#### 1. General Information

Graduate Aptitude Test in Engineering (GATE) is an all India examination administered and conducted jointly by the Indian Institute of Science and seven Indian Institutes of Technology on behalf of the National Coordination Board - GATE, Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

The GATE committee, which comprises of representatives from the administering institutes, is the sole authority for regulating the examination and declaring the results.

#### 1.1. Zonal Administering Institutes

GATE is conducted through the constitution of eight zones. The zones and the corresponding administering institutes are:

Zone 1 - Indian Institute of Science Bangalore

Zone 2 - Indian Institute of Technology Bombay

Zone 3 - Indian Institute of Technology Delhi

Zone 4 - Indian Institute of Technology Guwahati

Zone 5 - Indian Institute of Technology Kanpur

Zone 6 - Indian Institute of Technology Kharagpur

Zone 7 - Indian Institute of Technology Madras

Zone 8 - Indian Institute of Technology Roorkee

The contact details of the zonal administering institutes are given in Table-1.

The overall coordination and responsibility of conducting GATE 2011 lies with **Indian Institute of Technology Madras**, designated as the **Organising Institute for GATE 2011**.

#### 1.2. Eligibility for GATE

The following categories of candidates are eligible to appear for GATE:

- a) Bachelor's degree holders in Engineering/Technology/Architecture (4 years after 10+2) and those who are in the final or pre-final year of such programmes.
- b) Master's degree holders in any branch of Science/Mathematics/Statistics/Computer Applications or equivalent and those who are in the final or pre-final year of such programmes.
- c) Candidates in the second or higher year of the Four-year Integrated Master's degree programme (Post-B.Sc.) in Engineering/Technology or in the third or higher year of Five-year Integrated Master's degree programme and Dual Degree programme in Engineering/Technology.
- d) Candidates with qualifications obtained through examinations conducted by professional societies recognized by UPSC/AICTE (e.g. AMIE by IE(I), AMICE(I) by the Institute of Civil Engineers (India)-ICE(I)) as equivalent to B.E./B.Tech. Those who have completed section A or equivalent of such professional courses are also eligible.

#### 1.3. GATE Qualification

Admission to postgraduate programmes with MHRD and some other Government scholarships/assistantships in engineering colleges/institutes is open to those who qualify in GATE examination. GATE qualified candidates with Bachelor's degree in Engineering/Technology/Architecture or Master's degree in any branch of Science/Mathematics/Statistics/Computer Applications are eligible for admission to Master's degree programmes in Engineering/Technology/Architecture as well as for Doctoral programmes in relevant branches of Science with MHRD or other Government scholarships/assistantships. To avail the scholarship, the candidate must secure admission to such a postgraduate programme, as per the prevailing procedure of the admitting institution. However, candidates with Master's degree in Engineering/Technology/Architecture may seek admission to relevant Doctoral programmes with scholarship/assistantship without appearing in the GATE examination.

GATE qualification is also a minimum requirement to apply for various fellowships awarded by many Government organizations.

Note: GATE 2011 Committee may drop any place as examination city at its discretion

Organising Institute: IIT Madras Page 3 of 20

#### 1.4. Postgraduate Admissions with MHRD Scholarship

As per the directives of the MHRD, the following procedure is to be adopted for admission to postgraduate programmes (Master and Doctoral) with MHRD scholarship/assistantship. The performance of the candidate in GATE will be considered for admission. If the candidate is to be selected through interview for postgraduate programmes, minimum 70% weightage is to be given to the performance in GATE. The remaining weightage (30% maximum) can be given to the candidate's academic record or performance in interview. Candidate opting for a general paper (XE or XL) may be further examined (by interview/written test) by the admitting institution. In such cases also the weightage for GATE performance should not be less than 70%. The admitting institution will prescribe minimum passing percentage of marks in the interview. Some colleges/institutes specify GATE qualification as the mandatory requirement even for admission without MHRD scholarship/assistantship.

Candidates are advised to seek details of admission procedures and availability of MHRD scholarship/assistantship from the concerned admitting institution. The criteria for postgraduate admission with scholarship/assistantship are different for different admitting institutions. GATE offices will not entertain any enquiry about admission and award of scholarship/assistantship.

It is the responsibility of the admitting institution to award the MHRD scholarship/assistantship to only those candidates who secured marks equal to or more than the "qualifying mark" in the concerned GATE paper and for the corresponding category of the candidate. The management of the postgraduate scholarship/assistantship is also the responsibility of the admitting institution. The GATE committee also has no role in the award or disbursement of scholarship/assistantship. Similarly, reservation of seats under different categories is as per the policies and norms prevailing at the admitting institution and Government of India rules.

A candidate declared "GATE qualified at the time of admission" is entitled for MHRD fellowship for 24 months unless he/she loses it due to poor performance in the registered programme.

The students of Integrated Master Degree and Dual Degree programmes in Engineering/Technology are eligible to appear in GATE 2011 in order to qualify for the postgraduate scholarships in their own institutions only. They are not eligible for admission to a fresh M.E./M.Tech. programme.

