

One Day I'll have those wonderful letters before my name. Dr.

The title of Doctor of Medicine is one of the hardest earned of all those we strive for. And it carries with it a sense of pride and achievement not easily matched.

But to reach the top of the medical profession, to become not just a doctor, but a doctor who really makes a difference, you'll need to learn from the finest professors at the country's foremost medical institutions.

That's where Brilliant comes in. Our Postal Courses thoroughly and systematically prepare you to face the toughest Medical Entrance Tests. For years now, Brilliant's students have been bagging the top ranks and entering the hallowed portals of the best institutions - AIIMS, JIPMER, CMC, St.John's, AFMC etc.

Rich in theory and diverse in problems and exercises, Brilliant's courses are constantly updated to track the syllabus and testing patterns of almost all the Medical Entrance Tests. With their in-depth coverage, Postal Tests, Model Test Papers, mammoth Question Bank and the B.NET - Brilliant's National Evaluation Tests for Medical Entrance, our courses for MBBS aspirants are so exhaustive that our students, as a rule, gravitate to the very top in Medical Entrance Tests.

Brilliant's Postal Courses. Dedicated to bringing out the best in you. To prepare you for the most important step on your journey towards becoming the doctor of your dreams.

MEDICAL ENTRANCE EXAMS

OPPORTUNITIES FOR MEDICAL EDUCATION

More than Twenty Thousand seats are available every year in Indian Medical Colleges. The entrance examinations are many and the competition tough. Yet a bright and hardworking student *can* be selected by several Medical Colleges from which he/she can choose the one he/she wants to attend.

A student can appear for several Entrance Examinations in the same year. In fact, every year, most of our students appear for two or more Entrance Exams and are selected for admission by more than one Medical College, from which they then choose the Institution they want to join.

OVERVIEW

The National level Medical Entrance Tests are open to students without reference to their place of domicile. Medical Entrance Tests conducted at the State level are meant for students of State domicile. The basic requirement is that students should be at least 17 years old on or before 31st December of the year of admission; the upper age limit where prescribed is 25 years. Candidates must have completed Std. XII or its equivalent examination with Physics, Chemistry and Biology.

I. NATIONAL-LEVEL MEDICAL ENTRANCE EXAMINATIONS

(i) All India Pre-Medical Pre-Dental Test (AIPMT)*

The AIPMT is conducted by the Central Board of Secondary Education (CBSE) every year, for admission to the 15% merit based seats of the total

* Based on the Information Bulletin of All India PM/PPD Entrance Exam, 2009

in-take capacity of specified Medical /Dental Colleges located in all States **except** Andhra Pradesh and Jammu & Kashmir. Candidates belonging to these two states are not eligible for admission to the AIPMT. If they claim eligibility they must produce an affidavit in the form prescribed that (a) they are not eligible to seek admission to Medical Colleges of Andhra Pradesh /Jammu & Kashmir and

(b) they are not domiciled in Andhra Pradesh or Jammu & Kashmir.

Eligibility and Qualifications for AIPMT

- Only Indian Nationals are eligible.
- The candidate must have completed 17 years of age on or before December 31st of the year of admission.
- The upper age limit is 25 years on 31st December of the year of the Entrance Examination (30 years for candidates of SC/ST/OBC)
- The number of attempts which a candidate can avail shall be limited to 3 (three) for all candidates.
- The minimum qualification is a pass in the 12th standard of the 10 +2 course (Higher/Senior Secondary Exams or 2nd year if Pre/Intermediate pre-degree Exam) in the subjects of Physics, Chemistry Biology and English individually; a minimum of 50% marks taken together in PCB (40% in the case of SC/ST/OBC candidates) is required. Those who are taking the Std XII examination whose result is awaited may also appear for the Entrance Examination subject to their fulfilling the conditions later.

Pattern of AIPMT

The Entrance Examination consists of :

- **A Preliminary Examination** in April consisting of one paper containing 200 objective type questions in Physics, Chemistry and Biology (Botany & Zoology) of three hours' duration.
- **A Final Examination** in May only for those who qualify in the Preliminary Examination, also consisting of a single paper, which will contain questions in Physics, Chemistry and Biology (Botany & Zoology). The Final Exam will also have only objective type questions.

