From the Desk of Chairman, CCB-2012

It gives me great pleasure to extend a warm note of greetings to all the successful candidates of AIEEE - 2012 and invite all the eligible candidates to participate in the CCB-2012 admission process. I am writing this to highlight the important changes in the admission procedure that have been made in this year's counseling process as compared with that of the previous year.

About 1.2 million students have appeared for AIEEE this year and our endeavor has been to make the counseling and admission process as candidate friendly as possible so as to reduce the anxiety and inconvenience associated with the admissions. Online counseling was started in the year 2009 and was further modified in the year 2010 and 2011. This year's counseling also would be online, with certain modifications compared to the 2011 process. It would involve four rounds of seat allotment instead of five rounds of seat allotment as compared to last year, followed by a spot admission round. This modification has been introduced to minimize the gap between the date of completion of counseling process and the date of starting of classes. Also provision for fresh registration has been introduced this year for candidates who did not register before the first round. Candidates can also pay their fees through electronic fee payment system. To facilitate counseling process, Reporting/Help Centres have been set up.

There are different types of participating institutes, viz., NITs, IIITs, Central/State Government Funded Institutions and Self Financed Institutions in which admissions are being done through CCB. The list of participating institutes is given in the CCB website along with links to individual institutes. Candidates are advised to do a due diligence regarding the participating institutes with regard to the courses offered, fee structure and other relevant facts, before filling choices of institutes and courses during counseling.

All candidates are advised to read the brochure carefully and understand the process clearly before undertaking registration and choice filling. An attempt is being made to provide an online web/power point based tutorial in English and Hindi to explain the online process, so as to enable all the eligible candidates to make use of the online process effectively. CCB wishes that candidates make judicious choices thereby ensuring that the counseling process concludes smoothly. Candidates after getting an allotment in any one of the institutes are requested to take timely decision, so that in case they vacate the seat, the same can be offered to other eligible candidates.

CCB would bring out important and relevant information from time to time for smooth implementation of counseling. All such information that is periodically updated would be available on the CCB website www.ccb.nic.in. Candidates should frequently visit this website, as well as the website of the institution in which they are planning to join.

I take this opportunity to wish you the very best in your professional career and future endeavors.

Sunil Kr Sarangi
Chairman, CCB-2012

1. INTRODUCTION

The Ministry of Human Resource Development, Government of India took a policy decision in 2002 to conduct an All India Engineering Entrance Examination (AIEEE) annually, doing away with many of the large number of entrance examinations that were being conducted till then by various institutes in the country for admission to undergraduate degree programmes in the disciplines of Engineering/Technology and Architecture/ Planning. This initiative has been widely accepted and appreciated.

A Central Counseling Board (CCB) constituted by the Govt. of India coordinates admissions to UG degree programmes in engineering, technology and architecture in respect of select institutions (hereinafter called **'Participating Institutes'**). This year's CCB has been constituted with Director, National Institute of Technology **Rourkela**, as its Chairman. The Office Memorandum of Ministry of HRD, Govt. of India is placed at Annexure V of this brochure.

30 NITs, 5 IIITs/IIITM/IIITDM, 13 Central/State Government funded institutions and 46 Self Financed Institutes will admit candidates on the basis of their performance in AIEEE-2012, to the first year of Engineering/Technology and Architecture/Planning programmes through a centralized counseling procedure, for the academic session 2012-13.

Important features of the admission procedure, fee refund rules, admission schedule, list of Reporting/Help Centers, list of Participating Institutes with total number of seats, fee structure and contact addresses, seat distribution in the institutions etc., are given in this brochure. Candidates are advised to read this brochure carefully and visit our website www.ccb.nic.in regularly for updates and for details regarding the entire online admission process.

The entire admission process consists of four steps:

Step 1. **Online registration**: In this process, candidates eligible for central counseling should register themselves for online counseling in the CCB website from **June 16 to 25, 2012** from places convenient to them. Spot Round registrations can be done during **August 3 - 6, 2012**.

Step 2. **Online choice filling and locking of choices**: After registration, candidates will be able to exercise their branch/institute choices on the CCB website using Internet during **June 16 - 25, 2012** from places convenient to them.

