

1 INTRODUCTION

The Ministry of Human Resource Development, Government of India took a policy decision in 2002 to conduct an All India Engineering Entrance Examination (AIEEE) annually, doing away with many of the large number of entrance examinations that were being conducted till then by various institutes in the country for admission to undergraduate degree programmes in the disciplines of Engineering / Technology, Pharmacy and Architecture. This initiative has been widely accepted and appreciated.

A Central Counselling Board (CCB) constituted by the Govt. of India coordinates admissions to UG degree programmes in the disciplines mentioned above in respect of select institutions (hereinafter called '**Participating Institutes**'). This year's CCB has been constituted with Director, Visvesvaraya National Institute of Technology, Nagpur, as its Chairman. The Office Memorandum of Ministry of HRD, Govt. of India is placed as Annexure V of this brochure.

30 NITs, 5 IITs / IIITM / IIITDM, 10 other Central / State Government funded institutions and some Self Financed Deemed Universities / Institutes will admit candidates on the basis of their performance in AIEEE 2010, to the first year of Engineering / Technology and Architecture / Planning programmes through a centralized counselling procedure, for the academic session 2010 – 2011.

Important features of the admission procedure, fee refund rules, admission schedule, list of Admission Centers, list of Participating Institutes with total number of seats, fee structure and contact addresses, seat distribution in the institutions etc. are given in this brochure. Candidates are advised to read this brochure carefully and visit our website www.ccb.nic.in regularly for updates and for entire online admission process.

The entire process consists of four stages: 1. Online registration 2. Online choice filling and locking 3. Online Seat Allotment and personally reporting to an Admission Center 4. Personally reporting to the Institute admitted to (hereinafter called '**Allotted Institute**'). In this process, all eligible candidates will be able to exercise their branch/institute choices on CCB website using Internet from June 8 to June 23, 2010 from places convenient to them. Candidates will be offered admission in the order of merit (AIEEE All India Rank) over multiple rounds of allotment. Candidates who are allotted a seat (i.e. offered admission) will report to any one of the 'Admission Centers' during the time frames specified, get the documents verified and pay the initial fee to mark their acceptance of the offer of admission. The allotment of seats to candidates who do not report to the Admission Center within the stipulated time will be cancelled and these candidates will not be considered for seat allotment in subsequent rounds.

Candidates who accept the offer of admission will have to exercise one of the following options about willingness for consideration of higher preference choices in the subsequent rounds.

Option (I): All the choices of preference higher than the currently allotted seat to be considered in the subsequent round(s).

Option (II): Only the choices within the currently allotted institute and of higher preference than the currently allotted seat, to be considered in the subsequent round(s).

Option(III): Fully satisfied with the currently allotted seat; do not want to participate in subsequent round(s).

Candidates choosing Option I will, hereinafter, be referred to as '**Option I candidates**', those choosing Option II as '**Option II candidates**' and those choosing Option III as '**Option III candidates**'.

After the third round of allotment, ALL the candidates who have been allotted a seat have to report either to the Allotted Institute or Admission Center depending upon the Option I, II, III they have exercised. (For provisions made to fill vacant seats, if any, after the third round, please see Section 4.3) Candidates who do not report either to the Admission Center or to the Allotted Institute after third round, will forego their claim on the allotted seat and will not be considered for seat allotment in subsequent rounds.

In case of any dispute arising out of the counseling process at any stage up to the final allocation of institution and / or branch, the decision of Chairman, CCB shall be final. The jurisdiction for legal disputes, if any, will be limited to the Nagpur Bench of Bombay High Court only.

For smooth functioning of admission procedure resulting into maximum number of candidates getting admission to the course and institute of their choice and minimizing the number of vacant seats, Chairman CCB appeals to the candidates to carefully follow the admission procedure given in this brochure. The procedure offers enough flexibility at every round of allotment and candidates are urged to co-operate by not prolonging their final decision on admission after seat allotment. This will facilitate in catering to the needs of larger number of candidates seeking admission through CCB.

3 ADMISSION PROCEDURE

The admission process broadly involves the following FOUR stages:

- i) Online registration
- ii) Online choice filling and locking
- iii) Online Seat Allotment and personally reporting to an Admission Center
- iv) Personally reporting to the Allotted Institute

3.1 ONLINE registration (June 8 to 23, 2010)

In this step, all candidates declared 'eligible' on the basis of AIEEE-2010 results are required to register **ONLINE** through Internet (www.ccb.nic.in) from places convenient to them.

