Hi friends... I'm Sahitya from CBIT... i'm in my final year in ECE stream.... we had placement on 18th(apti) and 19th(interview).. very happy to be placed... just wanted to share my experience

HAD 2 ROUNDS: WRITEN TEST and HR+TECH INTERVIEW

Before the written test.. u ll have to answer few ques in the answr sheet ..be prepared

1. Software orientation
2. Hobbies,extra ciricular activities
3. Strengths and weakness
4. Expectations frm cts
5. Long term nd shrt term goals in cts
6. Qualities req for a software professional to be succesful
7. And all ur % mks frm 10th

Aptitude was the same pattern previously mentioned in other papers..

70 ques..70min .. time managment is imp...

3 sections... VERBAL(25Q), ANALYTICAL(25Q), LOGICAL REASONING(20Q)

it was an easy paper... 332 cleared(not sure how many attended.. approximately 700 i guess) finally 197 got selected in the interview...

on 19th I had my interview at 9.45AM.. 1st slot... i was the 1st member in my panel... my hr was very cool and a lovely person..:-)
