   (A) Mineral Oil
   (B) Mineral Coal
   (C) Biogas
   (D) Air

109. Which resource is non-renewable?
   (A) Animals
   (B) Minerals
   (C) Forests
   (D) Lakes

110. About how much percentage region of India is mountainous?
   (A) 25%
   (B) 30%
   (C) 40%
   (D) 35%

111. About how much percentage land area of India comprises plains?
   (A) 42%
   (B) 54%
   (C) 30%
   (D) 25%
112. Which type of soil is known as Regur?
   (A) Black Soil
   (B) Laterite Soil
   (C) Red Soil
   (D) Desert Soil

113. By which name is the new alluvial soil known?
   (A) Bangar
   (B) Megur
   (C) Khadar
   (D) Laterite

114. By which name is the old alluvial soil known?
   (A) Khadar
   (B) Bangar
   (C) Laterite
   (D) Regur

115. Which type of soil contains iron and aluminium?
   (A) Red
   (B) Desert
   (C) Laterite
   (D) Alluvial

116. Which soil has lower value for production & infertile?
   (A) Mountainous
   (B) Black
   (C) Red
   (D) Laterite

117. In which river basin of Madhya Pradesh gullies are found?
118. What is the total percentage of town area in India?
   (A) 56.7%
   (B) 46.7%
   (C) 36.7%
   (D) 84.7%

119. From the liquid of which tree’s trинтерес is obtained?
   (A) Chid
   (B) Deodar
   (C) Spruce
   (D) Cedars

   (A) Protected Forests
   (B) Sanctuaries
   (C) Unclassified forests
   (D) National Parks

121. Which state of India have minimum forest area?
   (A) Gujarat
   (B) Haryana
   (C) Rajasthan
   (D) Punjab

122. Which day is celebrated as the ‘World Environment Day’?
   (A) March 21
   (B) October 4
   (C) June 5
   (D) December 29
128. In which month 'Van Mahotsav' is celebrated?
(A) March
(B) October
(C) July
(D) January

129. When is the 'World Biodiversity Day' celebrated?
(A) 21 March
(B) 4 October
(C) 22 December
(D) 5 June

130. What category does chitah in India belong?
(A) Extinct
(B) Endangered
(C) On the verge of extinction
(D) Non-Vulnerable

131. Which sanctuary is located in Kerala?
(A) Dachigam
(B) Periyar
(C) Nandalur
(D) Chandraprabha

132. In which state Bandipur National Park is situated?
(A) Karnataka
(B) Madhya Pradesh
(C) Uttarakhand
(D) Assam

133. Which bio-reserve area is located in Uttarakhand?
(A) Simlipal
(B) Nandadevi
(C) Gundardev
(D) Panchmahal

134. What is celebrated between 2 Oct to 9 Oct?
(A) Van Mahotsav
(B) Wild Life Week
(C) World Nature Week
(D) Environment Week

135. How many bio-reserves are there in India?
(A) 33
(B) 18
(C) 23
(D) 53
131. Which place in Gujarat known for the best quality production in cotton?
(A) Charotar
(B) Kurk
(C) Kanam
(D) Darjeling

132. In which zone rice is produced?
(A) Torrid zone
(B) Polar
(C) Temperate zone
(D) None of these

133. What amount of the national income of India is obtained from agriculture?
(A) 60%
(B) 26.7%
(C) 62%
(D) 27%

134. Which grain is called as king of grains?
(A) Bajra
(B) Millet
(C) Jowar
(D) Wheat

135. What is the staple diet of the people of mountainous region?
(A) Wheat
(B) Rice
(C) Jowar
(D) Millet

136. Where is Gardan Patel Agriculture University?
137. Which country is leading in the production and export of tea?
(A) India
(B) China
(C) USA
(D) England

138. On what basis the maximum sugar mills are in Gujarat?
(A) Private
(B) Cooperative
(C) Public
(D) Partnership

139. Which crop holds an important place in oil seeds?
(A) Groundnut
(B) Sesamum
(C) Soyabean
(D) Linseed

140. Which state is known as wheat granary?
(A) Uttar Pradesh
(B) Gujarat
(C) Punjab
(D) Madhya Pradesh

141. In which production Gujarat ranks first?
(A) Coconut
(B) Rice
(C) Wheat
(D) Groundnut
142. Which region of Gujarat is famous for its production of tobacco?
(A) Bhad 
(B) Kutch 
(C) Bhavnagar 
(D) Surat 

143. In which region is the maximum production of jowar in India?
(A) Maharashtra 
(B) Gujrat 
(C) Madhya Pradesh 
(D) Karnataka 

144. In which country is the world produced maximum tea?
(A) Sri Lanka 
(B) China 
(C) Brazil 
(D) India 

145. Which is a cash crop?
(A) Tobacco 
(B) Mustard 
(C) Jowar 
(D) Vegetable 

146. On which river the Bhakra Nangal Project is constructed
147. How much percentage of ground water we have succeeded in using?
(A) 17
(B) 37
(C) 57
(D) 77

148. Which are the main water resources of the Earth?
(A) Rainfall
(B) Wells
(C) Pond
(D) Canal

149. In which States maximum irrigation from the lake-catch is done?
(A) East and South
(B) East and West
(C) East and North
(D) North and South

