

EXAMINATION SCHEME LEADING TO M. Sc. (NURSING)

1) Period of Training:

Period of Training for M.Sc. (Nursing) courses shall be two years VIZ. 4 academic terms.

2) Attendance:

The candidate should have to attend 75% theory & practicals. However 100% of attendance for practical before the award of degree is mandatory.

3) Schedule of Examination:

University shall conduct not more than two examinations in a year. First year M.Sc. (Nursing) examination shall be conducted at the end of first academic year. Second year M.Sc. (Nursing) examination shall be conducted one academic year after passing first year examination.

4) Student guide ratio: Maximum of 1:4

5) Scheme of Examination:

1 st year	Theory			Practical		
	Hours	Internal	External	Hours	Internal	External
Nursing Education	3	25	75		50	50
Advance Nursing practice	3	25	75			
Clinical specialty-I	3	25	75		100	100
Nursing Research and statistics	3	25**	75*			
Total		75	300		150	150
2 nd year	Hours	Internal	External	Hours	Internal	External
Nursing administration	3	25	75			
Dissertation Viva					100	100
Clinical Specialty - II	3	25	75		100	100
Total		50	150		200	200

* Nursing research = 50 and statistics = 25

** Nursing research = 15 and statistics = 10

6) Standard of Passing:

- To declare pass candidate should obtain 50% marks in each of the theory and practical separately.
- If the candidate fails in either practical or theory paper, he/she has to reappear for both theory and practical.
- Maximum no. of attempts per subject is three (3) inclusive of first attempt. The maximum period to complete the course successfully should not exceed 4 years.

7) Practicals:

- Maximum number of 6 students per day per specialty.
- One internal and external should jointly conduct practical examination.

DISSERTATION GUIDELINE

1. Every candidate pursuing M.Sc. (Nursing) degree course is required to Carry out work on a selected research project under the guidance of a recognized post graduate teacher. The results of such a work shall be submitted in the form of a dissertation.
2. The dissertation is aimed to train a postgraduate student in research method and techniques. It includes identification of a problem, formation of a hypothesis, search and review of literature, getting acquainted with recent advances, designing of a research study, collection of data, critical analysis, comparison of results and drawing conclusion.
3. Every candidate shall submit to the Registrar of the University in the prescribed Proforma, title along with synopsis in four copies containing particulars of proposed dissertation work within nine months from the date of commencement of the course or on or before the dates notified by the University. The synopsis shall be sent through the proper channel.
4. Such synopsis will be reviewed and the dissertation topic will be registered by the University. No change in the dissertation topic or guide shall be made without prior approval of the University.
5. The ethical committee (College level) approves the Topic.
6. Thesis (Whole) to be submitted at the end of nine months of the second year.
7. The dissertation should be written under the following headings:
 - a) Introduction
 - b) Back ground of the study
 - c) Need for the study
 - d) Problem statement
 - e) Objective of the study
 - f) Operational definition
 - g) Scope of study
 - h) Assumption
 - i) Limitation
 - j) Ethical aspect
 - k) Conceptual frame work
 - l) Review of literature
 - m) Research Design

- n) Identification of target and accessible
 - Population
 - o) Sampling Technique
 - p) Sampling size
 - q) Inclusion and Exclusion Criteria : Sample
 - r) Tool Preparation
 - s) Feasibility Study
 - t) Pilot Study I. Reliability II. Validity
 - u) Data Collection
 - Method of data collection
 - v) Data analysis and interpretation
 - Organization and interpretation data
 - Tables, figures and graphs.
 - Summary and recommendation
 - w) Bibliography
 - Annexure
 - Abstract
9. The written text of dissertation shall be not less than 75 pages excluding references, tables, questionnaires and other annexure. It should be neatly typed in double line spacing on one side of paper (A4 size, 8.27" x 11.69") Text should be justified having font style 'Times New Roman / Courier' and font size '12' with margin of 1.5" on all side. Dissertation should submitted with spiral binding.
 10. The dissertation shall be certified by the guide and head of the department / Principal College of Nursing. Certificate issued by guide, counter signed by H.O.D./ Principal College of Nursing certifying that work done by the candidate has been carried out under the supervision of the guide to his/her entire satisfaction, should be submitted separately to the University.
 11. The identity of the candidate/teacher/department/college should not be disclosed in the dissertation. The acknowledgment should not be bound in the dissertation.
 12. Four copies of dissertation along with CD (Soft copy) thus prepared shall be submitted to the controller of examination, at the end of nine months of second year programme, or before the dates notified by the University. In case the dissertation is not accepted the same shall be communicated to the candidate along with the reasons for rejection. The candidate may make necessary

correction and resubmit the dissertation at least one month prior to the commencement of University examination.

13. The dissertation shall be valued by two examiners appointed by the University. Both the examiners shall submit evaluation within a month to the university.
14. *Guide:* The academic qualification and teaching experience required for recognition by this university as a guide for dissertation work is as per MUHS Qualification for PG teacher in M.Sc. (Nursing). A co-guide may be included provided the work requires substantial contribution from a concerned department or from another Nursing College institution recognized for teaching/Training by MUHS/INC. The co-guide qualification shall be as per MUHS qualification.
15. *Change of guide:* In the event of a registered guide leaving the college for any reason or in the event of death of guide, guide may be changed with prior permission from the university.