#### 1.5. Application Submission Process

a) There are two different ways by which a candidate can apply/register for GATE 2011, namely, '*Online*' and '*Offline*'. The preferred mode of application submission process is '*Online*'. Details for applying *Online* and *Offline* are available on the websites of zonal administering institutes given below. Details of the process for applying *Offline* are also given in Section 5 of this brochure.

| <u>Zone</u>    | Website                |
|----------------|------------------------|
| IISc Bangalore | gate.iisc.ernet.in     |
| IIT Bombay     | www.iitb.ac.in/gate    |
| IIT Delhi      | www.iitd.ac.in/gate    |
| IIT Guwahati   | www.iitg.ernet.in/gate |
| IIT Kanpur     | www.iitk.ac.in/gate    |
| IIT Kharagpur  | gate.iitkgp.ac.in      |
| IIT Madras     | gate.iitm.ac.in        |
| IIT Roorkee    | www.iitr.ac.in/gate    |
|                |                        |

The **Online** application fee is Rs. 800 for General/OBC Category candidates and Rs. 400 for SC/ST/PD\* Category candidates. The **Offline** application fee is Rs. 1000 for General/OBC Category candidates and Rs. 500 for SC/ST/PD\* Category candidates. The application fee is non-refundable.

#### 2. Structure of GATE 2011

#### 2.1. Examination Papers

A candidate can apply for only ONE of the 21 papers listed in Table-2. The syllabi of all the papers are given in websites of GATE 2011.

The choice of the appropriate paper is the responsibility of the candidate. Some guidelines in this respect are suggested below.

The candidate is expected to appear in a paper appropriate to the discipline of his/her qualifying degree. The candidate is, however, free to choose any paper according to his/her admission plan, keeping in mind the eligibility criteria of the institutions in which he/she wishes to seek admission.

**PAPER** CODE **PAPER** CODE Instrumentation Engineering ΑE IN Aerospace Engineering AG Agricultural Engineering Mathematics MA Architecture and Planning AR Mechanical Engineering ME BT MN Biotechnology Mining Engineering Civil Engineering CE Metallurgical Engineering MT CH PH Chemical Engineering **Physics** CS PΙ Computer Science and Information Production and Industrial Engineering Technology CYTF Chemistry Textile Engineering and Fibre Science EC  $XE^*$ **Electronics and Communication Engineering Sciences** Engineering  $XL^*$ EE Electrical Engineering Life Sciences GG Geology and Geophysics

Table-2: List of GATE papers and corresponding codes

<sup>\*</sup> XE (Engineering Sciences) and XL (Life Sciences) papers are of general nature and will comprise of the sections listed below. A candidate appearing in XE or XL paper will be required to answer three sections apart from the General Aptitude (GA) questions. Section A is compulsory in XE paper and Section H is compulsory in XL paper. The candidate can choose any two out of the remaining sections listed against the respective papers, at the time of examination.

| XE Paper SECTIONS                    | CODE | XL Paper SECTIONS      | CODE |
|--------------------------------------|------|------------------------|------|
| Engineering Mathematics (Compulsory) | A    | Chemistry (Compulsory) | Н    |
| Fluid Mechanics                      | В    | Biochemistry           | I    |

#### 2.2. Examination Schedule and Cities

GATE 2011 Examination will include both ONLINE and OFFLINE examinations as per the following schedule:

| Examination<br>Type | Examination<br>Cities | Examination<br>Date (Day) | Examination<br>Time      | GATE Paper<br>Codes                         |
|---------------------|-----------------------|---------------------------|--------------------------|---|
| ONLINE              | Listed in Column 2    | January 30, 2011          | 09.00 hrs –<br>12.00 hrs | GG and TF                                   |
|                     | of Table-1            | (Sunday)                  | 14.00 hrs –<br>17.00 hrs | AE and MN                                   |
| OFFLINE             | Listed in Column 3    | February 13, 2011         | 09.00 hrs –<br>12.00 hrs | AR, BT, CE, CH,<br>CS, ME, PH and PI        |
| OIT ENVE            | of Table-1            | (Sunday)                  | 14.00 hrs –<br>17.00 hrs | AG, CY, EC,<br>EE, IN, MA,<br>MT, XE and XL |

**ONLINE Examination:** Examination using computers where the candidate will choose the correct answer out of four options or fill in the correct numerical answer using mouse/keyboard.

**OFFLINE Examination:** Examination where the candidate will mark the correct answer out of four options in an Optical Response Sheet (ORS) by darkening the appropriate bubble.

Other important dates related to the GATE 2011 examination are listed in Table-3 given below.

Commencement of sale of Information Brochure and Application Form September 21, 2010 **Tuesday** Commencement of Online Application Form submission Last date for issue of Information Brochure and Application Form: a) At bank counters Wednesday October 27, 2010 b) At zonal GATE office counters October 29, 2010 Friday Submission of Online Application Form (website closure) Wednesday October 27, 2010 (18:00 hrs) b) Receipt of completed Offline/Online Application Form at Tuesday November 02, 2010 respective zonal GATE Office Announcement of results **Tuesday** March 15, 2011

Table-3: Other important dates

#### 2.3. Examination Type

The GATE examination consists of a single paper of 3 hours duration which contains 65 questions carrying a maximum of 100 marks. The question paper will consist of only objective questions. In all papers other than AE and TF, all the questions are of multiple choice type. In AE and TF papers, the question paper will consist of 60 questions of multiple choice type and 5 questions of numerical answer type. For multiple choice type questions, each question will have four choices for the answer. For numerical answer type questions, each question will have a number as the answer. The pattern of question papers is given in Section 4. The examination for the papers with codes AE, GG, MN and TF will be carried out ONLINE using computers where the candidates will be required to enter the answer for each question using keyboard/mouse. For all other papers, the candidates will have to mark the correct choice on an Optical Response Sheet (ORS) by darkening the appropriate bubble against each question. There will be negative marking for each wrong answer, except for the numerical answer type questions, as explained in Section 4.