150. In which States 90.8% area is irrigated?
(A) Gujarat
(B) Madhya Pradesh
(C) Rajasthan
(D) Punjab
151. Which gift is endowed by nature?
(A) Water
(B) Mist
(C) Snow
(D) Minerals

152. How much percentage of cities of India faces the drinking water crisis?
(A) 1%
(B) 8%
(C) 25%
(D) 50%

153. On which river 'mandalpur' is constructed?
(A) Krishna River
(B) Kaveri River
(C) Godavari River
(D) Mahi River

154. Which severe problem India is going to face in future?
(A) Heavy rainfall
(B) Water crisis
(C) Less rainfall
(D) Electricity

155. How much of percentage of land is irrigated in India?
156. On which river Sardar Sarovar dam is constructed?
   (A) Mahi river
   (B) Narmada
   (C) Yamuna
   (D) Kaveri

157. Which type of unit is watershed area?
   (A) Natural
   (B) Deprestation
   (C) Water reservoir
   (D) Afforestation

158. In India how much approximate average rainfall in centimeter?
   (A) 177
   (B) 170
   (C) 117
   (D) 157

159. Which type of wealth is water resource?
(A) Co-operative
(B) Private
(C) Public
(D) International

160. Name the multi-purpose project at Andhra Pradesh?
(A) Tungabhadra
(B) Chand-Anicut
(C) Damodar Valley Project
(D) Nagarjuna Sagar

161. By which name the modern age is known as?
(A) Stone Age
(B) Mperial Age
(C) Bronze Age
(D) Industrial Age

162. From which type of rock are diamonds found?
(A) Slate rock
(B) Sedimentary rock
(C) Transformed rock
(D) Igneous rock
162. Give the examples of mineral used as matrix alloys?
(A). Bauxite
(B). Chald
(C). Tin
(D). Nongenge

164. Which metal is found from the Balaghat region of Madhya Pradesh?
(A). Bronze
(B). Zinc
(C). Silver
(D). Chald

165. From where Bauxite found in Gujarat?
(A). Ahmedabad, Dholka
(B). Viramgam, Shandbuka
(C). Jamnagar, Kutch
(D). Surat, Kutch

166. Where was the first Iron Furnace was established in Bihar?
(A). Jamshedpur
(B). Patna
(C). Ranchi
(D). Lucknow
167. Which country leads in the production of mica?
   (A) India
   (B) China
   (C) Japan
   (D) Sri Lanka

168. Which metallic mineral is valuable?
   (A) Titanium
   (B) Nickel
   (C) Vanadium
   (D) Platinum

169. From where do we get lime?
   (A) Lime furnace
   (B) Lime stone
   (C) Lime star
   (D) Lime ash

170. Which metallic mineral is known as Galena?
   (A) Mica
   (B) Lime stone
   (C) Lead
   (D) Copper
171. How many minerals are used by us daily directly or indirectly?

(A) 200
(B) 400
(C) 600
(D) Countless

172. What is produced in Chikmagalur and Billigiri regions of Karnataka?

(A) Copper
(B) Gold
(C) Iron
(D) Silver

173. Which is the good conductor of electricity?

(A) Mica
(B) Silver
(C) Iron
(D) Copper

174. From which type of rock coal is found?

(A) Igneous rock
(B) Metamorphic rock
(C) Sedimentary rock
(D) None of these
175. Which country hold the first rank in the production of Bauxite?
   (A) Jamaica
   (B) Hungary
   (C) France
   (D) India

176. Which type of energy coal, mineral and petroleum are?
   (A) Non-Conventional
   (B) Conventional
   (C) Non-Commercial
   (D) Commercial

177. What do we call the fertilizer prepared from digested?
   (A) Biogas
   (B) Gobar gas
   (C) Natural gas
   (D) None

178. Which country has the maximum reserve of coal?
   (A) North America
   (B) South Africa
   (C) North India
   (D) South Australia

179. Which is the biggest thermal power station in Gujarat?
   (A) Kandla
   (B) Gandhinagar
180. Which country uses maximum electricity in the world?
(A) USSR
(B) USA
(C) India
(D) Uganda

181. Which state receives the maximum solar energy?
(A) Gujarat
(B) Maharashtra
(C) Punjab
(D) Karnataka

182. In which state coal is not produced?
(A) Orissa
(B) Goa
(C) Jharkhand
(D) Assam

183. Which region produces maximum mineral oil?
(A) Assam
(B) Arunachal Pradesh
(C) Gujarat
(D) Bombay High

184. In which state of India the ORC project started first?
185. On which city the largest hydel power station located in India?
   (A) Karnalalea
   (B) Tamil Nadu
   (C) Maharashtra
   (D) Gujarat

186. Where is the largest wind farm located in India?
   (A) Shore of Mandavi in Kutch
   (B) Lamba of Tarnagor district
   (C) Tuticorin of Tamil Nadu
   (D) Guhli of Tamil Nadu

187. Which city of Gujarat is provided gas through pipeline?
   (A) Ahmedabad
   (B) Surat
   (C) Vadodara
   (D) Khambat

188. Which organisation works for the non-conventional resources and development in Gujarat?
   (A) CASE
   (B) GEDA
   (C) ISES
   (D) SESSG
189. ____ is the ability to do work.
(A) Energy
(B) Fuels
(C) Power
(D) Tool

190. Where was the first refinery of public sector established?
(A) Digboi
(B) Guwahati
(C) Vadodara
(D) Luni

191. Melting of iron ore started in 1820 in ____
(A) Mumbai
(B) Tamil Nadu
(C) Chennai
(D) Ahmedabad

192. The first cotton textile mill of 1854 was started in ____
(A) Mumbai
(B) Tamil Nadu
(C) Ahmedabad
(D) Kanpur

193. India ranks ____ in the production of sugarcane.
(A) First
(B) Second
(C) Third
(D) Fourth
194. Which city is developing as the capital of the electronic industry?

