

## Untitled

British UK Aerospace Engineering Schools and Universities  
Undergraduate BS BE, Graduate MS and PhD Programs in Aerospace (or Aeronautical) Engineering in UK  
Aerospace (or Aeronautical) Engineering Universities in United Kingdom offering Aerospace Engineering degree programs at bachelors (under-graduate), masters (graduate) and PhD levels. Aerospace Engineering diplomas, certification and degree options in aerospace in United Kingdom UK.

Aerospace Engineering University in Bath, Somerset, England, UK  
University of Bath  
University of Bath in Bath, Somerset, England, United Kingdom offers graduate programs in the field of Aerospace Engineering. The programs offered at the University of Bath are,  
MSc in Aerospace Engineering  
MEng in Aerospace Engineering

Aerospace Engineering University in Brighton, Eastbourne, UK  
University of Brighton  
University of Brighton in Brighton, Eastbourne, United Kingdom Faculty of Science and Engineering offers graduate programs in the field of Aerospace Engineering. The programs offered at the University of Brighton are,  
MSc in Aeronautical Engineering  
MEng in Aeronautical Engineering

Aerospace Engineering University in Trefforest, Wales, UK  
University of Glamorgan  
The University of Glamorgan in Trefforest, Wales, United Kingdom offers undergraduate programs in the field of Aerospace Engineering. The programs offered at the University of Glamorgan are,  
BEng in Aeronautical Engineering  
BSc in Aeronautical Engineering

Aerospace Engineering University in Glasgow, Scotland, UK  
University of Glasgow  
The University of Glasgow in Glasgow, Scotland, United Kingdom offers undergraduate and graduate courses in the field of aeronautical engineering and avionics. The programs offered at the University of Glasgow are,  
BSc in Aeronautical Engineering or Avionics  
BEng in Aeronautical Engineering or Avionics  
MEng in Aeronautical Engineering or Avionics

Aerospace Engineering University in Perth, Scotland, UK  
Perth College  
Perth College in Perth, Scotland, UK offers undergraduate program in the field of Aircraft Engineering. The program offered at the Perth College is,  
BSc in Aircraft Maintenance Engineering

Aerospace Engineering University in Hatfield, Hertfordshire, England, UK  
University of Hertfordshire  
University of Hertfordshire in Hertfordshire, England, United Kingdom Faculty of Engineering and Information sciences offers undergraduate and graduate courses in the field of Aeronautical Engineering. The university is accredited by the Royal Aeronautical Society. The program offered at the University of Hertfordshire are,  
BEng in Aeronautical Engineering  
MEng in Aeronautical Engineering

Aerospace Engineering University in London, UK  
Imperial College London  
The Imperial College London or officially the Imperial College of Science, Technology and Medicine in London, United Kingdom offers graduate program in Aerospace Engineering. The program offered at the Imperial College London is,  
MEng in Aerospace Engineering  
Queen Mary, University of London  
Queen Mary, University of London or Queen Mary and Westfield College in London, United Kingdom offers undergraduate and graduate programs in the field of Aerospace Engineering and Avionics Engineering. The programs offered at the Queen Mary

## Untitled

University are,  
BEng in Aerospace Engineering  
MEng in Aerospace Engineering  
BEng in Avionics  
MEng in Avionics  
Aerospace Engineering University in Loughborough, Leicester, England, UK  
Loughborough University  
The Loughborough University in Loughborough, Leicester, England, United Kingdom Faculty of Engineering offers undergraduate (bachelor) and graduate (master) programs in Aeronautical Engineering. The programs offered at the Loughborough University are,  
BEng in Aeronautical Engineering  
MEng in Aeronautical Engineering  
Aerospace Engineering University in Manchester, England, UK  
University of Manchester  
The University of Manchester in Manchester, England, United Kingdom Faculty of Engineering and Physical Sciences offers undergraduate and graduate programs in the field of Aerospace Engineering and Avionics. The programs offered at the University of Manchester are,  
BEng in Aerospace Engineering  
MEng in Aerospace Engineering  
MEng in Avionics  
Aerospace Engineering University in Belfast, Northern Ireland, UK  
Queen's University Belfast  
Queen's University Belfast in Belfast, Northern Ireland, United Kingdom School of Mechanical and Aerospace Engineering offers undergraduate (bachelor) and graduate (masters) programs in Aeronautical Engineering. The programs offered at the Queen's University Belfast are,  
BEng in Aeronautical Engineering  
MEng in Aeronautical Engineering  
Aerospace Engineering University in Sheffield, South Yorkshire, UK  
University of Sheffield  
The University of Sheffield in Sheffield, South Yorkshire, United Kingdom is a research university. The Faculty of Engineering offers graduate programs in Aerospace Engineering. The programs offered at the University of Sheffield are,  
MEng in Aeronautical Engineering  
MSc in Aerospace Materials  
Aerospace Engineering University in Guildford, Surrey, England, UK  
University of Surrey  
The University of Surrey in Guildford, Surrey, England, United Kingdom Faculty of Engineering and Physical Sciences offers undergraduate (bachelor) and graduate (masters) programs in Aerospace Engineering. The programs offered by University of Surrey are,  
BEng in Aeronautical (Aerospace) Engineering  
BSc in Aeronautical (Aerospace) Engineering  
MEng in Aeronautical (Aerospace) Engineering  
MSc in Aeronautical (Aerospace) Engineering  
Aerospace Engineering University in Bristol, England, UK  
University of Bristol  
The University of Bristol in Bristol, England offers undergraduate and graduate programs in the field of Aerospace Engineering and Avionics. The programs offered at the University of Bristol are,  
Bachelor in Aeronautical Engineering  
MSc in Integrated Aerospace Systems Design  
Aerospace Engineering University in Coventry, UK  
Coventry University  
Coventry University in Coventry, United Kingdom offers undergraduate (bachelor) and graduate (masters) programs in Aerospace Engineering, Avionics and Aviation. The programs offered at the Coventry University are,  
BEng (Honours) Aerospace System Engineering  
BEng (Honours) Aerospace Technology  
BSc (Honours) Aviation Management  
BEng (Honours) Avionics Technology  
Aerospace Engineering University in Kingston upon Thames, London, UK

