GENERAL INFORMATION

Aligarh Muslim University (AMU) is one of the oldest premier Central Universities of India with a unique and rich culture of its own. It owes its existence to the selfless and untiring efforts of the great visionary **SIR SYED AHMAD KHAN**. Deeply moved by the socio-economic and educational plight of his community after the First War of Independence of 1857, he was quick to realize that the panacea for these ills lay in inculcating the spirit of free enquiry and modernism in the community. His exposure to the British Universities, particularly those at Oxford and Cambridge, and their public schools, inspired him with a new vision of a harmonious pattern of culture, combining the best elements in the cultures of the East with the arts and sciences of the West. In 1875 he founded a High School at Aligarh, which, within three years, was raised to a College known as *Mohammadan Anglo Oriental College* which metamorphosed into Aligarh Muslim University in 1920 through an Act of Parliament.

Due attention was also paid to the education of girls. In 1942 the Muslim Girls' School was raised to the status of a full-fledged Degree College for Women. Since 1951 it is one of the several institutions maintained by Aligarh Muslim University. Undergraduate women students in the Faculties of Agricultural Sciences, Arts, Commerce, Life Sciences, Science and Social Sciences receive instructions in the Women's College.

In tune with the ideals of Sir Syed Ahmad Khan and with the aim to impart quality education to a larger section of the community, Aligarh Muslim University proposed opening of AMU Centres at different locations throughout the country. The proposed Centres were envisaged to grow and be replicas of the University. In the year 2010, AMU Centre at Malappuram, Kerala and AMU Centre at Murshidabad, West Bengal came into existence and students have been admitted to courses in Law and Management.

Aligarh is situated in the middle of Doab – the land between the Ganga and Yamuna rivers, at a distance of 130 km Southeast of Delhi on the Delhi-Howrah rail route and the Grand Trunk Road. The latitude is 27° 54' N and longitude is 78° 05' E. The climate is hot and dry in summer and cold and dry in winter with an intervening rainy season. The University campus is 2 kms away from the Aligarh Railway Station.

Malappuram is the headquarters of the district of the same name in the state of Kerala. It literally means 'a land on top hills' and is situated 50 km southeast of Kozhikode, bounded by the Nilgiri hills in the east, the Arabian Sea in the west and Thrissur and Palakkad districts in the South. The Malappuram district extends from 10° and 12° N latitudes and 75° to 77° longitudes. The climate is generally hot and humid with the annual range of temperature varying between 20 °C and 30 °C.

Murshidabad district got its present name from the Nawab Murshid Quli Khan who made Murshidabad the capital city of Suba Bangla, comprising the Bengal, Bihar and Orissa. The district of Murshidabad is situated to the south of the Ganga River in West Bengal. It extends from 23° 43' to 24° 52' N latitudes, and 87° 49' to 88° 44' E longitudes. Murshidabad has a tropical wet and dry climate and the monthly mean temperature varies from 17 °C to 35 °C.

FACULTIES / INSTITUTIONS

Aligarh Muslim University (AMU) draws students from all corners of the country as well as foreign countries, especially Africa, West Asia and Southeast Asia. In some courses, seats are reserved for students from SAARC and Commonwealth Countries.

The University has 12 Faculties viz. = Agricultural Sciences = Arts = Commerce = Engineering & Technology = Law = Life Sciences = Medicine = Management Studies & Research = Science = Social Sciences = Theology = Unani Medicine, each comprising of several Departments of Studies.

The University also maintains a number of Colleges, Institutes, Centres and Schools. Notably among them are = Women's College = Centre of Professional Courses = Interdisciplinary Biotechnology Unit = Zakir Hussain College of Engineering & Technology = Ajmal Khan Tibbiya College = Jawaharlal Nehru Medical College = Dr. Ziauddin Ahmad Dental College = Institute of Ophthalmology = Centre for Advanced Studies in History = Centre for Women Studies = Centre for Nehru Studies = University Polytechnic = University Women's Polytechnic = Schools including one for the visually challenged.

The details of courses of studies and the eligibility requirement for admission to each course has been outlined in this Guide. Admissions in all the courses are done on the basis of rules framed by the Academic Council for each course as amended and enforced from time to time. Further, admissions to AMU, Aligarh as well as AMU Centre, Malappuram and AMU Centre, Murshidabad Campus will be made through a single admission process for courses of study being taught at more than one location.

