*✍ Message From Partners***Dear AMIE/AMIETE Aspirant,**

This is an established fact that passing **AMIE/AMIETE** examinations is an uphill task. It is like hard nuts to crack. Moreover, these are becoming tougher by each passing day. It is beyond the limits of local tutors to cope with new challenges emerging from the restructured **AMIE/AMIETE** examinations. Also, you have to squander a lot of time in selecting good books/journals to cover entire syllabus. Keeping this in view, we have been providing total quality postal course for the last ten years and thrilled to receive an overwhelming response from **AMIE/AMIETE** aspirants.

Why Postal Course?

- Allow a working person to prepare for AMIE/AMIETE examinations in a manner most suitable to him
- Does not interfere your daily routine
- Sensible worked out study program (well structured, focussed, trendy & dynamic)
- You does not have to physically be present, hence there is no geographical limitations
- Extremely useful for working aspirants having no time to attend classroom courses

Faculty

AMIE(I) STUDY CIRCLE (REGD.) is a network of professors(Retd.)/eminent scholars(M.Tech/Ph.D.) from **IIT, Roorkee**. Their vast teaching experience has been wholly utilized while preparing the course.

Courses

We have doubt letter scheme, fully solved/model papers, and objective question bank, apart from our pregnant lesson material (covering entire syllabus). Problems from **AMIE/AMIETE** Exams have been incorporated in our study material. To bring total quality in the course, we are using **kaizen strategy**(continuous improvement) in the process of course development.

Membership Packages

We also offer membership packages for fresh Diploma/B.Sc./10+2 so that they can appear in AMIE Examinations. For details sms/email to us.

Facilities

Once you enroll yourself with us, you would also be entitled to avail the following facilities:

- ☞ Supply of latest information regarding AMIE/AMIETE examinations(by sms/email)
- ☞ Free access to our website **www.amiestudycircle.com** to get latest information
- ☞ Free online support for our students

Finally, we would like to convey our thanks to all our previous students who have helped us to keep the ASC flag of excellence flying high and also pay our thanks to you for exhibiting great interest in our institute. we urge you to go thru' the prospectus and look forward to welcoming you to our postal course.

With best wishes,

S.K.Jain, AMIE, M.E. (University of Roorkee, Now I.I.T.), Gold Medalist

S.A.Siddiquie, M.Sc.

COACHING PROGRAMME

COURSE MATERIAL

The entire **printed** course material in the form of **notes** is divided into number of modules consisting of basic concepts and examples to bring out clarity. At the end of the module, number of problems are given in assignment sheets. Objective type questions are also incorporated at the end of assignment sheet. The course is **updated** regularly, and additional material/upgrade is always available on our website. **No text book / solved paper study is required with our course.**

You can enroll at any time (as the despatch schedule is adjustable). However you are advised to join as early as possible, because it will give you more time for study and revision of the course material.

The Study Material, assignment sheets, question bank, test papers etc., are the property of **AMIE(I) STUDY CIRCLE(Regd.)** and should be used confidentially.

ONLINE SUPPORT

This support includes (a **password** will be given to you to avail this facility)

- Additional course material/upgrades
- Previous years' unsolved papers
- iQuiz (Interactive Objective questions)
- Test series
- Premium engineering e-books (E-Library)

DESPATCH OF COURSE MATERIAL

Despatch of course material will commence **after 7 days** of getting completed enrolment form. The despatch of sets will be by registered parcel.

LANGUAGE

The course materials will be in English language, easy to understand.

नोट: AMIE के डिप्लोमा स्ट्रीम (सेक्शन ए) के चारो विषयो का कोर्स अब हिन्दी भाषा मे भी उपलब्ध है।

FREE NEWSLETTER

You can get a **free newsletter** from us **by Email**, whether you join us or not. For this you should send us your email id (by email only). Your email id will be stored in our database and you will get free newsletter (by email) whenever there is an announcement such as result declaration, roll number, exam scheme etc. from AMIE/IETE headquarter.

online support? If you join us for our coaching material, then you will also get free online support. For this, we will issue you a **password** and user name to use our student support section. In this online support you can download: (i) additional course material as updates (ii) unsolved exam papers (iii) test series (soon a dynamic test series will be introduced) (iv) interactive objective questions.

