

## MindTree Placement Paper

### GD Topics:

1. if both husband and wife are working in the same organisation.
2. coordination between educational institutions and companies.
3. Linux Vs Microsoft . Which will perish?.

### For written test

45 aptitude questions. These Questions take time.

1 programing question. We have to write program (This program will be evaluated if you are qualified for Interview).you will be given choice(ie write one out of two given)

### both the programs are on files

1. we have to count the 3 letter,4letter and 5letter words from a file and print the number of 3 letter,4letter and 5letter words. Delimiter is space,tab,hifen. Also we should not consider the line in the file after we encounter # in that line.(ie after # we should not consider the portion of line)

2. in file count the number of characters,number of words,number of line. Delimiter between words is given as command line argument.

### 1hour 15 min is given for the test. we have to answer

both aptitude and program with in this time.