Step 3. **Online Seat Allotment and personally reporting to a Reporting Center**: Candidates will be offered seats based on their choices in the order of merit (AIEEE All India Rank) over multiple rounds of allotment. Candidates who are allotted a seat (i.e., offered admission) will report to any one of the 'Reporting Centers' during the time frames specified, get the documents verified and pay the initial fee to mark their acceptance of the offer of seat and exercise upgrade **Options**, if required. They will also be issued a provisional admission letter.

Step 4. **Getting Admitted to Allotted Institute**: Candidates are required to be physically present at the Institute where the candidate is getting admitted (hereinafter called **'Allotted Institute'**) after verification of all original documents as per the procedure of the **allotted institute**.

For most of the candidates the entire admission process is over at this stage.

Spot Admission: For the seats left vacant after the four rounds of counseling process, there shall be spot admission, when intending candidates are required to be physically present at a Reporting Center, register, fill up fresh choices, pay fees and if offered a seat, be admitted as described in Section 4.6.

In case of any dispute arising out of the counseling process at any stage up to the final allocation of institution and/or branch, the decision of Chairman, CCB-2012 shall be final. The jurisdiction for legal disputes, if any, will be limited to the High Court of Odisha at Cuttack or the Supreme Court of India, only.

For smooth functioning of admission procedure resulting into maximum number of candidates getting admission to the course and institute of their choice and minimizing the number of vacant seats, Chairman CCB appeals to the candidates to carefully follow the admission procedure given in this brochure. The procedure offers enough flexibility at every round of allotment and candidates are urged to co-operate by not prolonging their final decision on admission after seat allotment. This will facilitate in catering to the needs of larger number of candidates seeking admission through CCB.

- **Classes will begin on July 23, 2012 in all the Participating Institutes.**

2.4 The *Fourth Round*

- A *fourth round* of seat allotment that takes into account the modified choices of eligible candidates and newly registered candidates will be done on **July 25, 2012.**
- Candidates who are allotted a seat in the *fourth round* should report directly to the Allotted Institutes during **July 25 - 30, 2012.** These candidates may fill in their preferences of branches *within* the Institute at the time of reporting. Candidates who do not report to the Allotted Institute **(Admitting Institute)** *will forfeit their claim on the allotted seat.* However, they will be permitted to participate in the Spot Round, for which they should register again during **August 3 - 6, 2012**.

2.5 Internal Sliding

After four rounds of allotment, 'internal sliding' amongst candidates admitted in an institute will be conducted, on **August 1, 2012**. The sliding is based on the choices/preferences filled in by candidates at the time of getting admitted to the institute. After this internal sliding, vacancies will be displayed on **August 2, 2012** in CCB website.

2.6 The Spot Round (August 3 to 6, 2012)

Candidates who are eligible for central counseling and have not taken admission in an institute within the 4th round are eligible for the Spot Round. Candidates who are eligible for central counseling but had not registered during **June 16 - 25** and **July 17 - 22, 2012**, would also be permitted to register and fill their choices. Intending candidates should register, fill choices and lock them **(earlier registrations, if any, shall stand cancelled)** online from places convenient to them or from Help Centres during **August 3 - 6, 2012**. **The declared vacancies include those available in NITs, IIITs and other Central/State Government Funded Institutions (GFIs) after internal sliding along with all the seats offered by Self Financed Institutions (SFIs)**. For details on the procedure of Spot Round refer to **Section 4.6**.

- After registration and choice filling they must visit the nearest Reporting Center to get their documents verified, pay the fee of **Rs. 45,000/- (for OP, OPPH, OBC and OBCPH candidates) / Rs. 40,000/- (for SC, SCPH, ST and STPH candidates) in the form of Demand Draft only.**
- **The result of the Spot Round of allotment will be displayed on August 8, 2012.**
- **In case of GFIs a candidate is deemed to be admitted subject to fulfilling conditions laid out for admission by the admitting institute. In case of SFIs admission on allotment is provisional, to be confirmed by the institute concerned after the balance dues are paid by the candidate.**

- **Candidates admitted in GFIs will report to their respective Institutes for class immediately after allotment. Class attendence will be counted from August, 13, 2012 onwards.**
- **It is unlikely that there will be more spot rounds. However, in case such situation arises, announcement will be made in the CCB website at appropriate time.**

2.7 Some important notes for the candidates

Candidates should note the following terms and conditions governing the admission process of CCB-2012:

8. Before giving choices/options candidates should go through the websites of the corresponding institutes that they are interested to be in and be satisfied with the availability of infrastructures and all other facilities for their programme of studies. CCB is not responsible for providing any such information.

3. ADMISSION PROCEDURE

The admission process broadly involves the following FOUR stages:

(i) Online registration

(ii) Online choice filling and locking

(iii) Online Seat Allotment and personally reporting to a Reporting Center

(iv) Personally getting admitted in the Allotted Institute

Arrangement of Reporting/Help Centers is being made at most of the Participating Institutes for guiding the candidates. Candidates may seek guidance at these centers during working hours (normally 9.00 AM to 5.00 PM) and complete their registration, choice filling and locking. The list of these centers is given in Section 10 and **Section 11.**

***Note*: A video presentation of the registration and choice filling/locking process has been made available to all candidates when they visit CCB website for doing online registration. It is strongly advised that all candidates should watch this video which details the procedure to be followed. Only after watching this video, candidates should proceed to do the actual registration and choice filling/locking.**

The procedure to be followed is described here.

1. Access the website **www.ccb.nic.in** and click on "**Registration**".
2. The names of the two streams - Engineering and Architecture - will appear on the computer screen; click on the desired stream.

Hence, it is mandatory for every candidate to enter the required additional information as indicated in the registration form at the time of registration.
- Candidates can change their passwords after login, if desired.

5. After login, the personal data of the candidates (as per the AIEEE-2012 data base) will be automatically displayed on the screen. Candidates must verify their personal data. - Category can be changed from (SC/ST/OBC) to 'OP' but not vice versa.
- Sub Category can be changed from SCPH to SC, STPH to ST, OBCPH to OBC and OPPH to OP, but not vice versa.
- 'State from which eligible' can be changed so as to be consistent with candidate's documents and certificates. (see Section 6.5)

6. Changes in the following fields are not permissible under any circumstances

i. Candidate's name
ii. Mother's name
iii. Father's name
iv. Date of birth

Note:

1. Candidates may take a printout (hard copy) of the registration form containing the above personal data.
2. It is solely the responsibility of the candidates to verify that their personal data, including category, subcategory, state of eligibility, gender etc. are consistent with documentary evidence. **Change of category and sub category may result in change of status of the eligibility of a candidate as declared at the time of the AIEEE results**. CCB/NIC is not responsible for any omissions in the details and its consequences thereafter.
3. **If the personal data submitted / entered by a candidate is found to be wrong at the time of verification of certificates either during reporting or at any later stage, the allotment of seat/provisional admission is liable to be cancelled.**
4. Once these personal data are verified and submitted, candidates will not be allowed to change the personal data under any circumstances.

3.2 Online Choice Filling and Locking (June 16 to 25, 2012)

At this stage, all the registered candidates are required to exercise their choices of branches and institutes in order of their preference. The procedure is detailed here.

1. The procedure for exercising choices and seeking pertinent information is guided through appropriate messages and tabs on the computer screen.
2. As per the eligibility of the candidate, available seat information relating to institutions, disciplines (Engineering/Technology and Architecture/Planning), branches (e.g., Electronics Engineering, Computer Science, etc.) will be displayed.
3. Candidates can fill in as many numbers of choices in the order of preference from the list of available seats.
4. Candidates are permitted, if they so desire, to change or re-order their choices, delete earlier choices and add new choices any number of times until they lock their final choices. Choices should be positively locked before **5.00 PM** of **June 25, 2012.**

Note: Candidates are suggested to view the video for choice filling available on the CCB web site.

3.2.1 Indicative Seat Availability (MOCK Counseling) (June 16 to 25, 2012)

Based on the number of registered candidates who have submitted their choices at any given time, the system will be able to provide an idea of the seats that candidates may be offered. This indicative seat availability ('mock counseling') is to help the candidates to finalize the most appropriate choice of discipline, institution and branch for their rank, state and category.

