

Aakash Institute | **Aakash**
Premier Institute in India for Medical Entrance Exams. | **IIT-JEE**

(Divisions of Aakash Educational Services Ltd.)

Aakash
One Name, Many Dreams

You want more from your life.
Something new. Something big.
Now you have stepped off
from the edge of “Maybe”
and onto the road to “Yes”.
Get ready for the step
that will change your life forever.
A step so rightfully called [Aakash](#).

Growing minds

One Tree, Nurturing Many Minds

There is a theory which suggests that at young age the brain is, in essence, transformed from an insatiable information-gathering machine into a sleek, cogitation machine of enormous power. Your ideas become complex, your reasoning grows elegant and powerful, and your imagination soars to new heights.

This is why the institute you choose to train yourself is so important. You need to know what hard thinking feels like. You need challenges. You need someone to say, "Think again. You don't quite have it yet." You also need someone to tell you, "Yes, that's it. That's it exactly"

The academic programs at Aakash is a rigorous competition - preparatory programs. We help students to build skills that they'll use for their whole lives. We support students in developing interests and create space for them to explore knowledge in greater depth. Our faculty members design multiple ways of learning in newer ways. We also emphasize individual effort, achievement and success.

We will help you learn how to analyze and imagine solutions to subject problems and when you are finish with that, we'll help you to objectively evaluate your results... and mirror you preparation level for you to introspect.

Here we insist on the basics, but what we mean by basics is distinctive. Our curriculum is built on updated and ever changing world of competitive examinations. Our curriculum provides students a charge to appear in competitive exams. with confidence.

In the end, what we want most of you is that you should grow. We not only teach you to ask good questions but also to identify interesting problems to solve. We help you learn how to analyze and imagine solutions to subject problems. And when you are finish with that, we help you to objectively evaluate your results, and mirror it for you to see yourself, how far you need to go and how much more hardwork you need to do.

At Aakash, we help students to find their voice, their capabilities, their talent and above all their passion.

This is what Aakash learning is all about.

Our Mission

One Mission, Many Aims

We affirm that Aakash is an institution committed to prepare young pupil for successful careers.

Our mission is to:

- ◆ Incorporate experiential learning into a comprehensive, competitive examination preparatory education to build on strengths of its students.
- ◆ Discover and invigorate the unique qualities of each student, motivating them to respect their own special abilities and those of others.
- ◆ Honour sensitivity, ethical behavior, trust, and compassion and nurture these qualities in the Aakash family.
- ◆ Embrace diversity and, through instruction and example, foster understanding of the full spectrum of human and cultural differences.
- ◆ Commit to the principle of serving, teaching the grace of giving, the warmth of community, and the dignity of a cooperative spirit.

Commit to the principle of serving, teaching the grace of giving, the warmth of community, and the dignity of a co-operative spirit.

History

One Story, Many Lessons

20 years ago a teacher set out to make a difference in the lives of students. His passion to train weakest of minds to crack toughest of exams. brought him unparalleled laurels. With his growing recognition as distinguished educationist, he committed himself to churn out medicos who would take India's healthcare to new heights. The man behind this success story is Mr. J. C. Chaudhry and the brand he built is Aakash Institute.

Today Aakash brand has become synonymous with quality coaching for medical and engineering entrance exams. For past 15 years, we have been producing 1st Rankers in some of the toughest entrance exams. in India. Our 21 years of experience, more than 13,000 selections in Medical Entrance Exams., a country-wide network of over 43 centres across India, collective annual student base of more than 25,000 students every year and above all, trust of millions of parents, has made us a household name for focused and quality coaching.

Our medical entrance students have made us proud by securing 1st Ranks in Exams. like CBSE-PMT/PDT, MAHE-Manipal, Delhi-PMT, U-PMT, VMMC, Chandigarh-CET, CMC-Ludhiana, R-PMT, JCECEB and UP-CPMT. In CBSE-PMT / PDT – 2009, our 1034 students got selected, with 6 ranks in Top 10 and 42 ranks in Top 100. (General Category).

Keeping with the tradition of excellence, Aakash IIT-JEE's distance learning program student, Mr. Nitin Jain, bagged the All India 1st rank in the IIT-JEE 2009 & AIEEE 2009, besides 3617 selections in IIT-JEE 2009 and 3797 selections in AIEEE - 2009, respectively. Mr. J C Chaudhry has personally ensured every element of excellence in the IIT-JEE faculty and the entire division. The aim is to provide IIT aspirants with the best of qualitative and creative education.

Aakash Institute with a "will" to impart a qualitative and result oriented coaching for Entrance Examinations has carved a niche of unbelievable success for itself.

Maximize your probability

Chairman's Message One Message, Limitless Commitment

Dear students,

At the very outset, I would like to express my gratitude for the faith and interest you have bestowed in Aakash Institute and Aakash IIT-JEE, divisions of Aakash Educational Services Limited. These valuable names are result of our commitment towards providing excellent quality education to the professionals of tomorrow.

Our focus at Aakash is to provide our students with the best education and to prepare them for rewarding careers. We accomplish this by creating a unique educational environment through high-quality academic programs, caring faculty and meticulous administration.

