FOREWORD

The specific objectives of National Federation of State Cooperative Banks Ltd. (NAFSCOB) include conducting studies in agriculture and rural credit, review the performance of short term cooperative credit institutions and also disseminate information on relevant aspects of the credit structure through working papers, pamphlets, booklets, brochures etc. NAFSCOB has been making sincere efforts in this direction and published about 420 such documents so far on variety of issues. In addition to these publications, NAFSCOB on a regular basis has been bringing out Directory on All India Mutual Arrangement Scheme (AIMAS), annual publications of Basic Data on State Cooperative Banks (SCBs), District Central Cooperative Banks (DCCBs) and Primary Agricultural Credit Societies (PACS) and a few analytical occasional papers on selected performance parameters. NAFSCOB also brought out Eighteen publications on the data pertaining to PACS.

The current publication is the updated version of our earlier published state-wise Directory of DCCBs in the country. The current publication contains information such as management of the banks, their contact addresses and also a brief profile of state-wise performance of these banks for two consecutive years i.e. 2010-11 To 2011-12.

We are able to bring out the current publication on time entirely due to the cooperation of SCBs and DCCBs and we are thankful to them.

Shri R. H. Singh, Assistant Director (Data Bank), NAFSCOB put sincere efforts in compiling the information and arranging the same in a systematic manner.

With Cooperative greetings.

B. SUBRAHMANYAM
