

# MEDICAL ENTRANCE EXAMS

## *OPPORTUNITIES FOR MEDICAL EDUCATION*

More than Twenty Thousand seats are available every year in Indian Medical Colleges. The entrance examinations are many and the competition tough. Yet a bright and hardworking student *can* be selected by several Medical Colleges from which he/she can choose the one he/she wants to attend.

A student can appear for several Entrance Examinations in the same year. In fact, every year, most of our students appear for two or more Entrance Exams and are selected for admission by more than one Medical College, from which they then choose the Institution they want to join.

## **OVERVIEW**

The National level Medical Entrance Tests are open to students without reference to their place of domicile. Medical Entrance Tests conducted at the State level are meant for students of State domicile. The basic requirement is that students should be at least 17 years old on or before 31st December of the year of admission; the upper age limit where prescribed is 25 years. Candidates must have completed Std. XII or its equivalent examination with Physics, Chemistry and Biology.

## ***I. NATIONAL-LEVEL MEDICAL ENTRANCE EXAMINATIONS***

### **(i) All India Pre-Medical Pre-Dental Test (AIPMT)\***

The AIPMT is conducted by the Central Board of Secondary Education (CBSE) every year, for admission to the 15% merit based seats of the total

*\* Based on the Information Bulletin of All India PM/PD Entrance Exam 2007*

in-take capacity of specified Medical /Dental Colleges located in all States **except** Andhra Pradesh and Jammu & Kashmir. Candidates belonging to these two states are not eligible for admission to the AIPMT. If they claim eligibility they must produce an affidavit in the form prescribed that (a) they are not eligible to seek admission to Medical Colleges of Andhra Pradesh /Jammu & Kashmir and

(b) they are not domiciled in Andhra Pradesh or Jammu & Kashmir.

### ***Eligibility and Qualifications for AIPMT***

- Only Indian Nationals are eligible.
- The candidate must have completed 17 years of age on or before December 31st of the year of admission.
- The upper age limit is 25 years on 31st December of the year of the Entrance Examination (30 years for candidates of SC/ST/OBC)
- The number of attempts which a candidate can avail shall be limited to 3 (three) for all candidates.
- The minimum qualification is a pass in the 12th standard of the 10 +2 course (Higher/Senior Secondary Exams or 2nd year if Pre/Intermediate pre-degree Exam) in the subjects of Physics, Chemistry Biology and English individually; a minimum of 50% marks taken together in PCB (40% in the case of SC/ST/OBC candidates) is required. Those who are taking the Std XII examination whose result is awaited may also appear for the Entrance Examination subject to their fulfilling the conditions later.

### ***Pattern of AIPMT***

The Entrance Examination consists of :

- **A Preliminary Examination** in April consisting of one paper containing 200 objective type questions from Physics, Chemistry and Biology ( Botany & Zoology) of three hours' duration.
- **A Final Examination** in May only for those who qualify in the Preliminary Examination, consisting of two papers, each of 2 hours' duration. Paper 1 will contain questions from Physics and Chemistry and Paper 2 will contain question from Biology (Botany & Zoology). The Final Exam will have conventional (non objective) type of questions.

\* Based on the Information Bulletin of All India PM/PD Entrance Exam 2007

## **(ii) Other Medical Entrance Examinations**

There are several Medical Colleges where seats are open to Indian Nationals through Entrance Examinations without any domicile conditions, some of which are:

- All India Institute of Medical Sciences, New Delhi (AIIMS)
- Armed Forces Medical College, Pune (AFMC). Admitted candidates have compulsory liability to serve in the Armed Forces Medical Service after graduation.
- Jawaharlal Nehru Institute of Post Graduate Medical Education and Research (JIPMER), Pondicherry
- Christian Medical College (CMC), Vellore
- Christian Medical College (CMC) Ludhiana
- Mahatma Gandhi Institute of Medical Science, Wardha (MGIMS)
- Banaras Hindu University, Varanasi (BHU)
- Manipal Academy of Higher Education, Manipal (MAHE)
- St. John's National Academy of Health Science, Bangalore
- Bharati Vidyapeeth, Pune.
- Dr. Ramachandra Medical College & Research Institute, Chennai
- Annamalai University, Tamil Nadu

These other Medical Entrance Examinations are generally conducted between April and August; some examination authorities stipulate higher minimum/aggregate marks in English and for Physics, Chemistry & Biology taken together

## **II. STATE MEDICAL TESTS**

A candidate satisfying the domicile conditions of a state can appear for one of the State Medical Tests. In most cases the selection is made through an Entrance Examination conducted for this purpose

Note: For more details please refer to the Hand Book of Medical Education, published by and available from the Association of Indian Universities, AIU House, 16 Kotla Marg, New Delhi 110002.

