L&T Infotech Placement Paper

It was very easy with 36 Questions (40 minutes)of Advanced Progressive
Matrices there was negative marking also.All questions were similar to
the Questions given in RS AGARWAL VERBAL & NON VERBAL REASONING .First
27 questions were very eas.Last 9 were bit tuff .8 figures will be
given and we should find similar 9th figure.It was very easy.Gave the
results just after half an hour.Called for Tech Interview.

Just prepare Figure Matrix in RS AGARWAL VERBAL & NON VERBAL REASONING
more than enough for written test Then after a long waiting there
was Tech Interview for more than 40 minutes.Two persons were there per
each panel.They asked me in which subjects r u confident I said it
OOP\'s.They asked based upon OOP\'s concepts
basics.

Polymorphism

Virtual Functions

What is the difference between array and Linked lists.

LInked lists,stack and Queues(and there Structure Declaration) and recursion ,

They asked Qns on Computer Networks also OSI model and TCP/IP which is the better option some
basics functions of each layer.

At last after some general Qns They said.All the best for the next round. After waiting for 3 hours there
was a HR Interview It was cool .With as usual general Qns. The person
said they will informing within 1 week.