Result? The result of AMIE examinations is declared **after 12 weeks** of end of examination.

Evaluation system? Grading system, instead of marks grading system shall be followed for evaluation of all elements of the revised scheme. For a complete pass in Section A or in Section B, minimum GPA shall be 6 (Grade C). More details on our website.

Project work/Lab Exp.? Project work and sessional work on laboratory experiments are compulsory and shall be evaluated. A candidate shall be eligible for project work and sessional work on laboratory experiments (ten experiments) only after securing minimum grade 'C' (50 - 59 % marks) in any 5 (five) subjects in an engineering branch of Section B.

Changing Exam centre? Just write down code of centre of your choice while filling up examination form. Also enclose an application stating why are you changing exam centre.

Admit card? Admit card *will not be despatched at your home address*. This should be collected from your examination centre on the day of examinations. You can also take print of admit card from website www.ieindia.org at least one week before start of exams. Take this to exam centre with identity card. You can not appear in exams without identity card & admit card.

DO YOU KNOW?
(IETE EXAMS)**From which examination onwards New Syllabi starts?**

New Syllabi starts from June 2009 examination.

Upto which Examination old syllabi continue?

Till June 2011 examination.

Will there be separate question papers for new and old syllabi?

Yes. There will be separate Question papers for old as well as new syllabi till Dec 2010 examination. Thereafter Question papers will be as per new syllabi.

What is the procedure to shift the syllabi from old to new one?

Just fill up the exam form with new subject codes.

What will happen to those students who had cleared some papers under the old syllabi?

Students can continue the old syllabi till Dec 2010. If he/she will be unable to finish the course till then, it would be necessary for them to shift to the new syllabi. However, for those subjects that are common to both the syllabi, students need not appear in them again once they switch to the new syllabi.

Which subjects have been deleted from the old syllabi for Electronics students?

Engineering Graphics, Applied Mechanics and Numerical Analysis.

What will happen to those students who have cleared the above three subjects under the old syllabi?

They would gain nothing even if they had passed in the above three subjects.

Will there be a new marking system?

Yes. **CGPA** system. The Institution has decided to adopt grading system in place of absolute marks. The grading system will be reflected in the marksheets from June 2009 examination for both existing as well as new students.

Once a student passes all papers and is not keen to appear for any improvements his final result will be declared. The final result will indicate the division/class as under :-

CGPA of 9 or more	Distinction
CGPA 6.5 or more but less than 9	First Division
CGPA 5 or more but less than 6.5	Second Division
Less than 5	FAIL (No award will be given)

Is it true that number of Lab examinations have been increased?

Yes. 4 Lab examinations have been introduced in place of present 2 lab examination in order to give a better practical knowledge.

FREQUENTLY ASKED QUESTIONS ABOUT OUR COURSE**Q. How effective your postal course is?**

A. Ours is a result oriented course, and is highly effective. We know that it works. The effectiveness of the course depends on whether you make use of the lessons and assignments. The degree of effectiveness would vary with factors beyond our control, such as the extent to which you make use of them - just as what happens when you go to university. So we cannot guarantee cent percent marks. But as far as we are concerned, we are absolutely convinced that this course is capable of helping you achieve *extremely good marks* provided you read it from first page to last page.

Q. Why I should join your postal course, why not book?

A. Well, this a very interesting question. You know, generally a book covers syllabus of all the engineering colleges in India to augment the sale of the book. In other words, books are not focused according to **AMIE/AMIETE** Examinations. So you have to put extra efforts to make notes from the book so as to make it useful for your purpose. In this process you waste your precious time. Novelty of our course is that it is focussed. Focussed on **AMIE/AMIETE** Examinations. And we stay focussed on it. We do not chase any other area. That is why our postal course is better than books as far as **AMIE/AMIETE** examinations are concerned.

Q. What is the purpose of your evaluation programme(self assessment test series)?

A. In our evaluation programme we send you postal test papers which contains those questions which have repeat value. Yes, repeat value. So if you solve these questions, you must be fairly sure that you may perform well in the examinations also. Also the outcome of these test indicates the level of your preparation. If you have not performed well in these tests then it means that you need to study more.

