

BHEL Whole Testpaper

Hi friends ,

I am Sai Krishna Taloju , attended for BHEL exam on 11 Nov in Delhi and selected for [interview](#) . I want share the pattern of the paper so that it will be useful to all .

The paper consists 240 Questions in which 120 technical & 120 Aptitude & General English with negative marking 1/5 mark

In **Technical** the questions are asked on very basics , 30 questions are mechanical related 10 questions are from Power Systems by CL WADHAWA directly , 20 - 25 from Objective question bank by Galgotia [publishers](#) All the questions are basically from Power systems , Machines, control [systems](#) , some questions are from micro processors, power electronics. few from measurements

In **Aptitude** the questions are asked very simple

finding errors 10 marks

antonyms 10 marks

Synonyms 10 marks

passages 10 marks

30 marks as follows

table consist of X , Y statements

make the relation b/n X , Y such that $X=Y$, $X>Y$, X

THE ONLY THING U HAVE TO REMEMBER IS THAT TIME IS **150Mins** TO SOLVE **240 QUESTIONS**.

Thank you to FRESHERS WORLD to give this oppurtinuities to share this discussion
