Dear students, answers to these questions will be hosted on the websites after 24 Hrs of the programme telecast. You can refer to these answers. This programme has been designed for all types of students and is planned to engross every student.

It will be ideal if you could download CET questions from the website before the commencement of the CET telecast. This would help them to grasp the matter and also select the right response. You could also download the home assignment questions after the telecast of the programme and answer them.

You are requested to make use of this programme. Please also give us your feedback / questions / suggestions / queries / concerns at our e-mail: keauthority-ka@nic.in. We will address them to make this initiative more purposeful to the students.
