ABOUT THE GRE® TESTS

GRE® General Test

The General Test is offered as a computer-based test in the U.S., Canada and many other countries. Paper-based General Test administrations are offered in areas of the world where computer-based testing is not available.

The General Test measures skills that have been developed over a long period of time and are not necessarily related to any particular field of study. The test is composed of Analytical Writing (AW), Verbal Reasoning (V) and Quantitative Reasoning (Q) sections. Typical testing time is listed below.

Computer-Based General Test

AW: two sections—one writing task per section:

Present Your Perspective on an Issue—45 minutes

Analyze an Argument—30 minutes

V: 30-minute section—30 questions

Q: 45-minute section—28 questions

Paper-Based General Test

AW: two sections—one writing task per section:

Present Your Perspective on an Issue—45 minutes

Analyze an Argument—30 minutes

V: two 30-minute sections—38 questions per section

Q: two 30-minute sections—30 questions per section

In addition, an unidentified V or Q section that does not count toward a score may be included and may appear in any order after the Analytical Writing section. Be sure to complete all V or Q sections since you will not know which ones will be counted as part of your score. An identified research section that is not scored may also be included in the computer-based General Test.

Free test preparation material available at www.ets.org/gre/general/prepare describes the test in more detail and provides information to help you understand the scores you earn.

- ▶ Individuals in the U.S., Puerto Rico and Canada who register for the computer-based General Test are advised to download the free *POWERPREP*® software available at www.ets.org/gre/general/prepare to prepare for the test. Those who do not have Internet access and would like a copy of *POWERPREP* software sent to them should contact GRE (see page 8).
- ▶ Individuals outside of the U.S., Puerto Rico and Canada who register for the computer-based General Test more than two weeks in advance of their test date will be sent *POWERPREP* software. Those who register less than two weeks in advance of their test date are advised to download the free *POWERPREP* software at www.ets.org/gre/general/prepare to prepare for the test.
- ▶ Individuals who register for the paper-based General Test will be sent a free test practice book.

GRE® Subject Tests

The Subject Tests are paper-based tests in eight subject areas. Subject Tests measure achievement in specific subject areas and assume undergraduate majors or extensive background in those disciplines. Testing time is 2 hours and 50 minutes.

Individuals who register for a Subject Test will be sent a free practice book that includes content topics covered in the test and detailed test specifications, a full-length test and answer key and information to help them understand the scores they earn. This free material is also available at www.ets.org/gre/subject/prepare.

Brief descriptions of the Subject Tests follow:

B22 — BIOCHEMISTRY, CELL AND MOLECULAR BIOLOGY

The test consists of approximately 175 questions and is intended for students who are interested in graduate programs in biochemistry, cell biology and molecular biology, along with related programs such as microbiology and genetics. The questions are distributed among three subscore areas: Biochemistry (36%), Cell Biology (28%) and Molecular Biology and Genetics (36%).

In addition to the usual sequence of elementary calculus courses, the examinee should have had mathematics-major courses in abstract algebra, linear algebra and real analysis that require students to demonstrate the ability to prove theorems and create counterexamples. The questions are classified approximately as follows: calculus (50%), algebra (25%) and other topics (25%). The other topics may include: discrete mathematics and algorithmic processes, differential equations, topology and modern geometry, complex analysis, probability and statistics, logic and foundations and numerical analysis.

Topics include classical mechanics (20%), electromagnetism (18%), atomic physics (10%), optics and wave phenomena (9%), quantum mechanics (12%), thermodynamics and statistical mechanics (10%), special relativity (6%) and laboratory methods (6%). The remaining 9% of the test covers advanced topics such as nuclear and particle physics, condensed matter physics and astrophysics.

P81—PSYCHOLOGY

The test consists of approximately 205 questions drawn from courses most commonly offered at the undergraduate level. Most of the questions are distributed between two subscore areas: Experimental Psychology (40%), including learning, language, memory, thinking, sensation and perception and physiological/behavioral neuroscience; and Social Psychology (43%), including clinical and abnormal, lifespan development, personality and social. The remaining 17% of the questions test other topics, such as measurement and methodology, history, industrial/organizational and educational psychology. The test's total score includes the questions in all three categories.

ON THE TEST DAY

Identification (ID) Requirements

The identification (ID) requirements in this section must be read by all test takers. It is your responsibility to ensure that your ID documents are up-to-date and available on the day of the test.

Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific information below for acceptable primary and supplemental ID documents.

- ▶ You must have **acceptable** and **valid ID** with your **name, signature** and **photograph** to be admitted to a test center. ID requirements are strictly enforced.
- ▶ It is your responsibility to read and understand the ID requirements. It is not the responsibility of the test or registration center to relay these policies to you.
- ▶ The **photograph** on your ID document must be **recent** and **recognizable**.
- ▶ The **ID** must be **current** (not expired). There is one exception to this requirement. If your driver's license has expired but you have your renewal certificate, these two together are acceptable as long as the name on the driver's license and the name on the renewal certificate are the same.

- ▶ All documents must be originals; copies are not acceptable.
- ▶ If you arrive at the test center without the required ID, you will not be permitted to test and you will forfeit your test fees.

When You Register

- ▶ You must use the exact name and spelling of that name as shown on the primary ID document that you will present at the test center. If the name shown on your primary ID does not match the name on your registration record, you will not be permitted to test and a refund will not be issued. You will have to register again and pay another test fee.
- ▶ Be sure to provide your entire first name (given name) and your entire last name (family name). Do not register under a nickname. If your ID document contains two last names, enter the names exactly as they appear on your ID. If you register by phone, please make sure you are registered under your complete name as it appears on your ID.

At the Test Center

- ▶ If the first name on your primary ID document contains only a first initial, a supplemental ID containing your entire first name must be presented.

ON THE TEST DAY *(continued)*

- ▶ If your ID does not contain your signature, either sign your ID document or present a supplemental ID that includes your signature.
- ▶ If the test administrator questions the ID document you present, you will be required to provide a second proof of identity. If positive confirmation cannot be made, you may be refused admission to the test center and you will forfeit your test fees.
- ▶ The test administrator will check your ID before assigning you a seat at the test center and you may be asked to sign the test center log. The test administrator will check your name, signature and photograph to verify that you are the person in your ID document(s). This procedure will be repeated before and after all breaks.
- ▶ Admittance to the test center does not imply that your form of identification is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event the ID requirements set forth herein are not met.
- ▶ Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.

Test Center Procedures and Regulations

FOR BOTH COMPUTER-BASED AND PAPER-BASED TESTS

By submitting your registration for a GRE General Test and/or Subject Test, you are agreeing to abide by all procedures and policies contained in this *Bulletin* and/or communicated to you at the test administration for which you have registered.

GENERAL GUIDELINES

- ▶ Dress so that you can adapt to any room temperature.
- ▶ Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not permitted in the testing room while testing is in progress.
- ▶ ID verification at the test center may include thumbprinting, photographing, videotaping or some other form of electronic ID confirmation. If you refuse to participate, you will not be permitted to test and you will forfeit your registration and test fees. This is in addition to the requirement that you must present acceptable and valid identification.

- ▶ Food, drinks and tobacco are not allowed in the testing room.
- ▶ **Do not bring cell phones, smartphones (e.g., BlackBerry® devices, iPhones), PDAs and other electronic or photographic devices into the test center.** If you do, you will be dismissed from the test, your test fees will be forfeited and your scores will be canceled. Test administrators are not permitted to collect and hold cell phones.
- ▶ Personal items other than identification documents are not allowed in the testing room. You will be required to follow the procedures set by the test center for storage of your personal belongings. You may also be asked to empty your pockets. Storage space is limited, so plan accordingly. You will not have access to your personal items during the test. **Personal items such as hats, scarves, jackets and outerwear that are taken into the test room are subject to inspection by test center staff before you are admitted to the test room. Failure to comply may result in dismissal from the test and/or cancellation of scores.**
- ▶ Neither ETS nor the test centers assume any responsibility whatsoever for personal items or devices that you choose to bring into the test center.
- ▶ The test administrator will assign you a seat.
- ▶ On occasion, weather conditions or other circumstances beyond the test administrator or ETS's control may require a delayed start or the rescheduling of your test appointment. In the event that a technical problem at the test center makes it necessary to cancel your test session, or if it is later determined that your scores could not be reported, you will be offered the opportunity to schedule another test appointment free of charge or receive a full refund of the original test fee. In addition, you may seek reimbursement from ETS for reasonable and documented expenses associated with traveling to the test center, even though technical problems are generally not the fault of ETS. To request reimbursement, contact GRE General Inquiries (see page 8) with the following information within 30 days of your original appointment: your name, date of birth, mailing address, daytime telephone number, e-mail address, original test date and registration or CBT appointment number, and a brief description of what occurred at the test center. All reimbursements will be made in U.S. dollars.