The Examinations are generally held between April and August. The actual dates of the examinations, the syllabus prescribed, if any, and other details are announced in the information bulletins for the examinations issued by the respective Testing Authorities.

**It is the student's responsibility to watch for publication of these bulletins and ensure compliance with all requirements of the respective Entrance Examinations. Brilliant Tutorials does not provide any application forms for Medical Entrance Examinations.**

### ***BRILLIANT'S PREPARATORY COURSES***

Our Postal Courses for Medical Entrance Examinations have been an outstanding success. They are integrated courses, well suited for the All India Pm/Pd Test conducted by the CBSE and the Entrance Exams of most of the major Medical Colleges in India including the MH-CET as well as the medical segments of Karnataka CET, WBJEE and EAMCET (A.P). This has been made possible by our Professors who study the changing syllabi and patterns of examinations of the various medical colleges, on an on-going basis and continuously review and revise the lessons and exercises.

***We offer the following courses:***

- (i) One-year Postal Course with Med.QB (Medical Question Bank) and B.NET (Brilliant's National Evaluation Tests) One-year Test Series for Medical Entrance Exams** for students who have passed or are in Standard XII.
- (ii) Med.QB (Medical Question Bank) with B.NET One-year Test Series** can be taken separately by students who have passed or are in Std. XII.
- (iii) A Two-Year Course: CBSE-PLUS** – for students in Std. XI.

# ONE-YEAR POSTAL COURSE WITH MED.QB AND B.NET ONE-YEAR TEST SERIES

TOWARDS

**MEDICAL ENTRANCE EXAMINATIONS, 2008**

## **Useful for all Medical Entrance Examinations**

The course material covers a wide syllabus. The worked examples, the exercises, the Question Bank and the Self-Scorers help students to prepare for various patterns of examinations. Our B.NET One-year Test Series comprising 22 National Sit-down Tests and 23 Full-Syllabus Postal Simulator Tests for Medical Entrance Exams gives the students abundant practice for all Entrance Examinations in addition to the All India Pm/Pd Test.

### ***Enrolment***

Enrolment for this course is open to all students who have passed Std. XII or equivalent or are studying in Std XII. or equivalent in the 2007 - 2008 academic year.

Enrolment for the One-year Postal Course with Med.QB (Medical Question Bank) and B.NET (Brilliant's National Evaluation Tests) will open on January 01, 2007. Students can enrol at any time convenient to them but are advised to join early, as it will give them more time for study and revision of the course material and be able to attend all the National Sit-Down Tests in our B.NET Series.

### ***Medium of Instruction***

The course material is in the English medium, and only students who can follow our lessons in English should apply for enrolment.

Despatch of course material will begin in **April 2007**. Subsequent sets will be sent at roughly monthly intervals. Material is normally sent by Parcel Post or by private Courier Services.

Students who enrol after October 2007 will be sent all the material in one lot.

## COURSE HIGHLIGHTS

### *Course Contents*

This course teaches the subjects from fundamentals, drills students with graded exercises, raises their morale through Contact Programmes, guides them with periodic Postal Tests and evaluates them with B.NET, Brilliant's National Evaluation Tests for Medical Entrance.

### *The Course Material: Lessons and Assignments*

The study material is presented in **seven sets** of lessons and assignments. The theory notes are elaborate with topics fully explained and with a number of objective questions and worked examples.

Each lesson is followed by an Assignment in two parts: A and B, containing subjective/descriptive Questions and Objective Questions respectively. The problems will initiate students into problem solving with exercises on the specific topics covered in that lesson; Part B will be problems on par with the All-India Pm/Pd Test standard objective questions.

The Assignments, given at the end of each lesson, in each of the three subjects Physics, Chemistry, and Biology will help students understand the subject, gain practice in solving short and long problems and become familiar with the subject matter of the course.

The student should study the theory well, systematically work the assignments and should then compare his/her working with the fully worked-out solutions which will be provided in the subsequent set.

**Working sheets of assignments should NOT be sent to us.**

## ***Postal Tests***

There will be 3 sets of Postal Tests modelled on the CBSE Pm/Pd during the One-year Course: Each set of Tests will consist of three papers: i. a 3 - hour objective paper with questions in Physics, Chemistry and Biology. ii a two-hour subjective paper in Physics, Chemistry and iii. a two-hour subjective paper in Biology.

These Tests will be sent with Sets 2, 4 and 6 respectively, and will include topics covered in the preceding Sets. Solutions will be sent with the subsequent Set.

Students should self-administer the Tests strictly under examination conditions, and finish each paper in one sitting within the specified time limit, without referring to the study materials.