The indicative seat availability will be displayed at regular intervals during **June 16 - 25, 2012** on the CCB website. Candidates are advised to visit the CCB website regularly for this purpose.

All candidates are strongly advised to register and fill their choices during the above period so that they get to know which seats are likely to be available to them.

The final allotment of seat in the allotment rounds may be different from the indicative seat availability. Hence candidates are advised to fill choices carefully based on their interest and willingness.

3.2.2 Locking of the Choices (June 22 to 25, 2012)

Candidates MUST lock their choices *only after they have finalized them* but, in any case, before **5.00 PM of June 25, 2012**. **The locking of choices involves a few steps after the LOCK button is clicked. This includes entering the password, confirming the locking, etc. Candidate should follow all the steps carefully to complete the locking procedure.**

After the choices are locked, candidates will not be able to change their choices any further. A printable version of the choices along with the terms and conditions agreed by the candidate at the time of registration is displayed once the choices are locked. *Candidates must take a printout* (*hard copy*) *of the locked choices*, (*which also contains terms and conditions*) *sign it and produce it at the time of reporting to the Reporting Center.*

If candidates fail to explicitly lock their choices by **5.00 PM** of **June 25, 2012,** their last saved choices will be automatically locked after this deadline. Candidates are therefore strongly advised to lock their choices themselves and secure a printout of these locked choices. Registered candidates who do not exercise any choices or fail to save them will not be considered for admission and seat allotment. Candidates can login again after locking the choices; **the locked choices will be displayed but cannot now be modified or altered.**

Note: 'SAVING' a choice is NOT the same as 'LOCKING' a choice. A choice that is only saved but not locked, can be retrieved later on and modified. The modified choice has to be saved again. The old choice exercised earlier is lost. But a choice that is locked cannot be modified and saved afresh.

3.3 Online Seat Allotment

During this step, the choices submitted by the candidates will be processed centrally using an allotment software developed by National Informatics Centre (NIC) New Delhi and seats will be allotted in the order of merit as per AIEEE AIR on the basis of the locked choices. The allotment result will be available on the CCB website: www.ccb.nic.in. **Individual allotment letters will not be sent to the candidates.** However, candidates may take a printout of the allotment details from CCB website. Candidates who are allotted seats will have to personally report to any one of the Reporting Centers.

3.3.1 Allotment Policy for Home State Quota (HSQ), Other States Quota (OSQ) and All India Quota (AIQ).

(A) For NITs [Home State (HS), Other States (OS)]

Allotment of seat will be made based on a candidate's AIR and his/her choices. A candidate belonging to a reserved category will be first considered for Open seats in terms of merit. A candidate who is offered a seat under SC/ ST/ OBC category and/or PH sub-category shall be considered for allotment in OP category in subsequent rounds subject to eligibility and availability of vacant seats. However, the other state quota seats in an Institute shall be available only to candidates from other states, home state candidates being forbidden from these seats. This process is repeated till an allotment is made or the choices are exhausted.

A candidate, based on AIR and his/her choices, will be considered for allotment of seat under All India quota. This process is repeated till an allotment is made or the choices are exhausted.

3.3.2 Seat Allotment Procedure

Seat allotment will be done in several rounds. In the *first round*, all the seats will be allotted to the candidates and the result indicating the institution and the branch allotted will be available on the website. In the *second and third rounds*, seats will be allotted against the available vacancies in the respective rounds, and the results will be available on the web site. In the second and *third rounds*, no fresh choice filling will be permitted; registered candidates will not be allowed to alter or resubmit their choices.

The counseling/admission procedure after the *third round* of allotment requires actions by the candidates depending on what **Option** (**I** or **II** or **III**) they had exercised earlier. **Please read Section 4.3 very carefully for further details**.

Group–3(a): Registered candidates who were not allotted any seat in the first and second round of seat allotment.

Group–3(b): Registered candidates whose first and second round of allotted seats were cancelled at RC due to change of Gender/Category/PH Status/State of Eligibilty and are still eligible.

Group–3(c): Candidates who gave **Option I** or **Option II or Option III** during the reporting of the first or *second round* of allotment.