Your association with Aakash will be the wisest decision of your life, which will make you feel proud throughout your life. I promise to turn your ignorance into awareness, your fear into confidence and above all, to transform your doubts into your strength.

I wish you the best – and know you'll find the very best at Aakash.

J.C. Chaudhry

Chairman, AESL

**Our focus at Aakash
is to provide our
students with the best
education and to
prepare them for
rewarding careers.**

$$E[e^{-sX_{+,i,u}} | A(X_{-,i,u}) = k] = \sum_{i=1}^k \left[\frac{1}{2\bar{L}i!} \frac{d^i}{dz^i} \Big|_{z=0} \left(\frac{G_P^*(-\lambda, \lambda G)}{\lambda} \right) + \frac{1}{2\bar{L}(k-i)!} \frac{d^{k-i}}{dz^{k-i}} \Big|_{z=0} \left(\frac{G_P^*(-\lambda, \lambda G)}{\lambda} \right) \right]$$

Aakash Difference

One Brand, Many Meanings

Learn how to be successful through a concrete process that delivers tangible results. The process is action-based learning. The results are problem solving skills, and knowing how and when to use them. That's the Aakash's Difference.

Successes are not born, they're made, shaped and molded. Becoming successful is a skill and like any other skill, you can learn about it from a book, but you can't perfect it without practice and yes....lots of it.

That's the theory behind the Aakash's Difference called Action Based Learning.

Action-based learning takes you out of the classroom and into real world of Competitive Examinations, where you'll take classroom theories and turn them into Problem Solving Skills. You'll be challenged with multi disciplinary actions, with faculty oversight for ever changing competitive environment.

Learn how to be a winner with Aakash.

We are committed to constantly pushing the limits so that our students can *grow* with each opportunity to excel. With our proven teaching methodologies, students can turn their potential into success. That's why, time and again, when students are looking for a cutting-edge solution to their future, they look to the leader - Aakash.

- ◆ The courses are completed to the best satisfaction of the students and well in time. Sufficient time is slotted for revisions, conduction of tests and doubt solving sessions.
- ◆ The courses have been designed in such a way that the study package is self-sufficient for the students for the purpose of Pre-Medical / IIT-JEE & Engineering preparation.
- ◆ An Integrated approach towards the teaching is followed, wherein syllabus is covered from school / board exams. point of view as well as Pre-Medical / IIT-JEE & Engineering point of view.
- ◆ Separate tutorial classes are organized on topics which are not generally covered in Pre-Medical / IIT-JEE & Engineering preparation but are included in the Board Exams.
- ◆ There are regular tests and their discussion is carried out so as to clarify any doubt left in the minds of the students.
- ◆ The test papers are designed exactly on the pattern of Medical / IIT-JEE & Engineering so as to give exact feel of Medical / IIT-JEE & Engineering pattern to the students.
- ◆ Adequate library facility for reading is provided to the students so that they can consult books whenever they find free time.
- ◆ Enhancing the spirit of competitiveness within students for preparing them to compete with the best to achieve their goal.
- ◆ Solution oriented study package with excellent exposure of concepts through an array of solved exercises is provided to each & every student.
- ◆ Providing education to students with affordable means.
- ◆ A large network of multiple centers that are spread across different cities in India provide a reasonably sound base for students to compete and know their performance levels

The courses are completed to the best satisfaction of the students and well in time. Sufficient time has been slotted for revisions, conduction of tests and doubt solving sessions.

In 21 years of its existence, Aakash has reached at the top in India by making more than 13,000 students successful in securing M.B.B.S. seats in various medical colleges through CBSE Jt. Entrance Exam., & other Medical entrance Exams. In 2009 alone our 2222 students were selected in various Medical Entrance Exams.

A curriculum that delivers impressive performance

Our Teaching Methodology

One Method, Many Benefits

Our teaching prowess holds the baton of our unmatched success in different entrance exams. At Aakash, we have developed a standardized education delivery methodology, which ensures perfect and consistent coaching by each of our faculty members. A methodology so unique and wholistic that it produces not only excellent classroom discussions but also insightful study material, which itself is proficient enough to churn AIR-1st in exams. like IIT-JEE, AIPMT etc.

The concept at Aakash is not to teach for entrance exams. only but to take the level of preparation of each student to the required level to crack Entrance Exams. as well as board exams. The benefits of this approach has infact helped our students in scoring high in their entrance as well as board exams. We start from basics and push the concept with ease to the highest level of understanding in each and every topic.

Concept Testing Practice Papers (CTPP)

Our devotion at Aakash has resulted in this unique academic revolution, the Concept Testing Practice Papers. CTPP has given Aakashians a remarkable edge over others.

In IIT-JEE / Engineering, the students are given CTPP after each lecturer. The students are supposed to try these problems on daily basis. The students are given given attempt the problems in the institute on daily basis. We derive the latest problem sets after each topic but also ensure that they are done during the CTPP resulting in maximum gain for the students.

During CTPP, the teacher does not interfere with the thought process of the student. If he observes that the student has a problem or that he/she is stuck, he helps out the student in successive stages by giving him/her hints, motivating him/her to think more in correct direction and remove all the doubts that arise in his/her mind there and then.

Each and every lecture is planned and documented, so as to make sure that the content delivered is standard, complete and is finished in stipulated time.