** Based on the Information Bulletin of All India PM/PD Entrance Exam 2009*

(ii) Other Medical Entrance Examinations

There are several Medical Colleges where seats are open to Indian Nationals through Entrance Examinations without any domicile conditions, some of which are:

- All India Institute of Medical Sciences, New Delhi (AIIMS)
- Armed Forces Medical College, Pune (AFMC). Admitted candidates have compulsory liability to serve in the Armed Forces Medical Service after graduation.
- Jawaharlal Nehru Institute of Post Graduate Medical Education and Research (JIPMER), Pondicherry
- Christian Medical College (CMC), Vellore
- Christian Medical College (CMC) Ludhiana
- Mahatma Gandhi Institute of Medical Science, Wardha (MGIMS)
- Banaras Hindu University, Varanasi (BHU)
- Manipal Academy of Higher Education, Manipal (MAHE)
- St. John's National Academy of Health Science, Bangalore
- Bharati Vidyapeeth, Pune.
- Dr. Ramachandra Medical College & Research Institute, Chennai
- Annamalai University, Tamil Nadu

These other Medical Entrance Examinations are generally conducted between April and August; some examination authorities stipulate higher minimum/aggregate marks in English and for Physics, Chemistry & Biology taken together

II. STATE MEDICAL TESTS

A candidate satisfying the domicile conditions of a state can appear for one of the State Medical Tests. In most cases the selection is made through an Entrance Examination conducted for this purpose

Note: For more details please refer to the Hand Book of Medical Education, published by and available from the Association of Indian Universities, AIU House, 16 Kotla Marg, New Delhi 110002.

The Examinations are generally held between April and August. The actual dates of the examinations, the syllabus prescribed, if any, and other details are announced in the information bulletins for the examinations issued by the respective Testing Authorities.

It is the student's responsibility to watch for publication of these bulletins and ensure compliance with all requirements of the respective Entrance Examinations. Brilliant Tutorials does not provide any application forms for Medical Entrance Examinations.

BRILLIANT'S PREPARATORY COURSES

Our Postal Courses for Medical Entrance Examinations have been an outstanding success. They are integrated courses, well suited for the All India Pm/Pd Test conducted by the CBSE and the Entrance Exams of most of the major Medical Colleges in India including the MH-CET as well as the medical segments of Karnataka CET, WBJEE and EAMCET (A.P). This has been made possible by our Professors who study the changing syllabi and patterns of examinations of the various medical colleges, on an on-going basis and continuously review and revise the lessons and exercises.

We offer the following courses:

- (i) One-year Postal Course with Med.QB (Medical Question Bank) and B.NET (Brilliant's National Evaluation Tests) One-year Test Series for Medical Entrance Exams** for students who have passed or are in Standard XII.
- (ii) Med.QB (Medical Question Bank) with B.NET One-year Test Series** can be taken separately by students who have passed or are in Std. XII.
- (iii) A Two-Year Course: CBSE-PLUS** – for students in Std. XI.

**ONE-YEAR POSTAL COURSE WITH MED.QB
AND B.NET ONE-YEAR TEST SERIES**

TOWARDS

MEDICAL ENTRANCE EXAMINATIONS, 2010

Useful for all Medical Entrance Examinations

The course material covers a wide syllabus. The worked examples, the exercises, the Question Bank and the Self-Scorers help students to prepare for various patterns of examinations. Our B.NET One-year Test Series comprising 15 National Sit-down Tests and 13 Full-Syllabus Postal Simulator Tests for Medical Entrance Exams gives the students abundant practice for all Entrance Examinations in addition to the All India Pm/Pd Test.

Enrolment

Enrolment for this course is open to all students who have passed Std. XII or equivalent or are studying in Std XII. or equivalent in the 2009 - 2010 academic year.

Enrolment for the One-year Postal Course with Med.QB (Medical Question Bank) and B.NET (Brilliant's National Evaluation Tests) will open on January 01, 2009. Students can enrol at any time convenient to them but are advised to join early, as it will give them more time for study and revision of the course material and be able to attend all the National Sit-Down Tests in our B.NET Series.

Medium of Instruction

The course material is in the English medium, and only students who can follow our lessons in English should apply for enrolment.

Despatch of course material will begin in **April 2009**. Subsequent sets will be sent at roughly monthly intervals. Material is normally sent by Parcel Post or by private Courier Services.

Students who enrol after October 2009 will be sent all the material in one lot.

COURSE HIGHLIGHTS

Course Contents

This course teaches the subjects from fundamentals, drills students with graded exercises, guides them with periodic Postal Tests and evaluates them with B.NET, Brilliant's National Evaluation Tests for Medical Entrance.

The Course Material: Lessons and Assignments

The study material is presented in **seven sets** of lessons and assignments. The theory notes are elaborate with topics fully explained and with a number of objective questions and worked examples.

Each lesson is followed by an Assignment with Objective Questions. The problems will initiate students into problem solving with exercises on the specific topics covered in that lesson; the problems will be on par with the All-India Pm/Pd Test standard objective questions.

The Assignments, given at the end of each lesson, in each of the three subjects Physics, Chemistry, and Biology will help students understand the subject, gain practice in solving problems and become familiar with the subject matter of the course.

The student should study the theory well, systematically work the assignments and should then compare his/her working with the fully worked-out solutions which will be provided in the subsequent set.

Working sheets of assignments should NOT be sent to us.

Postal Tests

There will be 3 sets of Postal Tests modelled on the CBSE Pm/Pd during the One-year Course: each set of Tests will consist of two papers: i. a 3 - hour Prelim objective paper with questions in Physics, Chemistry and Biology and ii. a Final objective paper in Physics, Chemistry and Biology.