Each GATE paper shall have a General Aptitude (GA) component carrying 15 marks.

Organising Institute: IIT Madras Page 6 of 20

#### 2.4. GATE Results and Scorecard

#### 2.4.1. GATE Results

a. GATE 2011 results will be announced at **10:00 hrs**. on **March 15, 2011**, at GATE offices of IISc and seven IITs. GATE 2011 results will also be available on the websites of GATE offices.

#### GATE 2011 score is valid for TWO YEARS from the date of announcement of the GATE 2011 results.

- c. GATE 2011 results may be made available on payment basis to interested organizations (educational institutions, R&D laboratories, industries, etc.) in India and abroad based on a Memorandum of Understanding between IIT Madras and the requesting organization. Details in this regard can be obtained from the Chairman, GATE, IIT Madras.
- d. The machine-gradable Optical Response Sheets (ORS) are graded and scrutinized with extreme care. There is no provision for regrading and retotalling. No photocopies of the ORS will be made available. No correspondence in this regard will be entertained.

#### 2.4.2. GATE Scorecard

Details about the contents of GATE Scorecard will be made available in the GATE websites at an appropriate time.

#### There is no provision for issue of additional GATE scorecards.

The GATE 2011 Committee has the authority to decide the qualifying mark for each GATE paper. In case any claim or dispute arises in respect of GATE 2011, it is hereby made absolutely clear that the Courts and Tribunals in Chennai and Chennai alone shall have the exclusive jurisdiction to entertain and settle any such dispute or claim.

#### 3. What is New in GATE 2011?

#### 3.1. ONLINE Examination in Two Additional Papers

In GATE 2010, the papers with codes MN and TF had ONLINE examination. In GATE 2011, two additional papers AE and GG will also have ONLINE examination. The ONLINE examination will be conducted in two sessions on Sunday, January 30, 2011. The ONLINE examination in GG and TF will be held in the forenoon session from 09.00 hrs to 12.00 hrs. The ONLINE examination in AE and MN will be held in the afternoon session from 14.00 hrs to 17.00 hrs.

#### 3.2. Numerical Answer Type Questions in AE and TF Papers

In AE and TF papers, the question paper will consist of 60 questions of multiple choice type and 5 questions of numerical answer type. For multiple choice type questions, each question will have four choices for the answer. For numerical answer type questions, each question will have a number as the answer and choices will not be given.

#### 3.3. OFFLINE Examination in Two Sessions

In GATE 2011, the OFFLINE examination will be conducted in two sessions on Sunday, February 13, 2011. The OFFLINE examination in AR, BT, CE, CH, CS, ME, PH and PI papers will be held in the forenoon session from 09.00 hrs to 12.00 hrs. The OFFLINE examination in AG, CY, EC, EE, IN, MA, MT, XE and XL will be held in the afternoon session from 14.00 hrs to 17.00 hrs.

#### 3.4. Food Technology Section in both XE and XL Papers

In GATE 2011, Food Technology will be introduced as an optional section in XL paper also. The structure for Food Technology section in XL paper will be the same as the structure of the other optional sections in XL paper. The structure for Food Technology section in XE paper will be the same as the structure of the other optional sections in XE paper. The syllabus for the Food Technology section in XE and XL papers is the same.

#### 4. Pattern of Question Papers

The pattern of examination papers is described below. This is followed by a description of objective questions.

Organising Institute: IIT Madras Page 7 of 20

#### 4.1. All Papers other than AE, TF, GG, XE and XL Papers

There will be a total of 65 questions carrying 100 marks. Q.1 to Q.25 (25 questions) carry one mark each (subtotal 25 marks). Q.26 to Q.55 (30 questions) carry two marks each (sub-total 60 marks). Questions Q.56 – Q.65 belong to General Aptitude (GA). Questions Q.56 – Q.60 (5 questions) carry 1 mark each (sub-total 5 marks) and questions Q.61 – Q.65 (5 questions) carry 2-marks each (sub-total 10 marks).

Questions Q.48 - Q.51 (2 pairs) are common data questions. Question pairs (Q.52, Q.53) and (Q.54, Q.55) are linked answer questions. The answer to the second question of the linked answer questions depends on the answer to the first question of the pair. If the first question in the linked pair is wrongly answered or is unattempted, then the answer to the second question in the pair will not be evaluated.