In Medical / IIT-JEE & Engineering Entrance Exams., time matters. Time is the major deciding factor. We realize that it is necessary to concentrate on both the factors: the subject knowledge + art of how to take an exam. How to minimize errors, how to represent the answers for maximization of scores, how to improve the efficiency. In CTPP, each concept is examined from various angles and a variety of approaches are suggested. This enriches the knowledge of the student. It also makes his mind more fertile to accept newer methods, techniques and tricks.

The work that takes four hours at home is possible in CTPP within half an hour. It is a feature that improves the concepts, reduces errors, develops healthy academic habits, enhances concentration, boosts test scores and above all, ensures selection in IIT-JEE / Engineering & Medical with a good rank.

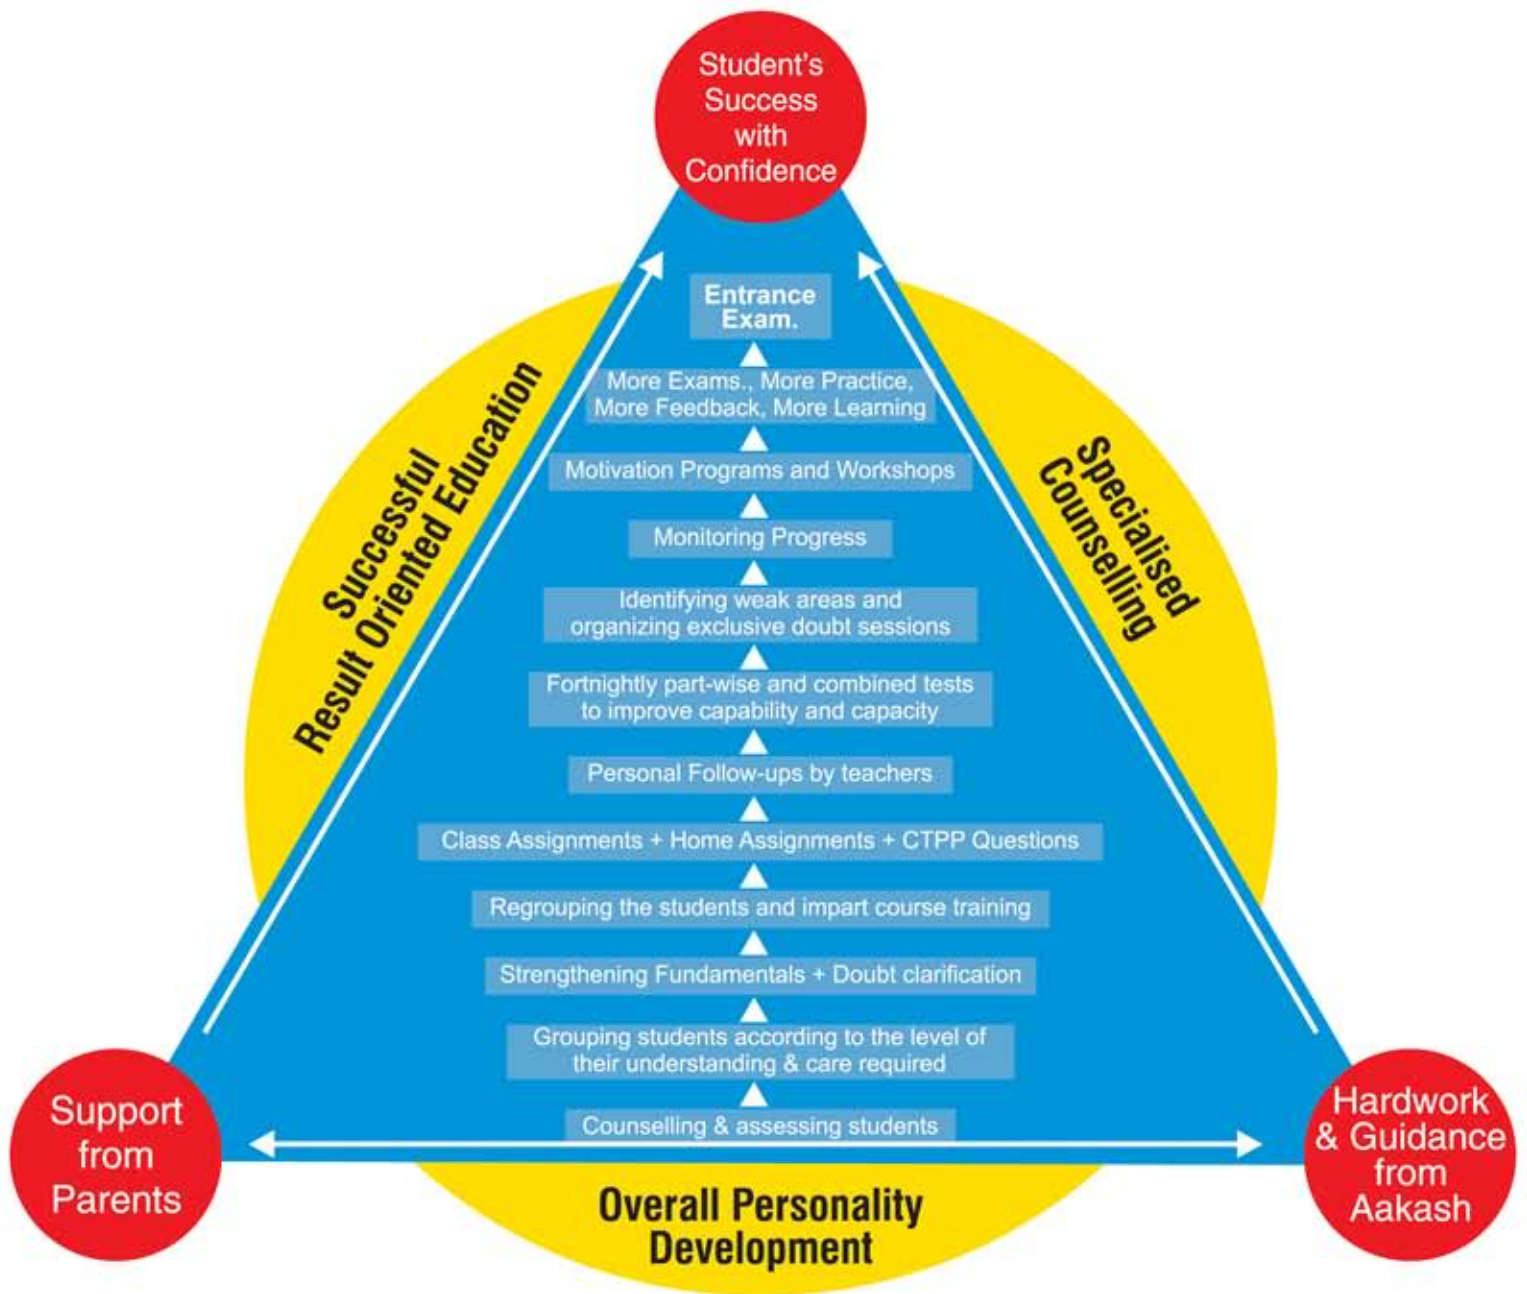

Each and every lecture is planned and documented, so as to make sure that the content delivered is standard, complete and is finished in stipulated time.

Aakash

Success Triangle

One Structure, Many Bricks

Our Study Material

One Book, Immeasurable Explanations

Proper exposition of theory with all the necessary derivations is very important. Aakash study material includes extensive and well formatted theory notes. In a lucid way, the theory provided in our study material evolves with all the necessary background and additional tips. The Aakash study material is known for being exhaustive yet relevant for the entrance exams.

Certain study tips are supplied that help the student not only with a quick revision but also on catching crucial concepts. The theory is rendered more interesting and useful by stressing on practical applications and solved examples. To make the reading & learning experience complete, we do take special care of the way the content is presented. While formatting proper margin is left for figures, key points are highlighted and content is intelligently tabulated to make the learning more meaningful and quicker.

The crowning features of our package which is extremely popular with students, are subdivision of chapters in small convenient units, the concept building exercises, and 'CTPP' the Concept Testing Practice Papers.

The crowning features of our package which are extremely popular with students are subdivision of chapters in small convenient units, comprehensive set of solved problems and the concept building exercises. They ensure a firm building up of concepts, each concept to be used immediately after learning it. A student can identify his/her weak points exactly and correct them instantaneously.

The chapter finally concludes with chapter exercises at the end with plenty of objective questions and upgraded subjective exercise. Questions asked in previous years Medical / IIT-JEE & Engineering Exams. are included in a separate exercise for final mock-testing.