## ***MED.QB (MEDICAL QUESTION BANK) AND SELF - SCORERS***

### ***Med.QB (Medical Question Bank)***

Brilliant's Question Bank for Medical Entrance will be issued as a part of our One-year Course. This contains over 4000 objective and subjective questions topic-wise in Physics, Chemistry and Biology, with keys and explanatory notes for select questions.

### ***Self - Scorers***

The full syllabus Self-Scorers consist of 12 sets Test papers, each containing 200 objective questions in Physics, Chemistry and Biology with keys. Students should attempt these as Home-based Tests within the specified time-limit and assess their performance with the help of the keys given.

### ***Ready Reference Compendium and Glossary***

To help the students to solve/answer questions in the Question Bank, Self Scorers and Simulator Test Papers, we provide a Ready Reference Compendium, a collection of important formulae, equation and data in Physics and Chemistry and a Glossary of terms in Biology.

# B.NET

## BRILLIANT'S NATIONAL EVALUATION TESTS FOR MEDICAL ENTRANCE EXAMS

*15 National Sit-down Tests*

&

*23 Full-Syllabus Medical Entrance Simulator Tests (home-based)*

### **B.NET National Evaluation Tests and Part Tests**

A total of four B.NET Progressive Tests will be conducted for our students. All these are National Sit-down Tests conducted at various centres around the country in August and October 2007.

These will be followed by four Part Tests in November and December 2007 and 7 B.NET Final Tests conducted in December 2007, January and April 2008, conveniently after the Std. XII Board Exams and close to the actual Medical Entrance Exams.

All the B.NET Sit-down Tests will be based on the CBSE pattern i.e. a three hour Preliminary Test with Objective questions in Physics, Chemistry, and Biology followed by a Final Exam of two 2-hour subjective papers - Paper I in Physics and Chemistry and Paper II in Biology.

All the Tests will be evaluated and every student who appears for these Tests will be given his/her individual percentile score so that they will know their relative performance against the national competition.

$$\text{Note: Percentile Score} = \frac{\text{No. of students who scored equal to or less than you}}{\text{Total No. of students who appeared in the Test}} \times 100$$

**The Question Papers of these Tests will not be sent to students who do not personally appear for the National Sit-Down Tests.**

**B.NET TEST CENTRES:** Ahmedabad, Amritsar, Bangalore, Bhopal, Bhubaneshwar, Bokaro Steel City, Chandigarh, Chennai, Coimbatore, Dhanbad, Guwahati, Hyderabad, Jaipur, Jamshedpur, Kochi, Kolkata, Lucknow, Mumbai, Nagpur, New Delhi, Patna, Pune, Ranchi, Thiruvananthapuram and Vishakapatnam.

### B.NET Progressive Evaluation Test

Exam		Month
PET 1	Preliminary	August 2007
PET 2	Paper I	August 2007
	Paper II	August 2007
PET 3	Preliminary	October 2007
PET 4	Paper I	October 2007
	Paper II	October 2007

### B.NET PART TESTS

Part Test 1	Preliminary	November 2007
Part Test 2	Paper I	November 2007
	Paper II	November 2007
Part Test 3	Preliminary	December 2007
Part Test 4	Paper I	December 2007
	Paper II	December 2007

### B.NET FINAL TEST SCHEDULE

Exam		Month
B.Net Final Test 1	Preliminary	December 2007
B.Net Final Test 2	Paper I	December 2007
	Paper II	December 2007
B.Net Final Test 3	Preliminary	January 2008
B.Net Final Test 4	Paper I	January 2008
	Paper II	January 2008
B.Net Final Test 5	Preliminary	January 2008
B.Net Final Test 6	Preliminary	February 2008
B.Net Final Test 7	Paper I	February 2008
	Paper II	February 2008

## **Full-Syllabus Medical Entrance Simulator Test Series (home-based)**

Twenty three Sets of Full-Syllabus Test Papers, simulating the pattern of CBSE's All-India Pm/Pd Test (Prelim and Final), will be sent to students enrolled in this course. Thirteen of these Sets will be sent with the seventh set of course material and the last ten sets containing non-objective questions, will be sent when we receive a photocopy of the student's Hall Tickets clearly showing the Registration Numbers for the Medical Entrance Examinations.

These Test Papers contain a total of 3000 questions. These last ten sets will have 2 subjective papers of 2 hours each (i) Physics and Chemistry (ii) Botany and Zoology, on the pattern of CBSE's Pm/Pd Final Exam. These will meet the requirements of the Pm/Pd Final Exam, as well as that of all other Entrance Examinations.

