Hi Folks,

This is Jakka Prasad Sir C.R.Reddy College M.C.A 2010. Finally CTS in Hyderabad.

Total Marks :55

Paper consists of two sections.

* Analytical Ability and English offline paper no negative marks.

Time 30 questions 25 mins ability 25 questions 30 mins English. There was a sectional cut-off we don't know how much they will give a form where we need to write the strengths, weakness, software skills long term and short term goals etc be careful about writing these they will ask in interview.

Don't follow gossips predictions

Analytical Pattern:

- * Figure sequence
- * Syllogims
- * Puzzle test
- * Coding decoding
- * Data interpretation
- * Data sufficiency(logical sentence formation)
- * Time is crucial

First do what ever you know, may be coding decoding fig sequence etc.

English:

Two passages consists of 10 marks you can score max marks in this section sentence formation 5 marks pick Correct, incorrect sentences from a list. About 10 questions (2*5).

Guys be careful about time first section kills time you can't even study the whole paper unless you are quick enough results will be with in one day.
