

NANOTECHNOLOGY COURSES IN INDIA

-> University of Petroleum and Energy Studies, DEHRADUN-Uttarakhand, Btech-Material Science specialization in Nanotechnology

-> SASTRA University, Thanjavur-TamilNadu -M.tech integrated in medical nanotechnology

-> Nano Science and Technology Consortium, Delhi - Nanotechnology Programs

-> Maharaja Sayajirao University of Baroda, M.Sc. Materials Science (Nanotechnology)

-> National Institute of Technology Calicut - M.Tech and PhD

-> SRM University, Kattankulathur - B.Tech, M.S (Course work, Research), PhD

-> VIT University, Vellore - M. Tech Nanotechnology

-> Noorul Islam College of Engineering, Kumarakovil - M. Tech Nanotechnology

-> Karunya University, Coimbatore - Masters and PhD

-> Anna University Chennai

-> Jawaharlal Nehru Technological University, Kukatpally, Hyderabad, Andhra Pradesh - M.Tech (Nanotechnology)

-> Andhra University, Visakhapatnam - M.Sc., M.Tech

-> Sri Venkateswara University, Tirupathi - M.Sc., M.Tech

-> Bharathiar University, Coimbatore - M. Sc.

-> Osmania University, Hyderabad - M.Sc., M.Tech

-> Anna University Tiruchirappalli], Tamil Nadu - M.Tech (Nanoscience And Technology)

-> Centre For Converging Technologies, University of Rajasthan, Jaipur - M.Tech(Nanotechnology And Nanomaterials)

-> The Global Open University Nagaland, Nagaland - M.Sc.

Amity University, Noida, Uttar Pradesh

-> Central University of Jharkhand - Integrated M.Sc. Nanotechnology

IITs - B. Tech & M.Tech with Nanotechnology

-> Indian Institute of Science, Bangalore

-> Anna University, Coimbatore

-> KSR College of Technology, Tiruchengode - M.Tech. NanoScience and Technology

-> Mepco-Schlenk Engineering College, Sivakasi - M.Tech. Nanoscience and Technology

-> Sarah Tucker college for Women (Affiliated with MS University, Tirunelveli) B.sc Nanoscience

-> Karunya University, Coimbatore-114 - Integrated M.Sc. NanoScience & Nanotechnology and M.Tech with Nanotechnology