Arrangement of Help Centers is being made at most of the Participating Institutes for guiding the candidates. Candidates may seek guidance at these institutes during working hours (normally 9.00 AM to 5.00 PM) and complete their registration, choice filling and locking. The list of these institutes is given in Section 10 and 11.

The procedure to be followed is described below:

1. Access the website www.ccb.nic.in and click on "**Registration**".

2. The names of the two streams - Engineering and Architecture - will appear on the computer screen; click on the desired stream.

3. Register as a new candidate by clicking on “**New candidate!! Register here**” link. Read the instructions given on the screen and click on “**Register**”.

4. Register by entering the information (as indicated in the AIEEE Admit Card) against the following fields:

- (a) Name
- (b) Roll number
- (c) Application number
- (d) Date of Birth

Note: Candidate should ensure that, this data should be entered exactly as per AIEEE admit card. For name field, capital and small letters should be entered as printed in the Admit Card /Score Card. Corrections in the name, if any, can not be entered at this stage.

- The password must consist of EIGHT characters and must be a combination of alphabets (lower or upper case), numeric characters and special characters. (Passwords are case sensitive. That means ‘A’ and ‘a’ will be treated as different characters. An example of a valid password is: aBC1#23\$)
- For subsequent logins, candidates will be able to login directly with their respective Roll Number as Login ID and the chosen password as Password. Candidates should remember to log out at the end of their session so that the choices saved cannot be tampered with or modified by unauthorized persons.
- Candidates are advised to record/remember their password for all future logins.
- Candidates are advised not to disclose or share their password with anybody. Neither CCB nor NIC is responsible for violation or misuse of the password of a candidate.
- If a candidate forgets his/her password, the additional information provided by the candidate at the time of registration will be used to issue a new password. Hence, it is mandatory for every candidate to enter the required additional information as indicated in the registration form at the time of registration.
- Candidates can change their passwords after login, if desired.

5. After login, the personal data of the candidates (as per the AIEEE-2010 data base) will automatically appear on the screen. Candidates must verify their personal data. In case of any discrepancy, candidates will be allowed **only once** to correct the data in respect of category, sub-category, etc. in the following ways:

- Category can be changed from (SC/ST/OBC) to 'Open' but not vice versa.

6. Changes in the following fields are not permissible under any circumstances
- Candidate's name
 - Mother's name
 - Father's name
 - Date of birth
- Candidates can take a printout (hard copy) of the registration form containing the above personal data.
 - It is solely the responsibility of the candidates to verify that their personal data, including category, subcategory, State of eligibility, gender etc. are consistent with documentary evidence. **Change of category, sub category, gender etc. may result in change of status of the eligibility of a candidate as declared at the time of the AIEEE results.** CCB/NIC is not responsible for any omissions in the details and its consequences thereafter.
 - **If the personal data submitted / entered by a candidate are found to be wrong at the time of verification of certificates either during reporting or at any later stage, the allotment of seat/provisional admission is liable to be cancelled.**
 - Once these personal data are verified and submitted, candidates will not be allowed to change the personal data under any circumstances.

3.2 ONLINE choice filling and locking (June 8 to 23, 2010)

In this step all the registered candidates are required to exercise their choices of branches and institutes in order of their preference for these branches / institutes. The procedure is detailed below:

1. The procedure for exercising choices and seeking pertinent information is guided through appropriate messages and tabs on the computer screen.
2. Before the candidates can begin to fill in their choices, they will be required to read, and agree to abide by, the Terms and Conditions that govern this admission process. The candidates will click on the "I agree" check-box. Candidates will not be able to fill their choices unless they click on the "I agree" check-box.
3. As per the eligibility of the candidate, available seat information relating to institutions, disciplines (Engineering / Technology and Architecture / Planning), branches (e.g., Electronics Engineering, Computer Science, etc.) will be displayed.

4. Candidates can fill in as much number of choices in the order of preference as they wish to from the list of available seats.

5. Candidates are permitted, if they so desire, to change or re-order their choices, delete earlier choices and add new choices any number of times until they lock their final choices. Choices should be positively locked before 5.00 PM of June 23, 2010.

3.2.1 Indicative seat availability (MOCK counselling) (June 8 to 23, 2010)

Based on the number of registered candidates who have submitted their choices at any given time, the system will be able to provide an idea of the seats that candidates may be offered. This indicative seat availability ('mock counselling') is to help the candidates to finalize the most appropriate choice of discipline, institution and branch given their rank, state and category.

The indicative seat availability will be displayed at regular intervals during June 8 to 23, 2010 on the CCB website. Candidates are advised to visit the CCB website regularly for this purpose.

All candidates are strongly advised to register and fill their choices during the above period so that they get to know which seats are likely to be available to them.

