

India Recognition Samples

Introduction

This booklet provides examples of recognition of Cambridge International Examinations qualifications in universities and colleges in India. Cambridge International A and AS Levels, Cambridge IGCSE and Cambridge O levels have long been recognised by the Association of Indian Universities (AIU) and this information is published in the 'Equivalence of Foreign degrees' published by the AIU. Universities and colleges in India are autonomous but in general follow the recommendations of the AIU.

All recognition is entered into our recognitions database by going to <http://www.cie.org.uk/qualifications/recognition>. You can search the database by qualification and by country and get the most up-to-date information available. If universities or colleges would like to be included they should complete the online form at the link above or send an email to info@cie.org.uk

The number of recognition statements from Indian universities and colleges is growing rapidly and this booklet will be updated on a regular basis.

Madam,

This has reference to your enquiry seeking clarification on the status of the examination conducted by University of Cambridge.

AIU has accorded equivalence to the GCE 'O' & 'A' Level Examinations conducted by the University of Cambridge in terms of the following:

Minimum five passes of the IGCSE "O" Level /GCSE/GCE in Grades A, B and C including English and 2/3 passes at GCE "A" Level of the approved British Examining Bodies has been equated with Grade 12 of an Indian Board, which is minimum eligibility requirement for admission to Bachelor Degree Programme at Indian University.

The candidates intending to join Medical/Engineering degree programmes are required to have obtained 'Advanced' level passes in Physics, Chemistry, Biology/Mathematics and English at AS Level.

Thanking you,

Yours sincerely,

Policy for giving NOC and equivalence to institution affiliated to CBSE, ICSE, Cambridge, IB & other boards for secondary & higher secondary schools

Gujarat Government

Resolution no. MSHB/2008/1405/6

Education department,

Sachivalaya, Gandhinagar.

Dt: 6/1/2009

Ref: 1) education dept. circular no. MSHB/2005/1339/chh dated 23/12/05

Preface:

As per (1) above & Board's bylaws for secondary & higher secondary schools, the schools seeking affiliation to CBSE, ICSE & other Indian govt. boards were issued NOC. As of now, there has been no provision for issuing NOC to boards other than the state govt. & Indian govt. boards. Due to this issuing of NOC to schools seeking affiliation to such boards gets delayed inordinately. In the Global Investors Summit 2009, the state govt. has identified the education sector also as a separate investment sector. Keeping this in mind, healthy competition welcomed to improve the quality of education. For this purpose, the govt. was considering comprehensive policy to expedite the process of quickly issuing an NOC to the schools seeking affiliation with the Indian govt. as well as international aforesaid boards (IB, Geneva or Cambridge University, London).

Resolution:

It is resolved, following a careful contemplation, to issue an NOC to schools seeking affiliation with CBSE & ICSE boards of Indian govt. as well as international boards (IB, Geneva or Cambridge University, London) under the following conditions:

1. The school(s) seeking the NOC shall submit an application to Sachivshri, Gujarat secondary & higher secondary board-Gandhinagar with the information as per

annexture-1. The application-fees will be finalized by Gujarat secondary & higher secondary board-Gandhinagar, which will be uniform for all the boards as mentioned in the preface. The school(s) will have to submit along with the application an undertaking showing their willingness to follow all the rules & regulation as laid down by the concerned board.

2. The application would be verified with Gujarat secondary & higher secondary board-Gandhinagar and a proposal would then have to be submitted to the govt. with the information as shown in the annexture-2.; and if need be, the information related to following matters would have to be sought from the DEO (District Educational Officer):
 1. BU permission, local taxes etc
 2. If the proposed site for school-building is appropriate from health & hygiene point of view and give reasons if not.
 3. If the school-building is appropriate from the safety & security viewpoint (e.g. safety measures for the hazards/calamity like fire, earthquake etc have been effected or no, and give reasons if not)
 4. If the commencement of school at the proposed site in any way comes in to conflict with the local laws or no and supply reasons if so.
3. The board will have to demand necessary information within 10 working days from the receipt of the application from the institute from the concerned DEO only if inevitable and the concerned DEO will have to send to the Board all the required information/clear verdict within 10 working days following the site-inspection, failing which the investigation will have to be carried out by another officer and the proposal along with clear verdict/opinion be sent to the Education Department within 30 working days without fail.
4. Once application having been received, all the formalities including the aforesaid (3) for issuing the NOC will have to be completed within 45 working days. This limit can be extended up to 60 days in special cases. The NOC is to be issued with permission from Principal Secretary (education).

5. The NOC given to the applicant institute will be valid for 6 months from the date of issuing. The onus of acquiring the affiliation with the concerned board rests with the applicant school, failing which the applicant school will have to submit application with valid reason to the state govt. for the extension of the NOC validity for another six months. In absence of receipt of any such application made to the govt; the NOC would automatically be deemed null & void.
6. Within the time-frame as mentioned in (5), the applicant school will have to submit an attested copy of the affiliation with the concerned board to the state govt. & Gujarat secondary & higher secondary board-Gandhinagar.
7. The state govt. shall in no way be responsible for any fiscal, administrative or any other liability for the applicant school receiving the NOC.
8. Those institutes that have received the NOC and acquired affiliation with the other boards will have to submit an attested copy thereof to Gujarat secondary & higher secondary board-Gandhinagar and get the registration done. The responsibility of issuing equivalence certificate to those students of such schools wanting to migrate to the state board will be of Gujarat secondary & higher secondary board-Gandhinagar. Gujarat secondary & higher secondary board-Gandhinagar will & cannot be held responsible for issuing of such an equivalence certificate unless the institute has registered itself with Gujarat secondary & higher secondary board-Gandhinagar.
9. Investigation/verification will and could be carried out by the concerned DEO for the grievances/complaints received concerning (1), (2), (3) & (4) in point no. 2 and the report for the same will have to be submitted for necessary actions-to-be-taken to concerned central/international board through Gujarat secondary & higher secondary board-Gandhinagar.
10. A certain norms/rules & regulation have been framed by the Association of Indian Universities, New Delhi giving accreditation to the different boards of Indian govt. as well as other boards as even giving equivalence to the results of std. XII. All these norms/rules & regulations will have to be followed by all the universities in Gujarat in order to give admission in higher studies/streams courses, and the universities have to notify the same to that effect to all the colleges affiliated under them respectively. In this regard, acknowledgement of acceptance of all the instructions of this resolution will have to be intimated to the Education Department within maximum 6 months.

11. The circular dated 23/12/05 of this department as mentioned in the preface stands cancelled and null and void *in toto*.

Under subject cited above and under reference of your letter and letter of AIU, we wish to inform you as follows:

1. Letter of AIU dated 30.06.2005 (copy is enclosed for your ready reference) is about Equivalence Certificate approving British Examination Bodies equivalent to + 2 stage qualification of an Indian Board has been granted by AIU for Medical Engineering Colleges graduate level admissions. This letter does not disclose that AIU has given Equivalence to Certificate to Cambridge Board for Five Year Integrated B.A.L.L.B. (Hons.) Course expressively. But, we may consider it for this course and students of Cambridge Board may be allowed to appear in CLAT -2010 and to take admissions for above course.
2. But, about your need of Equivalence Certificate for Five Year Integrated B.A.L.L.B. (Hons.)