The keys to the Objective Papers and solutions to the problems to these Test Papers will be sent with the Test Papers. The student should self-administer each paper under strict examination conditions and should then compare his/her answers with the keys provided.

This Full-Syllabus Test Series, together with the 7 Final National Sit-down B.NET Series to be conducted in 27 cities between December 2007 and May 2008, should enable students to face Medical Entrance 2008 with supreme self-confidence.

**Only students enrolled thirty days before the date of any Test will be eligible to attend that Test.**

### ***CONTACT PROGRAMMES***

There will be two Contact Programmes during this course at which our Professors will visit several Centres around the country, to meet our postal students and provide them with a valuable opportunity to discuss any difficulties they may have. Details of these programmes will be sent to all enrolled students separately.

**Contact Programmes will be held in:** Bangalore, Bokaro Steel City, Chandigarh, Chennai, Hyderabad, Kochi, Kolkata, Lucknow, Mumbai, New Delhi, Patna and Ranchi.

## ***Contact Programmes and the B.NET Test Series***

The Enrolment Form separately lists the Centres for our Contact Programmes and the B.NET Tests. Students should indicate the Centre of their choice separately for the Contact Programmes and the B.NET Test Series.

**No change in the Centre will normally be allowed.** Any subsequent change in the Centre allotted will be considered only in exceptional cases and where the student applies to us in advance and receives our written approval.

Details of dates and venues for the B.NET Series and Contact Programmes will be mailed to students in advance.

Students may miss one or more of the Contact Programmes and/or Tests in the B.NET Series, depending on their date of enrolment.

### ***Doubt Letter Scheme***

Our Professors' services are readily available to clear students' doubts while studying our course material. Students are welcome to send to us, in writing, their doubts, up to March 15th, 2008 even if our entire course material was received much earlier.

Problems/Questions must be restricted to 5 in a letter and be well within the examination syllabus. The source from which the problems have been taken **must be specified** and student's **working sheets** enclosed along with the problems referred to us.

**Doubt Letters which do not meet these specific conditions will not be answered.**

**Note: In order to facilitate and speed up processing, please write DOUBT LETTER – ATTN:ACADEMIC SECTION clearly on the top of the cover. Please DO NOT combine Doubt Letters with other types of correspondence.**

**MEDICAL QUESTION BANK (MED.QB) COURSE**  
**with B.NET ONE-YEAR TEST SERIES**

**FOR**

**MEDICAL ENTRANCE EXAMS, 2008**

**Brilliant's Med.QB with B.NET One-year Test Series** is an integral part of the One-year Postal Course for Medical Entrance, meant for Std. XII students as well as those who have passed Std. XII. However, students can also enrol separately for Med.QB with B.NET One-year Test Series. **This course does not contain any theory material.**

***Med.QB (Medical Question Bank)***

The Question Bank with 4000 objective questions and subjective problems in Physics, Chemistry and Biology, and the Self-Scorers comprising 12 sets of Test Papers will help our students to prepare thoroughly for the Medical Entrance Exam.

***B.NET One-year Test Series***

Students have the opportunity to take part in all our National Sit-down Tests – Six B.NET Progressive Tests, 6 Part Tests and ten B.NET Final Tests. They will also receive 23 Full-Syllabus Postal Simulator Tests for Medical Entrance Exams. These Tests will enable students to practise with the proforma of answer scripts prescribed for the All India Pm/Pd Exams conducted by the CBSE.

Details of Med.QB and B.NET are given on pages 7 - 10.

Students of Med.QB with B.NET One-year Test Series may correspond with our Professors, if they have any difficulty while dealing with the problems of the Question Bank. They are also eligible to attend our Contact Programmes.

The Question Bank will be issued from September 2007. The First Set containing the Question Bank will be despatched soon after enrolment or in September 2007, whichever is later and the second, the Self-Scorers, will be made available a month later, the total number of despatches being three, **including the special despatch of thirteen Full-Syllabus Medical Entrance Simulator Test Series in January 2008.** The final ten sets of Test Papers will be sent after we receive the student's Registration Numbers for the 2008 Medical Entrance Examinations.

A student who enrolls for the One-year Postal Course need not enrol separately for Med.QB with B.NET One-year Test Series separately; the latter is included as part of the One-year Postal Course.

### ***Course Fees***

The **fees** for the One-year Postal Course with Med.QB and B.NET One-year Test Series is **Rs. 7470/-** + Service Tax Rs. 923/-. **Total: Rs. 8393/-.**

The fee for the Med.QB with B.NET One-year Test Series Course is **Rs. 4650/-** + Service Tax Rs. 575/-. **Total: Rs. 5225/-.**

Requests for concessions in the fee beyond those given below, or for an instalment facility, will not be entertained.