The final allotment of seat, in the allotment rounds may be different than the indicative seat availability.

3.2.2 Locking of the choices (June 12 to 23, 2010)

Candidates MUST lock their choices only after they have finalized them but, in any case, before 5.00 PM of June 23, 2010. **The locking of choices involves a few steps after the LOCK button is clicked. This includes, entering the password, confirming the locking etc. Candidate should follow all the steps carefully to complete the locking procedure.**

After the choices are locked, candidates will not be able to change their choices. A printable version of the choices along with the terms and conditions agreed by the candidate at the time of registration, is displayed once the choices are locked. Candidates must take a printout (hard copy) of the locked choices, (which also contains terms and conditions) sign it and produce it at the time of reporting to the Admission Center.

If candidates fail to explicitly lock their choices by 5.00 PM of June 23, 2010, their last saved choices will be automatically locked after this deadline. Candidates are therefore strongly advised to lock their choices themselves and secure a printout of these locked choices. Registered candidates who do not exercise any choices or fail to save them will not be considered for admission and seat allotment. Candidates can login again after locking the choices; **the locked choices will be displayed but cannot now be modified or altered.**

NOTE 'Saving' a choice is NOT the same as 'locking' a choice. A choice that is only saved but not locked can be retrieved later on and modified and the modified choice saved again if need be. The old choice exercised earlier is lost. But a choice that is locked cannot be modified and saved afresh.

3.3 ONLINE seat allotment

During this step, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of merit as per AIEEE AIR on the basis of the locked choices. The allotment result will be available on the website www.ccb.nic.in. **Individual allotment letters will not be sent to the candidates.** However, candidates may get a printout of the allotment details from CCB website. Candidates who are allotted seats will have to personally report to one of the Admission Centers.

Seat allotment will be done in many rounds. In the *first round*, all the seats will be allotted to the candidates and the result indicating the institution and the branch allotted will be available on the website. In the *second and third* rounds, seats will be allotted against the available vacancies in the respective rounds, and the results will be available on the web site. In the second and third rounds, no fresh choice filling will be permitted; registered candidates will not be allowed to alter or resubmit their choices. After the third round, all the candidates who have been allotted seats (in whichever round) will have to report to the Admission Center (Option I candidates and all those candidates allotted a seat for the first time in the third round) and / or to the Allotted Institute (all Option II and III candidates).

The counselling / admission procedure after the third round of allotment requires actions by the candidates depending on what Option (I or II or III) they had exercised earlier. **Please read Section 4.3 very carefully for details.**

3.3.1 All India (AI) and Home State (HS) quotas

A candidate who is offered a branch in an institute under the home state quota will be considered for the same branch and institute but under All India quota in subsequent rounds subject to availability of vacant seats. Similarly, a candidate who is offered a seat under SC/ ST/ OBC category and/or PH sub-category shall be considered for allotment in OP category in subsequent rounds subject to eligibility and availability of vacant seats.

3.3.2 Cancellation of allotted seat

Candidates who, at any stage, cancel their provisional admission will not be considered for subsequent rounds of seat allotment.

3.3.3 Minimum educational qualifications

3.4.3 Exercising Options pertaining to higher preference choices

Candidates will be required to exercise one of the following Options when they report to the Admission Center:

Option-I, if they wish to be considered in the next round for all of their higher preference choices (i.e. even across institutes).

Table 3.1 Permitted changes of Option

From	To
Option I	Option II
Option I	Option III
Option II	Option III

For this change in Options, candidates will have to approach the **same Admission Center**, which had issued the provisional admission letter to them. The procedure for reporting to the Admission Center for exercising the change in Options is explained in Section 3.5.

If a candidate who has already taken provisional admission, gets a seat that has a higher preference in his / her list of choices, in any round of allotment, the candidate will automatically forego his/her claim on the seat previously allotted - i.e. the candidate cannot have the liberty of choosing between the seats allotted in successive rounds.

3.4.4 Issue of Provisional Admission Letter

Whenever a candidate gets a seat allotment for the first time in any of the rounds, provisional admission letter will be issued at the Admission Center after completion of reporting formalities. All the candidates, who have obtained provisional admission letter from the Admission Center, shall check on the CCB website the status / up-gradation of their allotted seat after each fresh round of allotment. They should take a printout of the letter indicating new allotment as available on the website. At the time of reporting to the Allotted Institute, candidates shall carry both, the original provisional letter issued by the Admission Center and a printout of the latest allotment letter from the CCB website.