(A) Ahmedabad
(B) Mumbai
(C) Bangalore
(D) Hyderabad

195. __________ is obtained through industries.

(A) Economic stability
(B) Economic loss
(C) Economic instability
(D) Economic gain

196. Which is the largest industry of India?

(A) Iron & Steel Industry
(B) Cotton Textile Industry
(C) Silk Industry
(D) Sugar Industry

197. Where and when was the first cement industry established in India?

(A) 1804, Chennai
(B) 1804, Rani Khet
(C) 1904, Ranipet
(D) 1904, Chennai

198. Where are the railway coaches for passengers manufactured?

(A) Chittaranjan
(B) Ahmedabad
(C) Vishakhapatnam
(D) Kapurthala
199. Which type of pollution spread through big and old machines?
(A) Air pollution
(B) Sound pollution
(C) Water Pollution
(D) Soil Pollution

200. Which type of examples are Rajaji Auto industry and Tisco?
(A) Public Sector Industry
(B) Integrated
(C) Private
(D) Mineral based

201. How many sugar mills are in India?
(A) 460
(B) 450
(C) 560
(D) 550

202. With which country is the Bokaro Steel Plant of Jharkhand collaborated?
(A) Germany
(B) China
(C) Russia
(D) Pakistan

203. In which year was the first jute industry established in India?
(A) 1830
(B) 1855
(C) 1854
(D) 1851
204. Which is the largest woollen industry?
   (A) Dhariwala
   (B) Amritsar
   (C) Ludhiana
   (D) Mumbai

205. Which industry is world famous since age?
   (A) Silk Textile
   (B) Shipbuilding
   (C) Cement
   (D) Woollen Textile

206. Commercial activities are — type of economic activity.
   (A) Primary
   (B) Tertiary
   (C) Secondary
   (D) None of these

207. Which equipment has dominated transportation?
   (A) Mechanical
   (B) Traditional
   (C) Solar
   (D) None

208. How can we measure the social, economical and political development of the country?
   (A) Forests
   (B) Transportation
   (C) Animals
   (D) Economical activity.
209. What is the category of India in the world in roadways?
   (A) Lower category
   (B) Densed category
   (C) Less developed category
   (D) Highly developed category

210. Which types of highway are constructed and maintained by the central government?
   (A) Border Highway
   (B) State Highway
   (C) District Highway
   (D) National Highway

211. By which nation NH-2 is known as?
   (A) Grand Trunk Road
   (B) Border Highway
   (C) Coastal Highway
   (D) Golden Quadrilateral Highway

212. By which other name the road connecting the other villages is known as?
   (A) District Road
   (B) Village Approaching Road
   (C) Roadways
   (D) Ratch Road

213. For which Revolution in India ready?
   (A) Green Revolution
   (B) Revolution in roadways
   (C) White Revolution
   (D) Communication Revolution
214. Which highway is constructed at the most heightened area of India?
(A) Leh to Srinagar
(B) Uttar Kashi to Srinagar
(C) Manali to Ladakh
(D) Manali to Leh

215. What is the length of coastal line of Gujarat?
(A) 3600
(B) 2600
(C) 1600
(D) 5600

216. In which language the maximum newspapers are published in India?
(A) Hindi
(B) Marathi
(C) English
(D) Gujarati

217. In which state is the major port of Vishakhapatnam situated?
(A) Tamil Nadu
(B) Karnataka
(C) Andhra Pradesh
(D) Orissa

218. Which is the biggest railway junction of Gujarat?
(A) Surat
(B) Ahmedabad
(C) Rajkot
(D) Vadodara
219. With which country has India have maximum trade relation?
   (A) US
   (B) China
   (C) Japan
   (D) Russia.

220. And which state of India coastal highway is?
   (A) Delhi
   (B) Chennai
   (C) Gujarat
   (D) Mumbai

221. What is maximum imported in India?
   (A) Machineries
   (B) Gold and precious stones
   (C) Mineral Oil
   (D) Fertilizers

222. What do we call the average of total national income with total national population?
   (A) Annual Income
   (B) Daily Income
   (C) Average Income
   (D) Per Capita Income

223. What is the characteristic of developing economy?
   (A) Annual Income
   (B) Daily Income
   (C) Agricultural Income
   (D) Per Capita Income
224. The physical and mental activity done with the purpose of economic gain is —
(A) Labour
(B) Capital
(C) Remuneration
(D) Service

225. In which sector, agricultural related activities are included?
(A) Secondary
(B) Pre-Primary
(C) Primary
(D) Service

226. Land, labour and capital used in the process of production with planning is called as —
(A) Entrepreneurship
(B) Planning
(C) Management
(D) Service

227. What is the infrastructure of a developing country?
(A) Backward and conservative
(B) Against development
(C) Developing
(D) Dual