These Tests will be sent with Sets 2, 4 and 6 respectively, and will include topics covered in the preceding Sets. Solutions will be sent with the subsequent Set.

Students should self-administer the Tests strictly under examination conditions, and finish each paper in one sitting within the specified time limit, without referring to the study materials.

MED.QB (MEDICAL QUESTION BANK) AND SELF - SCORERS

Med.QB (Medical Question Bank)

Brilliant's Question Bank for Medical Entrance will be issued as a part of our One-year Course. This contains over 3600 objective questions topic-wise in Physics, Chemistry and Biology, with keys and explanatory notes for select questions.

Self - Scorers

The full syllabus Self-Scorers consist of 2400 objective questions in 12 sets of Test papers, each containing 200 objective questions in Physics, Chemistry and Biology with keys. Students should attempt these as Home-based Tests within the specified time-limit and assess their performance with the help of the keys given.

Ready Reference Compendium and Glossary

To help the students to solve/answer questions in the Question Bank, Self Scorers and Simulator Test Papers, we provide a Ready Reference Compendium, a collection of important formulae, equation and data in Physics and Chemistry and a Glossary of terms in Biology.

B.NET
BRILLIANT'S NATIONAL EVALUATION TESTS
FOR MEDICAL ENTRANCE EXAMS

15 National Sit-down Tests

&

13 Full-Syllabus Medical Entrance Simulator Tests (home-based)

B.NET National Evaluation Tests and Part Tests

A total of four B.NET Progressive Tests will be conducted for our students. All these are National Sit-down Tests conducted at various centres around the country in August and October 2009.

These will be followed by 4 Part Tests in November and December 2009 and 7 B.NET Final Tests conducted in December 2009 and January 2010 and February 2010, closer to the actual Medical Entrance Exams.

All the B.NET Sit-down Tests will be based on the CBSE pattern i.e. a three hour Preliminary Test with Objective questions in Physics, Chemistry, and Biology followed by a Final Exam, also with objective questions in Physics, Chemistry and Biology.

All the Tests will be evaluated and every student who appears for these Tests will be given his/her individual percentile score so that they will know their relative performance against the national competition.

$$\text{Note: Percentile Score} = \frac{\text{No. of students who scored equal to or less than you}}{\text{Total No. of students who appeared in the Test}} \times 100$$

The Question Papers of these Tests will not be sent to students who do not personally appear for the National Sit-Down Tests.

B.NET TEST CENTRES: Ahmedabad, Amritsar, Bangalore, Chandigarh, Chennai, Coimbatore, Guwahati, Hyderabad, Kochi, Kolkata, Lucknow, Mumbai, New Delhi, Patna, Pune and Thiruvananthapuram.

B.NET PROGRESSIVE EVALUATION TESTS

| Exam | | Month |
|-------|-------------|--------------|
| PET 1 | Preliminary | August 2009 |
| PET 2 | Final | August 2009 |
| PET 3 | Preliminary | October 2009 |
| PET 4 | Final | October 2009 |

B.NET PART TESTS

| | | |
|-------------|-------------|---------------|
| Part Test 1 | Preliminary | November 2009 |
| Part Test 2 | Final | November 2009 |
| Part Test 3 | Preliminary | December 2009 |
| Part Test 4 | Final | December 2009 |

B.NET FINAL TESTS

| Exam | | Month |
|--------------------|-------------|---------------|
| B.Net Final Test 1 | Preliminary | December 2009 |
| B.Net Final Test 2 | Final | December 2009 |
| B.Net Final Test 3 | Preliminary | January 2010 |
| B.Net Final Test 4 | Final | January 2010 |
| B.Net Final Test 5 | Preliminary | January 2010 |
| B.Net Final Test 6 | Final | February 2010 |
| B.Net Final Test 7 | Final | February 2010 |

Full-Syllabus Medical Entrance Simulator Test Series (home-based)

Thirteen Sets of Full-Syllabus Test Papers, simulating the pattern of CBSE's All-India Pm/Pd Test (Prelim and Final), will be sent to students enrolled in this course. Eight of these Sets will be sent with the seventh set of course material and the last five sets, also containing objective questions, will be sent when we receive a photocopy of the student's Hall Tickets clearly showing the Registration Numbers and Photographs for the Medical Entrance Examinations.

These Test Papers contain a total of 2600 questions, on the pattern of CBSE's Pm/Pd Final Exam. These will meet the requirements of the Pm/Pd Final Exam, as well as that of all other Entrance Examinations.

The keys to the Objective Papers and solutions to the problems to these Test Papers will be sent with the Test Papers. The student should self-administer each paper under strict examination conditions and should then compare his/her answers with the keys provided.

This Full-Syllabus Test Series, together with the 7 Final National Sit-down B.NET Series to be conducted in 16 cities between December 2009 and February 2010, should enable students to face Medical Entrance 2010 with supreme self-confidence.