**NEGATIVE MARKING:** For Q.1 – Q.25 and Q.56 – Q.60, 1/3 mark will be deducted for each wrong answer. For Q.26 – Q.51 and Q.61 – Q.65, 2/3 mark will be deducted for each wrong answer. The question pairs (Q.52, Q.53), and (Q.54, Q.55) are questions with linked answers. There will be negative marks only for wrong answer to the first question of the linked answer question pair i.e. for Q.52 and Q.54, 2/3 mark will be deducted for each wrong answer. There is no negative marking for Q.53 and Q.55.

Questions on Engineering Mathematics will carry about 15% of the total marks (excluding General Aptitude section) in all the papers bearing the codes AG, BT, CE, CH, CS, EC, EE, IN, ME, MN, MT and PI.

#### 4.2. AE and TF Papers

There will be a total of 65 questions carrying 100 marks. Q.1 to Q.25 (25 questions) carry one mark each (sub-total 25 marks). Q.26 to Q.55 (30 questions) carry two marks each (sub-total 60 marks). Questions Q.56 – Q.65 belong to General Aptitude (GA). Questions Q.56 – Q.60 (5 questions) carry 1 mark each (sub-total 5 marks) and questions Q.61 – Q.65 (5 questions) carry 2-marks each (sub-total 10 marks).

Questions Q.1-Q.25 and Q.31-Q.65 are of multiple choice type. Questions Q.26-Q.30 are of numerical answer type.

Questions Q.48 - Q.51 (2 pairs) are common data questions. Question pairs (Q.52, Q.53) and (Q.54, Q.55) are linked answer questions. The answer to the second question of the linked answer questions depends on the answer to the first question of the pair. If the first question in the linked pair is wrongly answered or is unattempted, then the answer to the second question in the pair will not be evaluated.

**NEGATIVE MARKING:** There is negative marking for multiple choice type questions. For Q.1-Q.25 and Q.56-Q.60, 1/3 mark will be deducted for each wrong answer. For Q.31-Q.51 and Q.61-Q.65, 2/3 mark will be deducted for each wrong answer. The question pairs  $(Q.52,\ Q.53)$ , and  $(Q.54,\ Q.55)$  are questions with linked answers. There will be negative marks only for wrong answer to the first question of the linked answer question pair i.e. for Q.52 and Q.54, 2/3 mark will be deducted for each wrong answer. There is no negative marking for Q.53 and Q.55.

There is no negative marking for numerical answer type questions Q.26-Q.30.

Questions on Engineering Mathematics will carry about 15% of the total marks (excluding General Aptitude section) in the papers bearing the codes AE and TF

#### 4.3. GG (Geology and Geophysics) Paper

There are a total of 65 questions carrying 100 marks. Apart from General Aptitude (GA), the question paper consists of two parts: Part A and Part B. Part A is common for all candidates. Part B contains two sections: Section 1 (Geology) and Section 2 (Geophysics). Candidates will have to attempt questions in Part A and either Section 1 or Section 2 in Part B.

Part A consists of 25 questions Q.1-Q.25 with each question carrying 1-mark (sub-total 25 marks). Each of the sections (Section 1 and Section 2) in Part B consists of 30 questions Q.26-Q.55 with each question carrying 2-marks (sub-total 60 marks). Questions Q.48 – Q.51 (2 pairs) are common data questions. Question pairs (Q.52, Q.53) and (Q.54, Q.55) are linked answer questions. The answer to the second question of the linked answer questions depends on the answer to the first question of the pair. If the first question in the pair is wrongly answered or is unattempted, then the answer to the second question in the pair will not be evaluated. Questions Q.56 – Q.65 belong to General Aptitude (GA). Questions Q.56 – Q.60 (5 questions) carry 1-mark each (sub-total 5 marks) and questions Q.61 – Q.65 (5 questions) carry 2-marks each (sub-total 10 marks).

**NEGATIVE MARKING:** For Q.1 – Q.25 and Q.56 – Q.60, 1/3 mark will be deducted for each wrong answer. For Q.26 – Q.51 and Q.61 – Q.65, 2/3 mark will be deducted for each wrong answer. The

Organising Institute: IIT Madras Page 8 of 20

question pairs (Q.52, Q.53), and (Q.54, Q.55) are questions with linked answers. There will be negative marks only for wrong answer to the first question of the linked answer question pair i.e. for Q.52 and Q.54, 2/3 mark will be deducted for each wrong answer. There is no negative marking for Q.53 and Q.55.

#### 4.4. XE Paper (Engineering Sciences)

There are a total of 65 questions carrying 100 marks.

There are 11 questions carrying 15 marks in XE Engineering Mathematics section paper (Section A), which is compulsory. Questions Q.1 - Q.7 (7 questions) carry 1-mark each (sub-total 7 marks), and questions Q.8 - Q.11 (4 questions) carry 2-marks each (sub-total 8 marks).

Each of the other XE section papers (Sections B through G) contains 22 questions carrying 35 marks. Questions Q.1 – Q.9 (9 questions) carry 1-mark each (sub-total 9 marks). Questions Q.10 – Q.22 (13 questions) carry 2-marks each (sub-total 26 marks). Questions Q.17 – Q.20 (2 pairs) are common data questions with 2-marks each. Questions Q.21 and Q.22 (1 pair) are linked answer questions with 2-marks each. The answer to the second question of the pair of linked answer questions depends on the answer to the first question of the pair. If the first question in the pair is wrongly answered or is unattempted, then the answer to the second question in the pair will not be evaluated.