228. What is the social infrastructure of a developing country?
(A) Developing
(B) Dual
(C) Developing and encouraging
(D) Backward and conservative
229. Which is the secondary economic activity?
   (A) Animal Husbandry
   (B) Production of atomic weapons
   (C) Fisher Industry
   (D) Banking Activity

230. What are the main problems regarding production resources of a country?
   (A) Efficiency
   (B) Quality
   (C) Scarcity
   (D) Usage

231. How takes the economic decisions in Socialist economic system?
   (A) Price mechanism
   (B) State mechanism
   (C) Society
   (D) Money

232. Which advantage do we get from the Socialist economic system?
   (A) Production resources are used economically
   (B) People's requirement are satisfied to the maximum
   (C) Person’s economic freedom is maintained.
   (D) There is equal and rational distribution of income.
233. Which one of the following disadvantages is there in socialist systems?

(A) Exploitation of customers
(B) Wastage of production resources
(C) Monopoly
(D) Price mechanism cannot be used fully.

234. When was the economic improvement era started in India?

(A) 1920
(B) 1951
(C) 1991
(D) 1981

235. The decision taken by market system with gradual reduction in government rules & restrictions—

(A) Privatisation
(B) Economic Liberalisation
(C) Globalisation
(D) Industrialisation

   A) 75  
   B) 92  
   C) 88  
   D) 81  

282. According to UNDP report 2004, India's Human Development Index is  
   and is positioned  
   A) 0.205, 139  
   B) 0.605, 172  
   C) 0.602, 124  
   D) 0.726, 120
283. India's literacy rate in 2001 was —%.
A) 65.38
B) 64.8
C) 81.67
D) 70

284. What is the main topic of the draft of the United Nation Development program?
A) Human Development
B) Energy Development
C) Environment Development
D) Economic Development

285. The objective of human development is to create equal — for all.
A) Respect
B) Employment
C) Condition
D) Income

286. Development is a complex and dynamic process.
A) Moral
B) Social
C) Political
D) Cultural

287.
287. To which state do ‘ULFA and UMF’ naxalite organisations belong?
A) Tripura
B) Assam
C) Nagaland
D) Manipur

288. Which one is not the factor for stimulating insurgency in north east India?
A) Forested and mountainous region
B) Cooperation by the government
C) Different tribes
D) Relations between terrorists organisation

289. In which state of India is there no insurgency?
A) Gujarat
B) Assam
C) Chhattisgarh
D) Andhra Pradesh

290. Thousands of pandit families have left their native place and are living as refugees in other states. Which state did they belong to originally?
A) Delhi
B) Kashmir
C) Uttar Pradesh
D) Punjab
291. In which state was there an uprising for the demand of separate Khalistan?
A) Madhya Pradesh.
B) Himachal Pradesh.
D) Punjab.

292. Which state has suffered the most because of terrorist?
A) Uttar Pradesh.
B) Gujrat.
C) Maharashtra.

293. On what is the social structure of India based?
A) Casteism.
B) Communism.
C) Religion.
D) Groupism.
294. Which tribes live in far off forests and hilly regions?
A) Scheduled Castes
B) Nomadic Tribes
C) Naga Tribes
D) Scheduled Tribes

