

BHEL Candidate Experience 2008

I am Sai Krishna Taloju , attended for BHEL exam on 11 Nov in Delhi and selected for interview . I want share the pattern of the paper so that it will be useful to all .

The paper consists 240 Questions in which 120 technical & 120 Aptitude & General English with negative marking 1/5 mark

In Technical the questions are asked on very basics , 30 questions are mechanical related
10 questions are from Power Systems by CL WADHAWA directly ,
20 - 25 from Objective question bank by Galgotia publishers
All the questions are basically from Power systems , Machines, control systems ,
some questions are from micro processors, power electronics.
few from measurements

In Aptitude the questions are asked very simple

finding errors 10 marks

antonyms 10 marks

Synonyms 10 marks

passages 10 marks

30 marks as follows

table consist of X , Y statements

make the relation b/n X , Y such that $X=Y$, $X>Y$, X

THE ONLY THING U HAVE TO REMEMBER IS THAT TIME IS 150 Mins TO SOLVE 240 QUESTIONS.

Thank you to FRESHERS WORLD to give this opportunity to share this discussion