There are 10 questions carrying 15 marks in General Aptitude (GA), which is compulsory. Questions Q.1 - Q.5 (5 questions) carry 1-mark each (sub-total 5 marks), and questions Q.6 - Q.10 (5 questions) carry 2-marks each (sub-total 10 marks).

**NEGATIVE MARKING:** In XE Section A, for Q.1-Q.7, 1/3 mark will be deducted for each wrong answer and for Q.8-Q.11, 2/3 mark will be deducted for each wrong answer. In all other XE section papers (Sections B through G), for Q.1-Q.9, 1/3 mark will be deducted for each wrong answer and for Q.10-Q.20, 2/3 mark will be deducted for each wrong answer. The question pair (Q.21, Q.22) is a linked answer question. There will be negative marks only for wrong answer to the first question of the linked answer question pair. For Q.21, 2/3 mark will be deducted for wrong answer. There is no negative marking for Q.22. In GA section, for Q.1-Q.5, 1/3 mark will be deducted for each wrong answer and for Q.6-Q.10, 2/3 mark will be deducted for each wrong answer.

#### 4.5. XL Paper (Life Sciences)

There are a total of 65 questions carrying 100 marks.

There are 15 questions carrying 25 marks in XL Chemistry section paper (Section H), which is compulsory. Questions Q.1-Q.5 (5 questions) carry 1-mark each (sub-total 5 marks). Questions Q.6-Q.15 (10 questions) carry 2-marks each (sub-total 20 marks). Questions Q.12 and Q.13 (1 pair) are common data questions with 2-marks each. Questions Q.14 and Q.15 (1 pair) are linked answer questions with 2-marks each. The answer to the second question of the pair of linked answer questions depends on the answer to the first question of the pair. If the first question in the pair is wrongly answered or is unattempted, then the answer to the second question in the pair will not be evaluated.

Each of the other XL section papers (Sections I through M) contains 20 questions carrying 30 marks. Questions Q.1 - Q.10 (10 questions) carry 1-mark each (sub-total 10 marks) and questions Q.11 - Q.20 (10 questions) carry 2-marks each (sub-total 20 marks).

There are 10 questions carrying 15 marks in General Aptitude (GA), which is compulsory. Questions Q.1 – Q.5 (5 questions) carry 1-mark each (sub-total 5 marks), and questions Q.6 – Q.10 (5 questions) carry 2-marks each (sub-total 10 marks).

**NEGATIVE MARKING**: In XL Section H, for Q.1-Q.5, 1/3 mark will be deducted for each wrong answer and for Q.6-Q.13, 2/3 mark will be deducted for each wrong answer. The question pair (Q.14, Q.15) is a linked answer question. There will be negative marks only for wrong answer to the first question of the linked answer question pair. For Q.14, 2/3 mark will be deducted for wrong answer. There is no negative marking for Q.15. In all other XL section papers (Sections I through M), for Q.1-Q.10, 1/3 mark will be deducted for each wrong answer and for Q.11-Q.20, 2/3 mark will be deducted for each wrong answer and for Q.11-Q.20, 2/3 mark will be deducted for each wrong answer and for Q.11-Q.20, 2/3 mark will be deducted for each wrong answer.

Organising Institute: IIT Madras Page 9 of 20

#### 4.6. Types of Multiple Choice Objective Questions

Each of the multiple choice objective questions in all papers and sections will contain four answers, of which the correct answer is to be marked. The types of questions in a paper may be based on the following logic:

(i) *Recall*: These are based on facts, principles, formulae or laws of the discipline of the paper. The candidate is expected to be able to obtain the answer either from his/her memory of the subject or at most from a one-line computation.

#### **Example**

| Q. | During machining maximum hea | t is produced |                                       |
|----|------------------------------|---------------|---------------------------------------|
|    | (A) in flank face            | (B)           | in rake face                          |
|    | (C) in shear zone            | (D)           | due to friction between chip and tool |

(ii) *Comprehension*: These questions will test the candidate's understanding of the basics of his/her field, by requiring him/her to draw simple conclusions from fundamental ideas.

#### **Example**

| Q. | A DC motor requires a starter in order to |     |   |
|----|---|-----|---|
|    | (A) develop a starting torque             | (B) | compensate for auxiliary field ampere turns |
|    | (C) limit armature current at starting    | (D) | provide regenerative braking                |

(iii) Application: In these questions, the candidate is expected to apply his/her knowledge either through computation or by logical reasoning.

#### Example

Q. The sequent depth ratio of a hydraulic jump in a rectangular channel is 16.48. The Froude number at the beginning of the jump is:

(A) 5.0 (B) 8.0 (C) 10.0 (D) 12.0 (iv) *Analysis and Synthesis*: These can be linked answer questions, where the answer to the first question

of the pair is required in order to answer its successor. Or these can be common data questions, in which two questions share the same data but can be solved independently of each other.

<u>Common data based questions</u>: Two questions are linked to a common data problem, passage and the like. Each question is independent and its solution is obtainable from the above problem data or passage directly. (Answer of the previous question is not required to solve the next question). Each question under this group will carry two marks.