295. Who determines the list of the communities under Articles 341 and 342?
A) Governor
B) President
C) Prime Minister

13. Which foreign empire had adopted the Buddhist religion?
14. To which thing the existence of the human society is greatful?
15. In which part of India Mongoloids settled?
16. Kings of which dynasty had made the caves of Ellora?
17. Which elements of nature were worshipped by Aryans?
18. In which tribe of India was the matriarchal system prevalent?
19. What do you understand by civilization?
20. By which name Great emperor Alexander was known in India?
21. Which languages of Dravidians are spoken in southern India?
22. What is material heritage?
23. Which place is known for Banakashi?
24. Which world famous diamonds are found in India?
25. Which things were made by pearls?
26. Which place is famous for inlay work?
27. In which places of India wooden works are seen most?
28. Which places of Gujarat are famous for wooden art?
29. What is Chad?
30. From where the most ancient specimen of Indian paintings are found?
31. Who was the pioneer of Bhakti movement in India?
32. Which books are the main sources of Bharatnatyam?
33. Who had preserved the heritage of Bharatnatyam in India?
34. Who had revived Kathak dance?
35. In which style the dramas of Kalidas are written?
36. Name the famous classical dances of India.
37. Which saying is related with Kathak?
38. What is stupa?
39. Which ancient stupas are in Gujarat?
40. In which language the pillars of Ashoka are inscribed?
41. Which religion was developed in the post-mahajan age?
1. Which style of sculpture originated during the Mauryan age?
2. Name the best specimen of cave architecture of the Gupta age.
3. From where the caves were found in Gujarat?
4. What is Lopuram?
5. What is Citadell?
6. Where is the mosque of Tarapada constructed?
7. In which cave Kailash temple is situated?
8. Which are the main parts of ancient Indian literature?
9. In which language the initial Buddhist literature was written?
10. Which is the oldest book of Vedic language?
11. Which things were included in Brahmin Granth?
12. Name the initial Upanishads!
13. Which are the main parts laws etc of India?
14. Which type of literature developed in Gujarati literature?
15. Which are the great poets of Urdu language?
16. Who were known as trio of the initial kannad language?
17. Name the famous writers of Sanskrit literature.
18. Who was the mentor of Amir Khushro?
19. Which are the famous books of Sangam literature?
20. Which two story books were written during Gupta age?
21. Which are the important books of medicines?
22. Which mathematical inventions brought revolution in changes?
23. Name the famous mathematicians of India.
65. In how many divisions Varahamihira had divided the astrology?
66. Who was the pioneer of Vastu Shastra in ancient India?
67. Who had proved that the reason of the lunar eclipse is the shadow of the earth?
68. Who had propagated the law of gravitation in ancient India?
69. Why do the important ancient memorial have increased in India?
70. Where are the caves of Elephanta located?
71. Which two styles of architecture are used to construct the temples of Pattadakal?
72. Who had build the temples of Khajuraho?
73. Who had started the construction of the Abu Minar sand who had completed it?
74. Where is Hampi located?
75. What saying is inscribed on one of the arches of the ‘Toy Nahal’?
76. Which buildings are included in the Red Fort?
77. Which emperor of Iran had taken away the artistic piece of the Red Fort? Which?
78. To whom Akbar had given patronage in Fatehpur Sikri?
79. Which famous forts are in Rajasthan?
80. Why the churches were built in Goa?
81. Why the city of champaner is declared as World Heritage by UNESCO?
82. To which places of pilgrimage do Indians go?
83. Which places of Gujarat have importance for ‘parikrama’?
84. Which geographical factors have affected our heritage?
85. What threat is there for the preservation and conservation of our heritage?
86. Which is the most important thing for the preservation of our culture?
87. To whom the task of preservation and conservation of national monuments is given?
88. What is the speciality of the groves of Elingol Karoo?
89. What thing should be kept in mind while repairing the monuments?
90. What the government has done to protect the Taj Mahal from air pollution?
91. Which manuscripts are preserved in the museums of our country?
92. Where is Hemchandra Charaya Gyanshandar Library situated?
93. Which ancient monuments of Gujarat should be taken special care during monsoon?
94. Which world heritage place situated in Bihar?
95. What is the special characteristics of Indian culture?
96. What is lithosphere?
97. On which factors the increase in the agricultural production is depend upon?
98. Which factors are responsible for the formation and fertility of soil?
99. Why are the bad lands infertile?
100. Which regions are included in wastelands?
101. What measures should be taken to prevent soil erosion in mountainous region?
102. What can be done to check gully erosion?
103. What are the steps to prevent soil erosion in desert region?
104. Where does India rank in the world and Asia from the point of view of diversity in vegetation?
105. Which tree yield timber of high quality?
106. Which herbs found in the forest gives us medicines?
107. Which other forest products, besides wood, do we get?
108. Which are the different types of forest according to their administration?
109. What are protected forest?
110. In which types can forests be divided on the basis of denseness?
111. Which award is given to encourage forest development in India?
112. What is wild life?
113. Of which species is the Indian tiger world famous?
114. Where does one horned rhinoceroses lived in India?
115. The existence of which animals is in danger in Gujarat?
116. What do we mean by vulnerable animals?
117. With whose cooperation the Crocodile Project has been started?
118. Which voluntary organisations is doing commendable work for the protection of forest animals in Gujarat?
119. Which marine park situated in Gujarat has been declared as National Marine Park?
120. In which state does Nilgiri Bio Reserve Area spread?
121. Which factors are necessary for plantation agriculture?
122. What is Kharif crop?
123. Which crop is called as Rabi crop?
124. Which country ranks first in the production of rice?
125. Which land is suitable for jowar crop?
126. In which state of India Banana is cultivated?
124. To which industries do agro-products provide raw material in India?

125. What is zum crop?

126. Which type of soil is required for rice?

127. Which state produces maximum groundnut?

128. Which nutrients do we get from wheat?

129. Which type of soil is favourable for coconut?

130. What things are made from sugarcane?

131. Which institutional reforms has been taken place in agricultural sector?

132. What is made by jute?

133. What is subsistence farming?

134. What is pre-condition of life?

135. On which river the canal was build in 1882?

136. What are the three main types of irrigation in India?

137. What is water preservation?

138. What is multi-purpose project?

139. Which crops require more water?

140. Which rivers are totally dependent on monsoon?

141. Why is the level of underground decrease in present times?

142. What are the technique to increase the underground water level?
146. In which state is Kosi Multi-purpose project located?