**Note:** The concessions detailed below are **not** additive i.e. a student will be eligible for only one concession and will be awarded the highest concession he/she qualifies for.

## FEES CONCESSION FOR HIGH PERFORMANCE IN STD. X PUBLIC EXAM

A Special **15%** concession will be given to students who secure 75.0% or above but below 90.0% as the average of the percentage of marks in Science in the Std X Public Examination.

A concession of **30%** of the Course fee will be awarded to students who secure 90.0% or above, of the average of percentage of marks obtained in Science in the Std.X Exam of any Board. The same concession will also be offered to students who have qualified as NTS Scholars in the National Talent Search Examination conducted at the Std. X level by the NCERT, New Delhi, provided these students have also secured a minimum of 80.0% of the average of the percentage of marks in Science of the CBSE/ICSE or 85.0% or above of the average of percentage of marks in Science in the Std. X exam of any Board.

If the Science subjects are mentioned individually, the percentages of the marks in Physics, Chemistry and Biology will be totalled for arriving at the average of percentages.

### One-year Course with Med.QB and B.NET

Fee Concession	Minimum average % of Marks	Course Fee	Service Tax	Total Due
15%	75.0%	Rs.6350/-	Rs.785/-	Rs.7135/-
30%	90.0%	Rs.5229/-	Rs.646/-	Rs.5875/-

### Med.QB with B.NET

15%	75.0%	Rs.3953/-	Rs.489/-	Rs.4442/-
30%	90.0%	Rs.3255/-	Rs.402/-	Rs.3657/-

*The student applying for the concession should attach to the Enrolment Form a clear photocopy of the mark sheet of the Std.X. Public Examination, attested by a Gazetted Officer. If the mark sheet is in a language other than English, a certified translation in English should also be enclosed.*

***Please do not send the original marksheet – it will not be returned.***

*Students claiming the NTS Scholar concession should send an attested copy of the Notification Letter from the NCERT, New Delhi.*

## SPECIAL RECOGNITION FOR SCHOOL TOPPERS!

In special recognition of their achievement, Brilliant Tutorials is pleased to offer a special **20%** concession to those students who stand **first, second or third** in their respective schools in the Std.X Board Examination, **provided** they secure a minimum of 80.0% as the average of the percentage of marks in Science in the Std. X Public Examination of the CBSE/ICSE or 85.0% of other Boards. If the Science subjects are mentioned individually, the percentages of the marks in Physics, Chemistry and Biology will be totalled for arriving at the average of percentages.

The fee for these students will be:

Course	Fees	Service Tax	Total Due
One-year Course with Med.QB and B.NET	<b>Rs. 5976/-</b>	Rs. 739/-	<b>Rs. 6715/-</b>
Med.QB with B.NET	<b>Rs. 3720/-</b>	Rs. 460/-	<b>Rs. 4180/-</b>

To claim this special concession, the student must send us:

- (a) A copy of his/her Std.X. Board Exam marksheet attested by a Gazetted Officer. *If the mark sheet is in a language other than English, a certified translation in English should also be attached.*
- (b) An **original letter on school letterhead from the Principal** of the school from which the student appeared for the Board Exam stating the student's school rank in the Board Exam. This letter must be signed only by the Principal (no other signature will be accepted) and must be in the original (**photostat copies will not be accepted**)

**In all cases the decision of Brilliant Tutorials Pvt. Ltd., shall be final.**

**Summary of Brilliant's Students  
selected for admission to various Medical Colleges  
following the 2006 Medical Entrance Exams**

CBSE's Pm/Pd Test	292	Kerala Medical Colleges	91
Waiting List	204	Bharatiya Vidyapeeth	29
AFMC called for Interview	92	Haryana	33
(Final Selection)	15	Uttranchal Medical	12
Waiting List	6	UP Medical Colleges	35
Delhi PMT	62	Chandigarh CET	31
AIIMS, New Delhi	10	Punjab PMT	72
JIPMER	11	MGIMS, Wardha	7
Waiting List	5	Waiting List	4
CMC, Vellore		MH-CET	5
(called for Interview)	28	Manipal (MAHE)	206
(Final Selection)	10	West Bengal JEE	7
(Waiting List)	2	AMU Aligarh	12
Tamil Nadu (TNPCEE)	106	Waiting List	3
EAMCET AP	7	Rajasthan	16
Karnataka Medical Colleges	11	Orissa	2

## ***PROCEDURE FOR ENROLMENT***

The Student should send us:

1. The completed Enrolment Form with a passport size photograph glued to the Enrolment Form in the allotted space.
2. Two additional signed copies of the passport size photograph (preferably colour) enclosed with the Enrolment Form. One photograph will be affixed to the Admit Card sent to the student on enrolment. This Admit Card **must** be produced for admission to the Contact Programmes and/or the B.NET Test Series.

