Dear CareersValley Reader,

As you would be knowing, you can expect synonym questions on TCS placement papers. The difficulty level can be considered moderate if not difficult. Below are four sample synonyms for you to practice. Answers are provided below every question. (All the questions are of "fill the blanks" type)

Placement Question 1

Weather in India often changes unpredictably and suddenly. Its mere -------- .
Options : a) caprice b) spontaneity c) randomness

Answer 1

option a) caprice. Caprice means sudden changes that are unmotivated. Though randomness is yet another close match, caprice is widely used when talking about weather. Hence it wins the race.

Placement Question 2

The cases of economic recession immediately -------- a panic among most countrymen.

Options : a) catalyzed b) instigated c) spread

Answer 2

Option b) instigated. Instigated means being provoked. Hence it closely falls in context with the given sentence and fits perfectly.
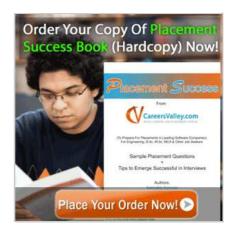

Placement Question 3

Though the petitioner was bit reluctant, he had to ---- with the judgement as it was the apex court.
Options : a) reject b) concur c) acquiesce

Answer 3

Option b) acquiesce. Acquiesce means to agree with a bit of reluctance. Hence it suits the blank perfectly well.
