CLARIFICATION

The Hon'ble Supreme Court (Bench of Hon. 7 judges) has delivered a judgment on 12/8/2005 in Civil Appeal No.5041/2005 in SLP (C) No.9932/2004 in respect of 'rights and entitlement' of Government as against Private Professional Educational Institutions (including Colleges conducting graduate and postgraduate Health Science courses). This judgment expects enactment of legislation by Central Government and in its absence, by State Government in this regard. This process has been initiated. However it is not certain, as of this date, as to when such legislation will come into force, as also its provisions.

In the meanwhile, in terms of the observations of the Hon'ble Supreme Court from the aforesaid judgment, at least at this stage, it appears that State Government cannot claim any quota/seats in these colleges/institutions and consequently cannot effect admissions in these Private Medical Colleges/institutions, except to the extent agreed by certain institutions, if any.

It is therefore made clear that on the aforesaid interpretation and advice given to the State Government, this Brochure will not apply to the admissions to be effected in the academic year 2011-2012 at the Private Health Science Colleges/Institutions, in so far as undergraduate courses are concerned, with the above exception.

However, it is made expressly clear that if, after issuance of this Brochure, either on account of any legislation or on account of any different interpretation/opinion/advice or due to any judgment/order passed by any court of law or even otherwise, the State Government is found entitled to any seat(s) in the Private Health Science Colleges/Institutions and consequently entitled to effect the admission(s) to such seat(s), the rules and regulations set out in this Brochure will be made applicable to such seat(s) and admission(s). In such event, a separate intimation will be issued with appropriate details.

It is further clarified that separate information brochure will be issued at the time of filling of preference form giving details as to availability of number of seats, their institution wise, categorywise distribution as also rules and regulations governing such distribution and consequent allotment of seats of Government as also Private Health Science Colleges / Institutions, if any.

It is also made hereby clear in no uncertain terms that the same 'Common Entrance Test (MHT-CET-2011)' that is proposed to be conducted in terms of this Brochure will govern such admission(s), if any.
