempore competition, political quiz, poetry recitation and *rangoli* competition. The Department organizes lectures and talks to help students have a deep knowledge about the course and related issues. A scintillating lecture by Major (Dr.) G.D. Bakshi on "India's Foreign Policy with Special Reference to China" was delivered in the previous session. The previous year also saw the Department organize an orientation programme on Civil Service Preparation with the help of IAS Chronicle. In order to give the students an exposure on some of the current issues prevalent in the Indian political scene, the department organized a National Symposium on 26th March 2015 on the topic "India's Soft Power: An Untapped Potential" with Dr. Mahesh Sharma, Hon'ble Minister for Culture, Tourism & Civil Aviation, as the Chief speaker and convened by Dr. Ritu Kohli, Teacher in-charge, Department of Political Science.

The ultimate aim of the Department at Maharaja Agrasen College is to provide an all-round development of the students and enable them to become responsible citizens, aware political scientists and provide them with better career opportunities.

BACHELOR OF ARTS (PROG.)

“A dynamic and resilient department that prepares students for the long run.”

Dr. Shashi Singh
Teacher In-charge

COMMITTEE OF B.A. (PROGRAMME)

The B.A. (Prog.) course under the University of Delhi is meant to provide students with the intellectual and communicative skills necessary for a successful and stable career in the world outside. The B.A. (Prog.) Committee at Maharaja Agrasen College is motivated towards providing the students of B.A. (Prog.) opportunities for a holistic development for the students with academics as the centre. The departmental society LAKSHYA organizes a plethora of events like organizing interactive sessions with experts from various fields to provide the students various career-related options. Educational trips are also organized in order to give students an opportunity to strengthen the bonding between the students as well as provide a respite from the strict academic schedule. The fact that many final year students have got placement in distinguished companies with offers of annual package for more than 2.5 Lakhs per annum proves the success of the course in providing the students with career opportunities.

The B.A. (Prog.) course is a flexible and choice-based interdisciplinary programme to suit the needs and interests of the students.

B.COM (HONS.)

DEPARTMENT OF COMMERCE

“If you dream it, you can do it. You will be what you will be. Put forth your best and you have already won.” With this thought, the Department of Commerce approaches the fascinating field of commerce and business, a form of applied economics and the newest of the sciences.

Deepa Sharma
Teacher In-charge

Welcome to the fascinating field of Commerce and Business. It is the applied part of economics which is the oldest of professions and the newest of sciences. B. Com (Hons.) has been the flagship programme of Delhi University. Here, what you study in the classroom is directly applicable to your work life and the marketplace.

The Commerce programme at Maharaja Agrasen College emphasizes on an interactive teacher-learner environment necessitated by the use of presentations, role plays, case studies, group discussions, educational excursions, film screenings, and the use of e-resources in teaching of subjects like business laws, marketing, financial, and human resource management, cost and management accounting, e-commerce, and business communication. In order to provide a foundation for developing skills to do empirical research in areas of Commerce and Management, our Commerce students will be taught a paper on Business Research Tools in the sixth semester to well equip them in the conduct of their research project under faculty guidance.

Besides pursuing higher studies in the domain of commerce itself, the B.Com (Hons.) course is a valuable preparation for a variety of career options in entrepreneurship, marketing, rural marketing, green marketing, e-commerce, advertising, retail, event, or services management, accountancy, finance, insurance, media, school and university teaching, business research, consultancy, law, civil services, and the list is in-exhaustive.

The Commerce Department is active in organizing talks, discussions, workshops, outstation trips, as well as in their two day annual festival “CRUSADE” for holistic development of the students. Many of our students are also active in successfully managing their participation in theatre, classical music and dance, art and photography, and NSS along with their academic pressures.

You are advised to have a look at the course curriculum and to meet the Head/Teacher-In Charge of the Commerce Department or any member of the teaching faculty to seek clarification on any relevant matter. A team of young and enthusiastic professors await you to serve you as your friend, philosopher, and guide

B.SC. MATHEMATICAL SCIENCE

Department of Mathematical Science

The Department of Mathematical Sciences seeks to enhance the student's knowledge of mathematical, quantitative and scientific principles that can be applied to various fields of applications to enable analytical decision making.

The course aims to create a solid foundation for assimilation of mathematical concepts and structures and build mathematical skills like creative, logical and analytical thinking.