Q. Would I face any difficulty studying this postal course by myself?

A. This is a self study course. And so this course is meant for those **AMIE/AMIETE** aspirants who are willing to study *on their own* - without being instructed by someone else. And our study materials make this quite easy to do. It is almost impossible that you face any difficulty understanding any topic. Here are the reasons: (i) the lessons do not use language that is unclear or confusing. Notes are written in simple English, easy to understand. They convey ideas from instructor's mind to your mind quickly, easily and accurately (ii) the topics the lessons deal with are well planned and well organized (iii) the lessons do not tell you things in a hurry or leave you wondering what they mean. They explain everything slowly and patiently (iv) the lessons anticipate the sort of difficulties you may run into while learning from them, and sort of queries and questions you may like to get answered. The lessons deal with these difficulties, and answer all these queries and questions thoroughly and completely.

Q. Is your fee reasonable?

A. Yes, of course. We have taken particular care and have made sure that the fee we charge is quite fair. In fact, the fee you pay is really nothing compared to the quality of the course you will be getting. And it's nothing compared to the future benefits you will be getting.

Q. I am a diploma holder and my friend is 10+2. How can we appear in AMIE examinations? Do you have membership packages for fresh Diploma holders and for 10+2 pass outs?

A. Yes, we have. Membership packages are available for Fresh Diploma/10+2/B.Sc. This package includes • Membership formalities and application processing • elegantly printed coaching material for preparation • Rules booklet & syllabus of Section A • Test series for self assessment • Latest information about AMIE examinations • online support

• NO TEXT BOOK STUDY REQUIRED • REGULAR COURSE UPDATE • ONLINE SUPPORT • TIME & EFFORT SAVING 8

Can I get admission in M.É./M.Tech courses after completing AMIE/AMIETE?

Yes, after completing **AMIE/AMIETE**, you can apply for GATE entrance examination for getting admission in **M.É./M.Tech** courses in various universities/engineering colleges. Candidates will be required to appear in a single paper of three hours duration. The examination will be held on **second Sunday** of February from 0930 to 1230 hrs. The notification for GATE is generally published in October in leading newspapers. Getting good score in GATE opens gateway to higher education with attractive **scholarship**. GATE qualified candidates(in Engineering subjects) will also be eligible for the award of Junior Research Fellowship in CSIR Laboratories. After having a valid GATE score, an **AMIE/AMIETE** should apply for admission to postgraduate programmes in individual institutions, at appropriate time. Admissions of candidates to postgraduate programmes will be governed by the rules and regulations of individual institutions to which they apply. An **AMIE/AMIETE** should also be equipped with migration certificate which can be obtained from the last institution attended by you. For more details, visit our website **www.amiestudycircle.com**.

MESSAGES FROM STUDENTS

I have joined your course in three subjects of Section A, out of which, in Society & Environment, I got H grade. Your course is really nice.

Meenakshi Mittal,

Dehradun

I am the student of AMIE study circle. THIS MATERIAL IS EXCELLENT. For some reason AMIESC is not providing material for optional subjects. FOR ALL STUDENTS, DO NOT STRUGGLE WITH VARIOUS TEXT BOOKS, GET AMIESC MATERIAL.

Srinivas.

I, Ajay Bhatia, AMIE ST No. 388188-7 had opted for postal course of three subjects along with the evaluation programme from your Study Circle as at that time I had to clear these three papers for the completion of my section A. Fortunately I had cleared two papers out of three and I shall be grateful to the Study Circle for designing such a wonderful programme for AMIE aspirant.

Ajay Bhatia, AMIE ST No. 388188

Your study material help me a great deal to complete my AMIE Examination. I have brought three paper from your institute (Measurement, Pulse & Digital Circuit & Microprocessor) at the starting of my SEC-B AMIE examination in 2004-2005. These material gave me the confidence. Last summer (June-2008)I have completed SEC-B.