147. In Indira canal, the water of which river flows?

148. What percent of net sown area in India has irrigational facilities?

149. Which states are benefitted by Bhakhara-Nangal project?

150. How much capacity does India have of underground water?

151. What should be done to stop and collect the rain water?

152. Name the states producing mica?

153. Which minerals are used in producing power?

154. What is Mortar?

155. What are the characteristics of lead?

156. In which form minerals are found?

157. What do we get from sedimentary rocks?

158. Where does steel used widely?

159. What are the characteristics of aluminium?

160. What is mining?

161. What is Pig iron?

162. Through which ports does India export Iron?

163. From which country does India import Lead?
161. From which types of rock do we get manganite?
165. Which minerals are used as alloys?
166. What are the types of iron ore?
167. What are non-conventional resources?
168. Why is coal called as black diamond?
169. Which countries uses maximum coal?
170. Which was the first oil field found in Gujarat?
171. In which refineries of India mostly imported mineral oil is refined?
172. Which are the major oil fields of India?
173. Which industry is situated near Vadodara?
174. Why do thermal power stations are established near the coal fields?
175. Which is the biggest thermal power station?
176. What is located in Utkai?
177. Where is the biggest hydro-electricity station situated in Gujarat? On which river?
178. What is used in the production of atomic (nuclear) energy?
179. Where is the biggest solar plant of India established?
180. What is biogas?
181. Where do we found hot water reservoirs in Gujarat?
182. What is industry?
183. Why is the conservation of environment necessary?
184. Which industries are based on raw materials?
185. What are the challenges for woollen textile industry?
186. Which are the five categories of textile industry?
187. Which are mineral-based industries?
188. Where was the first fertilizer industry established in India?
189. What are the requirements for cement industry?
190. Where are the railway coaches manufactured?
191. What is environmental degradation?
192. Which are the main centers of iron and steel industries in the world?
193. How do we measure the economic capability of any nation?
194. On what basis can industries be classified?
195. What are the heavy industries?
196. What are the uses of petrochemicals?
197. What are the four means of transportation?
198. How many types of transportation are there?
199. Which National Highway connects the coastal line of Saurashtra?
Which routes are life-line of the country?
Which policy is adopted by the government to attract the investment in the construction of Express Highway Construction Project?
Which is the longest rail route in India? What is its length?
Which canal is declared as the national waterway?
Write about the ports of eastern coast.
In which areas the railways are useful?
Which facilities are provided for faster and easy distribution of post?
What is Grand Trunk Road?
What are the types of roadways in India?
Name the things exported from India.
Which are the developed countries?
Name four sources of production.
Which area of developing countries is less developed?
Which activities are incorporated in primary sector?
Which sector is important in developing countries?
On what basis the economic decisions are taken in market system?
Explain the concept of economic growth.
What is economic development?
Name the sectors of Indian economy.
Which things are included in service sector?
What is supreme in market mechanism?
221. What is mixed economy?
222. What is privatization?
223. What is Monetary policy?
224. Where is the headquarter of W.T.O situate?
225. Write the full form of W.T.O.
226. Explain the concept of Sustainable development.
227. Write the full form of C.N.A.
228. In which country the alternative of pesticides is discovered?
229. What is Globalization?
230. What changes were made along with the changes in Export-Import policy?
231. Which things are included in new economic policy?
232. Which are the disadvantages to India because of economic liberalization?
233. What are the challenges that India is facing today?
234. What is Absolute poverty?
235. How can the level of poverty line be known?
236. On what the people of rural areas depend due to absence of alternative occupation?
237. What are the objectives of Land reforms Act?
238. Which is the main objective of Jawahar Gram Sevika Yojna?
239. What is disguised unemployment?
240. What is the full form of GDP?
241. Which unemployment take place due to the changes in technology?
242. Which things are included in basic necessities?
243. In which states of India is the rate of poverty lowest?
244. What is cyclical unemployment?
245. What is seasonal unemployment?
246. What is the main function of ISO?
247. What work is done by CAG organization?
248. By what name the Indian Standard Institute is known?
249. Which mark is seen on the tin of Amul cheese?

250. Who is considered the father of consumer protection movement?
251. How is the district level consumer protection court known?
252. Why and when is 'Consumer Rights Day' celebrated?
253. Which year is called as base year?
254. Write the full form of PASH.
255. What is the pre-condition of economic development?
256. Why has the PASH Act been formulated?
257. Which is the Central Bank of India?
258. What is called as consumer?
259. What is subsidy?
260. What is public distribution system?
261. What is the result of limited competition?
262. What is the main monetary factor of price rise?
263. What are 'government prices'?
264. What is 'supply of money'?
268. What is consumer price index?
269. What is smuggling?
270. What is hoarding?
271. What is price index?
272. What is black marketing?
273. What is profiteering?
274. What is wholesale price index?
275. Which commodities are marked with Agmark?
276. Which commodities are distributed under public distribution system?
277. What is average life span?
278. What is pre-condition of human development?
279. What is the main objective of Indian planning?
280. Which five year plan is in existence at present? What is its duration?
281. What is death rate?
282. Explain the term knowledge?
283. What is per capita income?
284. What is literacy?
285. What is birth rate?
286. What is sex ratio?
287. What is the main obstacle in India’s gross domestic product (GDP)?
288. Which things are included in Human Development Index (HDI)?
286. What is purchasing power?
287. What is average life span?
288. What is per-capita income (US dollar) of India according to World Bank report?
289. Which schemes are implemented in Gujarat for increasing literacy rate of women?
290. In which institutions is there a provision made for reservation of 33% seats?
291. Which year was celebrated as 'Women Empowerment' year by United Nations (UN)?
292. How many women could become members of Lok Sabha and Rajya Sabha in 2004?
293. Which social evils do women have to suffer?
294. What was the average life span of men and women in 2001-05, in Gujarat?
295. What was the birth rate per every thousand in 2002 in Gujarat?
296. What was the birth rate per every thousand in 2002 in India?
297. What was the average life span per every thousand person in 1951, in India?
298. Which factors give birth to social tension?
299. Which religions are followed in India?
300. Where do the people of scheduled tribes mostly live?
304. Which communities are designated as scheduled casts and scheduled tribes?

