

## INFOSYS PAPER ON 26th APRIL

Hi Friends

I have attended a pool camping on 26th April 2007. All total 8 colleges have participated. Well, the paper I faced was like this.....

First Paper: Numerical, Verbal Non Verbal and Logical Reasoning.

There was 30 questions to be answered in 40 minutes.

There were questions on number, like after arranging 5 numbers in ascending order the 4th no. is the largest.....like this. then five questions based on this, like if we multiply the 4th and 5th number the answer will be?

Then 4 questions on Series of figures

Then question on logic

Then a big problem passage combining export and import, percentage, profit and loss. It was a bit lengthy. Answers were to be given in Dollars. Two Puzzles- They were very easy. Then 8 questions on Logical Reasoning.

2nd Paper: English

Very very lengthy but very easy. It included comprehension and correction of sentences. 70 students cleared the aptitude.

Then the interview began. Be confident for the interview. It was an HR interview. But they gave to solve puzzles. After an hour or 2 the result was announced. For God's Grace I was selected.

BEST OF LUCK