Enriched Solved Examples

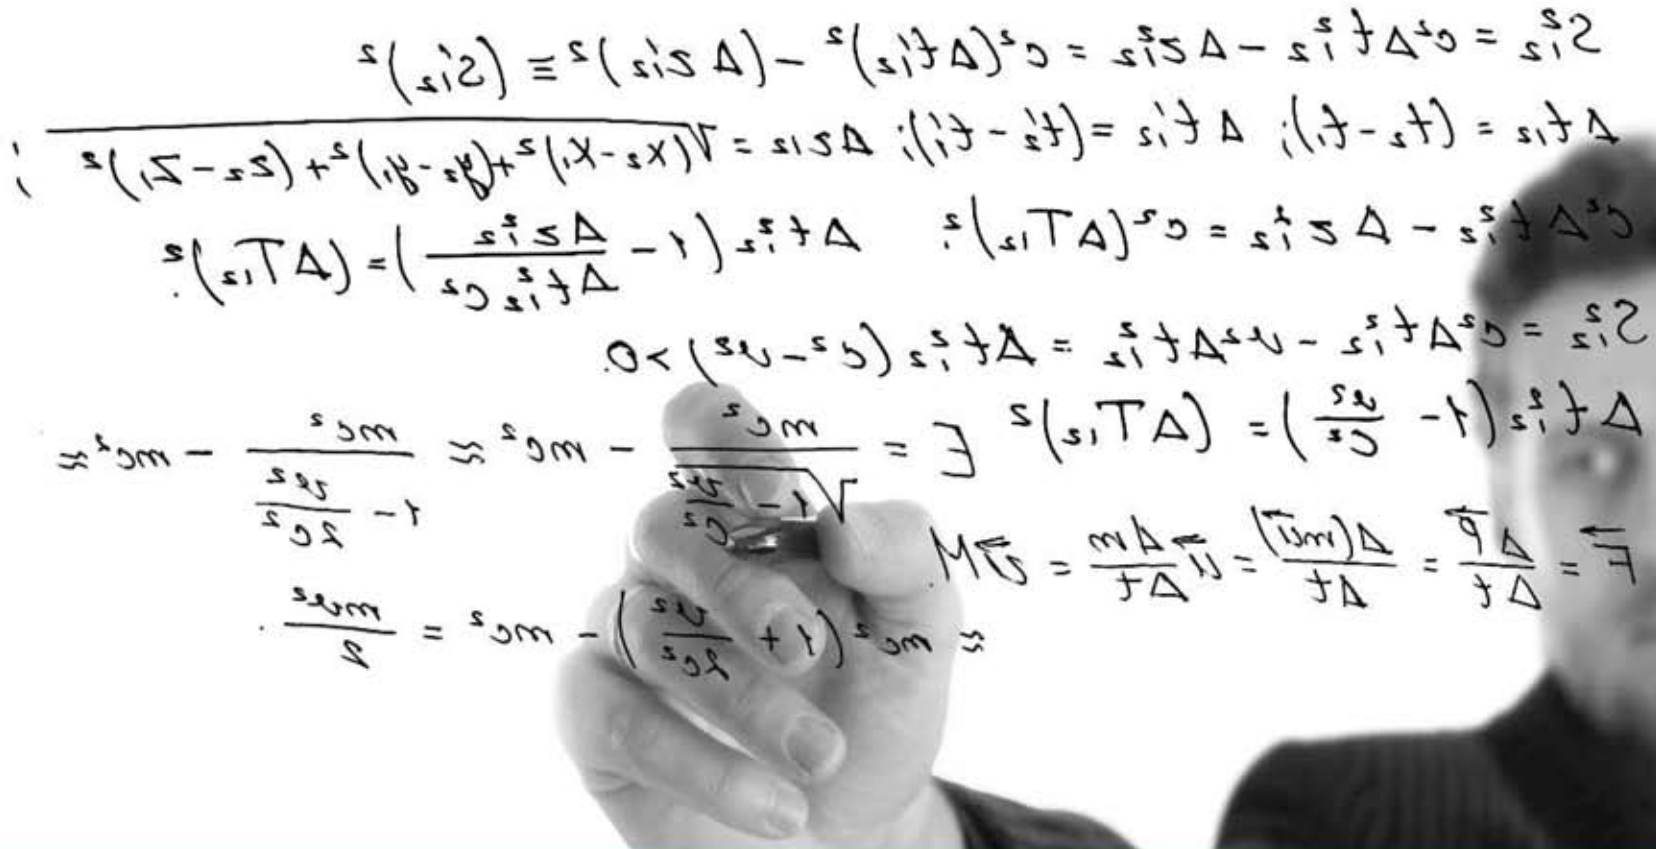

The study package includes a good number of solved examples which are carefully arranged in a sequence of increasing level of gravity. They are succeeded by support problems using similar concepts but worded differently. This is exactly what Medical / IIT-JEE & Engineering Entrance Exams. require; application of concepts you have already learnt in a new situation.

Graphic presentations

We encourage and lay emphasis on correct visualization, as intricate concepts can be understood better with the aid of correct visual aids. While others use free hand drawing which may often confuse and even misconvey an idea, our package includes graphics generated by latest software packages.

The chapter finally concludes with chapter exercises at the end with plenty of objective questions and upgraded subjective exercises.

Our Faculty

One Person, Many Talents

The basic structure of the Institute is firmly built on a highly professional faculty comprising of a perfect blend of IITians, Engineers, PhDs, MScs, Academicians and other Experts. Each and every faculty member who is working at Aakash, has been selected and trained through a vigorous selection method. Irrespective of a teacher's past experience and qualification, each teaching candidate is put through a written test, followed by a lecture demonstration to our HODs and finally on clearing these rounds a final round of interview with the Managing Director. After selection, the newly appointed teachers are put through a rigorous training regime to sharpen their skills and mold them into the Aakash culture of teaching. As they start teaching, their newly imparted training, their qualifications and prolonged experience provides the students with guidance and coaching of unmatched excellence. The most complex problems are simplified to the easiest grasping level. At Aakash, to offer its students the most qualitative learning is not only a commitment but also a challenge to be met. The teachers at Aakash are its real assets. They are the specialists in their subjects. Being the torchbearers, they feel that success is not the exclusive domain of a chosen few;

infact every student has the potential to succeed, and this has to be brought to the fore through the sustained hard work of the student and the appropriate guidance. The magnificence of a pearl can only be appreciated when it has been prized out of the oyster and polished to perfection.

Our students are excelling largely due to the faculty's unique teaching methodology, commitment and dedication. Under their guidance, if a student secures below than average marks in the tests, the faculty finds out why and plays a role of a mentor and a guide to them so that they improve. All doubts of students are cleared and concepts are made crystal clear to them. Regular workshops are also held for the teachers to ensure that their teaching methods and subject knowledge are always up to the mark. Constant updating is required in view of the highly competitive environment that the students have to face.