**Note: Enrolment Forms without the three photographs will not be accepted. The Examination Superintendent at the venue of the B.NET Test Series and the Manager of the Contact Programmes reserve the right to refuse admission to any student who does not produce his/her Admit Card.**

3. The full Course Fee

**Fee Remittance:** The fees for the course should be remitted, either by Money Order or Demand Draft, drawn in favour of **Brilliant Tutorials Pvt. Ltd.**, payable at **Chennai**.

Remittance by Money Order: The course for which the MO is being sent as well as the student's full postal address should be indicated in the coupon.

The fee can also be paid in cash at our office in Chennai.

**Fees once paid will not be adjusted or refunded under any circumstances.**

**Students resident outside India should follow the remittance instructions given on the Enrolment Form they receive.**

**Note:** When calling to enquire about the status of your application, please have the following information ready:

- A copy of your application form
- D/D Number and Date (If Money Order, then MO Receipt Number and Date)
- Issuing Bank / Post Office
- Mode of Despatch of application (Courier, Registered Post, Speed Post, Ordinary Post)
- Date of Despatch

Please wait at least 15 days after date of despatch, before calling.

#### **REQUESTS FOR CHANGE OF ADDRESS ETC.**

**Normally we do not accept any advice for stoppage of despatch of study material.** Change of address, or, in exceptional cases, stoppage or resumption of despatch etc. will be implemented only if requested by a letter signed by the student. A photocopy of the Admit Card (with the photograph visible) must be enclosed with the letter. Telephone requests will not be honoured unless confirmed in writing.

This policy is designed to prevent fraud and to safeguard the interests of our genuine students.

**Please allow 15 days from the date of receipt, for implementation of the change**

*All matters are subject to the exclusive jurisdiction of the courts in Chennai only.*

## PRIZE SCHEME FOR MEDICAL ENTRANCE EXAMS, 2008

Brilliant Tutorials takes pleasure in announcing a Prize Scheme for students enrolled in our CBSE-PLUS, One-year Postal, Med.QB or Classroom Courses for Medical Entrance Exams, securing top ranks in Medical Entrance Exams, 2008, wherever the ranks are made public, as detailed below and subject to the conditions stipulated.

### I. All India Pre-Medical/Pre-Dental Test Conducted by the CBSE

Brilliant's students who secure the All India

<b>First Rank</b>	will be awarded a Cash Prize of	<b>Rs. 50,000/-</b>
<b>Second Rank</b>	will be awarded a Cash Prize of	<b>Rs. 25,000/-</b>
<b>Third Rank</b>	will be awarded a Cash Prize of	<b>Rs. 10,000/-</b>
<b>Ranks 4 to 10</b>	will be awarded a Cash Prize of	<b>Rs. 5,000/- each</b>
<b>Ranks 11 to 100</b>	will be awarded a Cash Prize of	<b>Rs. 2,000/- each</b>
<b>Ranks 101 to 500</b>	will be awarded a Cash Prize of	<b>Rs. 1,000/- each</b>

**II. Other Medical Entrance Examinations:** Brilliant's Students, enrolled in our CBSE-PLUS, One-year Postal, Med.QB or Classroom Courses for Medical Entrance Exams, who secure the First Rank in Entrance Exams 2008, conducted by other Testing Agencies will be awarded a Cash Prize of **Rs.10,000/-** each. Where a common Medical Entrance Examination is conducted by a State Agency for all Medical Colleges under its control, a Cash Prize of **Rs. 10,000/-** will be awarded to the **First Rank** holder in the **State**.

All students should send us, by Registered Post, a photo copy of their Hall Tickets for the 2008 Medical Entrance Exams that they plan to appear in, along with a copy of the BT Admit Card with the photograph visible. Students who do not send us their Registration Numbers **before** the Entrance Exams are conducted, will not be eligible to claim the prize.

This Prize Scheme is applicable only to the All-India Ranks of General Category and not to the Ranks under any group or reserved category such as SC, ST, Defence, etc. Students enrolled with us and declared successful for admission to the MBBS Course only will be eligible for this prize scheme and not students declared successful for other branches like Ayurvedic, Homeopathic, Unnani Medicine etc.

A student who secures the First Rank in more than one Entrance Exam will be eligible only for one Prize.

Students enrolled only in our Target:MBBS Course are not eligible under this Scheme.

The prize amount will be paid in Indian Rupees.

In case of a tie, the prize money will be divided.

In all cases, the decision of the Management of Brilliant Tutorials shall be final.