## Untitled

### Kingston University

Kingston University in the Royal Borough of Kingston upon Thames, south-west London, United Kingdom Faculty of Engineering offers undergraduate (bachelor) and graduate (master) programs in the field of Aerospace Engineering. The programs offered at the Kingston University are,

BEng (Hons) Aerospace Engineering  
MEng (Hons) Aerospace Engineering  
BEng (Hons) Aeronautics and Space Technology  
MEng (Hons) Aeronautics and Space Technology  
BEng (Hons) Aerospace Engineering Design  
FdEng Aircraft Engineering  
FdEng Aviation Studies for Commercial Pilot Training  
BEng (Hons) Motorsport Engineering  
MSc Aerospace Engineering  
PgDip Aerospace Engineering

Aerospace Engineering University in Liverpool, England, UK  
University of Liverpool

University of Liverpool in Liverpool, England, United Kingdom offers undergraduate and graduate programs in the field of Aerospace Engineering. The programs offered at the University of Liverpool are,

BEng (Hons) Aerospace Engineering - 3 year program  
M.S aerospace/aeronautical engineering in uk  
BEng (Hons) Aerospace Engineering (with Industrial year) - 4 year program  
MEng (Hons) Aerospace Engineering - 4 year program  
BEng (Hons) Aerospace Engineering with Pilot studies - 3 year program  
MEng (Hons) Aerospace Engineering with Pilot studies - 4 year program  
Aerospace Engineering University in Southampton, England, UK

University of Southampton

University of Southampton in Southampton, England, United Kingdom School of Engineering Science and Department of Aeronautics and Astronautics offers undergraduate (bachelor) and graduate (master) programs in the field of Aerospace Engineering. The programs offered at the University of Southampton are,

BEng Aeronautics and Astronautics  
MEng Aeronautics and Astronautics  
MEng Aero and Astro / Advanced Materials  
MEng Aero and Astro / Aerodynamics  
MEng Aero and Astro / Air vehicle Systems Design  
MEng Aero and Astro / Engineering Management  
MEng Aero and Astro / European Studies  
MEng Aero and Astro / Spacecraft Engineering  
MEng Aero and Astro / Structural Design  
MEng Space Systems Engineering

The university of Southampton also offers MSc programs in Aerospace Engineering,

MSc in Aerodynamics and Computation

MSc in Race Car Aerodynamics

Postgraduate Research in Astronautics

Postgraduate Research in Aerodynamics and Flight Mechanics

Aerospace Engineering University in Cranfield, Bedfordshire, UK

Cranfield University

Cranfield University is a post-graduate research oriented university specializing in Aerospace Engineering located in Bedfordshire and Oxfordshire, United Kingdom.

The Cranfield University offers graduate (masters) and post-graduate programs in the field of Aerospace Engineering. The programs offered at the Cranfield

University are,

MSc / PgDip in Advanced Mechanical Engineering  
MSc Aerodynamics (Option of Aerospace Dynamics)  
MSc Aerospace Dynamics (Option of Aerodynamics and Flight Dynamics)  
MSc Aerospace Propulsion (Option of Thermal Power)  
MSc Aerospace Vehicle Design (Option in Avionic System Design and Structural Design)  
MSc Air Transport Management  
MSc Air Transport Management

Untitled

MSc (Executive Part-time) Air Transport Management  
MSc/PgDip/PgCert Aircraft Engineering  
MSc Airport Planning and Management  
MSc (Executive) Airport Planning and Management  
MSc/PgDip/PgCert Airworthiness  
MSc Astronautics and Space Engineering  
MSc/PgDip/PgCert Autonomous Vehicle Dynamics and Control  
MSc Avionic Systems Design (Option of Aerospace Vehicle Design)  
MSc/PgDip/PgCert Computational Fluid Dynamics  
MSc Flight Dynamics (Option of Aerospace Dynamics)  
MSc Gas Turbine Technology (Option of Thermal Power)  
MSc/PgDip/PgCert Human Factors and Safety Assessment in Aeronautics  
MSc Rotating Machinery, Engineering and Management (Option of Thermal Power)  
MSc Safety and Accident Investigation (Air Transport)
