IMPORTANT

Fundamentals of design & manufacturing तथा Material Science & Engg., यह दोनो subjects Mechanical Engg. से related हैं । जिन students ने Electronics Engg., Computer Engg., Civil Engg., Electrical Engg., Textile Engg. इत्यादि में Diploma pass किया हुआ है (या वे students, जो Non-Diploma stream में हैं) उन के लिये यह दोनो subjects को english language में समझना बहुत ही मुकिल काम है ।

Shiva Publications (India) द्वारा arrange किये हुये Engg. Colleges के experienced तथा reputed professors ने students की मुकिल को आसान बनाने के लिये Mechanical Engineering के यह दोनो subjects को आसान हिन्दी में तैयार किया है ।

Hindi editions की यह books, English books को आसानी से समझने के लिये तैयार की गई है । पूरा detailed syllabus English के study material में ही उपलब्ध है । यानि पहले Hindi edition को पढ़ें जिससे students की 90% difficulties remove हो जायेंगी, उसके बाद English edition पढ़ना आसान लगेगा । **Shiva Publications (India)** की Hindi edition में लिखी गई books बिना tutor के tuition का काम करेगी।