The study of this course shall be of immense help for pursuing a career in fields like economics, physics, engineering, management science, computer science, operational research, mathematics and several others.

Mathematics is an exciting field and the department welcomes all who wish to take on a journey through numbers to pursue challenging and rewarding careers.

B.SC. (HONS.) ELECTRONICS

DEPARTMENT OF ELECTRONICS

B.Sc. (Hons.) Electronics course is designed to enhance the students' understanding of scientific principles and to further develop their technical skills by hands-on designing and testing of electronic circuits and systems similar to that are used in industry. The course curriculum is a perfect blend of papers in physics, mathematics, and computer with special emphasis on Electronics. Overall, this course is an integrated approach to electronics and computer science, taught using substantial laboratory experiments in areas such as analog, digital, signal & systems, communication, optoelectronics, microprocessor and microcontroller.

The teachers and students of the Department of Electronics are actively involved in innovation projects, committed to teaching and learning tools with a lot of emphasize on hands on training, organizing and taking part in conferences and workshops that help update their subject knowledge providing an atmosphere conducive to learning. In addition, a very dynamic students' society 'Tech-Titans' ensures that students are involved in diverse activities in order to ensure holistic development of students. The departmental fest ELECTROZEAL further offers a plethora of events ranging from open events to competitive events.

In the previous session the Department organized an UGC-sponsored National Conference on "Striving & Thriving towards Diffusion of Student-driven Research in Science and Technology for Inspired Learning" and a two-day UGC sponsored National Seminar on "Basic Electromagnetic Theory, RF/Microwave Technologies and Applications". The Workshop on 'Embedded Systems' and the National Robotics Competition 'Robo-DARE 2015' organized by the Department are evidence enough to prove the focus of the Department in developing technical skills in the students.

The well-structured programme enhances students' employability skills and also their ability to articulate these skills. Electronics graduates and post-graduates have a bright future ahead of them in various areas like Design, Development, Fabrication, Inspection, Quality control and Maintenance.

Students, who are good at mathematics and physics with inventive and creative mind, can sure be able to shine in the field of electronics engineering.

B.SC. IN PHYSICAL SCIENCE

Today, it's next to impossible to find anyone who disagrees with the fact that technology has certainly entrenched itself in our lives. Realizing the same, Computer Science is a department where you can find an opportunity to reverethe technological advancements in your world.

Dr. Kalpana
Teacher In-charge

Applied Physical Sciences

The course B.Sc. in Physical Science is much sought-after on account of its unique curriculum design, job oriented nature, and usefulness. The course is designed to suit to the requirements of students willing to pursue masters course in Physics, Mathematics, Computer Applications, Information Technology, Chemistry and other allied subjects. The curriculum has components of mainly Physics, Mathematics and Electronics. Students are given the option to choose one stream either from Computer Science or Chemistry. As per the choice made, the course will be named as B.Sc. Physical Science with Computer Science or B.Sc. Physical Science with Chemistry. Also, it has a minor component of Biological and Environmental Science as well. The college has huge infrastructure in terms of laboratory, Information Communication and Technology (ICT), Workshops, modern Classrooms and highly accomplished faculty members.

The course is much in demand as it lays a strong foundation for higher studies in Physics, Electronics, Mathematics and either Computer Science or Chemistry. The concerned departments work together to lend guidance and skills that make the students more promising and employable. In the past, the students have secured good placements through the central placement process of the University. The course serves as a springboard for careers in the fields of Nanotechnology, Material Science, Electronic Science, Computer applications, Information Technology, Atomic and Nuclear Physics, Finance and Analytics etc. Several Institutions of excellence like Tata Institute of Fundamental Research, National Physical Laboratory, Indian Space Research Organization, Indian Metrological Department, IITs, NITs, IISERs offer promising opportunities. Also, students of B.Sc. Physical Science have been successful in U.P.S.C and S.S.C, Banking Services, RBI and NABARD exams, Indian Air Force etc. Needless to say, the versatility of this course makes it one of the most popular courses among aspiring students.