FOR COMPUTER-BASED TESTS ONLY

The following procedures and regulations apply during the entire test session, which begins at sign-in, ends at sign-out and includes breaks.

- ▶ If you requested and received an authorization voucher from ETS, you must take it with you to the test center.
- ▶ You will be required to write (not print) and sign a confidentiality statement at the test center. If you do not complete and sign the statement, you cannot test and your test fees will not be refunded.
- ▶ You will be required to sign the test center log before and after the test session and any time you leave or enter the testing room.

ON THE TEST DAY *(continued)*

- ▶ You may be asked to remove your watch and to store it during the test administration.
- ▶ The test administrator will provide you with scratch paper that may be replenished after you have used all pages of the scratch paper initially given to you. You may not take your own scratch paper to the test, nor may you remove scratch paper from the testing room at any time. Scratch paper is provided to assist test takers in working out problems and for appropriate note taking during timed sections of the test. Scratch paper should NOT be used during breaks or before the test.
- ▶ Before your test begins, you will be given the option to register for the GRE Search Service. Additional information about this service is available on page 9 of this *Bulletin* or at www.ets.org/gre/stusearch.
- ▶ If you need to leave your seat at any time other than the break, raise your hand; timing of the section will not stop.
- ▶ If at any time during the test you have a problem with your computer, or for any reason need the administrator, raise your hand.
- ▶ Testing premises are subject to videotaping.
- ▶ The GRE General Test includes an optional 10-minute break after the Analytical Writing section and one-minute breaks between the remaining sections of the test. These break times cannot be exceeded.
- ▶ The maximum time allotted for the tutorial and/or other untimed sections prior to the test is 30 minutes. The purpose of the tutorial and/or other untimed sections prior to the test is to become familiar with the computer functions and other important information that will make your computer-based test experience as convenient as possible. The time you spend on the tutorial and/or other untimed sections should not be used for any other purpose. You may not use scratch paper during this time. Infractions will be reported to ETS, and the test administrator is authorized to dismiss you from the test administration if you fail to follow the test administrator's directions.
- ▶ Calculators are not permitted in the testing room.
- ▶ At the end of the test, you will be given the option to cancel your scores (see page 19) or view your unofficial scores. Because of the Analytical Writing essay scoring process, you will not be able to view your Analytical Writing score at this time. If you view your scores, you cannot cancel them at a later date.
- ▶ Take 3 or 4 sharpened soft-lead (No. 2 or HB) pencils and a good eraser. Pencils and erasers will not be supplied at the center. Mechanical pencils and pens are not permitted.
- ▶ No test taker will be admitted after test materials have been distributed.
- ▶ Paper of any kind is not permitted in the testing room.
- ▶ You must have the test administrator's permission to leave the room during the test. Any time lost cannot be made up.
- ▶ You may wish to pace yourself with your own watch, but the test administrator is the official timekeeper. *Watch alarms are not permitted to track time.*
- ▶ You may work only on the section the test center supervisor designates and only for the time allowed. You will not be permitted to continue the test or any part of it beyond the established time limit.
- ▶ Answers to multiple-choice questions recorded in the test book will not be scored. You may use the test book to work out your answers, but you must mark all your answers on the separate answer sheet before time is called.
- ▶ At the conclusion of the test you will be required to return your test book and answer sheet to the test administrator. These materials are the property of ETS.
- ▶ The General Test includes an optional 10-minute break after the Analytical Writing section and one-minute breaks between the remaining sections of the test. These break times cannot be exceeded.
- ▶ Calculators are not permitted in the testing room.
- ▶ At the end of the test, you will be given the option to cancel your scores (see page 19).

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible after the test to report any observed irregular behavior—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam or using notes or unauthorized aids. All information will be held in strictest confidence.

- ▶ failing to follow any of the test administration regulations contained in this *Bulletin*, given by the test administrator or specified in any test materials

- ▶ ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or withholding or canceling your scores—for failure to comply with test administration regulations or the test administrator's directions. If your scores are canceled, they will not be reported, and your registration and test fees will not be refunded.

