Director's Message

Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR) is a premier institute with a clear vision and mission of training students in pharmaceutical sciences and preparing them as human resources in pharmaceutical industries, health care management, research and development activities, drug regulatory affairs thereby contributing to health care of the nation.

DIPSAR is well known for its high academic standard and thereby attracting best talent to the pharmaceutical sciences from all over India, for various programs like Diploma in pharmacy, Degree in pharmacy, 8 post graduate courses in pharmacy, besides PhD program in pharmacy.

DIPSAR boasts of good infrastructure facility like well stocked library with adequate journals and professional books. Air conditioned deliberation and conference rooms, besides gymnasium, playground & swimming pool for cocurricular and recreational activities.

Also we have 6 hostel facilities four for girls and two for boys and a food court, thereby giving a boost to the academic performance of the students.

I take the privilege to invite the aspiring, meritorious students to join the institute and contribute positively in health care of the nation.

Prof (Dr) B.P Srinivasan

INSTITUTIONAL PROFILE

DIPSAR is a premier institution known for its high standards in teaching and research in Pharmaceutical Sciences. It was founded in 1964 as Department of Pharmacy of the Kashmere Gate Polytechnic for imparting Diploma in Pharmacy. The Department of

Pharmacy was converted into College of Pharmacy in 1972. The College of Pharmacy moved to the present campus in Pushp Vihar in the year 1979. The erstwhile College of Pharmacy has since then been developed into a well equipped teaching and research institute aiming for the highest standards in academic excellence. It is constantly churning out top class pharmaceutical scientists & Pharmacist significantly contributing towards health care.

MOTTO

- To produce high-class Pharmaceutical Scientists by awarding Ph.D, M. Pharmacy degrees to meet the global requirements for Drug Discovery and Development, Quality Assurance and Regulatory Affairs etc.

- To produce high class Industrial/Community Pharmacist to serve ailing community by awarding B. Pharmacy and D. Pharmacy.
- To conduct research in national thrust areas like anti-fertility & infertility, clinical research, development of drugs for ocular diseases, anti-cancer, hepato-protective, ant-diabetic drugs in diabetes & its complication, anti asthmatic drugs, analytical method development of drugs in dosage form, novel drug delivery, isolation and characterization of active principle(s) from herbal sources, herbal drug standardization etc.
- To disseminate information regarding pharmacological actions of various drugs, especially, therapeutic uses, pharmacovigilance, drug-drug Interaction, drug- food Interactions etc. to the general public. Also to provide information regarding antidotes for various poisons to medical & bio-medical personnel & general public through MAPIC (Medicine and Poison Antidote Information Centre).
- To upgrade skills & qualification of Pharmacy College teachers across the country (under QIP of AICTE, Govt. of India).

VISION OF DIPSAR

Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR) is serving with a vision to prepare quality pharmacists at various levels for our country. Adequate guidance, extensive training with broad vision is provided to students through multi dimensional programmes by the experienced faculty coupled with latest tools and techniques in Pharmaceutical Sciences to make them potential leaders in the profession of pharmacy.

In addition to the existing departments (Pharmacology, Pharmaceutics, Herbal Drug technology, Pharmaceutical Chemistry, Pharmaceutical Management, Hospital Pharmacy, Quality Assurance and Clinical

Research), it has been planned to expand and diversify the Institute further by opening additional centre to cater the needs of academia , industry & profession.

DELHI PHARMACEUTICAL SCIENCES AND RESEARCH UNIVERSITY (DPSRU)

The creation of the first Pharmacy University of India, and perhaps Asia by the name of Delhi Pharmaceutical Sciences & Research University, a state university, was approved by Delhi Cabinet on 9th September, 2008, with the aim to establish a Centre of Excellence in Pharmaceutical Sciences for India. The act in this regard was passed by Delhi Assembly on 11th September, 2008. The Hon'ble Lt. Governor, GNCT of Delhi has appointed the 1st Feb, 2010, as the date on which the University has been appointed vide Delhi Gazette notification No.F2(412)/2008/SB/VOL. III/71.

DIPSAR AT A GLANCE

EXISTING INFRASTRUCTURE AND FUTURE DEVELOPMENT IN PIPELINE

Medicine and Poison Antidote Information Centre (MAPIC)

MAPIC provides accurate, unbiased factual information to general

public and members of the healthcare team such as Physicians, Surgeons, Pharmacists, Nurses and Scientists. DIPSAR has established MAPIC in its campus on 4th May, 2005 (inaugurated by Hon'ble C.M. Delhi Dr.(Smt.) Sheila Dikshit, for providing information on any aspect of drugs and poisons through electronic databases to scientists and all others to whom it concern. The center is managed by 70 pharmaceutical professionals / scientists of the Institute from 8 a.m. to 8 p.m. queries received by e-mail, phone, post or in person are responded at the earliest

The Library

The Institute has one of the richest Pharmacy Library collections in India with over 15,000 books, national and international journals and magazines covering all branches of Pharmaceutical Sciences like Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmaceutical Biotechnology, Pharmacognosy and Pharmaceutical Technology. It also has a good collection of books of allied fields like Medicine, Pathology, Biochemistry and Microbiology. The AIR-CONDITIONED library is conducive for long hours of study and research by faculty and students.

State of Art Laboratories

In addition to the laboratories meant for UG/PG routine teaching the institute has got many state of art laboratories.

- Antifertility & Infertility
- Ocular Pharmacology
- Anticancer
- Ant Diabetic Research Lab
- Novel Drug Delivery
- Clinical Research Department
- Indian System Medicine
- Sophisticated Analytical Instrument Lab
- Sophisticated Pharmacology Instrument Lab
- Training & Placement cell
- Information Technology (I & II)

Student Amenities

Hostels

Completely fully furnished equipped with RO Water system, Gymnasium swimming pool, Playground. Two boys hostel for undergraduate post graduate & PhD scholar Four Girls Hostel two of them for undergraduate & two for Post Graduate & PhD.

India International Hospitality Centre (IIHC)

DIPSAR has established India International Hospitality Centre (IIHC) on 30- June -2007(Inaugurated by Hon' able Chief Minister Delhi Dr. (Smt.) Shiela Dikshit). The Guest House has altogether 3 A/c Suites and 5 double-bed rooms with telephone and TV in each room. VIPs, Institute guests and invited guests are usually accommodated here.

Animal House Facility

The animal house is CPCSEA recognized (registration No. 215/ CPCSEA and Research 115/ CPCSEA) for experimenting and breeding. The state of art animal house facility is well maintained, having separate air-conditioned rooms with 24 hr electricity/ generator backup. Each species like Rats, Mice, Rabbits, Guinea pigs; are having separate stock, experimentation and breeding room. It has a minor operation theater, feed and storeroom, clean and dirty corridor. At present animal house is having animals like Rats, Mice, Rabbits and Guinea pigs for research and sale to CPCSEA recognized institutes. The institute has constructed unique rabbit and

guinea pig run. Such facility exists only in this institute in India amongst all the research / medical institutes. The animals are kept in a natural ambience in order to minimize the stress and to facilitate the breeding.

New Information Technology (PG -IT Lab)

In addition to the Old IT Lab, a New IT Lab was inaugurated by Dr. G. Narender Kumar, Secretary, DTTE on 14th Feb 2007 and is equipped with 30 computers with latest technology and, 24-h internet facility.