Only students enrolled thirty days before the date of any Test will be eligible to attend that Test.

The B.NET Test Series

The Enrolment Form lists the Centres for the B.NET Tests. Students should indicate the Centre of their choice the B.NET Test Series.

No change in the Centre will normally be allowed. Any subsequent change in the Centre allotted will be considered only in exceptional cases and where the student applies to us in advance and receives our written approval.

The 'ANYWHERE' Convenience in taking the National Sit-down Tests

Brilliant is pleased to present its students the OPTION of taking the Tests in the ONLINE mode – bringing the power and immense value of the Tests to students who can't travel to any of Brilliant's National Sit-down Test Centres – AT NO EXTRA COST!

These Tests will be available online at the same time as the sit-down Tests at the Test Centres. The keys, solutions and score will be available immediately – the percentile score will be sent after all the papers of all those who took the Test at the Centres have been valued.

Students who opt to take the Tests online will be sent a login id and password, as well as detailed instructions on how to access the Tests.

Students should think and decide carefully whether they would like to take the Tests online or at the Test Centres. They will **not** be allowed to change this option once they have selected the Test mode.

Details of dates and venues for the B.NET Series will be mailed to students in advance.

Students may miss one or more of the Tests in the B.NET Series, depending on their date of enrolment.

Doubt Letter Scheme

Our Professors' services are readily available to clear students' doubts while studying our course material. Students are welcome to send to us, in writing, their doubts, even if our entire course material was received much earlier.

Problems/Questions must be restricted to 5 in a letter and be well within the examination syllabus. The source from which the problems have been taken **must be specified** and student's **working sheets** enclosed along with the problems referred to us.

Doubt Letters which do not meet these specific conditions will not be answered.

Note: In order to facilitate and speed up processing, please write DOUBT LETTER – ATTN:ACADEMIC SECTION clearly on the top of the cover. Please DO NOT combine Doubt Letters with other types of correspondence.

MEDICAL QUESTION BANK (MED.QB) COURSE
with B.NET ONE-YEAR TEST SERIES
FOR
MEDICAL ENTRANCE EXAMS, 2010

Brilliant's Med.QB with B.NET One-year Test Series is an integral part of the One-year Postal Course for Medical Entrance, meant for Std. XII students as well as those who have passed Std. XII. However, students can also enrol separately for Med.QB with B.NET One-year Test Series. **This course does not contain any theory material.**

Med.QB (Medical Question Bank)

The Question Bank with 3600 objective questions in Physics, Chemistry and Biology, and the Self-Scorers comprising 12 sets of Test Papers will help our students to prepare thoroughly for the Medical Entrance Exam.

B.NET One-year Test Series

Students have the opportunity to take part in all our National Sit-down Tests – Four B.NET Progressive Tests, 4 Part Tests and 7 B.NET Final Tests. They will also receive 13 Full-Syllabus Postal Simulator Tests for Medical Entrance Exams. These Tests will enable students to practise with the proforma of answer scripts prescribed for the All India Pm/Pd Exams conducted by the CBSE.

Details of Med.QB and B.NET are given on pages 7 - 10.

Students of Med.QB with B.NET One-year Test Series may correspond with our Professors, if they have any difficulty while dealing with the problems of the Question Bank.

The Question Bank will be issued from September 2009. The First Set containing the Question Bank will be despatched soon after enrolment or in September 2009, whichever is later and the second, the Self-Scorers, will be made available a month later, the total number of despatches being three, **including the special despatch of eight Full-Syllabus Medical Entrance Simulator Test Series in January 2010.** The final five sets of Test Papers will be sent after we receive the student's Registration Numbers for the 2010 Medical Entrance Examinations.

A student who enrolls for the One-year Postal Course need not enrol separately for Med.QB with B.NET One-year Test Series separately; the latter is included as part of the One-year Postal Course.

Course Fees

The **fees** for the One-year Postal Course with Med.QB and B.NET One-year Test Series is **Rs. 8000/-** + Service Tax Rs. 824/-. **Total: Rs. 8824/-.**

The fee for the Med.QB with B.NET One-year Test Series Course is **Rs. 5000/-** + Service Tax Rs. 515/-. **Total: Rs. 5515/-.**

Requests for concessions in the fee beyond those given below, or for an instalment facility, will not be entertained.

Note: The concessions detailed below are **not** additive i.e. a student will be eligible for only one concession and will be awarded the highest concession he/she qualifies for.

FEES CONCESSION FOR HIGH PERFORMANCE IN STD. X PUBLIC EXAM

A Special **15%** concession will be given to students who secure 75.0% or above but below 90.0% as the average of the percentage of marks in Science in the Std X Public Examination.

A concession of **30%** of the Course fee will be awarded to students who secure 90.0% or above, of the average of percentage of marks obtained in Science in the Std.X Exam of any Board.

