Placement paper of Wipro - 20-2-05

Wipro Technologies.

on 20 th feb pattern was: 15 ques. on verbal, 30 on Appti and 35 on

technical.

90 minutes for 80 ques........ that was suffiecient.

3 rounds (written , interview, HR)

written:-

15 Verbal

=====

1. words like misanthrope, chew the cub(idom), rennovation,

2. Paragraph reading....... u have to derive conclusion and justify

which type of para it is like analytical, philosophical, etc.

30 APti

=====

1. 14 X 14 squares will make howmany rectangles.

2. problems on trains, boats(downstream upstream)

3. reasoning like who is sitting in left etc.

4. problems on ages

5. Sure shot questions... A frog can lift 3 meters and slips down 2

meters in a day. He is in a wall of 30 meters. Which day he will come out

from well. Ans 28th day.

6. A large calculation on pythagorus theory.

others are easy calculations

35 TC

=====

1. Protocols.

2. C array pointers

3. boolean circuit.

4. white and black box testing.

5. Fundamentals

6. Operating systems concepts

they all were easy ques.

I'view :-

They asked about the project that I have worked.

Question on C pointers , memory managements.

It does not matter in which stream u r . They r going to ask on the

same thing that u r working with or have worked.

HR :-

No strange......... Tell me about ur self and family back.

What have u done after UG/PG