Our students are excelling largely due to the faculty's unique teaching methodology, commitment and dedication. Under their guidance, if a student secures below than average marks in the weekly tests, the faculty finds out why and guides them so that they improve. All doubts of students are cleared and concepts are made crystal clear to them.

As per the contemporary competitive requirements, the senior faculty members of the Aakash prepare our teaching programs and faculty development activities. This gives our students an extra advantage.

The designated faculty members take utmost care in designing the study programs, study materials and test papers so that most effective and error free material is generated. Everything is done under the watchful eyes of the Head of Departments.

There are micro-level and macro-level analyses of the performance of the students with regular follow-up measures.

Special care is given to students who underperform..

The senior faculty conducts counseling sessions. In these sessions any doubts a student may have are cleared up. Certain topics may be repeated, if required.

Our faculty enables the students to build core concepts, achieve accuracy & speed and develop confidence.

The students are motivated to learn and perform to their

optimum levels. Senior faculty members also conduct counseling sessions in which they provide the students with individual attention and doubt-clearing sessions. This careful nurturing of young minds enables the students to excel.

Finally, our senior faculty members play another pivotal role of being a trainer and mentor for the new comers. The mandate is very clear and simple: Produce replicas. The top faculty members are intently involved in training of new recruits and improving of existing set of teachers.

The designated faculty members take utmost care in designing the study programs, study materials and test papers so that most effective and error free material is generated.

Courses offered IIT-JEE, AIEEE & State Engg. Entrance Exams. One Package, Many Gifts

For X Board appearing / passed students

First Step For IIT-JEE

This course commences from 2nd week of April/May/June and continues till the 2nd week of January of the year of Ent Exam.

This course is divided into two academic sessions.

The first academic session: During this session, the syllabus of XI class will be taught from the point of view of School & IIT-JEE.

Second academic session starts from 2nd week of April. During this session, entire syllabus of class XII will be taught thoroughly for Board Exams., as well as IIT-JEE & other Engineering Ent. Exams. Regular classroom tests will also be conducted for the assessment of the student. When the institute will start Test Series Course for new students, the students of this course can be allowed for this Test Series free of cost.

Each student will be provided study package on all topics in all subjects. The result of the tests shall be emailed/SMS to the parents every month.

For XII studying students

Second Step For IIT-JEE

This course commences from 2nd week of April and continues till 2nd week of January next year

During this course, a student is thoroughly prepared in Physics, Chemistry and Maths for Board Exams. as well as for IIT-JEE and other Engineering Entrance Exams. Regular classroom tests will also be conducted for the assessment of the student. After Board Exams. when the Institute will start Test Series Course for new students in the month of March, the students of this course can be allowed for this Test Series free of cost.

The student will have both options i.e. Regular evening classes as well as weekend classes. The result of the tests shall be emailed/SMS to the parents every month.

For XII passed students

Power Step For IIT-JEE

This course commences in the month of May/June/July, and continues till 2nd week of February of the year of Ent Exam

This course is meant for those students who have passed class XII. During this course we thoroughly prepare the students for IIT-JEE. Regular classroom tests will also be conducted for the assessment of the student. When the institute will start Test Series Course for new students, the students of this course can be allowed for this Test Series free of cost.

Each student will be provided study package on all topics in all subjects. The result of the tests shall be emailed/SMS to the parents every month.

For XII passed students

Regular Course For AIEEE / State Engg. Ent. Exams.

This course commences from 3rd week of May/June/July and continues till 2nd week of February.

In this course, the students are thoroughly taught all topics of AIEEE / State Engg. Ent. Exams. The fundamentals of all topics in all subjects are made clear under the guidance of our expert faculty by arranging doubt classes and conducting tests regularly.

In the month of March. The students of this course can also be allowed for The Mini Test Series Course for AIEEE / State CEE free of cost. Each student will be provided with the study package on each subject.

For XII passed students

Ranker's Course for AIEEE

This course commences from 3rd week of August and continues till 2nd week of February, next year.

In this course, complete syllabus of AIEEE will be taught & discussed thoroughly. Regular tests will be conducted. Each student will be provided study package on all topics in all subjects. The result of the tests shall be emailed/SMS to the parents every month. Each student will be provided study package on all topics in all subjects. The result of the tests shall be emailed / SMS every month to the parents.

For XII appearing / passed students

Crash Course For AIEEE / State Engg. Ent Exams.

This course is conducted in two stages :

Stage I: From 4th week of March till two days prior to AIEEE Exam. In this stage, the entire syllabus of AIEEE is taught in the form of concept clearing classes. The fundamentals of all topics in all subject are made strong under the guidance of our expert faculty.

Stage II: Two days after AIEEE to two days prior to State CEE

In this stage, topics which have not been covered in Stage-I i.e., during AIEEE coaching but are included in State CEE, will be taught in the form of concept clearing classes.

Each student will be provided study package on each subject.

For XII studying / passed students

Final Test Series Course For IIT-JEE

In the final Test Series course, a total of 6 tests will be conducted to give the students a most balanced and closest simulation of IIT-JEE pattern. These tests will be followed by the discussion also.