## DESPATCH SCHEDULE

- Set 1** Lessons and Assignments
- Set 2** Solutions to Assignments of Set 1  
Lessons and Assignments  
Test Paper I
- Set 3** Solutions to Assignments of Set 2  
Lessons and Assignments  
Solutions to Test Paper I
- Set 4** Solutions to Assignments of Set 3  
Lessons and Assignments  
Test Paper II
- Set 5** Solutions to Assignments of Set 4  
Lessons and Assignments  
Solutions to Test Paper II
- Set 6** Solutions to Assignments of Set 5  
Lessons and Assignment  
Test Paper III  
**Question Bank with Answers**
- Set 7** Solutions to Assignments of Set 6  
Solutions to Test Paper III  
Self Scorers with Keys - 12 Sets  
Ready Reference Compendium in Physics,  
Chemistry and Glossary of terms in Biology.  
**Simulator Test Series for CBSE's All India  
Pm/Pd Exam - 13 Sets with Keys**

## **WHAT OUR STUDENTS SAY .....**

**July 19, 2006**

Course was thorough in syllabus with chapter-wise MCQ's and subjective questions. It reached each and every depth of syllabus and no other book was necessary for reference. Further, Test Series (both Objective and Subjective) were good and exactly on the pattern of real exams. I think your course is an ultimate correspondence course. I recommend my juniors to take the course and get benefit from it.

**Selected: CBSE PMT 1; CPMT 86**

---

**Nitin Bansal, MDPS0500190**

**July 19, 2006**

The Study Material was very extensive and the Sit-down tests were particularly useful for self-assessment. The course material is good and very comprehensive. The Doubt Letter Scheme is a very efficient and reliable method of solving doubts. I recommend the course very strongly. I feel Medical aspirants must avail this facility to train themselves for PMTs.

**Selected: Manipal (MAHE) 1; JIPMER 2; AIIMS 8; CBSE PMT 4; Chandigarh CET 5; CMC (Ludhiana) 4**

---

**Ankita Chakravarty, MCBP0602018**

**July 21, 2006**

The course material, the contact programmes, the Doubt Letter scheme and the tests provided a complete preparation for all PMTs and complemented each other well. My personal favorites were the Question Bank and Sit-down tests which gave me a picture of my national standing and the improvements that I needed to introduce in myself. Your course material is already Top Class. I would recommend your course to any and every serious medical aspirant. Your course with its material and its tests has given me the edge over other competitors.

**Selected: Chandigarh CET 1; AIIMS 2; Manipal (MAHE) 3; CBSE PMT 5; MGIMS (Wardha) 1**

---

**Rohan Khara, MCBP0602966**

**July 21, 2006**

The concepts published in the course books are crystal clear. I did not have any difficulty in grasping and assimilating it. Secondly, it was so systematic. Every set sent by you was always on time. The B.NET Test Series was the best, which really guided me and exposed my mind to the mind boggling questions that appear in entrance exams. The Med. Q.B & Self-Scorers also helped a lot. The course basically developed in me the confidence to solve any type of problem. It's because of Brilliant's course that I achieved tremendous strength in Physics and if it hadn't been Brilliant then I would not have secured what I have today.

It is an excellent Study package given for all round development. Since the study package is given regularly therefore it sets the mind for hardwork & concept building. No other course is as professional and conceptual as Brilliant's study package. Everyone should join this course for cracking PMTs. It is only because of you that I have cracked all PMTs.

July 17, 2006

The correspondence course was extremely good. BT Test Series was an eye opener to what kind of questions & levels of examination are expected. The Quality of material was extremely good. The material was concise and to the point. Sit-down tests were a good eye opener. They stimulated me to study and gave a fair idea of the level of examination which I was to face in the future. I have recommended the course to a lot of my juniors & classmates who could not make it to a medical college this time. I am thankful to you for providing me with the right material for competitive exams. It had a major role to play in my success.

July 18, 2006

The course was very comprehensive and the study material contained every important point with all the details, and both objective and subjective questions. The question banks and the simulator test papers contained all the necessary questions along with the solutions for the medical entrance preparation. The course was very helpful in overall success. In the contact programmes many of my doubts were cleared and the Doubt Letter Scheme helped in getting a lot more information on certain topics. I feel your course is very helpful for a Medical aspirant. I would recommend your course to all the Medical aspirants because it contains all the topics to all the necessary details. It is sufficient in itself and a thorough study of the study material can help the students clear the medical entrance examinations with good ranks.