Who is not eligible for third Round of allotment?

- Became non-eligible due to change of Category/PH status

The choices that were submitted by the candidates (belonging to any of the above groups) will be processed centrally and the results will be available on the website www.ccb.nic.in on **July 12, 2012.**

Candidates of Group–3(a) and Group–3(b) who get a seat allotment in this round shall personally report to a Reporting Center for provisional admission between ***July 13 and 16, 2012.*** **The allotment of seats to candidates who do not report to the Reporting Center within the stipulated period will be cancelled and these candidates will not be considered for seat allotment in subsequent rounds, except for Spot Round, for which they have to register again during August 3-6, 2012.** The reporting procedure at the Reporting Center for provisional admission is given in **Section 3.4**.

Candidates of Group-3(c) may get a seat of higher preferred choice or their previously allotted seat may remain unchanged. For Option III candidates only the previous allotted choices will be processed for category upgradation.

4.3.1 Who should Report to Allotted Institute?

After *third round* of allotment, all those candidates who participated in *third round* as **Option II** or **Option III candidates,** shall report to the allotted institute from **July 17 to 22, 2012 failing which the seat allotted to them will be cancelled and these candidates will not be considered for seat allotment in subsequent rounds, except for Spot Round, for which they have to register again during August 3 - 6, 2012.** Reporting procedure to allotted institute is described in **Section 3.7**.

Candidates who participated in *third round* as **Option I** candidates and **are satisfied** with their allotted seat or allotted institute after the *third round*, shall also report to the allotted institute from **July 17 to 22, 2012, failing which their seat allotment will be cancelled and these candidates will not be considered for seat allotment in subsequent rounds, except for Spot Round, for which they have to register again during August 3-6, 2012.** Reporting procedure to allotted institute is described in Section 3.7.

Classes will begin at all the Participating Institutes on July 23, 2012.

4.3.2 Who should Report again to the Reporting Center?

Those who participated in *third round* as **Option I** candidates and are **not satisfied** with their allotted seat after the *third round*, but wish to remain under consideration for admission, shall report to the same Reporting Center from **July 13 to 16, 2012** where provisional admission was taken. These candidates will submit a written request that they be allowed to modify their branch and institute choices and to participate in *fourth round* of allotment. ***However, for availing this facility, these candidates shall surrender their claim on the seat currently allotted to them, as they are not satisfied with the allotment.***

Upon receiving their written request and undertaking, the Reporting Center will unlock their choices. Candidates can then modify their choices on or before **July 22, 2012**. These candidates shall lock their modified choices on or before **5 PM** of **July 22, 2012**. These candidates can use Reporting/Help Center facility from **July 17** to **22, 2012**, to get access to Internet for filling, submitting and locking their modified choices. The candidates must take a printout of the locked choices.

If a candidate fails to explicitly lock his/her choices by 5.00 PM of **July 22, 2012**, his/her last saved choices will be automatically locked after this deadline. Candidates, therefore, are strongly advised to lock their choices themselves and secure a printout of these locked choices. Candidates can login again after locking the choices; the locked choices will be displayed but cannot now be modified or altered.

4.3.3 Cancellation of Seat Allotment due to Non-Reporting

Candidates who, having a seat allotment (in Round 1 or 2 or 3), do not report either to the Allotted Institute or to Reporting Center after *third round* of allotment, will have to forfeit seats allotted to them and will not be considered for any subsequent round of seat allotment. Hence, they are out of CCB-2012 admission process for the fourth round. However, they can register themselves again for the Spot Round during August 3-6, 2012.

4.3.4 Modification of Choices for Unallotted Candidates up to *Third Round*

Candidates [falling in Group-2(a) and Group-3(a)] who did not get any seat up to *third round* of allotment, can modify their choices based on the details of tentative number of candidates reported and admitted as displayed on the CCB website from **July 17 to 22, 2012** from any place of convenience. Their previous choices will get automatically unlocked on **July 17, 2012.** They need not approach any Reporting Center for unlocking their choices. However, they can avail Reporting/Help Center facilities from **July 17 to 22, 2012** to use the Internet to modify their choices and take a printout of the locked choices. If candidates fail to explicitly lock their choices by 5.00 PM of **July 22, 2012,** their last saved choices will be automatically locked after this deadline. Candidates, therefore, are strongly advised to lock their choices themselves and take a printout of these locked choices. Registered candidates who do not exercise any choices or fail to save them will not be considered for admission and seat allotment. Candidates can login again after locking the choices; the locked choices will be displayed but cannot now be modified or altered.