305. Why was National Monetary Commission established?

306. What is minority?

307. What is communalism?

308. What efforts do the fanatics try about religion?

309. When is the social tension created?

310. For how many years were the reservation provisions made for the backward classes?

311. When was the Dr. Babasaheb Ambedkar institution established?

312. Who is awarded the Dr. Babasaheb Ambedkar national award?

313. What is insurgency?

314. What is terrorist activity?

315. What is terrorism?

316. In which state, when and why was the Baoi Panchayat appointed?

317. Which steps have been taken by India to control terrorism in Kashmir?

318. Between which two naxalite caste organizations is there violence in Narmada? Why?

319. How did the ULFA, the terrorist organization in Assam?

320. Which are the two main naxalite organizations in Assam?
319. Where and why was the operation ‘Blue Star’ carried out?
320. When and why was there insurgency in Punjab?
321. Where and when did the naxalism start?
322. In which states are the naxalite activities going on?
323. Which are the problems that the modern world is facing today?
324. How can corruption be abolished?
325. What is corruption?
326. What is the main cause of child labour?
327. Which matters of children should not be ignored?
328. Which discriminations are not seen in the fundamental birth rights of children?
329. Why social development is necessary?
330. What is social development?
331. Which are the main areas of concern for the state?
332. What is cultural change?
333. What is materialistic change?
334. What is the primary duty of each family?
335. What is the number of child labourers in India?
336. Who can be called disabled person?
337. What is anti-social activity?
338. Which are the five most corrupt countries in the world?
1. What is the relationship between the cultural heritage and natural heritage?
2. How has Himalayas prospered the social life of India?
3. Discuss the role of rivers in the development of the cultural heritage of India.
4. Which remnants give the idea of Indian cultural heritage?
5. Describe the characteristics of Indian culture.
6. Write about the development of the leather industry of ancient India.
7. Give the description of clay work of ancient India as an art.
8. Write about the drainage system of Mohenjo-daro.
9. Write about the chariot temples of architecture during Gupta era.
10. Give information about the Sun Temple of Modhera.
11. Why was the Gupta age known as golden age?
12. Discuss about the temples of Mahaballipuram.
13. Write about the stone inscription of the Mauryan era.
15. Give idea about the ancient Buddhist literature.
16. Why was Gupta age known as the golden age for poetry and drama?
17. Write about the development of ancient Gujarati literature.
18. Write a note on Sangam literature.
19. Write about the development of Kannada literature.
20. Write about the medieval historians and their work.
21. Write about the ancient India's development in the field of metallurgy.
22. Which things are included in Vastu Shastra?
23. Write the specialties of Ellora caves.
24. Write in short about Elephanta Caves.
25. Write the specialties of Mahaballipuram.
26. Write in short about the Sun temple of Konark.
27. Which are the famous forts of India?
28. Write about the famous festivals celebrated in India.
29. Why is the preservation of heritage has become a matter of concern?
30. Why should we preserve and conserve our heritage?
31. Which things should be kept in mind for conservation of heritage?
82. How do people damage and spoil our heritage?
83. Which duties of the state and central government regarding the preservation of cultural heritage are mentioned in our Constitution?
84. Why should the resources be preserved?
85. Explain: Our all activities are land based.
86. Why is the per hectare agricultural production is less in India?
87. Give the reasons for soil erosion.
88. Give information about the Chipko Movement.
89. What are the reasons for destruction of wildlife in India?
90. Discuss why the forests are unevenly distributed in India?
91. Explain: It is our moral duty to protect the wildlife.
92. What are the favourable conditions for agriculture in India?
93. What are the effects of globalization on agriculture?
94. Punjab is the wheat granary. Explain.
95. Tea is grown on slope of mountains. Explain.
96. Coffee plants are grown under the shadow of trees. Explain.
97. Charotar of Gujarat is called as "Land of Golden Leaf". Explain.
98. Why is it necessary to keep food stock in India?
49. Explain the Green Revolution in India.
50. Wheat is called as the king of grain. Explain.
51. Large varieties are seen in agricultural production in India. Explain.
52. Give reasons why sugarcane is an important cash crop of India?
53. Write about the institutional reforms in agricultural sector.
54. Which objectives are achieved by globalisation in agricultural sector?
55. What is mixed agriculture? Write its ways of nurturing.
56. Which type of horticulture agriculture is done in India?
57. Why has the water crisis developed in India?
58. Give reasons why irrigation is necessary in India?
59. Explain what is watershed area?
60. Today water crisis has become a serious problem in India. Explain.
61. What are the measures taken for the preservation of water resources?
62. Explain why the quality and quantity of production is dependent on irrigation?
63. How the water resources were used for irrigation in ancient times?
64. Write the ways of irrigation and its uses.
65. Which are the less expensive techniques for recharging ground water?
66. How does the rain water is useful to fulfil the household activities?
67. How does the perennial rivers are useful for the construction canal irrigation project?
68. Which activities are included in the development of watershed area?
69. Which are the main sources of water pollution?
70. Write about the inequality in irrigation in various states.
71. What is the difference between the peninsular rivers and the Himalayan rivers?
72. Explain: There is deep relationship between man and mineral resources.
73. Modern age is called as mineral age. Explain.
74. Explain: Hica is used in electrical equipments.
75. What are the uses of iron?
76. From which area of Gujarat are the limestone obtained?
77. Write the classification of minerals.
78. Why is the preservation of minerals necessary?
49. Copper is used as alloys. Explain.
50. The use mica has increased in daily activities. Explain.
51. The cement and soda ash industries have developed in Gujarat. Explain.
52. Iron is distributed widely in India. Explain.
53. Iron is the base of the multi-dimensional development of the present era.
54. Preservation and conservation of minerals is necessary. Explain.
55. What are the uses of Bauxite?
56. From which places limestone is obtained in India?
57. Write about the conventional and non-conventional resources.
58. Which country uses maximum coal?
59. Which countries hold the important place in the production of the hydro electricity in the world?
60. Give information about the uses of solar energy.
61. What is Jatropha? How it is obtained?
62. Why is mineral oil considered as the important fuel in machine age?
63. Give reason anthracite is pollution-free coal.
64. Give reason why do thermal power stations are established far away from residential areas?
95. The use of Hydro electricity is better than Nuclear energy. Give reasons.
96. Write the main uses of coal.
97. Mineral coal is the fossilized vegetation. Explain the statement.
98. Differentiate between Anthracite coal and Bituminous coal.
99. The need to use Solar energy will increase in future. Explain.
100. Give information about mineral oil fields of Ankleshwar.
101. Give information about the distribution of mineral oil all over the world.
102. Which are the famous places of cotton textile industries?
103. Which are the challenges for cotton textile industries in India?
104. Which are the famous places of woollen textile industry?
105. How many integrated iron and steel plants are there in India? Name them.
106. Give information about the chemical industry of India.
107. Write the measures to stop the environmental degradation.
108. Give information about fertilizer industry of India.
109. Cotton textile has important place in Indian economy. Give reasons.
Sugar industries are established in sugar cane producing areas. Give reason.