Canceling Scores

At the end of the test, you will be given the option to cancel your scores. **You cannot cancel your score for one section of the test and have the scores for the remaining sections reported.** Although you have the option to cancel your scores, consider very carefully before doing so. Your scores will be reported to GRE score recipients only at your request. If you cancel your scores, they will NOT be reported to you or any score recipients, and no refund will be made. Canceled scores are not added to your permanent record. If you wish to take the test again, you must reregister and submit another test payment.

If you view your scores at a computer-based General Test session, you cannot cancel them at a later date.

SCORE REINSTATEMENT

Fee: \$30

Scores canceled by you can be reinstated if your request is received at ETS within 60 days after your test date. You may fax or mail a written request to GRE (see General Inquiries on page 8). Your request must include your name, date of birth, daytime phone number, test date and registration number, payment and up to four *free* score recipients. Include the appropriate department codes and indicate what scores you want sent. You may choose to send only General Test scores, only Subject Test scores or both scores, but you may not choose to have only those scores from a specific test date reported. If you do not select score recipients at this time, you must pay \$23 per recipient to have scores sent at a later date.

Scores will be reinstated and reported approximately two weeks after your request for the computer-based General Test or on the approximate score report mailing date listed on page 35 of this *Bulletin*, for the paper-based General Test or Subject Tests. Your scores will be mailed to you and your designated score recipients shortly thereafter.

Absence from a Test

If you are absent from a test administration, you will forfeit your test fee. Institutions will not receive any information about your absence or about any previous score you may have on file.

SCORES & SCORE REPORTS

Getting Your Scores

COMPUTER-BASED GENERAL TEST

You will be able to view unofficial Verbal Reasoning and Quantitative Reasoning scores at the test center; however, because of the essay scoring process, you will not be able to view your Analytical Writing score at that time. Test centers cannot provide printed copies of score reports.

At the testing center, you may request that scores be sent to as many as four graduate institutions or fellowship sponsors at no additional charge. If you do not select score recipients on the test day, you must pay \$23 per recipient to have scores sent at a later date. If an institution is not listed, ask the test center administrator for the appropriate form to indicate unlisted institutions. Complete the form and turn it in *before* you leave the test center. The form will not be accepted after you leave the test center.

Score reports are mailed to you, and the score recipients you designated, within 10 to 15 days after you take the test. **You can view your scores online approximately 15 days after your test date at www.ets.org/mygre.** You can also obtain scores by phone when they are available (see “Phone Services for Scores” on this page).

PAPER-BASED GENERAL TEST OR SUBJECT TESTS

As part of your test fee, you may request that scores be sent to as many as four graduate institutions or fellowship sponsors. You will be asked to designate your score recipients when registering for the test. If you do not select score recipients during registration, or on your admission ticket correction stub, you must pay \$23 per recipient to have scores sent at a later date. If a score recipient is not listed, contact GRE before your test date.

Score reports are mailed to you, and the score recipients you designated, within six weeks after you take the test. **You can view your scores online approximately six weeks after your test date at www.ets.org/mygre.** For the approximate score report mailing and view scores online dates, see page 35 of this *Bulletin*. You can also obtain scores by phone when they are available (see “Phone Services for Scores” on this page).

Reporting Your Test Scores

- ▶ GRE score reporting is cumulative. Current GRE Board policy states that your scores are reportable for five years. Scores earned from July 1, 2005, to the present are available. All scores earned during this time will be reported to each score recipient you designate. If you tested between July 1, 2004, and June 30, 2005, your scores will be purged from our database on June 18, 2010.
- ▶ You may choose to send only General Test scores, only Subject Test scores or both.
- ▶ You may not choose to have only those scores from a specific test date reported.

- ▶ Your score report will indicate your designated recipients and your cumulative record reported at that time. However, your designated recipients will not receive information concerning the other score recipients you have chosen.

Order Additional Score Reports (ASRs)

Fee: \$23 each

Additional score reports can be ordered online, by phone, fax or mail up to five years following your test date.

- ▶ To order additional score reports online, visit www.ets.org/mygre (see page 9).

- ▶ For fax or mail, download the ASR form at www.ets.org/grelstupubs or use the ASR form that you receive with your score report. Changes cannot be made and requests cannot be canceled after the form is mailed or faxed.