Anup Rai Burman, All India Radio

I have found your site a very effective for the young working guy to have detail knowledge AMIE exam. Your site has every single element require for such examination i.e from thing to remember to entertainment Keep doing the same Best of luck for your future. Regards

Himanshu, Thane

I have already purchased 2 study materials viz engineering management and communication engineering. I have passed Engineering management with H grade and Communication with C grade. Thank I would like to but one more material is circuit theory and control(EC404). Would you please inform me how much I am paying for the same? Please reply me as early as possible Regards

SHAHENAS.I.K (ST 361144-8)

I am Dinesh Adhikari. Today I am glad to inform you that I have cleared two papers (Fundamental of Design and Manufacturing, Information Technology) in Amie section A. I am surprised to see that in both paper I got A grade. Your study material and time to time support through e-Mail help me a lot. I thank you for your kind cooperation. Further I request you to inform the latest information of amie at this mail address.

Dinesh Adhikari, Haldwani, Uttarakhand

For June 2008 exams, I purchased course material of three subjects from your institute, viz. D & M, Comp & Info. and Society. I have passed all these subjects with A grade. Also, your online support helped me a lot.

Neelima Goyal, BSNL, Roorkee

I prepared for data structure and engineering management subjects for AMIE Section B with the help of your material. I got 66 marks in data structures and 56 marks in Engineering management. Thanks for your material. I am very much thankful for your material.

Rameshwari

Thankyou for your effective guidance, It allowed me to clear the papers of AMIE. Now I have passed. Thank you once again

Rajesh Pawar

Your course material of Signals and Systems is quite good and strictly according to syllabus. Assignment sheets are also very helpful.

Rohit Gupta(AMIETE aspirant), Aligarh

I am V.Karthikeyan from Singapore, Since Dec 2000 I am writting the exam from singapore. After joining with study circle my pass rate has improved. Thank you.

V.Karthikeyan(AMIE Aspirant, via Email)

My heartiest thanks to you for providing valuable notes of material science and maths. These notes helped me for exemption of all subjects of section A. I have secured a final pass of section A.

Hari Om Sharma (AMIE Aspirant, via Email), Manikgarh

Your study material was very effective and of great help. The quality of your course material is unique. I had not found this kind of top quality in many books. Your course material is both time saving and easy to understand. Last time I got study material supplied by you for the subject "Society & Env." After studying it I have successfully passed this exam.

Parveen Kumar (AMIE Aspirant), Chandigarh

My sincere thanks to you, as I passed Section B (Computer Engg) of AMIE examinations (Winter 2007) only when I joined your circle and studied by the correspondence course provided by you on the subjects like Engg Management and Data Structures & that of Section A.

My sincere advise to the other aspirants of AMIE to associate with you to get success in AMIE examinations. I appreciate your course very much. Thank you very much.

Himanshu Singla (ST-418673-2), Barnala, Punjab

I have received your study material of Engineering management. Thanks..It is very nice and easy to learning. I would like to buy the onemore study material which is Communication Engineering. Would you please inform me how much I am paying for the same?

Shahnas.I.K, Kannur

My sincere thanks to you, as I passed Section B (Mech. Engg.) of AMIE examinations only when I joined your circle and studied by the correspondence course provided by you on the subjects like - Thermal Science & Engineering, and Analysis and Synthesis of Machines. My sincere advise to the other aspirants of AMIE to associate with you to get success in AMIE Examinations.

Harjeet Singh (ST-144250-9), Dy. Manager (Marketing), ITI Limited, Lucknow

I joined your course for Section B (Electronics branch). I appreciate your course very much. I passed Section B on last time examination. Now I got promotion as Head of IT, Qatar Fuel Additives Company (QAFAC), Qatar

Abdul Sathar (T-079679-8), System Engineer, Qatar Fuel Additives Company, Qatar

I am pleased to tell you that I have completed my AMIE Sec B during last examination. I feel your course is a real boosting tonic to pass in the examination from Singapore. Thank you very much.

Karthikeyan Viswanathan, Makino Asia Pte Ltd, Singapore

Glad to inform you that, with your help of postal coaching i passed my section A exams in winter 2006. My sincere thanks to AMIE Study Circle. Now i want to appear for winter 2007 section B exams.....

Murali Ganesh, Kingdom of Bahrain

I applied for your correspondence course for IETE Examinations for Dec.2001 Exams in four subjects - Basic Electronics, Maths, Numerical Computing and Electrical Engg. I like your course. So, I want to send fee for one more subject - Materials and Processes.