What are the challenges faced by jute textile industry?

Which are the important factors for the establishment of industries?

Write the process to control soil degradation.

Give information about synthetic textile industry.

The textile mills of Ahmedabad are closed. Give reason.

Today the manufacturing industries have become the main pillar for the development of the nation. Why?

How many types of rail routes are there in India? Name them.

Write about the types of road ways.

Which ports are there in the Coastal line of Gujarat?

Why are the rail routes the life line of the nation?

Write the 4 advantages of road ways.

Which are the modes of transportation in India?

What are the characteristics of market system?
124. In villages which supplementary activities have maintained their importance for employment?
125. Which key sectors are owned by the government?
126. Which things are included in the development of economy?
127. What are the things that are included in secondary sector?
128. The fulfilment of which needs increases the capability of the people?
129. How many methods of allocating resources are there? Name them.
130. What are the advantages of socialist system?
131. Why do we say that market is not totally free in mixed economy?
132. What are the limitations of mixed economy?
133. What is economic liberalization?
134. What are the disadvantages of economic liberalization?
135. What is the objectives of air pollution control act?
136. With which things globalization is connected?
137. What are the impacts of globalization in economy?
138. Which are the two methods to know the people living below the poverty line?
139 Why has the standard of calorie being setup higher in rural area?
140 Which people are included in urban poor?
141 What is the objective of Swarna Jayanti Gram Swavalamban Yojna?
142 What are the provisions of Pradhan Mantri Gramodaya Yojna?
143 Illiteracy is a root cause of poverty. Explain.
144 The educational opportunities are increased but unemployment could not be decreased. Explain.
145 Which people are included in rural poor?
146 Why has the standard of income per head being setup higher in urban area?
147 How can a consumer file a complaint against injustice?
148 Write two main reasons of price rise?
149 How is price rise measured?
150 Why it is necessary to control price rise?
151 Why the consumer protection act 1986 has been made?
152 Why it is necessary to increase consumer awareness?
153 Which factors are responsible for exploitation of consumers?
154 What is consumer exploitation?
155 Which commodities are included under administered price mechanism?
156 Which magazines and periodicals are published for consumer awareness?
157 Name the organizations working for consumer protection.
158 Name the various courts working for consumer protection.
159. Name the organizations that provide certificates of quality in India.
160. Which steps does the government take to control price rise?
161. Which organization works at the international level for measuring the quality of products?
162. For which deficiencies of insurance company, consumer can initiate legal proceeding under Consumer Protection Act?
163. What is the national policy for women empowerment?
164. What are the centre points of women empowerment?
165. What should be done to reduce women’s death rate in India?
166. Why is the death rate of women high in India?
167. What is sex ratio? What is the situation of sex ratio in India?
168. Mention the various criteria of measuring human development.
169. Identify different thrust areas of human development.
170. Suggest the solutions to achieve gender equality.
171. Why is the death rate reduced in India?
172. What are the reasons for gender inequality?
173. What are the challenges for human development?
174. What is human development index?
175. Why literacy is necessary for human development?
176. Which factors have contributed significantly in human development?
174. When is development said to have been achieved?
175. What is human development? Write its objectives.
176. Increase in per capita income does not mean human development. Explain.
177. Why insurgency has flourished in Tripura?
178. Insurgency has continued in Nagaland despite of a statehood given to it. Explain.
179. Why has India become a storehouse of rich cultural heritage?
180. Give information about the insurgency activities in Tripura.
181. How does India fight the terrorism?
182. Give information about the insurgency activities in Punjab.
183. Give information about the insurgency of Assam.
184. Why type of ideology leads society to division?