If the Science subjects are mentioned individually, the percentages of the marks in Physics, Chemistry and Biology will be totalled for arriving at the average of percentages.

One-year Course with Med.QB and B.NET

| <u>Fee Concession</u> | <u>Minimum average % of Marks</u> | <u>Course Fee</u> | <u>Service Tax</u> | <u>Total Due</u> |
|----------------------------------|--|------------------------------|-------------------------------|-----------------------------|
| 15% | 75.0% | Rs.6800/- | Rs.700/- | Rs.7500/- |
| 30% | 90.0% | Rs.5600/- | Rs.577/- | Rs.6177/- |

Med.QB with B.NET

| | | | | |
|-----|-------|-----------|----------|-----------|
| 15% | 75.0% | Rs.4250/- | Rs.438/- | Rs.4688/- |
| 30% | 90.0% | Rs.3500/- | Rs.361/- | Rs.3861/- |

The student applying for the concession should attach to the Enrolment Form a clear photocopy of the mark sheet of the Std.X. Public Examination, attested by a Gazetted Officer. If the mark sheet is in a language other than English, a certified translation in English should also be enclosed.

Please do not send the original marksheet – it will not be returned.

SPECIAL RECOGNITION FOR SCHOOL TOPPERS!

In special recognition of their achievement, Brilliant Tutorials is pleased to offer a special **20%** concession to those students who stand **first, second or third** in their respective schools in the Std.X Board Examination, **provided** they secure a minimum of 80.0% as the average of the percentage of marks in Science in the Std. X Public Examination of the CBSE/ICSE or 85.0% of other Boards. If the Science subjects are mentioned individually, the percentages of the marks in Physics, Chemistry and Biology will be totalled for arriving at the average of percentages.

The fee for these students will be:

| <u>Course</u> | <u>Fees</u> | <u>Service Tax</u> | <u>Total Due</u> |
|---------------------------------------|-------------------|--------------------|-------------------|
| One-year Course with Med.QB and B.NET | Rs. 6400/- | Rs. 659/- | Rs. 7059/- |
| Med.QB with B.NET | Rs. 4000/- | Rs. 412/- | Rs. 4412/- |

To claim this special concession, the student must send us:

- (a) A copy of his/her Std.X. Board Exam marksheet attested by a Gazetted Officer. *If the mark sheet is in a language other than English, a certified translation in English should also be attached.*
- (b) An **original letter on school letterhead from the Principal** of the school from which the student appeared for the Board Exam stating the student's school rank in the Board Exam. This letter must be signed only by the Principal (no other signature will be accepted) and must be in the original (**photostat copies will not be accepted**)

In all cases the decision of Brilliant Tutorials Pvt. Ltd., shall be final.

PROCEDURE FOR ENROLMENT

The Student should send us:

1. The completed Enrolment Form with a passport size photograph glued to the Enrolment Form in the allotted space.
2. Two additional signed copies of the passport size photograph (preferably colour) enclosed with the Enrolment Form. One photograph will be affixed to the Admit Card sent to the student on enrolment. This Admit Card **must** be produced for admission to the B.NET Test Series.

Note: Enrolment Forms without the three photographs will not be accepted. The Examination Superintendent at the venue of the B.NET Test Series reserve the right to refuse admission to any student who does not produce his/her Admit Card.

3. The full Course Fee

Payment can be made by

- a. A crossed Demand Draft, drawn in favour of **Brilliant Tutorials Pvt. Ltd**, payable at **Chennai**.
- or b. Money Order - please include the student's full postal address and course in the coupon.
- or c. Cash at our Office in Chennai. **Personal cheques will not be accepted.**

Fees once paid will not be adjusted or refunded under any circumstances.

Students resident outside India should follow the remittance instructions given on the Enrolment Form they receive.

Note: When calling to enquire about the status of your application, please have the following information ready:

- A copy of your application form
- D/D Number and Date or Money Order Receipt Number and Date
- Issuing Bank / Post Office
- Mode of Despatch of application (Courier, Registered Post, Speed Post, Ordinary Post)
- Date of Despatch

Please wait at least 15 days after date of despatch, before calling.

Note: It is imperative that all students enrolling in this course provide us with their email addresses and also check their email often. All communication for the course will be sent to our students by email.

REQUESTS FOR CHANGE OF ADDRESS ETC.

Normally we do not accept any advice for stoppage of despatch of study material. Change of address, or, in exceptional cases, stoppage or resumption of despatch etc. will be implemented only if requested by a letter signed by the student. A photocopy of the Admit Card (with the photograph visible) must be enclosed with the letter. Telephone requests will not be honoured unless confirmed in writing.

This policy is designed to prevent fraud and to safeguard the interests of our genuine students.

Please allow 15 days from the date of receipt, for implementation of the change

All matters are subject to the exclusive jurisdiction of the courts in Chennai only.

