The Hon'ble Supreme Court (Bench of Hon. 7 judges) has delivered a judgment on 12/8/2005 in Civil Appeal No.5041/2005 in SLP (C) No.9932/2004 in respect of 'rights and entitlement' of Government as against Private Professional Educational Institutions. This judgment expects enactment of legislation by Central Government and in its absence, by State Government in this regard. This process has been initiated. However it is not certain, as of this date, as to when such legislation will come into force, as also its provisions.

In the meanwhile, in terms of the observations of the Hon'ble Supreme Court from the aforesaid judgment, at least at this stage, it appears that State Government cannot claim any quota/seats in these colleges/institutions and consequently cannot effect admissions in these Private Engineering/Technology Colleges/institutions, except to the extent agreed by certain institutions, if any.

It is therefore made clear that on the aforesaid interpretation and advice given to the State Government, this Brochure will not apply to the admissions to be effected in the academic year 2010-2011 at the Private Engineering/Technology Colleges/Institutions, in so far as undergraduate courses are concerned, with the above exception.

However, it is made expressly clear that if, after issuance of this Brochure, either on account of any legislation or on account of any different interpretation/opinion/advice or due to any judgment/order passed by any court of law or even otherwise, the State Government is found entitled to any seat(s) in the Private Engineering/Technology Colleges/Institutions and consequently entitled to effect the admission(s) to such seat(s), the rules and regulations set out in this Brochure will be made applicable to such seat(s) and admission(s). In such event, a separate intimation will be issued with appropriate details.

It is further clarified that separate information brochure will be issued at the time of filling of Application form for Centralized Admission form/option form giving details as to availability of number of seats, their institution wise, category wise distribution as also rules and regulations governing such distribution and consequent allotment of seats of Government as also Private Engineering/Technology Colleges / Institutions, if any.

It is also made hereby clear in no uncertain terms that the same 'Common Entrance Test (MHT-CET-2010)' that is proposed to be conducted in terms of this Brochure will govern such admission(s), if any.

General Notes:

1. In case the maximum marks in individual subject is other than 100, convert the marks out of 100 for individual subject but do not *round off* these marks. If the sum of the converted marks of three individual subjects without rounding off works out to be a figure with fraction then fraction up to two decimal places will only be considered

   Example: If a candidate obtains 101 marks out of 200 in Physics, 86 marks out of 150 in Chemistry and 40 Marks out of 100 in Mathematics, then the sum of marks obtained works out to be 227 out of 450 marks. If it is conveted out of 300, it works out to be 151.33. However if the marks in individual subjecte are converted out of 100, then the marks are as 50.5 in Physics, 57.3333 in Chemistry and 40 in Mathematics. It means the sum of converted marks of individual subject is 147.8333, which is 147.83 upto two fraction. Hence the candidate is not eligible for admission under OPEN Category.

2. If **letter grades** are assigned instead of marks at SSC, HSC or its equivalent examination the candidate must obtain the certificate of conversion of letter of grades into marks from the competent authority where from the candidate has passed the examination. The candidate should produce such certificate at the time of submission of application form. The Eligibility shall be decided based on the equivalent marks submitted by such candidates.
3. If the candidate reappears for the qualifying examination (Std. XII or its equivalent) **with all subjects** then the marks obtained in the latest examination will only be considered for determining the eligibility criterion.

3.0 Type of Candidature:

3.1 Types of Maharashtra State Candidates and Home Universities:
