

Banasthali Vidyapith

Admissions 2010-11

Banasthali Vidyapith

The origin of Banasthali is unique in more ways than one. Banasthali owes its existence neither to the zeal of an educationist, nor to that of a social reformer. It is also not a creation of Philanthropist's purse. It has arisen like the fabled phoenix from the ashes of a blossoming flower Shanta bai, which had withered before its hour. It is a spontaneous filling up of the vacuum caused by Shantabai's death. Here love, eternal love, has been the fountain head of all the thinking and action and this spirit has been the motivating force.

It was on October 6, 1935 that Smt. Ratan Shastri and Pandit Hiralal Shastri founded Banasthali Vidyapith to fill up the vacuum caused by the sudden death of their highly talented and promising daughter Shantabai. They had high expectations that she would work for women's cause when she would grow up.

Over these seventy years Banasthali has developed into a National Institute for Women's Education. Banasthali's educational programme aims at an all-round development of the student's personality. To achieve its objective of 'synthesis of spiritual values and scientific achievements of the East and the West', it has evolved Five-fold Educational Programme (Panchmukhi Shiksha) comprising of the following aspects : (i) Physical, (ii) Practical, (iii) Aesthetic, (iv) Moral and (v) Intellectual. This way the students develop an integrated and balanced personality