PRIZE SCHEME FOR MEDICAL ENTRANCE EXAMS, 2010

Brilliant Tutorials takes pleasure in announcing a Prize Scheme for students enrolled in our CBSE-PLUS, One-year Postal, Med.QB or Classroom Courses for Medical Entrance Exams, securing top ranks in Medical Entrance Exams, 2010, wherever the ranks are made public, as detailed below and subject to the conditions stipulated.

I. All India Pre-Medical/Pre-Dental Test Conducted by the CBSE

Brilliant's students who secure the All India

| | | |
|-------------------------|---------------------------------|-------------------------|
| First Rank | will be awarded a Cash Prize of | Rs. 50,000/- |
| Second Rank | will be awarded a Cash Prize of | Rs. 25,000/- |
| Third Rank | will be awarded a Cash Prize of | Rs. 10,000/- |
| Ranks 4 to 10 | will be awarded a Cash Prize of | Rs. 5,000/- each |
| Ranks 11 to 100 | will be awarded a Cash Prize of | Rs. 2,000/- each |
| Ranks 101 to 500 | will be awarded a Cash Prize of | Rs. 1,000/- each |

II. Other Medical Entrance Examinations: Brilliant's Students, enrolled in our CBSE-PLUS, One-year Postal, Med.QB or Classroom Courses for Medical Entrance Exams, who secure the First Rank in Entrance Exams 2010, conducted by other Testing Agencies will be awarded a Cash Prize of **Rs.10,000/-** each. Where a common Medical Entrance Examination is conducted by a State Agency for all Medical Colleges under its control, a Cash Prize of **Rs. 10,000/-** will be awarded to the **First Rank** holder in the **State**.

All students should send us, by Registered Post, a photo copy of their Hall Tickets for the 2009 Medical Entrance Exams that they plan to appear in, along with a copy of the BT Admit Card with the photograph visible. Students who do not send us their Registration Numbers **before** the Entrance Exams are conducted, will not be eligible to claim the prize.

This Prize Scheme is applicable only to the All-India Ranks of General Category and not to the Ranks under any group or reserved category such as SC, ST, Defence, etc. Students enrolled with us and declared successful for admission to the MBBS Course only will be eligible for this prize scheme and not students declared successful for other branches like Ayurvedic, Homeopathic, Unnani Medicine etc.

A student who secures the First Rank in more than one Entrance Exam will be eligible only for one Prize.

Students enrolled only in our Target:MBBS Course are not eligible under this Scheme.

The prize amount will be paid in Indian Rupees.

In case of a tie, the prize money will be divided.

In all cases, the decision of the Management of Brilliant Tutorials shall be final.

WHAT OUR STUDENTS SAY

July 20, 2008

It provided good questions in Biology which are vital in Medical Exams. The course material was good. The Simulator and Sit-down Tests gave a real examination like atmosphere. It has helped me in achieving my success. The Simulator and sit-down tests gave me good practice for the actual examinations.

Selection: CMC (Ludhiana) – 1; VMMC – 1; Punjab PMT – 5; Manipal (MAHE) – 7; AIIMS – 14; MGIMS (Wardha) – 26; JIPMER – 20; CBSE-PMT – 25; AFMC – Qualified; GGSIU - 1

Abhishek Saini, MCBP08 - 00244

July 18, 2008

I will comment on the quality of only Biology material. And honestly it is exemplary. The Simulator tests were par excellence. I see it to be perfect as far as Biology is concerned.

Selection: AFMC (Boys) – 2; AIPMT – 395; MGIMS (Mah-GE) – 3

Baba Yogesh, MCBP08 - 00915

July 20, 2008

The material helped me a lot especially in Physics & Biology. They covered a lot of portions. Since it contained illustrations, I got a clear picture of the portions I studied (esp. biology). It helped also for my +2 exam. The quality is really good. It covers a very vast area in minute detail. The Q-Bank was helpful. I would recommend it to my juniors. I M. Dhayaguruvasan, was greatly benefited by your course (CBSE Plus). I found it very helpful during my preparations. It contains almost every topic in detail.

Selection: JIPMER (Pondy General – 3)

Dhaya Guru Vasan, MCBP08 – 00661

July 31, 2008

Brilliant's study material, especially in Biology was fantastic. It adds zing to one's preparation and gives the extra edge required in entrance examinations. The course material, especially in Biology, was great. Physics and Chemistry were also quite good.

I have already recommended Brilliant to quite a handful of students, some of whom have taken it up. With such great professors and other faculty, you can still groom several young technocrats for an emerging India.

Selection: JIPMER – 3; AIPMT – 48; Jharkhand Medical - 20

Vikram Singh, MCBP08 - 00750

July 19, 2008

The course provided me with class CBSE sample papers purely based on preliminary and Mains Exam. It helped me a lot. The course helped me to compete with the students seated from all over India. Brilliant Tutorial's course is practically 'Brilliant' as compared to others.