4.3.5 Fresh Registration and Choice Filling for Candidates who did not Register during June 16 - 25, 2012

Eligible candidates who did not register during **June 16 - 25, 2012** are permitted to do fresh registration. After registration, candidates will be able to exercise their branch/institute choices on CCB website using Internet from **July 17 to 22, 2012** from places convenient to them and lock their chices by **5 PM of July 22, 2012.** If candidates fail to explicitly lock their choices by **5.00 PM of July 22, 2012,** their last saved choices will be automatically locked after this deadline. The procedure for registration and choice filling is explained in Section 3.2.

4.4 *Fourth* Round of Allotment (July 25, 2012)

In an attempt to fill in seats that may still remain vacant after three rounds of allotment, a *fourth round* of allotment will be conducted. Candidates eligible for seat allotment in this round fall into one of the following four groups:

Group–4(a): Registered candidates who did not get any seat allotment in the first three rounds. These candidates may have already modified their choices during **July 17 - 22, 2012.**

Group–4(b): Candidates who had a seat allotment but did not go to the Allotted Institute for admission after the *third round*, but asked for the facility to remain in contention for admission (i.e., those who reported to Reporting Center after *third round* of allotment and **surrendered seat**).

Group-4(c): Candidates who got admitted to the Allotted Institute and indicated their order of preference for branches within the Institute.

Group-4(d): Freshly registered candidates who did not register during **June 16 - 25, 2012.**

Who is not eligible for choice modification in fourth round?

- **Not reported** at reporting centre after seat allotment in any previous round
- Candidates **withdrawn** from reporting centre
- Became **non-eligible** due to change of category/PH status
- Candidates who have not surrendered their allotted seat
- Candidates who have been admitted at allotted institute

The branch/institute choices saved/locked by candidates (above four groups) will be processed centrally as per their AIEEE-2012 AIR and choices, in a manner similar to the first three rounds, and the results of the *fourth round* will be available on the website www.ccb.nic.in on **July 25, 2012. Candidates falling in Group- 4(b) should specifically note that, depending on their AIR and modified choices; they may or may not get a seat in this round of allotment.**

Candidates of Group-4(a), Group-4(b) and Group-4(d) who get a seat allotment in this round shall personally report directly to the Allotted Institute during **July 25 - 30, 2012.** The reporting procedure at the Allotted Institute is indicated in **Section 3.7** of this brochure. **The allotment of seats to candidates who do not personally report to the Allotted Institute within the stipulated period will be cancelled. However, they can be considered for seat allotment in Spot Round for which they have to register again during August 3 - 6, 2012.**

Candidates of Group-4(c), who are already at the allotted institute and are attending the classes since **July 23, 2012**, shall check on the website if their branch is upgraded or not, and contact the Admission In-charge of their institute for further instructions.

4.5 Internal Sliding (August 1, 2012)

Candidates reporting for admission to the Allotted Institute after the ***fourth round*** and those who have been already admitted during the previous rounds to the participating institutes will be allowed to participate in the internal sliding. The internal sliding will be based on AIR and the choice of branches given at the time of admission to the Institute. An 'internal sliding' will be carried out on **August 1, 2012,** in each of the Participating Institutes among those who have joined that institute. This processing too will take place centrally. The list of vacancies, if any, after internal sliding, will be displayed on the website www.ccb.nic.in on **August 2, 2012**.

4.6 Spot Round of Allotment (August 8, 2012)

The spot round consists of vacant seats available in GFIs (Government Funded Institutes) after internal sliding along with all the seats offered by SFIs (Self-Financed Institutions). Eligible candidates who have not taken admission in an institute within the fourth round are eligible for the Spot Round. Intending candidates should follow the following steps:

A. Register online afresh from places convenient to them **or in any Help Centre (earlier registrations, if any, shall stand cancelled).**

B. Fill in fresh choices against the vacancies displayed (on **August 2, 2012**) for Spot Round and save the final choices.

