## Instructions for Recipient

Issuers of certain tax credit bonds (or their agents) and nominees/intermediaries (such as a broker, a partnership, a trust, an estate, a regulated investment company, or a real estate investment trust) must report to you quarterly and file with the IRS annually a separate Form 1097-BTC for each tax credit distributed to you.

The checked box shows if the filer or its agent is the original filer of this form, or is an entity or a person that received this form.

**Boxes 1a–5a.** Shows the amount of the credit distributed to you with respect to this allowance date.

You may be entitled to claim a credit against your income tax liabilities, subject to certain limitations under section 54A(c). For more information, see Form 8912, Credit to Holders of Tax Credit Bonds.

**Boxes 1b–5b.** Shows the unique identification number assigned to the credit you received with respect to this credit allowance date. This information will help the IRS track distribution of tax credits from tax credit bonds.
