

Aeronautical Engineering Colleges in India

Degree / Course	College / Institute	State	Eligibility	Course Duration
BE / Btech. - Aeronautical Engineering	IIT Guwahati	Assam	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	Bihar Institute of Technology, Sindri, Ranchi.	Bihar	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	IIT Delhi	Delhi	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	Sanjay Education Society's College of Engineering Polytechnic, Navalnagar.	Maharashtra	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	IIT Mumbai	Maharashtra	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	Anna University, Chennai.	Tamil Nadu	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	Nehru College of Aeronautics and Applied Sciences, Coimbatore.	Tamil Nadu	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	Mohammad Sathak Engineering College, Kilakarai.	Tamil Nadu	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	IIT Chennai	Tamil Nadu	Class XII with Physics, Chemistry and Mathematics or	4 years

			equivalent	
BE / Btech. - Aeronautical Engineering	IIT Kanpur.	Uttar Pradesh	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	IIT Roorkee	Uttaranchal	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
BE / Btech. - Aeronautical Engineering	IIT Kharagpur	West Bengal	Class XII with Physics, Chemistry and Mathematics or equivalent	4 years