NOTE: If you are registering to take a GRE test and have changed your name since you took a previous GRE test and want current and previous scores reported, follow these instructions.

- **Computer-based tests**—Contact GRE (see page 8). Your request must include your current name and appointment number, date of birth, and previous name and test date.
- **Paper-based tests**—Enclose an ASR form with your registration form; there is no charge. If you register online, complete the ASR form and return it with your correction stub after you receive your admission ticket.

Score Review for Analytical Writing Measure **Fee: \$55**

You may request a review of your Analytical Writing section up to six months after the administration. Submit the fee with your written request; include your full name, date of birth, test date, registration number, address and phone number. Mail the request to GRE-ETS, PO Box 6000, Princeton, NJ 08541-6000. Allow four weeks for the results of the review to be mailed. Note that during the review process your GRE General Test scores will be placed on hold; you will not be able to report your scores to designated score recipients until the review process is completed. If the score review process results in a higher or lower score, the new score will be reported.

Paper-Based Test Hand Scoring

Fee: \$30

Hand scoring for a Subject Test or the Verbal and Quantitative sections of the paper-based General Test is available up to six months after the administration. Submit the fee with your written request; include your full name, date of birth, test date, registration number, address and phone number. Mail the request to GRE-ETS, PO Box 6000, Princeton, NJ 08541-6000. If the score review process results in a higher or lower score, the new score(s) will be reported.

Preventing Unauthorized Release of Your Scores

It is a GRE Board policy that your scores be reported only to you, to institutions of higher education granting the baccalaureate or higher degrees, to approved graduate fellowship-granting sponsors and to vendors the score recipients might designate to process the scores they receive. Score reports will be released only upon your request. ETS will not release your scores at the request of institutions or fellowship sponsors except for use in research studies that are approved by the GRE Board and that provide anonymity for the test takers and the institutions they attend.

Note: Your score record and the documents you completed that are retained at ETS may be released to third parties, e.g., government agencies, parties to a lawsuit, if requested pursuant to a subpoena or required by applicable law.

Test Takers' Background Information Data and Performance Data

Test takers' answers to background information questions and their performance data may be used in analysis samples, score interpretation data, group statistics and research studies. Test takers' essay responses may be used in ETS materials to train scorers, to help score recipients interpret scores or to help examinees prepare for the test. In each instance, all identifying information will be removed.

ETS Review of Test Questions

ETS routinely follows extensive review and quality control procedures to detect and avoid flawed questions and consequent errors in scoring. Such procedures include independent reviews by qualified individuals, pretesting questions for the General Test, feedback from test takers after they have taken a GRE test and careful analysis of performance data on each question after it has been administered in a GRE test.

Nonetheless, occasionally an error may be discovered after scores have been reported. Whenever this happens, the specific circumstances are reviewed carefully, and a decision is made about how best to take corrective action that is the most fair to all concerned.

Cancellation of Scores by ETS

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS's standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities and preventing any test takers from gaining an unfair advantage over others. To promote

these objectives, ETS reserves the right to cancel any test score when, in ETS's judgment, a **testing irregularity occurs**, there is an apparent **discrepancy in a test taker's identification**, the test taker engages in **misconduct** or **plagiarism** or the score is **invalid** for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker, and in certain group cases.

TESTING IRREGULARITIES

"Testing irregularities" refers to problems with the administration of a test. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score. When, in ETS's judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

IDENTIFICATION DISCREPANCIES

When, in ETS's judgment, or the judgment of test center personnel, there is a discrepancy in a test taker's identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the test score if the documents or photos from the test day cannot be authenticated.

MISCONDUCT

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center or ETS may decline to score the test, or cancel the test score. Misconduct includes, but is not limited to, noncompliance with the "Test Center Procedures and Regulations" listed on pages 17–19 of this *Bulletin*.

Test takers whose scores are canceled will forfeit their test fees and must pay to take the entire GRE test again at a future administration. No record of score cancellations, or the reason for cancellation, will appear on their future score reports sent to colleges, universities and/or fellowship sponsors.

INVALID SCORES

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns and inconsistent performance on different parts of the test. Before canceling scores pursuant

SCORES & SCORE REPORTS *(continued)*

to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted and offers the test taker a choice of options. The options include voluntary score cancellation, a free retest or arbitration in accordance with ETS's standard Arbitration Agreement. In addition, the test taker is sent a copy of a booklet, *Why and How Educational Testing Service Questions Test Scores*, which explains this process in greater detail. (This booklet is available to any test taker at any time on request.)

