CHARTERED ACCOUNTANCY & ACCOUNTING TECHNICIAN COURSE

Global Career Opportunities Through A Premier Professional Institute

Board of Studies
The Institute of
Chartered Accountants of India
Set up by an Act of Parliament

About the Institute of Chartered Accountants of India

The Institute of Chartered Accountants of India (ICAI) is a statutory body established on 1st July, 1949 by an Act of Parliament, viz., The Chartered Accountants Act, 1949, for regulating the profession of chartered accountancy in the country. The Institute which functions under the administrative control of the Ministry of Corporate Affairs, Government of India, has 5 Regional Councils, 125 Branches covering the length and breadth of the country and 21 Chapters abroad. Founded 61 years ago with just seventeen hundred members, the Institute has grown to cross the mark of 1,55,000 members and more than 6,25,000 students. It is the premier accounting body in the country and the second largest in the world.

The ICAI is managed by a Council consisting of 40 members out of whom 32 members are elected by Chartered Accountants and 8 members nominated by the Central Government. The Board of Studies is responsible for administering the CA education and training and also all activities relating to the CA students.

Chartered Accountancy as a Profession

Chartered Accountancy - A Challenging Profession offers practice or job opportunities in the areas of accounting, auditing, corporate finance and other business laws, taxation and corporate governance.

The multi-faceted knowledge a chartered accountant enjoys through unique academic programme blended with practical training is what the business and industry need in the advent of globalization of Indian economy. A globally acclaimed profession capable of offering new vistas to young talents, a vision to build a career and a new idea to blossom - invites you to join the CA course and be a proud member of the glorious profession.

Career Opportunities for Chartered Accountants

Independent Professional Practice

As practitioners of public accounting, CAs may start professional practice as a proprietor or join any existing firm as a partner or staff member. A CA provides compliance and review services. He also acts as a business advisor by providing all kinds of services including the preparation of financial reports, helping the business to secure loans, preparing financial projections, etc.

Management Consultancy Services

CAs play a vital role in assisting business and industry to improve the use of their resources, increase their efficiency and achieve their objectives. The range of management advisory services rendered by CAs reflect their expertise in diverse areas like financial management, strategic management, planning and financial policy determination, etc.

Opt for Industry/ Government Organisation

A CA may prefer to join an industry or government department and ultimately hold responsible positions. Many Chartered Accountants hold responsible positions in business or industrial firms as CEOs, CFOs, COOs, Managing Directors, etc.