#### **Example**

#### Statement for Common Data Questions, for instance, for Questions 48 and 49 in Main Paper:

Let X and Y be jointly distributed random variables such that the conditional distribution of Y, given X = x, is uniform on the interval (x-1,x+1). Suppose E(X) = 1 and Var(X) = 5/3.

#### First question using common data:

Q.48 The mean of the random variable Y is  $(A) \ 1/2 \qquad (B) \ 1 \qquad (C) \ 3/2 \qquad (D) \ 2$ 

#### Second question using common data:

 $Q.49\ The\ variance\ of\ the\ random\ variable\ Y$  is

(A) 1/2 (B) 2/3 (C) 1 (D) 2

<u>Linked answer questions</u>: These questions are of problem solving type. A problem statement is followed by two questions based on the problem statement. The two questions are designed such that the solution to the second question depends upon the answer to the first one. In other words, the first answer is an intermediate step in working out the second answer. Each question in such 'linked answer questions' will carry two marks.

#### Example

#### Statement for Linked Answer Questions, for instance, for Questions 52 and 53 in Main Paper:

The open loop transfer function of a unity feedback control system is given by

$$G(s)H(s) = \frac{K}{s(s+1)(2s+1)(3s+1)}$$

Organising Institute: IIT Madras

#### First question of the pair:

Q.52 The value of K which will cause sustained oscillations in the closed loop system is

(A) 
$$\frac{60}{121}$$

(B) 
$$\frac{70}{121}$$

(C) 
$$\frac{80}{121}$$

(D) 
$$\frac{90}{121}$$

#### Second question of the pair:

Q.53 The frequency of sustained oscillations is

(A) 
$$\frac{1}{12}$$
 rad/sec

(B) 
$$\frac{1}{11}$$
 rad/sec

(A) 
$$\frac{1}{12}$$
 rad/sec (B)  $\frac{1}{11}$  rad/sec (C)  $\frac{1}{\sqrt{12}}$  rad/sec

(D) 
$$\frac{1}{\sqrt{11}}$$
 rad/sec

The questions based on the above four logics may be a mix of single stand alone statement/phrase/data type questions, combination of option codes type questions or match items type questions.

## 5. Instructions for Filling and Submission of Application Form

#### 5.1. Important Information

- Before you start filling the Application Form, please check that the Application Number printed on (i) Application Form and (ii) Envelope are the same. Any discrepancy should be brought to the notice of the GATE Chairman of the zone from which the Application Form was purchased. The contact details of all the zonal GATE Chairmen are given in Table-1.
- b) It is essential to quote the Application Number in all future correspondence with the respective zonal GATE office. The candidates are advised to keep a copy of the filled Application Form.
- The Application Form must be folded only along the original fold line. Nothing should be stapled or c) pinned to it. The Barcode on the Application Form should not be tampered. The Application Form will be declared defective if these instructions are not followed.

Note: Incomplete or defective applications will be rejected outright.

#### 5.2. Instructions for filling Application Form

#### **5.2.1.** General

The instructions given below for filling the Application Form must be followed meticulously. Refer to the specimen Application Form at the end of this section.

For Items 1, 2, 8, 14, 15, 16, 18 and 19, the candidate must write the required information in ink with black ball point pen in the boxes provided and then darken the appropriate bubble(s), using dark HB pencil only. In case of any discrepancy in the marked bubble(s) and the corresponding boxes, the information provided through the bubble(s) will be taken as final. The text boxes are provided only for guidance.

For Items 1 to 9 and Items 14 to 19, the candidate must provide information by filling the appropriate bubble(s) using dark HB pencil only.

Darken the appropriate bubble by filling it completely. For correcting any entry, completely erase the previous mark using a soft eraser and remove all smudges before re-filling.

Only BLACK BALL POINT PEN must be used for filling Items 10, 11, 13 and Items 20 to 22.

#### 5.2.2. Itemwise Instructions for filling Application Form

#### Item 1: Name of the Candidate as in 10th Class Certificate

Fill in your name in CAPITAL LETTERS as recorded in the High School (Class 10th) certificate issued by your Board/Institute and darken the appropriate bubbles. Your name in the GATE scorecard will appear exactly as filled in the Application Form. Any change in the name/surname at any stage has to be duly supported by a proof of publication of name change in official gazette or a proper affidavit in case of change of name on account of marriage.

**Note:** In case, your name has more than 30 characters (including blanks), abbreviate it suitably to accommodate within the space provided. For example, the name RAMAKRISNA VELLURAO VENKATESH KUMAR AYYAR can be abbreviated as.

MAKR E S

#### **Item 2: Date of Birth**

Fill in your date of birth as given in your High School (Class 10<sup>th</sup>) certificate in the space provided and darken the appropriate bubbles.

Example: If the date of birth is 16th September 1987, fill in as,

| Da | ite | Month |   | Month Year |   | ar |
|----|-----|-------|---|------------|---|----|
| 1  | 6   | 0     | 9 | 8          | 7 |    |

#### **Item 3: Gender**

Darken the appropriate bubble, MALE or FEMALE.