Note: The retest option is available only to test takers in the United States and Canada. The arbitration option is available only for tests administered in the United States.

Your essay responses on the Analytical Writing section will be reviewed by ETS essay-similarity-detection software and by experienced essay readers during the scoring process. In light of the high value placed on independent intellectual activity within United States graduate schools and universities, ETS reserves the right to cancel test scores of any test taker when there is substantial evidence that an essay response includes, but is not limited to, any of the following:

- ▶ text that is similar to that found in one or more other GRE essay responses;

- ▶ quoting or paraphrasing, without attribution, language that appears in published or unpublished sources;
- ▶ unacknowledged use of work that has been produced through collaboration with others without citation of the contribution of others;
- ▶ essays that are submitted as work of the examinee when the words have, in fact, been borrowed from elsewhere or prepared by another person.

When one or more of the above circumstances occurs, your essay text, in ETS's professional judgment, does not reflect the independent writing skills that this test seeks to measure. Therefore, ETS must cancel the Analytical Writing score as invalid and cannot report the GRE General Test scores of which the Analytical Writing score is an indispensable part.

Test Fairness and Score Use

ETS and the GRE Program have taken steps to ensure, to the extent possible, that tests and test scores are fair for all test takers, regardless of group membership. In addition, the GRE Board has developed guidelines for the use of GRE scores, which summarize the considerations for appropriate use of the scores and encourage institutions to use GRE scores appropriately. For information about test fairness and appropriate use of GRE scores, visit www.ets.org/gre/greguidelines.

SEARCH SERVICE – This free service matches prospective graduate students with participating graduate schools and fellowship sponsors. If you match the recruitment profile of a participating institution/organization, you may be sent information about graduate programs, admission requirements, financial aid opportunities, fellowships and other graduate education opportunities. When you participate in the Search Service, your background information, contact information and broad score ranges into which your test scores fall will be added to the Search Service database so that participating institutions can locate you. Information provided to participating schools does not include individual GRE test scores. To learn more about the service, visit www.ets.org/gre/stusearch.

In addition to the registration centers listed in this publication, ETS authorizes a limited number of local registration centers to process test registrations. ETS authorized registration centers display a "certificate of authorization" from ETS. The GRE program is not responsible for the activities of unauthorized providers, and assumes no liability with regard to their failure to provide services.

CBT TEST CENTERS International

Testing is available year-round. Schedule a testing appointment online at www.ets.org/gre/grereg, call the appropriate Regional Registration Center (RRC#) if you are making payment with a credit/debit card, or use the International Test Scheduling Form (page 29 of the 2010–11 *GRE Information and Registration Bulletin*). RRC phone numbers are listed on page 5.

If there is no test center in your country, the computer-based GRE General Test may not be available in your area. See the list of GRE paper-based test centers on page 12 of this publication.

If the special instructions in the last column indicate, “See *Bulletin Supplement*,” download a copy at www.ets.org/gre/stupubs or obtain a copy from the RRC where you got the *GRE Bulletin*. The Supplement describes the testing arrangements available in these countries.

There may be additions, deletions, or changes to this test center list during the testing year. Be sure to check the GRE General Test online registration system at www.ets.org/gre/grereg or visit www.ets.org/gre/stupubs for the most up-to-date list.

INSTITUTION CODES AND FELLOWSHIP SPONSORS

The institutions and fellowship sponsors listed below are approved to receive GRE scores. If you want to have your scores sent to a score recipient that is not listed in this table, see page 20 of the 2010–11 *GRE Information and Registration Bulletin*.

If a * appears to the left of an institution's code number, it indicates that, at the time this publication was printed, the institution was not offering graduate programs. An institution code preceded by a star should not be entered in the score report recipient section of the registration form.

Various organizations use GRE scores in considering candidates for graduate fellowships. However, test scores should not be directed to a fellowship sponsor unless you have filed an application with that sponsor or have been requested by the sponsor to send scores. If you are applying for a fellowship that does not appear in the list but is offered by a specific university, contact the university to determine the appropriate code to use.

For a list of institutions that receive ETS® Personal Potential Index (ETS® PPI) Evaluation Reports, visit www.ets.org/ppi/reportrecipients.