RESIDENTIAL LIFE

Students are normally allocated a Hall of Residence at the time of admission. A Hall of Residence is a cluster of hostels administered by a Provost. Facilities such as Reading Room, Common Room, indoor and outdoor games are available in almost all Halls of Residence.

It is important to note that in view of the limited hostel accommodation, the candidates should clearly understand that the grant of admission to a full-time course of study in the University would not ensure allotment of hostel accommodation. Accommodation to students allocated a Hall of Residence will be provided as per the policy / rules laid down by the University, subject to the availability of seats in the hostel. Candidates admitted to Part Time Courses and Professional Courses (under Centre for Professional Courses) shall not be provided hostel accommodation.

Local students or those students who are not desirous of residential accommodation are designated as non resident students. Non-Resident male students are allocated Non-Resident Students Centre(NRSC) while the female students are attached with one of the Hall of Residence for women students.

DISCIPLINE

The University Proctor and his associates are responsible for maintaining discipline and security in the campus. Deans of Faculties, Principals of Schools / Colleges / Polytechnics and Chairmen of Departments of Studies ensure orderly behaviour of the students in the Faculties, Colleges / Polytechnics / Schools and Departments respectively, while Provosts and Wardens do the same in the Halls of Residence.

RAGGING

Ragging is banned in the University campus and is a punishable offence as per AMU Student's Conduct and Discipline Rule, 1985.

The student will have to submit an "Undertaking" on prescribed format to the effect that he or she shall not take part in any form of ragging and shall abide by the rules prescribed for the purpose as amended and enforced from time to time.

Qualifying Examination : Senior Secondary School Certificate Examination of this University or an equivalent examination with at least 60% marks in aggregate of English, Physics, Chemistry and Mathematics.

OR

Diploma in Engineering of this University with at least 60% marks in aggregate.

Additional Information : Candidates applying for admission to **B.Arch.** can also apply for admission to **B.Tech.** on the same Application Form without paying additional Processing Charges. However, they should clearly indicate **their** choices, in order of preference, in the Application Form

MASTER'S DEGREE COURSES

Course of Study : **Master of Technology (M. Tech.) Chemical Engineering**

Duration	Course Code
4 Semesters	KEMT

Specialization : Process Modelling and Simulation
Computer Aided Design of Process Plant

Qualifying Examination : B. Tech. or its equivalent examination in the relevant branch of study with not less than 60% marks in aggregate or its equivalent CPI/CGPA/NAG.

Note: : Candidates shall submit self attested photo copies of marksheets/grade sheets of B.Tech./B.Sc. Engg. I-IV year/M.Sc. (Physics/Chemistry) Examinations alongwith copy of their relevant GATE Scor Card.

Candidates appearing at final year B.Tech. or equivalent examination/M.Sc.

(Physics/Chemistry) Examinations may also apply. They shall submit self attested photo copies of marksheets/grade sheets of Final year Examination/GATE Score Card at the time of reporting for admission.

Course of Study : Master of Technology (M. Tech.) Civil Engineering

Course Details	Duration	Course Code
	4 Semesters	CEMT

Specialization : Hydraulic Structure
Structural Engineering
Environmental Engineering

Qualifying Examination : B. Tech. or its equivalent examination in the relevant branch of study with not less than 60% marks in aggregate or its equivalent CPI/CGPA/NAG.
Note: Candidates belonging to Mechanical, Chemical, Petrochemical, Metallurgy, Mining and Agricultural Engineering branches are also eligible for admission to M. Tech. (Environmental Engg.) Civil in which 50% of the seats are reserved for B. Tech. (Civil) graduates and the remaining 50% seats are open to candidates from other branches of Engineering mentioned above. If seats remain vacant these may be offered to the candidates from Civil Engineering.

Note: Candidates shall submit self attested photo copies of marksheets/grade sheets of B.Tech./B.Sc. Engg. I-IV year/M.Sc. (Physics/Chemistry) Examinations alongwith copy of their relevant GATE Scor Card.
Candidates appearing at final year B.Tech. or equivalent examination/M.Sc. (Physics/Chemistry) Examinations may also apply. They shall submit self attested photo copies of marksheets/grade sheets of Final year Examination/GATE Score Card at the time of reporting for admission.