C. After registration and choice filling they must visit the nearest Reporting Center to get their documents verified, pay the fee of **Rs. 45,000/- (for OP, OPPH, OBC and OBCPH candidates) / Rs. 40,000/-(for SC, SCPH, ST and STPH candidates)** in the form of Demand Draft only in favour of **'Chairman, CCB - 2012'** payable at **Rourkela**. Any fee payment during earlier rounds will not be counted for the spot round. Candidates are required to deposit fresh drafts.

D. After document verification and deposition of Demand Draft to RC officials, the candidates must lock the saved choices in presence of RC officials. In the event of any change of category during document verification, the candidates may modify the saved choices for which they have to go to Help Centre (which may be at the RC). Locking will not be possible after 5 PM of August 6, 2012.

The above steps A-D must be completed during August 3 - 6, 2012.

E. **The result of the Spot Round of allotment will be displayed on August 8, 2012.**

F. **In case of GFIs, a candidate** is deemed to be admitted to the institute with the allotted branch subject to fulfilling the conditions laid out for admission by the admitting institute. **Candidates admitted in GFIs will report to their respective Institutes for class immediately after allotment. Class attendance will be counted from August 13, 2012 onwards.**

G. **In case of SFIs, the admission on allotment is provisional, to be confirmed by the Institute concerned after the balance dues are paid by the candidate. It is to be noted a candidate need to be admitted to the allotted SFIs between August 9 - 12, 2012.**

N.B. 1. It may be noted that unlike other rounds, choice filling for the spot round must be done with extreme care because in the spot round, a candidate is deemed to be admitted to the institute with the allotted branch subject to fulfilling the conditions laid out for admission by the admitting institute.

N.B. 2. There is no provision of getting the money back (for GFIs). Hence, the candidates are strongly advised not to give a branch/Institute as a choice in which s/he is not interested to pursue his/her career. In the case of GFIs (Government Funded Institutes) the excess in dues if any will be adjusted in the second semester, however deficit amount has to be paid at the time of reporting to the institutes. In case of SFIs (Self Financed Institutes) the difference in dues must be paid at the time of joining the institute. In the event of a candidate not taking admission and forfeiting his seat, the SFI will normally not offer admission to another candidate. In case the SFI offers admission to another candidate agaist that seat, the SFI will refund the dues paid by the first candidate deducting a processing fee of Rs. 1000/- only.

N.B. 3. **It is unlikely that there will be more spot rounds. However, in case such a situation arises, announcement will be made in the CCB website at appropriate time.**

- A candidate, who takes provisional admission by reporting at a Reporting Center but does not report to the Allotted Institute for admission, will have to personally report for refund at the same Reporting Center (where provisional admission was taken) **on or before July 22, 2012**. In such cases the allotment of seats to the candidates will be automatically cancelled.** Candidates will get a refund of Rs. 34,000 (for OP, OPPH, OBC and OBCPH candidates) /Rs. 24,000 (for SC, SCPH, ST and STPH candidates) in due course of time. Refund will be sent to the candidates either by electronic transfer or by Demand Draft/Multi-city cheque, depending on the **option** given by the candidate.

- A candidate, who gets admitted to the Allotted Institute and cancels the admission after **July 30, 2012** will not be eligible for any refund. Also such candidates will not be eligible for Spot round admission process. However, should CCB-2012 conduct any admission round after **August 12, 2012,** refund to such candidates will be governed by the rules of the Allotted Institute.
- In the spot round, if a candidate gets admission in GFI (Government Funded Institute) and does not report to the allotted institute, s/he will forfeit the fee paid by him/her. In the event of a candidate not taking admission and forfeiting his seat, the SFI (Self-Financed Institute) will normally not offer admission to another candidate. In case the SFI offers admission to another candidate against that seat, the SFI will refund the dues paid by the first candidate deducting a processing fee of Rs. 1000/- only. If a candidate does not get any seat allotment/admission in spot round, his/her fee will be refunded.

- Cancellations and refund requests will be entertained only during the dates and time stipulated for reporting.
