Hello Friends,

Myself Ankur, I appeared for CTS on campus recruitment on 13th January. Aptitude paper was really really hard.

Specially verbal portion. So be prepare 4 it. Then it was my PI session.

Me: May I come in sir?

Int: Yes please.

Me: Good Evening sir.

Int: Good Evening, take your seat.

Me: Thank you sir.

Int: So, Ankur tell me something about yourself.

Me: Told.

Int: Tell me something about your family.

Me: Told

Int: Do you have any such preference of location?

Me: No sir. I didn't have any such preference of location. I can go anywhere for our company.

Int: Have you done any project?

Me: Yes sir, I have completed a project of loan management system on Oracle PL/SQL. (I wrote DBMS (Oracle PL/SQL) as technical expertise in my CV)

Int: Ok, means you know PL/SQL.

Me: Yes sir.

Int: What is procedure?

Me: Told

Int: Can procedure return the value of any parameter?

Me: Yes sir.

Int: How?

Me: Told

Int: What is RDBMS?

Me: Told

Int: What is trigger?

Me: Told (explained it in the paper)

Int: Write down structure of a PL/SQL program.

Me: Wrote.

Int: How many types of exception are there in DBMS?

Me: Told

Int: Give me an example of pre-defined exception.

Me: Told

Int: Explain 2NF.

Me: Explained with an example.

Int: BCNF.

Me: Told

Int: What is cursor? what is the function of it?

Me: Told and wrote the decalration of cursor.

Int: How many types of cursor are there?

Me: Told

Int: How many types of keys are in DBMS?

Me: Told

Int: Difference between primary key and unique key.

Me: Told

Int: If a cursor opened bt it is not closed. What will happen?

Me: I didn't had proper idea of that question, but I was thinking.

Int: Ok, didn't need to worry, nice to meet you. (formal handshake)

Me: Can I ask you a question sir?

Int: Yes

Me: What is the role of freshers in Cognizant?

Int: Told so many things, one point was. You have to face a lot of challege.

Me: Yes sir, I'm ready to face the challenges.

Int: Ok, then told so many things.

Me: Sir, can I ask you another questions?

Int: Yes.

Me: How'z my interview?

Int: Good, if this is good for you, then also good for me(then laughed)

Me: Also laughed.

Me: Nice to meet you sir, thank you sir (again handshake)

Out of 358. 251 cleared aptitude and out of them 179 was selected. I was really tensed at the time result announcement. Thank god I was selected.

Best of luck!

Hope to see you in Cognizant.