In addition, unbecoming language or rude conduct shall be severely dealt with in accordance with the provisions leading to fine/ suspension/ expulsion from the college as deemed fit by the Principal.
3. Students shall maintain perfect discipline in class-rooms and desist from demonstration of disorderly behavior. They must not loiter in corridors or in front of class rooms or office rooms and must maintain silence. During their free periods, students must work quietly in the library or reading room but without causing any disturbance. Smoking in the College premises i.e. lawns, canteen, auditorium, class-rooms, corridors, staircases, library and reading room is strictly prohibited. Use of mobile phones and other audio devices are strictly prohibited in and around the class rooms. These will be confiscated by the college authorities and will be returned only at the end of the semester.
4. Students shall take proper care of the college property and they must not spoil or cause any damage to or tamper or displace with college property, furniture, fitting etc. They shall not spoil the lawns. Students will have to pay the cost of damage/loss caused to the property of the college.
5. Students shall leave their vehicles locked in the space provided for this purpose. No vehicle shall be left in any space other than the specified one. The College will not be responsible for any damage or loss on this account.
6. No society can be formed in the college without the permission of the Principal. No person can be invited to address a meeting in the college or allowed to enter college without the prior permission of the Principal or allowed to use the name of the Principal or his office in any form as specified above.
7. No student suffering from any contagious or infectious disease will be permitted to attend the college.
8. Any student who is found impersonating or allowing impersonation on his/her behalf at the University Examination will stand expelled from the college with immediate effect. No letter calling for explanation or show cause notice will be issued to such student. No such student will be readmitted to the college.
9. Outsiders are not allowed inside the college premises without permission of the college authorities. For the students, there shall be identity card entry in the college and they must produce their identity cards when asked.
10. Smoking and consumption of alcohol is strictly prohibited inside the college campus.
11. Barring clause 7, violations of the above mentioned rules will lead to severe disciplinary action involving fine, suspension and expulsion from the college. The Principal can take such action even without assigning any reason.

ANTI-RAGGING MEASURES AT MAHARAJA AGRASEN COLLEGE

12. To maintain a clean and green environment the use of plastic bags is discouraged in the college campus. Ragging is totally prohibited in Maharaja Agrasen College as per the guidelines of University of Delhi (Ordinance XV-C). Anyone found guilty of ragging and/or abetting ragging whether actively or passively, or being a part of conspiracy to promote ragging, is liable to be punished in accordance with UGC Regulations 2009 as well as under the provisions of any penal law for the time being in force.

As per UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009, ragging constitutes one or more of any of following acts:

- I. Any conduct by any student or students whether by words spoken or written or by any act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
- II. Indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student
- III. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
- IV. Any act by senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.
- V. Exploiting the service of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- VI. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.
- VII. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and led acts, gestures, causing bodily harm or any other danger to health of person.
- VIII. Any act or abuse by spoken words, email, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from activity or passively participating in the discomfiture to fresher or any other student.
- IX. Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

Maharaja Agrasen College ensures that the congenial and welcoming environment is provided to the fresher within its premises. To achieve this objective an Anti-Ragging Committee has been constituted by the college. The following are its members:-

1. Dr Shirin B. Raina (Convenor)

ADMINISTRATION'S ACTIONS IN THE EVENT OF RAGGING

The Anti-Ragging Committee may punish a student found guilty of ragging with one or more of the Following punishments:-

- I. Suspension from attending classes and academic privileges
- II. Withholding/withdrawing scholarship/fellowship and other benefits
- III. Debarring from appearing in any test/examination or other evaluation process
- IV. Withholding marks
- V. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- VI. Suspension/expulsion from the hostel
- VII. Cancellation of admission
- VIII. Rustication from the institution
- IX. Expulsion from the institution and consequent debarring from admission to any other institution for a specific period. Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (MINISTRY OF LAW AND JUSTICE)

An Act to provide protection against sexual harassment of women at workplace and for the prevention and redressed of complaints of sexual harassment and for matters connected therewith incidental thereto.

WHEREAS sexual harassment results in violation of the fundamental rights of a woman to equality under articles 14 and 15 of the Constitution of India and her right to life and to live with dignity under article 21 of the Constitution and right to practice any profession or to carry on any occupation, trade or business which includes a right to a safe environment free from sexual harassment; AND WHEREAS the protection against sexual harassment and the right to work with dignity are universally recognized human rights by international conventions and instruments such as Convention on the Elimination of all forms of discrimination against Women, which has been ratified on the 25th June, 1993 by the Government of India. AND WHEREAS it is expedient to make provisions for giving effect to the said Convention for protection of women against sexual harassment at workplace.