3.4.5 Multiple Allotment (Engineering and Architecture streams)

Candidates who are allotted seats in both Engineering and Architecture streams in the same round, will be given the choice to retain any one of the two allotments; the other allotment shall automatically stand cancelled and the candidate will not be considered for subsequent allotment rounds in that stream.

If a candidate takes provisional admission against an allotted seat in one of the streams in a particular round and gets a seat allotment for the other stream in a subsequent round, then at the time of reporting for the seat allotted in subsequent round, the other allotment shall automatically stand cancelled and the candidate will not be considered for subsequent allotment rounds in that stream.

3.5 Reporting to the Admission Center for change of Options

Candidates, who have taken the provisional admission in the first round, can change their Options after the second round of allotment (i.e. from July 5 to 9, 2010). For this purpose, candidates shall personally report to the same Admission Center from where provisional admission letter was issued. Generally, the reporting time at all the Admission Centers is 9.00 AM to 5.00 PM. The procedure for change of Options is as follows:

1. Candidates must submit the original provisional letter issued in the first round by the Admission Center.

3. A new provisional admission letter with the modified Option will be issued by the Admission Center.

Those who are not interested to change the Option, need not report. Their Option submitted earlier will be considered in the subsequent round of allotment.

3.6 Reporting of Option I candidates to Admission Center again after third round

Those who participated in third round as Option I candidates and are not happy with their allotted seat after the third round, but wish to remain under consideration for admission, shall report to same Admission Center from July 12 to 15, 2010, where provisional admission was taken. These candidates will submit a written request that they be allowed to modify their branch and institute choices, and to participate in an additional (i.e. fourth) round of allotment. **However, for availing this facility, these candidates shall surrender all claims on the seat currently allotted to them, as they are not satisfied with the allotment.** The procedure is as follows

1. Candidates must submit the original provisional letter issued in the earlier round by the Admission Center.
2. Candidates must produce for verification, the Admit Card / Score card of AIEEE-2010 issued by CBSE.
3. Candidates shall fill in and sign the undertaking and request for unlocking of choices.
4. Upon receiving their written request and undertaking, the Admission Center will unlock their choices.

5. Candidate will be given a receipt letter, containing details of initial fee paid. The candidate must preserve this receipt letter for further reference.

These candidates will submit a written request that they be allowed to modify their branch and institute choices, and to participate in an additional (i.e. fourth) round of allotment. **However, for availing this facility, these candidates shall surrender all claims on the seat currently allotted to them, as they are not satisfied with the allotment.**

Upon receiving their written request and undertaking, the Admission Center will unlock their choices. Candidates can then modify their choices on or before July 19, 2010. These candidates shall lock their modified choices on or before July 19, 2010. These candidates can use Help Center facility from July 16 to 19, 2010, to get access to Internet for filling, submitting and locking their modified choices. The candidates must take a printout of the locked choices.

If candidates fail to explicitly lock their choices by 5.00 PM of July 19, 2010, their last saved choices will be automatically locked after this deadline. Group-III: Candidates who reported to the Allotted Institute and who indicated their preference order for branches within the Institute.

The branch / institute choices saved / locked by candidates (as above) will be processed centrally as per their AIEEE 2010 AIR and choices, in a manner similar to the first three rounds, and the results of this extra round (i.e. the fourth round) will be available on the website www.ccb.nic.in on July 22, 2010. **Candidates falling in Group II should specifically note that, depending on their AIR and modified choices, they may or may not get a seat in this round of allotment.**

Candidates of Group I and Group II who get a seat allotment in this round shall personally report directly to the Allotted Institute between July 22 and 27, 2010. Candidates reporting to the Allotted Institute after the fourth round will be allowed to indicate their preference order for branches within the Institute. An 'internal sliding' will be carried out in each of the Participating Institutes among those who have joined that institute. This processing too will take place centrally. The list of vacancies, if any, will be displayed on the website www.ccb.nic.in on July 29, 2010, and choices of only those registered candidates who did not get a seat allotment in the earlier rounds, will be automatically unlocked. **The choices filled in for earlier rounds will be deleted.** These candidates may fill in their fresh choices against the declared vacancies and lock the choices before 5.00 PM of August 1, 2010. They can avail Help Center facilities from July 29 to August 1, 2010 and use the Internet to fill their fresh choices and take a printout of the locked choices. If candidates fail to explicitly lock their choices by 5.00 PM of August 1, 2010, their last saved choices will be automatically locked after this deadline. Candidates are therefore strongly advised to lock their choices themselves and secure a printout of these locked choices. Registered candidates who do not exercise any choices or fail to save them will not be considered for admission and seat allotment. Candidates can login again after locking the choices; the locked choices will be displayed but cannot now be modified or altered.
