## 5.9 SCHOOL OF AGRICULTURE (SOA)

### (i) Ph.D in Agriculture Extension

1. **Eligibility Criteria**
  - i) **For Category ‘A’:** M.Phil Programme is not offered in Agriculture Discipline, therefore, no admission shall made in the Category A (or Ph.D for category A is not on offer).
  - ii) **For Category ‘B’:** M.Sc. (Ag.) with 55 percent marks (50 percent for SC/ST candidates) in Agriculture Extension/ Extension Education/ Home Science Extension/ Dairy Extension/ Veterinary and Animal Husbandry Extension/ Fisheries Extension/ Agricultural Communication/ Development Communication/ Agricultural Extension and Communication Masters degree in any branch of Agricultural Sciences or allied fields (with bridge course).

## 2. **Mode of Selection**

For Category 'B' Candidates: The candidates with Masters Degree in relevant discipline will have to clear the entrance test conducted by the University. All the candidates have to appear for interview before the Doctoral Committee and make presentation of research synopsis whose decision will be final for the selection of candidates.

3. Proposed dates for Entrance Test & Interview for Category 'B': September/ October 2010.

## 4. **Course Work for Category 'B':**

**32 Credits:** Core Compulsory Courses of 4 credits each: 8 Credits: Total 32 Credits. All the selected candidates shall have to pass 4 courses. Each course will be of 8 credits and the candidate has to secure minimum 50% marks in each course. Duration of course work will be one year.

The course work will have 4 Core Compulsory Courses of 4 credits each: 4: (16 Credits) and 4 optional Courses of 4 credits each: (16 Credits).

#### a) **Four Core Compulsory Courses**

1. Advances in Lipid Technology (RDR- 001)
2. Advances in Protein Technology (RDR- 002)
3. Product Monitoring and Process Control (RDR- 003)
4. R& D Management in Dairy Industry (RDR- 004)

#### b) **Optional Courses (Any four of the following Courses)**

1. Developments in Dairy Processing (RDR- 005)

2. Dairy By-products Technology and Processing (RDR- 006)
3. Advances in Chemistry of Milk Processing (RDR- 007)
4. Advances in Analytical Techniques in Dairy Chemistry (RDR- 008)
5. Applied Food Biotechnology (RDR- 009)
6. Dairy and Food Microbiology (RDR- 010)
7. Dairy and Food Engineering-I (RDR- 011)
8. Dairy and Food Engineering-II (RDR- 012)

The course outlines and reference material will be provided to the students. All the selected candidates shall have to pass eight courses (four compulsory courses of dairy technology discipline and four optional courses which can be selected from the basket of eight optional courses). Each course (compulsory / optional) will be of four credits and the candidate has to secure minimum of 50% marks in each course. Duration of course work will be one year.

## 5.10 SCHOOL OF SCIENCES (SOS)

### (i) Ph.D in Mathematics

**1. Eligibility Criteria**

**i) Category 'A'**

An M. Phil degree and a Master's degree, or an equivalent grade, from a recognized university/ institution of higher learning, in a relevant discipline.

**ii) Category 'B'**

Master's degree, or an equivalent grade, from a recognized university/institution of higher learning, in a relevant discipline.

**2. Mode of Selection**

**i) For Category 'A'**

The candidate will be invited for the Ph.D. proposal presentation before the Doctoral Committee concerned. Further action would be taken on the recommendation of the Doctoral Committee.

**ii) For Category 'B'**

The candidate will have to appear in an entrance test and an interview conducted by IGNOU. A candidate who has passed a test like NET, UGC, CSIR, NBHM, GATE, or has at least 5 years of relevant teaching/research/industry experience, will be exempted from appearing in the entrance test. Those candidates who clear the test and interview will have to undertake, and successfully complete, course work before registration to the Ph.D. programme.

3. i) Proposed dates for Ph.D. proposal presentation for **Category 'A'**:-- By September 15<sup>th</sup>, 2010.  
 ii) Proposed dates for Entrance Test & Interview for **Category 'B'**: By September 15<sup>th</sup>, 2010.

4. **Course work for Category 'B'**

## 5.11 SCHOOL OF JOURNALISM AND MASS COMMUNICATION (SOJNMS)

### Ph.D in Journalism and Mass Communication

The PhD programme broadly covers Journalism, Mass Communication, Electronic Media (Radio and Television), New Media and Media Studies.

#### 1. Eligibility Criteria

##### i) For Category 'A'

Master's Degree in Journalism & Mass Communication with good academic record and M.Phil from any recognized University or Higher Learning Institution (*candidates who have cleared the UGC NET or JRF shall be given preference*)

**Or**

Master's Degree with good academic record in any subject with 5 years experience in Media Industry/Teaching/Research in Mass Communication.

Provided further that candidates who are employees of the University shall have completed at least two years of service in the University on the date they submit the application for admission.

##### ii) For Category 'B'\*

Master's degree in Journalism & Mass Communication with a good academic record from a university or a recognized institution of higher learning. They will have to successfully complete a prescribed course work worth 32-36 credits.

#### 2. Mode of Selection

- i) **For Category 'A':** There will be an interview where aspirants will discuss their research area. They will have to present their Proposals before the Doctoral Committee.

Every candidate needs to prepare a Research Proposal in prescribed proforma (*see Application in the Prospectus for details*) should clearly state the problem, objectives, hypothesis (if any), methodology, which may include sampling design, sources of data, data analysis, etc. and expected outcome of the study.

Each candidate is expected to identify a qualified supervisor from the discipline of Journalism & Mass Communication and having a Ph.D. in related area and a minimum of five years of teaching / professional experience. All such teachers/ professionals can guide research candidates subject to approval of the School Board for guiding research candidates.

#### 3. The School may follow one of the following procedures for deciding the cases for admission:

##### For Category 'A':

- i) Recommend the candidate for direct registration on the basis of her/his research proposal as well as the Doctoral Committee recommendations subject to approval of the School Board and Research Council.
- ii) Suggest to the candidate necessary modifications/changes in her/his proposal and, on carrying out the same to the satisfaction of the Doctoral Committee and recommend her/his candidature for registration subject to approval of the School Board and Research Council.

**For Category ‘B’:**

- i) Candidates need to appear for an Entrance Test to be conducted by the School. Similarly, every candidate needs to present his/her Ph.D. proposal before the Doctoral Committee. Selection of candidates will be based on the performance in the Entrance Test and Interview.

**4. Course Work for Category ‘B’ Candidates**

The discipline willing to admit candidates for Ph.D with Integrated Mode. Students will have to do course work as part of pre-research preparation in the first year and after that the Doctoral Committee will evaluate the Candidate’s progress before allowing for further stage of writing the dissertation.

**5. Proposed dates for Entrance Test / Presentations: August – Sept. 2010**

6. a) **Names of Research Supervisors (Internal):** All faculty in the Grade of Reader & above from the School are eligible. Faculty member with core subject area specialization is eligible to guide a Ph D student. The internal faculty may do so singly. The internal research supervisors names will be made available as soon as the School Board approves their names.

**b) Names of Research Supervisors (External)**