Selection: Punjab PMT – 5; AFMC (Wait List) – 44; Chandigarh CET – 34; Manipal (MAHE) - 536

Mohit Gupta, MDQB08 - 00131

July 21, 2008

Entire study material that I got through this course is excellent especially Biology. The entire material is complete and enough for any medical entrance examination. Course helped me a lot to crack various PMT's. Whole study material is of high quality. Contact programmes & Doubt letter scheme are good as these help me to clear my doubts in any subject. Test also helped me as from this one can know about his/her position throughout India. I strongly recommend all other Medical aspirants who want to get good rank and good medical colleges to join Brilliant Tutorials.

Selection: Chandigarh CET – 6; Punjab PMT – 11; Manipal (MAHE) – 273; CBSE PMT – 366; AFMC – Selected for Interview; CMC (Ludhiana) – 33

Ravitej Singh, MCBP08 - 00113

July 19, 2008

The study material was excellent and superb. It really helped me a lot in preparing for my competitive exams. All my doubts were easily cleared from the study material. I think, almost the whole credit to my success goes to the study material of Brilliant Tutorials. It helped me a lot in building confidence. I think, the course material of Brilliant Tutorials is superb. All the basic concepts are present in it in the simplest form. I give full credit to your course material in achieving success in Competitive Exams. I strongly recommend all our fellows preparing for All India Competitive Exams to join Brilliant Tutorials and achieve one's aim.

Selection: Punjab PMT – 9; CMC (Ludhiana) – 100; AIPMT – 958; GGSIU - 9

Har Sumeet Singh Sidhu, MCBP08 - 00389

**BRILLIANT[®]
TUTORIALS**

July 15, 2008

The course material is very good, exhaustive and comprehensive. It will be very very helpful to aspiring Medical students to achieve their goal. The material provided by you was exhaustive, covering all the syllabi and thorough. The scheme of coaching including sit-down tests, and contact sessions, simulator tests etc, is very well planned.

**Selection: Manipal (MAHE) – 23; Kerala CET – 10; AIPMT – 215
Nikhil Rajan, MDPS08 - 00596**

July 20, 2008

The study material was designed perfectly to match my need. I give the course a lot of credit towards my success, especially the Ques. Bank sent in the end. My main source of home studies was BT material. Course material was of great importance to me and it gave me what I needed to clear my exam. Its quality was excellent. The various tests gave me excellent Simulation of PMT exams. I would recommend each and every medical aspirant to join BT courses. I would like to express my heartiest gratitude to you for providing me with such wonderful study material which helped in achieving my goal of clearing DPMT.

**Selection: Manipal (MAHE) – 13; Delhi PMT – 114;
AFMC – Selected for Interview; AIPMT - 1187**

Mohit Chhabra, MCBP08 – 01027

July 24, 2008

It formed the core of my preparation. For my biology, entire credit goes to Brilliant. To be frank, the course helped me to a great extent - almost 100%. I owe the entire credit to Brilliant Tutorials. It's indeed the best. It is quite concise and perfect to be read alongside the higher secondary studies. The simulator tests, self-scorer and NSTs, Part Tests and Full-Syllabus Tests were really useful in tuning me to the pattern and difficulty level of almost all Entrance exams for MBBS. In my opinion, Brilliant Tutorials is the best among the plethora of courses available today. I would strongly recommend this course to others, In fact, I have told quite a few of my juniors to take help of this unique course.

Today, sitting here at my table in the JIPMER campus, there is an awesome feeling of satisfaction. And its largely because of the quality of the course and professionalism that has been sustained in the organization over the years, that it still produces many students of medicine despite the presence of several other institutes.

Selection: JIPMER (Open General) – 16; WB-JEE – 117; Orissa-JEE; 193

Soham Bhattacharjee, MCBP08 – 00642

July 22, 2008

The course helped me to get my concepts clear. I could fortify my subject knowledge for Board Exams also with the study materials. The quality of the course material is excellent. The subject is explained in depth and in detail. The language is simple and easy to understand and the approach is student friendly. Overall it is an excellent piece of material for any medical aspirant. I strongly recommend the course to all medical aspirants, because it helps you to strengthen your knowledge and skills. The course from Brilliant was 100% efficient and effective. The perspective of the whole course was student friendly and motivating.

Selection: CMC (Ludhiana) – 17; Kerala CET – 156; AIPMT – 943

Angel Cham Philip, MCBP07 – 00076

July 23, 2008

It contained a lot of facts that I couldn't find in any other book. The MCQs given, give you practice. Your Mock Tests sent at the end were helpful. It helped me in getting a 360^o view of entrance exams. The given practice tests and MCQs with the study material helped me get practice. The course is exhaustive and helps the students understand concepts and a lot of technical things that are not mentioned in other books. The subjective section had some questions which made me think and ultimately I found something new every time I tried to solve such questions.