**Selected: AFMC 5; UPCPMT 28; CBSE PMT 174; Manipal (MAHE) 365**

**July 18, 2006**

Course helped me really very much in improving my speed and accuracy, and provided the extra information one must have in clearing various pre-medical tests and most importantly made me well acquainted with the sorts of questions asked in PMT's. I found the course really very helpful. It helped me to get enough practice and knowledge to crack the PMT's with full confidence. So, I attribute my success mainly to Brilliant Tutorials. The course material and syllabus is very well covered and divided precisely into various sets. Questions asked are of good standard. I would advise every medical student aspiring to get admission in esteemed colleges to join Brilliant Tutorials course.

**July 16, 2006**

Problems in Physics and solved examples helped a lot in learning problem solving skills. Question Bank helped in gaining speed in solving objective and subjective problems. The material in Biology was unmatched and with NCERT Biology Textbooks gave the right mix for PMT preparation. Helped as a great deal in my success in CBSE PM/PD – 2006, AIIMS, JIPMER & AFMC entrance examination. Quality of Study Material was excellent. The Doubt Letter scheme was a great help in getting my doubts cleared. Tests were a simulation of actual exams. I would strongly recommend your course to every medical aspirant. Your course gives that edge to one's preparation which help one get brilliant success in various PMT's. The systematic way study material is prepared, helps one to prepare for any PMT.

**July 21, 2006**

The course material was inexhaustible. All the lessons and exercises were beautifully and ideally framed to give me plenty of practise and confidence. The beauty of all these was that none of the questions got repeated. I especially liked the self scorers which were not only tough and exam oriented but also contained some nice and beautiful facts within the questions themselves. This course material was the soul of my study. All explanations given were precise and helped me know the exam pattern beforehand to be able to give it my best shot. My overall success is mainly based on the stepping stones constructed by Brilliant through their precise, extensive, dependable course. The course material was quite good. It gave me a thorough understanding of concepts and good practice. The simulator tests were commendable with well-chosen stimulative questions. The sit-down tests were indeed like competitive exams themselves since we were given All-India ranks and the papers were quite tough too. No other course can surpass the skill and precision with which the Brilliant's course material is made. I think every Medical aspirant should make it a point to enroll in the Brilliant course. These grueling brainstorming tests will indeed

guide you on the way to success. I wholeheartedly attribute my success to the support I got from you. The course material never left me wanting to join classroom training. It was like having an excellent tutor right at home.

**July 18, 2006**

The course helped greatly in my preparations. Many of the questions and the concept applied in the various examinations were from your study material. The Brilliant Tutorial test series and the tests which were sent to home were like a standard to prepare for the actual tests. The question bank was a mirror of various entrance tests. Your course material was written in an easy and simple way that it is easy to understand and learn. In my opinion it covers all the topics required for various tests. The standard of questions in the various tests that you provided were of the level of main test. The subjective type test was of great help as the pattern of exam in CBSE mains had same type and pattern of questions. I strongly recommend your course to others. Most of the questions in the entrance tests were from the material of your tests.

The question bank provided help to develop new concepts and think differently that there are always other ways you can use. The Mock tests and Simulator series gave me the right opportunity to build self-confidence. Quality of your course material has never been in question. They provide the exact information and facts, which are ample for a good medical entrance examination. Sit-down test were very good. I strongly recommend all the Medical aspirants to join Brilliant Tutorials and have a brilliant future.

**July 16, 2006**

The course has tremendously helped me in my preparation. Repeated revision of the sets have provided me with the necessary confidence. Besides the contact programmes were also useful. The course has helped me to be prepared for all the entrance exams. Because of the course, I knew what to expect in the papers and so I did not have to fumble. The course material is indeed excellent. The contact programmes (especially the ones on Biology) have helped me come to terms with difficult areas. The Sit-down tests have helped to prepare me for the entrance exams. The course is indeed very good and is almost perfect. I would very strongly recommend the course to others, because it can really help one clear the entrance tests. The course has given me certain confidence and with it I have crossed the hurdle which has been my dream.

Whichever topic I felt weak, it was strengthened by going through your notes. I really liked your Question Bank, Self Scorer and Simulator Test Series. They helped me a lot in revising specific topics and building up my confidence.

The language, the lucidity of BT study material is of a very high standard and that's what matters in any subjective exam. Specifically your subjective

test papers were simply Brilliant! I really enjoyed doing them and I'd like to thank all your professors for giving me such high quality practice papers. The Simulator Tests, Question Bank and self-scorers became the backbone of my revision strategy as they let me know about my weaknesses and specific areas I needed to work on. I would recommend your course very strongly. Your course is an absolute must for someone wanting to get a single or double digit rank in any PMT. I would like to thank Brilliant Tutorials for their excellent study material and great test papers which helped me greatly in achieving what I have achieved.