Vivek Shukla, Kangra, H.P. (AMIETE Aspirant)

I am satisfied with the coaching material AD301 and AD302 which I took for Summer 2007 exams. Now I am applying for AD304 and desire to get the coaching material from you.

M Praveen Kumar, Karnataka

With your postal coaching I passed sec A and now doing sec B. In the last years with your study material I have completed three subjects in sec B (electrical).

Amit Bera, Mednapur, W.B.

Your study material was of great help and I cleared three papers.. The study material was very nice... Again I would like to thank you for the courage, support and motivation you people have shown in guiding we aspirants towards success in AMIE.

Manmeet Jalota, Lucknow (AMIE Aspirant)

I joined your course for Summer 2001 in two subjects viz. Computer Engg. and Circuit and Field Theory. I have cleared both these subjects. Now I intend to join one more subject, Electronic and Electrical Measurements, for Winter 2001 Examination from your institute.

Aman Taluja, Nangal Township, Punjab (AMIE Aspirant)

Preparatory Courses Since 1994

I go through two subjects viz. "Surveying" and "Railway Engg." of your course. I passed in these subjects only through your coaching material. I am in job, I can not spare much time on studies. In this regard your course helped me a lot.

S.P. Chamoli, Tehri, Uttaranchal(AMIE Aspirant)

I have got your study material. It is very good. Please send me another enrolment form so that I may join in more subjects.

K. Bhattacharya, 24 Parganas(W.B.)(Via Email)

Through this letter I want to convey my reactions on the quality of the course material being supplied by your Institute. Till now I have gone through all the four papers viz. IC02, ET03, ET05 and ET06, and would like to inform you that, I appreciate the quality of your course material which I have found more qualitative, exact and easy to understand, and hope you will let continue to think so in future also.

Mukul P. Verma, Hazaribagh, Bihar(AMIE Aspirant)

I have also come to know that many students have been able to clear successfully by just going through your course material.

Previn Malhotra, Nagpur(AMIE Aspirant)

It has become very easy to prepare for my Winter 98 exams through your study material.

N.B.S. Kiran, Ahmedabad(AMIE Aspirant)

...I would like to congratulate you for your splendid efforts in bringing out such sophisticated institute who really helps out for the preparation of AMIE examinations.

Ziya Khan, Dehradun(AMIE Aspirant)

...I borrowed one subject Basic Electronics which I found very effective and of great help and cleared that subject last semester - June 2007 exams. Before, I used to keep referring many text books which I found very difficult and could not handle with complicated topics.

Ms Bhavna Vena, Mysore, Karnataka (AMIE Asp.)

I have already got study material for AD02, AD03 and AD04 from your study circle for Summer 2000. More over I am the only student who cleared all these three papers in a single attempt from Bhatinda District(Punjab).

H. R. Bansal, Punjab(on phone) (AMIE Aspirant)

As mentioned earlier, I have found your course material extremely useful for quick study and hence I have sent demand draft for remaining three more subjects by speed post

O.P.Chetry, Digboi, Assam

I have cleared "Communication Engg." for which I went through your postal coaching. Thanks for nice course.

M.K. Kaushik, Ambala, Haryana(on phone) (AMIE Aspirant)

I am student of your correspondence course. I have completed five papers from your study material. I am very thankful to you that your study material is very useful and time saving.

Narendra Kumar Verma, Lucknow

I got cleared last time Engineering Environment and Society paper in Summer 2002 Examinations with your guidance only.

L. Venkatasubramanian, Chennai(AMIE Aspirant)

Glad to inform you that, with your help of postal coaching i passed my section A exams in winter 2006. My sincere thanks to AMIE Study Circle. Now i want to appear for winter 2007 section B exams.

Murali Ganesh, Kingdom of Bahrain

I joined your institute when I was doing Section A. Now I have completed this section and presently doing my project work. I will appear in Section B examinations in December 03. I again need your course material for Section B as I found it very effective.

Amit Khatri, Alwar, Rajasthan(AMIE Aspirant)

I have got your lesson package of Basic Electronics and Material Process, which were very good.

Deepak K. Panda, New Delhi(AMIE Aspirant)