Selection: Delhi PMT – 27; AIPMT – 494

Nidhi Goyal, MDPS08 – 00042

July 20, 2008

It helped me very much esp. for CBSE – Mains. The Stimulator test series was very excellent and Questions in it was nearly similar to CBSE – Mains paper. The course not only helped me to clear CBSE – Mains. It was also beneficial in clearing AFMC, BHU and Punjab PMT. The Doubt Letter scheme is very nice. I would strongly recommend that for every medical aspirant to get top ranks in exam you must get yourself nurtured by Brilliant Stimulator and Sit-down Test. I have joined your Target-MBBS course and your nurtured me from there only to do MBBS from a prestigious Medical college of India. I would say that your material is must for every medical aspirant and thank you once again for my success.

Selection: Punjab PMT – 30; AIPMT – 31; AFMC – Selected for Interview.

Sahil Batra, MDQB08 – 00023

July 23, 2008

The study material of Brilliant Tutorials mainly aimed at topping in CBSE PMT had helped me a lot. With your expert study materials explaining and cracking different concepts were really helpful. And the biology study material is excellent. Your Biology study materials have proven to be a key to many entrances. And your subject question banks were superb, giving me all the confidence to crack the PMT. Your postal tests and simulator tests were simply excellent. I am also hoping that I have made an excellent base in Biology which can help me in my upcoming MBBS course. If I had not done your Simulator Test Series (subjective) I would not have scored a good rank in AIPMT.

Selection: Kerala – PMT – 34; AIPMT – 417; AFMC & St. Johns – qualified.

Fazal Rehman.T, MCBP08 – 00780

July 31, 2008

The Biology material was perfect. The material and tests (in all 3 subjects) were very good in terms of standard.

Selection: Karnataka CET – 36; AIPMT – 120

Nandan, MCBP08 - 00239

July 19, 2008

The notes especially biology notes are superb. The notes are almost complete and also in touch with NCERT. The correspondence course of Brilliant gave me an extra edge in all the competitive exams. The Simulator Series is very good for all India mains exam. I recommend this course to all medical aspirants.

Selection: Kerala CET – 37; AFMC (Selected for Interview); AIPMT – 1159

Manul Das, MCBP07 - 01220

July 23, 2008

The theory was useful and appropriate rather than lengthy. I found the exercises given about the same standard as the PMT. Solving the tests a few days before the PMT exam upgraded my confidence level and reduced my nervousness. The content of the course is very good. By my experience, I will definitely recommend it to others. The study material of Brilliant Tutorials has rightfully guided me along my studies, especially for Biology. The content is precise and language easily understandable without any teacher. The English section is appropriate and covers the topics required for entrance exams. It is a wholesome material equivalent to school at home.

Selection: AIPMT – 37; Manipal (MAHE) – 54; DPMT – 63

Shweta Dahiya, MCBP08 – 00376

July 24, 2008

Pre examination test was more effective. Doubts clearing system was effective. Quality of the material is good. If you study this material full then you will get 100% confidence in the exam. I will recommend strongly to others.

Selection: Kerala CET – 38; AIPMT – 363; AFMC – Selected for Interview

Arshad Akram. A, MCBP07 – 01126

July 23, 2008

An exhaustive study of your study materials have given me an extra edge in competitive exams. The excellent flow of theory in the text and the easily understandable language make your study materials unique. The postal test series were really useful. I recommend this course to all the medical aspirants to secure good ranks.

Selection: Kerala CET – 42

Tania Jose, MCBP07 - 00380

July 22, 2008

The comprehensive study material by Brilliant Tutorials is the best. I will rate it 10 on 10. The diagram, pictorial representation helps us to grasp and remember things easily. All important points from examination point of view are covered in these books. I think I was lucky to get this course. It cleared my basics, helped up in building my concepts, Bio Study-Material especially was fantastic. These tests were excellent. Fantastic. Many questions were as such repeated in the exams as given in simulator tests. These tests were a complete study package. I would encourage all the juniors that I know to apply for this course. I would like to express my heartiest gratitude to Brilliant Tutorials. The comprehensive study material, restless efforts and sheer dedication of Brilliant Tutorials Teachers have helped me to pass the exams with flying colours.

Selection: Punjab PMT – 43; CMC (Ludhiana) – 89; Jawaharlal Nehru University – 105; AIPMT – 970; Manipal (MAHE) – 1500

Tanureet Kochar, MCBP08 – 01175

July 19, 2008

Many of your questions came as such in various exams. It was an important part in my success story. I got a better rank than my friends because of Brilliant Tutorials. Your tests were excellent. Because they were neither too tough nor too easy. These were perfect for any medical entrance exam. So in my view any medical aspirant who wants to achieve good rank should join Brilliant Tutorials. This course is a must for any medical aspirant. Your material is very good, within syllabus and upto the mark.

Selection: Punjab PMT – 43; AIPMT – 1236; AFMC – Selected for Interview; Manipal (MAHE) - 213