#### **Item 4: Nationality**

Darken the appropriate bubble, INDIAN or FOREIGNER

#### **Item 5: Category**

Darken the appropriate bubble:

SC: Scheduled Caste, ST: Scheduled Tribe, OBC: Other Backward Class (non-creamy layer), GN: All others

**Note:** Candidate claiming concession for buying Application Form under SC and ST categories must attach a duly attested copy of valid Category Certificate, issued by a competent authority (see section 5.3). If the Category Certificate is found improper, the application will be rejected.

#### Item 6: Person with Disability (PD)

Darken the appropriate bubble, YES or NO

**Note:** PD candidate claiming concession for buying Application Form must attach a duly attested copy of Disability Certificate issued by appropriate medical authority. Applications with improper Disability Certificate will be rejected.

If any PD candidate requires the services of a scribe, darken the bubble YES. Otherwise, darken the bubble NO. Requests for scribe received at a later date may **not** be considered. The role of the scribe will be to read the question paper for the candidate and darken the bubbles as per the instructions of the candidate.

#### **Item 7: Qualifying Degree**

Darken the bubble corresponding to appropriate Degree Code. The degree code corresponds to the qualifying degree of the programme which the candidate has either completed or is presently studying in its final or pre-final year. The Degree Codes are given below:

| <u>Degree</u>   | <u>Code</u> |
|---|-------------|
| B.E./B.Tech./ B.Sc. (Engg.)/B.Sc.(Tech.)/B.Arch.      | E           |
| Integrated M.E./M.Tech./Dual Degree                   | M           |
| M.Sc./M.C.A./M.A.                                     | S           |
| Professional (AMIE by IE(I), AMICE(I) by ICE(I) etc.) | P           |

#### **Item 8: Choice of Examination Cities**

Fill in your choice of two Examination Cities in order of preference as  $1^{st}$  choice and  $2^{nd}$  choice, and darken the appropriate bubbles.

Candidates whose choice of the GATE paper is one of the OFFLINE examination papers (AG, AR, BT, CE, CH, CS, CY, EC, EE, IN, MA, ME, MT, PH, PI, XE and XL): Refer to Annexure I-A or I-B, which lists the cities where GATE 2011 OFFLINE examination will be conducted and the corresponding three digit CODES.

Candidates whose choice of the GATE paper is one of the ONLINE examination papers (AE, GG, MN and TF): Refer to Annexure I-C, which lists the cities where GATE 2011 ONLINE examination will be conducted and the corresponding three digit CODES.

Normally, a candidate is allotted the centre of examination according to his/her choices of examination city. However, in special circumstances, the zonal GATE Chairman may allot a centre in some other examination city.

Organising Institute: IIT Madras Page 12 of 20

The choices of examination city of each candidate as per GATE records will be made available on the websites of GATE 2011 by December 10, 2010. The candidate should verify the same and if there is any discrepancy he/she should inform the corresponding zonal GATE Chairman by sending a signed letter or FAX so as to reach the zonal GATE office on or before December 31, 2010 so that it may be corrected. There is no need to pay any additional fee for correction of discrepancy.

Requests for change of examination city will be accepted till December 31, 2010 with a fee of Rs.400/- to be paid in the form of demand draft to the corresponding zonal GATE Chairman (Details are available on the website).

#### **Item 9: Choice of GATE Paper**

Darken the appropriate bubble to indicate the correct choice of GATE Paper. Requests for change of paper after submission of Application Form will not be considered.

The choice of paper of each candidate as per GATE records will be made available on the website by December 10, 2010. The candidate should verify the same and if there is any discrepancy he/she should inform the corresponding zonal GATE Chairman by sending a signed letter or FAX so as to reach the zonal GATE office on or before December 31, 2010 so that it may be corrected. There is no need to pay any additional fee for this purpose.

#### **Item 10: E-mail Address**

Write your E-mail address using only black ball point pen. The E-mail address should be legible. This address will be used for all E-mail correspondences.

#### **Item 11: Address for Correspondence**

Write your postal address in CAPITAL LETTERS within the box using only black ball point pen. The address should be legible and should include the NAME of the candidate, and PINCODE.

**Note**: Scanned copy of this address will be used directly in all correspondence including mailing of ADMIT CARD and SCORECARD.

#### Item 12: Photograph

Paste your *recent* passport size clear front facial high contrast colour photograph (Size: 3 cm width x 4 cm height) in the box provided. Ensure that the application number is written at the back side of the photograph before it is pasted within the box. Please use good quality adhesive/glue, so that it does not get detached from the Application Form. *The photograph should not be stapled.* The photograph will be scanned and the scanned image will appear on the admit card as well as the scorecard. *The photograph should NOT be attested or signed by anyone.* 

#### **Item 13: Full Signature of the Candidate**

Sign in full within the box provided, using only black ball point pen. The form must be signed only by the candidate and not by any other person. Signature in the form of initials is not permitted. This signature will be scanned and put on the admit card as well as the scorecard.

**Note:** If the candidate's signature on the attendance sheet, taken at the time of the examination, does not match with the signature on the admit card, the candidate will be disqualified.

#### **Item 14: Year of Degree**

Fill in the year of passing/appearing in the qualifying degree examination and darken the appropriate bubbles.

#### **Item 15: Discipline Code**

Fill in the Discipline Code and darken the appropriate bubbles.

