20/01/2014

Dear Sir,

SUBJECT : Electrical Training Programme -- Reg.

We , UNIVERSAL POWER CONTROLS are pleased to inform that we are conducting an ELECTRICAL TRAINING PROGRAMME' which is an exclusive industrial education for all Elec.Technicians, Mechanics, ITI holders Diploma & Graduates who are employed as well as willing to acquire electrical knowledge.

' Electrical Training Programme ' is designed to provide opportunities to the participants the total knowledge of all the elements of a Control Panel . We have 30 years of ample experience in this field and manufacture varieties of Control Panels and supplied over 8K panels, 150 APFC panels etc., thus satisfying our 1600 customers in and outside Karnataka. We also have all internal Workshop facilities for practical learning .

The purpose of our ' Electrical Training Programme ' is to Train :

1. On electrical Drawings for any type of Industry
2. To maintain a Control Panel .
3. To troubleshoot faults that exist in Panels.

We invite you to participate in our programme and enjoy the benefits. Please find herewith enclosed details related to our Training programme. For further details please feel free to contact us.

NOTE : Next Batch of Electrical Training Programme will be held from 03rd - 08th february 2014, for a period of 06 days.

Thanking you

Yours faithfully,

Basavesh Shetty S Doddabele
