

Wpro Paper - Interview at Bangalore 12th July 2008

In selection process there will be 3 rounds..

1>aptitude test mobile communication & automation....

Sir: u r selected take this form & fill it up....

i was so happy since i had not prepared anything for technical....

HR INTERVIEW

My HR interview was something very nice & interesting...as this was my first HR interview i was excited to face it....

Me: may I come in sir?

He: come in (he with small smile on his face) sit down

Me: good evening Sir...

He: Manu is this physics lab

Me: yes sir....(he saw Max Planck's picture on the wall)

He: tell me about Max Planck

Me: (I was surprised like i had never expected anything like this) then i told him that he is a scientist then he asked me about his contributions... i told him about Planck's constant.....& he asked me about quantum theory (nothing came to my mind at that moment) I told him frankly that I don't remember (with smile) anything about quantum theory...

He: ok Manu...u have secured 84% aggregate tell me about your cet rank & about your current position in your class

Me: I told him that my pos was 470 & i stood 2nd in my class....

He: so your marks graph is not consistent... u have got 80,90,81,82,75...so next you'll score 70

Me: Definitely no sir.... i have done well this semester exams...so ill surely get above 78 sir...

He: k where do u see yourself in next 3 or 5 yrs from now...

Me: sir I would like to be a team lead take up challenging projects....help my teammates to achieve the target..

He: k Manu I don't have any challenging projects.... so what will u do.... will u do whatever I give u?

Me: yes sir... ill do whatever u give... n add my own innovative ideas to it....

He: what all questions were there in technical round?

Me: (I told him all that I told u above..... it was just like another technical round)

He: y didn't u take up any paper presentation?

Me: I like to do one sir... but I didn't find time....as I am into so many other extra curriculum activities...like....

presently i m working as an active member of – Organisation, i do anchoring spiritual functions....& so on (i told him about my interests in spiritual science & social service...)

He: k tell when will u do paper presentation?

Me: I thought of doing it in my 7th semester sir....

He: do u have any questions?

Me: yes sir, i heard that Wipro doesn't give call letter even after a year.. is that true sir?

He: yes...(he told something about demand & so on) but it depends on the college & its reputation...we do give fast response to top colleges like r vce pesit

u can leave...

Me: thank u sir

hey guys.... i would like to give u some tips.....

do have good eye contact with the person who is on the other side,

smile whenever necessary be lively,

be CONFIDENT in whatever u speak

sit straight as much as possible

go to the interview decently don't show your bad attitude

believe in god..... he should bless.... we should get ... all the very best!!!