When going is
tough the tough
gets going

Courses offered for Pre-Medical

One Package, Many Gifts

For XII appearing / passed students

Crash Course for CBSE-PMT, Delhi / State PMTs & AIIMS

This course commences from 4th week of March and continues till 2nd week of May

It is approx. 200 hrs. course, during which the entire syllabus of CBSE-PMT & State Medical Entrance Exams. will be discussed to make the students equipped with all techniques to crack the intricate level of problems thereby boosting their level of confidence.

This course is conducted in three stages:

Stage-I: From 4th week of March to 1st week of April The students will be thoroughly prepared for CBSE Preliminary Exam.

Stage-II: From 2nd week of April to the date of declaration of the result of CBSE Prelim. Exam.

Stage-III: After two days from declaration of CBSE Prelim. Exam. result to 2nd week of May. After the declaration of the CBSE Preliminary Exam. result, those students who could not mark their success in CBSE Preliminary Exam. will continue their preparation of State PMT's & AIIMS. Those students who qualify the CBSE Preliminary Exam. will be given practice of CBSE Final Exam. in the form of subjective tests as per schedule which will be provided by the Institute. Beside this, these students will also be provided objective tests on the pattern of State PMT's & AIIMS.

Each student will be provided study package on all topics in all subjects.

For XII passed students

Test Series Course for CBSE-PMT, Delhi / State PMTs & AIIMS

This course commences from 1st March, and continues till 2nd week of May

During this course, a student is thoroughly prepared for various Medical Entrance Exams. Total 46 tests are given/conducted during this course. This course is conducted in three stages:

Stage-I: From 1st week of March to 3rd week of April The students will be exposed to a series of 16 tests covering entire syllabus of CBSE Jt. Ent. Exam.

Stage-II: From 2nd week of April to the date of declaration of CBSE Prelim. Exam. result. During this stage, the students will be grilled through 10 tests on the pattern of Delhi/State PMT's and AIIMS.

Stage-III: After two days from declaration of CBSE Prelim. Exam. result to 2nd week of May. After the declaration of CBSE Prelim. Exam. result, those students who could not qualify will be grilled through a series of 8 tests.

Those students who qualify the CBSE Preliminary Exam. will also be given practice of tests, besides the above mentioned tests. There will be 12 tests on subjective pattern.

Each student will be provided study package on all topics in all subjects.

For CBSE Prelim. qualified students

Ultimate Course for CBSE Final Exam.

This course commences from after the declaration of CBSE Prelim. Exam. result to 2nd Week of May

This course is an indispensable weapon to take on the CBSE Final Exam. Students who have qualified Preliminary Exam. of CBSE Jt. Ent. Exam. are grilled thoroughly by series of tests on subjective pattern and finally by our expert & experienced faculty in three sessions, the first session, tests on class XI syllabus, second session, tests on class XII syllabus & third session, tests on complete syllabus. The faculty trains the students with all possible care where the students usually commit mistakes. They are given the closet simulation of the Exam. situation so that the students feel confident to crack the Final Exam. of CBSE. These students will also be given 12 objective tests along with their answers for State PMTs & AIIMS as home assignments.

Each student will be provided study package on all topics in all subjects.

For XII studying students

XII Cum Course for Medical Ent. Exams.

This course commences from 2nd week of April and continues till 2nd week of January next year

During this course, a student is thoroughly prepared in Physics, Chemistry and Biology for Board Exams. as well as for CBSE Jt. Ent. Exam. and other Medical Entrance Exams. After Board Exams. when the Institute will start Test Series Course for new students in the month of March, the students of this course can be allowed for this Test Series free of cost.

Each student will be provided study package on all topics in all subjects. The student will have both options i.e. Regular evening classes as well as weekend classes. Regular assessment through classroom test will be conducted. The result of the tests shall be emailed / SMS to the parents every month.

For X Board appeared/passed students

Two Years Integrated Classroom / Weekend Course for Medical Ent. Exams.

This course commences from 2nd week of April / May / June and continues till the 2nd week of January of the year of Ent. Exam.

This course is divided into two academic sessions.

During first academic session, the syllabus of XI class will be taught from the point of view of School & Medical Ent. Exams.

Second academic session will start from 3rd week of April to 2nd week of January of the year of Ent. Exam. During this period, entire syllabus of class XII will be taught thoroughly for Board Exams, as well as CBSE Jt. Ent. Exam. & other Med. Ent. Exams. Regular classroom test will also be conducted. Knowledge needs
to be challenged,
improved and
enhanced constantly,
Winner keeps
themselves up-to-date.