Refer to Annexure I-D, which lists the two digit CODES corresponding to various disciplines of the qualifying degree/programme.

#### **Item 16: Name of Parent**

Fill in the name of your mother or father in CAPITAL LETTERS in the space provided and darken the appropriate bubbles.

Organising Institute: IIT Madras Page 13 of 20

#### **Item 17: State/Union Territory of Permanent Residence**

Darken the appropriate bubbles corresponding to the Indian State/Union Territory of your permanent residence.

Refer to Annexure I-E, which gives the CODES for all Indian States and Union Territories.

#### Item 18: Mobile/Landline Phone with STD Code

Fill in mobile phone number/landline number with the STD code including the leading 0, at which you can be contacted. Darken the appropriate bubbles.

#### **Item 19: PINCODE of Address for Correspondence**

Write the PINCODE of your address of correspondence and darken the appropriate bubbles.

#### **Item 20: Declaration by the Candidate**

Read and sign the declaration using only black ball point pen, and write the Place and Date. *The signature must be identical to that in Item 13.* 

#### Item 21: Check List

Fill up items in the Check List by ticking ✓ in the appropriate boxes.

#### **Item 22: List of Attachments**

Tick YES for the attachments enclosed with the Application Form, otherwise, tick NO or N/A.

#### 5.3. Authorities Empowered to Issue SC/ST Category Certificates

- a) District Magistrate/ Additional District Magistrate/ Collector/ Deputy Collector/ Deputy Commissioner/ Additional Deputy Commissioner/ 1st Class Stipendiary Magistrate/ City Magistrate/ Sub-Divisional Magistrate/ Taluk Magistrate/ Executive Magistrate/ Extra Assistant Commissioner
- b) Chief Presidency Magistrate/ Additional Chief Presidency Magistrate/ Presidency Magistrate
- c) Revenue Officer not below the rank of Tashildar
- d) Sub-Divisional Officer of the area where the Candidate and/or her/his family normally resides
- e) Administrator/ Secretary to Administrator/ Development Officer (Lakshadweep Islands)

Certificate issued by any other official will not be accepted.

#### 5.4. Filling and Submission of Application Envelope

On the application envelope, fill in the CODE of the examination city corresponding to your first choice (Item No. 8 of Application Form) and your chosen GATE Paper Code (Item No. 9 of Application Form).

Write your postal address in the designated space. The envelope should be addressed to the Chairman, GATE, of the Zone corresponding to the 1<sup>st</sup> Choice of Examination City of the candidate. See Table-1 for addresses of zonal GATE offices.

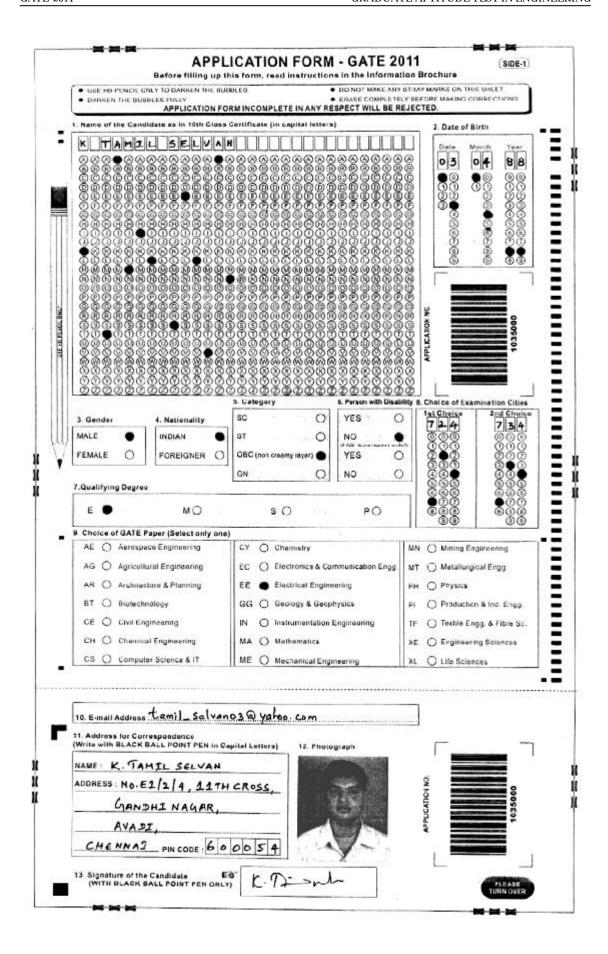

Completed Application Form must reach the Chairman, GATE of the Zone, where the candidate prefers (corresponding to the 1<sup>st</sup> Choice of Examination City) to appear for the examination, on or before Tuesday, November 02, 2010, by Registered/Speed Post only. It may also be submitted in person at the GATE office counter of the concerned Zone.

#### 6. Other Information

Candidates can appear in the GATE examination only against valid admit cards. Candidates should contact the GATE Chairman of the zone concerned if they do not receive the admit card by **January 20, 2011** for ONLINE examination papers (AE, GG, MN and TF), and by **January 31, 2011** for OFFLINE examination papers (All papers other than AE, GG, MN and TF).

For additional information, announcements and results, visit any one of websites of zonal GATE offices.