Terms & Conditions

1. The student who is enrolled with Institute will have to work hard regularly. In case, if the teachers feel that the student is not working hard, creating indiscipline in the Institute or bus, irregular in attendance, not responding properly, he/she may be expelled from the Institute. The decision of the Managing Director in this regard will be final and binding on the student. No fee or part of the fee will be refunded in such cases.
2. If any student absents himself/herself for more than 15 days continuously without any prior written application, he/she will not be allowed to appear in the class tests and will not be given any test paper(s). He/she may be deemed to be expelled from the Institute. No separate intimation will be sent to the parents. No fee or part of the fee paid/encashed will be refunded in such cases. The decision of the Managing Director in this regard will be final and binding on the students & parents.
3. After depositing money towards registration, if a student becomes disinterested in the Institute due to any reason whatsoever and wants to take his/her money back, the Institute will not refund the money deposited towards registration / admission fee. The registration / admission fee deposited towards a particular course will not be adjusted against any other course.
4. If any student/parent insists on lump sum payment of fee, the Institute can accept the fee in lump sum also. The refund policy for such students will be applicable as mentioned for students who pay the fee in installments.
5. The responsibility of getting admission form forwarded to the examining body is that of the student himself/herself or that of the Parent/Guardian.
6. It is for the student himself/herself to see whether he/she is eligible for a particular examination or not. The Institute does not hold itself responsible if a student's admission form cannot be forwarded or is rejected by the examining body on any ground whatsoever. Such a student cannot claim a refund of the whole or any part of the fee he/she has paid to the Institute.
7. Incomplete form will be rejected, It is compulsory to attach photocopy of marksheet of class IX / X / XII and recent passport size photographs to the admission form. The Institute reserves the right to use the photograph for publicity in case the student secures position/success in Medical / Engg. Entrance Exams. The student should also staple three recent passport size photographs along with the form.
8. The parents can meet the Managing Director for any enquiry about their ward's progress or any other problem concerning their ward with the prior appointment only.
9. Any student caught adopting unfair practice during the Admission cum Scholarship Test is liable for immediate removal from the examination hall and no refund of Admission cum Scholarship Test fee paid shall be made.
10. A student after qualifying Admission cum scholarship Test and taking admission at any centre of Aakash will be bound by the rules and regulations of that centre and in all matters whatsoever the responsibility will be of that centre only.
11. Any change of address should be notified in writing to the office within 7-10 days.
12. A student who is late by 10 minutes for classes/tests, will not be allowed to enter the classroom.
13. Any study material given during the classes or otherwise, shall not be given to those students who are absent without prior application from the parents. No request / personal appointments in this regard shall be entertained.
14. Students enrolled with Aakash Institute / Aakash IIT-JEE have to provide photocopy of Admit Card of various Medical / Engg. Ent. Exams, as soon as they receive their admit cards from the examining body before/during Test Series to be conducted in March, failing which the student shall not be allowed to attend free Test Series & will not be given Test papers.
15. Each student will be issued an identity card. The entry in to the classes/Institute will be only with Identity Card, If the Identity card of a student is lost/misplaced, a duplicate I-card can be asked from the Institute against payment of Rs. 50/-. If any student is found misusing the I-card, he/she will be rusticated from the Institute.
16. If the study material provided to the student is lost/misplaced, a duplicate set of the book(s) can be obtained from the Institute against the payment of Rs. 200/- per book.
17. If the bag provided to the student is lost/misplaced, a new bag can be obtained from the institute against the payment of Rs.150/-.
18. If at any point of time, the Central Govt. further increases service tax, (existing rate of service tax is 12.36%) the extra amount of service tax will be borne by the students from the date of enforcement of the act by the Govt.
19. It is compulsory/mandatory to provide e-mail I.D. / Mobile No. of the student / father / guardian. The result of tests or any other information by the Institute will be sent to the student only on e-mail I.D. Institute shall not be responsible if any information regarding result or anything else is not received by the student if he/she has not given his/her e-mail I.D. / SMS in the Admission Test form at the time of admission.
20. If any type of mishap occurs in the premises of the institute because of situations beyond control or any natural calamity of any type such as earthquake, floods, fire, electric short circuit etc., the institute shall not be responsible in any manner whatsoever.
21. In case if any parent/guardian misbehaves with any staff member of the Institute, his/her ward can be rusticated from the Institute and no claim of refund of such student will be entertained. The decision of the Managing Director will be final and binding on the student and parent/guardian.
22. A student is not allowed to carry mobile phone / I-pod in the classes. If at all, he/she carries mobile phone in the classes, then it should be switched off. The Institute is not responsible for any loss / theft of mobile phone in the Institute.
23. The institute reserves its right to make any alteration in its programs / venue / timing and days of classes without any prior notice to anybody. The decision of the Managing Director will be final & binding on the students & the parents.
24. In case of any dispute or difference between you and Institute regarding the interpretation of these terms and conditions, non-payment of any claim or any dispute arising out of or in pursuant to these terms and conditions, the same shall be referred to Sole Arbitrator who shall be appointed by Chairman of M/s Aakash Educational Services Ltd. The proceedings shall be conducted at New Delhi under the provisions of Arbitration & Conciliation Act and the Courts at Delhi only shall have the jurisdiction over the matter and/or for enforcement as the case may be. If an Arbitrator to whom the matter is referred refuses to act or for any reason, does not enter the reference or after entering into the reference proceedings are abandoned or kept in abeyance or not proceeded with, it shall be lawful for the Chairman of M/s Aakash Educational Services Ltd. to appoint another person to act as Arbitrator in the manner aforesaid. Such person shall be entitled to proceed with reference from the stage at which was left by his predecessor, if both the parties consent to this effect, failing which the Arbitrator will be entitled to proceed *denovo*.
25. I have read the terms & conditions of the Institute and various policies of the institute as mentioned in the prospectus & promise to abide by the same.

Nationwide Centres

A huge network of centers which are spread across different cities in India, to provide a reasonably sound base for students to compete and know their performance levels.
